

MICHAEL G. McCALL

**Dr Michael George McCall (1947-1951)** attended Magdalen College seven years after he left Hale. He was awarded a Doctorate in Philosophy in 1951.

As a Haleian, Michael had been a School Prefect and House Captain. He played football and was a member of the athletics team. He was also a keen debater and dramatist.

Michael became a consultant physician at Sir Charles Gairdner Hospital and an Associate Professor of Medicine at the University of Western Australia.
