Paul is now a wheat and sheep farmer at Darkan after retiring from a ten year distinguished career with the Fremantle Football Club playing 171 games.

Paul was a boarder at Aquinas College coming in as a Year 10 student in 2000. Not surprisingly he played football making the First XVIII in 2001 and 2002 as well as making the Western Australian team. Paul also played basketball and won academic awards over Year 11 and 12. He missed out on the College's most prestigious student leadership role – Captain of Boarding and had to settle for the role of Head Prefect and College Captain.

Paul will share his story from Darkan to the AFL and back again
