

WIN !!!

A Year's Tuition Fees for your son at Hale

The Old Haleians' Association Raffle

What better way to start the year than by having your son's school fees paid for in 2018.

How your family can join the Old Haleians in lending a helping hand.

The Association provides funding, support and assistance for School projects and programmes, including its building and service learning programmes. It runs a mentoring programme, community assistance and community service programmes and arranges professional networking, reunions and other events such as Old Boys' Day, Careers Nights and Sports Days. In addition to this it also provides valuable scholarship and bursary assistance where it can. To help develop and expand these programs the Association invites the families of current Hale students to participate in this raffle each year.

Tickets are \$100 each - and one family will have the chance to win the equivalent of 100% of a regular Year 12 day boy's annual tuition fee, credited to their school account for the 2018 year.

This is an 'opt in' raffle and tickets can be purchased in the same way as last year - via the school website. The choice to participate lies entirely with you. If you do choose to join us in this important programme for the Hale family please visit the Hale School website's online ticketing facility:
