Hale School Magazine

EDITORIAL

A school like Hale consists of many parts: the present members and staff — who are outwardly the most active — the past members, the Governing Body, and an indefinable tradition of what has gone before, this tradition being, we pride ourselves, just as important as anything else.

It is on the staff that there falls the main duty of imparting all that the school stands for, not only scholarship, but also the development of character and interest in life that a full education comprises. It is for the pupils to take what is given them, and to use it.

The Old Boys and the Board of Governors (of whom nearly all are Old Boys) provide between them a general overall control and a link with the past.

Then there is that tradition or spirit which does (or should) permeate the school's activities, forming the link between past, present and future. and binding all together.

Much of what Hale School stands for is shown in the school crest, adapted from the Hale family coat of arms. Thus the swan's head shows the school's connection with the State of Western Australia. The school's history can be traced right back as far as 1858 and it has varied in entity and fortune with the "colony" in the ninety-seven years since the foundation of the old Collegiate School by Bishop Hale.

The three florets on the escutcheon signify the chivalry of old knighthood, the manly life, the pure mind, and the belief in God. Their presence there is intended to keep all these ideals before us.

And underneath is the school motto, "Duty." It represents the whole of one's moral obligations, to God, to one's fellows and to one's country. It means doing what is right, and striving always to attain the highest in human endeavour.

Duty implies the sacrifice of one's own desires to what one knows as right, and the casting aside of all that does not "measure up to the best that is in us." As this editorial goes to press, there is much in the newspapers about a young woman, the sister of the Queen, who has shown great courage in what she considers her duty to her Church and the Commonwealth.

It is not for us to take sides in this incident which has engendered so much controversial argument, but rather we should attempt to practise in our smaller community the same placing of Duty to our group, however difficult the task may be, above the lesser satisfaction of self-gratification.

SCHOOL NOTES

THIRD TERM, 1954

On November 6 the Old Haleians' War Memorial Fete was held in the school grounds, and it raised quite a large sum of money for the Memorial Hall at the new school.

The Junior and Leaving Examinations commenced on the 22nd, and terminal examinations for all other forms commenced on the same day.

The Prefects' Dance, which was held in the School Hall on the 1st of December, was a most successful and enjoyable evening. On the following Saturday, the 4th, the interschool shooting for the Defence Cup was held at Swanbourne. Our team retained the Cup, which it won last year. Captain of Shooting was A. W. S. Johnson.

Final assembly for 1954 was held on Monday, December 6. At the Annual Speech Night, that evening, the Director of Education, Dr. Robertson, presented the prizes and trophies.

FIRST TERM, 1955

The first assembly for 1955 was held on Tuesday, February 8. Mr. Murphy welcomed new boys to the school and intro-

duced a new master, Mr. Juniper, who is to replace Mr. C. G. Hamilton, who retired at the end of last year.

Mr. Thorley Loton, the Chairman of the Board of Governors, was present at assembly on Thursday, 10th.

On the 16th, J. M. Olney was appointed Captain of Swimming for 1955, and on the following day, the Headmaster announced the appointment of J. M. Olney and J. K. Dorrington as School Prefects and L. C. Bushell as Captain of School. Also on the same day the Cygnet Committee was elected.

The School Swimming Sports took place at Crawley Baths on Tuesday, 22nd, and resulted in a clear victory for Buntine-Faulkner House. J. M. Olney was Open Champion.

On Friday, the fourth of March, J. K. Dorrington was elected Captain of Cricket. The next day, the 5th, the Interschool Swimming Carnival was held at Crawley Baths. Our team could manage only third place. Our congratulations go to the winners, Scotch College.

Monday, March 7, was Old Boys' Day, and a large number of Old Boys attended assembly that morning. At the assembly Miss Green received presentations from Mr. Loton on behalf of the Board of Governors, and from Mr. L. E. Fethers, the Past President of the Old Haleians' Association, in recognition of her long and outstanding services to the School. During the day the usual cricket matches were played at King's Park.

On Friday afternoon and Saturday of March 11 and 12, the first of the new one and a half day Darlot Cup matches was played by the First XI against Guildford Grammar School.

On the 16th, the Headmaster announced the appointment of two more School Prefects. They were E. W. S. Kneebone and A. J. Macmillan.

The second Cup Match, against Aquinas, took place on March 18-19.

The Law Shield Life-Saving Competition was held at Crawley Baths on Saturday, 19th. The "A" team again took first place. J. M. Olney was Captain of our team. This was our fifth successive win.

On March 25-26 the First XI played Scotch College, and a week later the final Cup Match against Wesley College was played.

The annual match with Mr. Loton's XI took place on Monday, 28th.

The school broke up for the short Easter Holiday on the 7th April. Friday, April 22, was Rowers' Assembly and the following day was Head of the River Day. This turned out to be a great day for us and every School crew won. Our congratulations go to Mr. Rosser, the coach, for his fifth successive victory with the first VIII. A very successful Rowers' Dance was held that night at the Nedlands Tennis Club.

Monday, 25th, was Anzac Day, and after the customary service in assembly the school was allowed the morning off to see the Anzac Day March and Service on the Esplanade.

The Cadet and A.T.C. units left for a week's camp at Northam and Pearce respectively, on Saturday, 30th April. The rest of the school broke up on Thursday, 5th of May.

On the next day, the 6th, the first VIII rowed against a visiting crew from Scotch College of Adelaide. Our VIII rowed extremely well in very bad conditions to win from the local Scotch College and then the visiting crew.

SECOND TERM, 1955

Term commenced on Tuesday, 24th May.

The next day, the 25th, Mr. Loton came to assembly to induct the School Prefects. At the same time two more School Prefects were announced. They were M. R. Beech and R. I. Harrold. The same afternoon the first of the House football matches was played, and on Saturday morning the first and second football teams played St. Louis, winning both matches. On the next Wednesday, the first of June, further matches were played with Modern School, and on the following Saturday with Christ Church.

On Wednesday, June 8, the first Alcock Cup Match was played against Aquinas. The first XVIII was soundly beaten. Further defeats were suffered in the next two Cup matches against Scotch College and Guildford on the 15th and 22nd respectively.

On Wednesday, June 29, we had a bye in the Alcock Cup, so the annual match against the Old Boys took place at Subiaco. We managed to beat them !

However, we recorded our first win in a Cup match this year when the first XVIII defeated Wesley College.

The School Boxing Championships were held in the School Hall on the night of Thursday, July 7. J. R. Buttsworth was School Champion. The next Monday, the 11th, was the mid-term holiday.

In our first Cup match in the second round versus Aquinas we again lost by a wide margin.

The next day, Thursday, 14th, Mr. Troutman, an American from Chicago, and Secretary of the Inter-Varsity Federation of North America, gave a most entertaining talk in assembly.

The next Cup match versus Scotch resulted in a defeat for us, but the first XVIII had their second win for the season the following week when they beat Guildford. On the same day Scotch defeated Aquinas, and so won the Alcock Cup for 1955.

The last Cup match, on August 10, was a disappointing one for us and we finally lost narrowly to Wesley.

School broke up on the 18th of August for the term holiday.

THIRD TERM, 1955

School re-opened on Tuesday, September 6.

With Athletics "in," the athletes got down to hard training for the School Sports and the "Inters."

The Senior School Dramatic Society put on "The Happiest Days of Your Life" on the nights of the 16th and 17th. The play was extremely well acted and was well received by an appreciative audience.

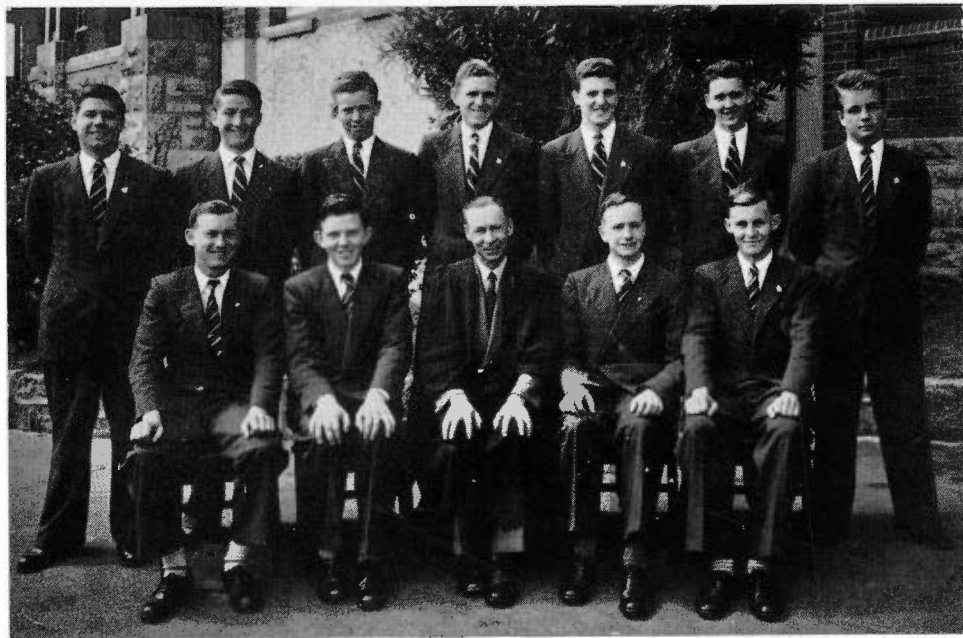

The School Athletic Sports, originally put down for Wednesday, 28th September, were postponed until the following Monday, due to bad weather. On the following day, the 4th October, the Junior School Sports were held at King's Park.

Wednesday, October 5, was Show Holiday.

The "Inters" were held at the W.A.C.A. Ground on Saturday, October 22. Our team was no match for the brilliant and well-balanced team of Wesley, the winners, and we could manage only fourth place.

Education Week was held throughout the State from Sunday, October 30, to November 4 to stress the value of education and school training. Many parents attended assembly on Wednesday and they were addressed by Mr. F. Boylan, of the Education Department.

On Saturday, the 5th, three school crews rowed at the Aquinas regatta.

Speech Night

1954

Speech Night was held, as usual, on the lawn between the School and the Boarding House, on Monday, December 6th. The Rev. F. E. Eccleston said the opening prayer and the reports of the Captain of School and the Headmaster were given. Dr. T. L. Robertson, M.A., Ph.D., Dip. E.D., then addressed the assembly and presented the sports trophies and school prizes.

The evening concluded with the moving of the vote of thanks to Dr. Robertson by Mr. Thorley Loton, the Chairman of the Board of Governors.

Headmaster's Report

After the Headmaster had welcomed the Director of Education, Dr. Robertson, as the Guest of Honour, and commented on the Royal Visit, he went on to say :

"We have in Western Australia a simpler community than is to be found in big centres of dense population. With our industrial development there is a very real danger that there will come into being some of the more undesirable features of a highly concentrated city life. I refer to extravagance in social functions, to the undesirable artificial night life that now seem to be the almost inevitable concomitants of great wealth. Unfortunately sections of the Press by reporting and picturing the extravagances and excesses do a great disservice to young people. The Heads of Independent Schools, alarmed by reports from big cities elsewhere, sent to parents of pupils the letter concerning social functions.

"We do appeal to parents to do all they can to curb extravagance and display. It is not merely a matter of restricting pocket money, though the possession of a too liberal allowance is not good either for the possessor nor for others who may envy him. It is not a matter of cutting out completely parties or other social functions. We believe that young people should have the opportunity of mingling at social functions as well as in their

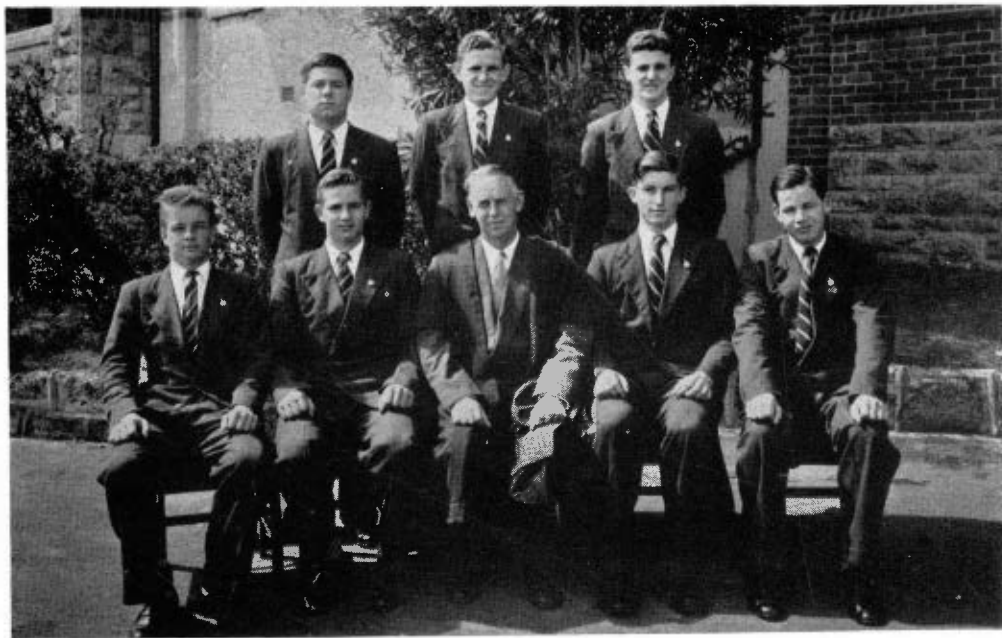

homes. We encourage the development of social graces by school dances, debates and discussion evenings, and so on. But we do deplore the competition for social prestige which results in providing bigger and more elaborate parties; and we strongly deplore the growing tendency of some parents to evade their responsibilities by leaving parties of young people without the presence of an adult and with access to the family 'cellar.' I reiterate the final appeal in that letter to parents. We ask for 'their full co-operation with the School in their endeavour to further the development of clean, wholesome and responsible young citizens.'"

Commenting on the new handicrafts room, he said :

"In a school such as this, which has boys of all ranges of intellectual ability, and who will enter all walks of life, I freely confess we should provide more scope for those whose skill is more in their hands. It is true that arrangements are made for classes in woodwork to be taken away from the school. With plans for future development on another site, the Board of Governors has been reluctant to add to our present buildings here. A group of masters, realising the position, offered at the end of last year to construct a room for handicrafts, and thus save the Board a great deal in architect's fees and builder's costs. The building was designed by an Old Boy, who is a Resident Duty Master; and I am pleased to say that the room has now been completed by the team of masters. It is a very fine achievement. I personally am proud to know that we have on the Staff men who have such a regard for the school that they will give up their own leisure time and work in spare periods and at term ends as carpenters, bricklayers and labourers to improve its facilities. I hope their example of generous service will be followed by all our boys, who will be going out into a community, in which I fear the great tendency is to work the minimum of hours and give the minimum of service."

He reviewed the year in school and said good work had been done. On the sporting field, too, the school had its measure of success. The shooting team and the 1st VIII had their second and fourth successive wins respectively. Of the school's new boat, he said :

"On the eve of the Boat Race the new racing eight generously donated by Mr. Ernest Lee Steere in memory of his brothers, C. A. and R. Y. Lee Steere, who lost their lives in the War, was officially named by Lady Lee Steere. The Lee Steere family has always been a munificent benefactor of the School. The grass tennis courts at the School were the gift of Sir Ernest, and now his son has given us the fine racing eight in which the crew won. I should like here to acknowledge publicly our gratitude to Mr. Ernest Lee Steere for his gift."

PREFECTS, 1955

BACK ROW : J. M. Olney, A. J. Macmillan, E. W. S. Kneebone.

FRONT ROW : M. R. Beech, L. C. Bushell (Captain of School), Mr. V. S. Murphy, R. I. Harrold, J. K. Dorrington.

Continuing with this subject, he said :

"The Great English Public Schools owe their very existence to generous benefactors. In general, Australian Independent Schools are poorly endowed. There are some notable exceptions like St. Peters, Adelaide, The Kings School, Parramatta, and some of the Victorian schools. It is true our schools have friends who have made generous gifts. Only last week, Mr. J. F. McMillan presented to the School from his extensive library a large number of books, many of recent publication, which will be of intense value to senior boys. This gift, at current prices, would amount to some hundreds of pounds. Both boys and staff are very grateful to Mr. McMillan. Many of our prizes as you know are endowed. Many Old Boys have given generously to the War Memorial Appeal which now stands at about £7,000. This, I fear, is still a long way short of its target. Last week the mother of a boy who will be leaving at the end of the year has made the School a gift of £200, 'in gratitude for what the School has done for her two sons.' I am deeply touched by such generosity — especially as her sons did much for the School by leading full and useful lives. Fees are now comparatively high, though they are far below the level of fees in the Eastern States. Even so, a School such as this has no surplus with which to undertake major extensions. We must rely on generous benefactors if we are to keep our fees at such a level that the School will be within reach of people of modest means."

He then outlined the other school activities, particularly the Cadets, A.T.C., and the Dramatic Society.

Concerning the retirement of two members of the staff, he said :

"Despite shortage of accommodation which does not allow us to use a separate room for Art, very good work has been done under the guidance of Mr. Hamilton. He has for some sixteen years been the kindly mentor of our young artists. He has asked to be relieved of his duties at the end of this year. I have agreed only on condition that we can get as good a man in his place. 'C.G.' is a man of wide interests, which have, I am sure, given him that sympathy and humanity that is so often lacking in people who have only one absorbing interest. We shall miss him greatly from class room and common room. He knows he will always be welcome if he comes to visit us.

"The Junior School will lose one of its outstanding members at the end of this year. I refer to Miss D. L. Green, who is in charge of the Preparatory Form. Miss Green joined the school staff in 1919. Many a professional man, many a prominent member of the community can thank Miss Green for a very good start

in his school career. We all know — and you all know — just how trying at times little boys can be! Yet, throughout her long years of service, Miss Green has maintained in some miraculous way her patience and sympathy and a very youthful outlook. We shall all miss her very much, but we wish her all happiness in her retirement."

However, he welcomed back Mr. L. E. McCarrey, who returned to the school as Science Master after research work in Canberra.

He then referred to the future development of the school at Wembley.

"Recently there has been serious discussion by the Board of Governors of plans for the future development of the School. With the opening up of land near the School property at Wembley Downs it is likely that before long roads and other services such as electric power and water will be available near our site. It is clearly beyond our financial resources to build a complete school immediately. It may be possible, however, to plan for certain units, for example the Boarding Houses and maybe some Junior class rooms. The Day School, in that case, would have to continue for some time here.

"An interesting project has just been carried out by Fourth Year Students of Architecture at the Technical College. Each year some big project is planned as part of the training of senior students. This year designs for a Boarding School have been drawn up. The school property at Wembley Downs was taken as the site for this school. The Board of Governors will no doubt obtain many useful suggestions for a future Hale School from these designs. Though it is not possible to forecast just when a start will be made at Wembley Downs, you will all be pleased to know that plans have now been completed for the School's own boat shed. This will be built at Crawley Bay, north of the University boat shed on a site allotted by the State Gardens Board."

He concluded :

"I cannot let pass the opportunity of thanking publicly the many people who have helped the school during the past year. I wish to thank the Board of Governors and their Chairman, Mr. E. Thorley Loton, for their help and encouragement. I wish to record my deep appreciation of the fine work carried out by all members of the teaching staff. It may be invidious to mention particular names when all have so willingly co-operated in their various ways. I wish to thank visiting teachers and coaches, Mrs. Nottage, Mr. Ryan, Mr. Barker, Mr. Bonner, Mr. Liebrechts and Mr. G. H. Christian. The Boarding House staff needs special

mention for its care of the Boarders. The Matron, Miss Oliver, has been most efficient in her management; Miss Irving has been unremitting in her care of the junior boys; Sister Thompson, who joined the staff at the beginning of the year, immediately won the affection of the boys by her skilful and sympathetic ministrations. The health of the school has been extremely good, though curiously enough there have been a great number of accident casualties. The office staff, Miss Twine, School Secretary and her assistant, Mrs. Leyton, have again rendered sterling service. They have remained pleasant and unperturbed even during the end of term turmoil. Finally, I would like to thank the boys of the school, the House Prefects and the Prefects, and especially John Merritt, for their co-operation during the year."

Captain of School's Report

Mr. Chairman, Dr. Robertson, Mr. Murphy,
Ladies and Gentlemen,

On behalf of all at Hale School, I would like to extend a cordial welcome to Dr. Robertson, who so graciously consented to present the prizes this evening.

We appreciate your gesture, Sir, in what must be extremely busy times for you.

Tonight's ceremony concludes yet another school year — a year which probably does not differ much from others in Hale School's history, but which to a few will remain a constant memory. I refer to those boys who are leaving, for who among them is ever likely to forget his final year at school? The memories will vary with different boys. The Athletes will remember the incidents of the sporting field and the Scholars will possibly remember their examinations and prizes. But, above all, everyone will remember this year for the experience it has given and for the opportunities it has provided for friendship and character development.

The School has had its share of Sporting success and other functions such as the School Dance and the Junior and Senior School Plays were their usual success.

Mr. Rosser and his Rowers had a wonderful victory in the Head of the River, and the Shooting Team also won.

In cricket, football and athletics we had to be content with minor placings, although the competition showed that we have the boys who give promise for the future. Unfortunately, a polio-myelitis epidemic in first term prevented the Interschool Swimming Sports being held, but it was possible to conduct the School Sports in third term.

In first term there was the added excitement of the Royal visit. Boys from the Cadet and A.T.C. Corps lined the streets on the Saturday morning of the visit and later in the week the whole school paraded in King's Park to pay homage to the Royal couple as they drove past.

The Cadet Camp set down for May of this year had to be cancelled because of the polio epidemic, but the A.T.C. was able to have its Annual Camp in August when the precautions had been lifted. Polio also restricted the work of the Interschool Debating Society, usually one of our most enthusiastic organizations, but discussion evenings were still held by the members of the school society.

The latest issue of the "Cygnet" has a number of changes in presentation. A progressive committee and a helpful publisher have brought about these changes, which should make the magazine even more attractive than it has been in the past.

From this brief review of the School year, it will be seen that there are enough activities to cater for all tastes. Sport, debating, cadets, dramatics, and a position on the school magazine committee are within the reach of everyone, and a little effort is all that is needed to achieve whatever goal one may desire. The participation in these activities is the main thing, and the more one joins in, the greater is the pleasure one derives from school life. Provided that school work is kept in its true perspective, one cannot help but benefit by taking part in some, if not all, of these extra activities. Most boys appreciate this situation and have acted accordingly, but some have not taken advantage of the facilities afforded them. No boy can get the best out of a school of this kind unless he is prepared to put back into it just as much as he takes out.

While on this note I would like to express my appreciation of the efforts which the Prefects have made during the year. As they were only a small group they had to work extremely hard. During third term a number of House Prefects were appointed to assist them. Experience of one term under the new system of House Prefects suggests that it should become a permanent feature.

The discipline which the Prefects imposed was, to my knowledge, always fair and just, and by their tolerance and understanding the Prefects helped to make the school run smoothly. They were all chosen in the first place from boys who had for years joined in the various school activities, and if my analysis does nothing more, it does show that the best leaders of the school are those who have the widest experience of school affairs.

My advice, then, to all those returning next year is to enter into the life of the school and to enjoy it to its limit, because I am convinced that those who will benefit most from their term at Hale will be those who leave after having partaken of all that is offered to them, both academically and on the sporting field.

The Library.

This year Mr. Smith was again Master in charge. With the help of the Head Librarian, P. A. Panegyres, he made sure that the Library functioned smoothly.

At the end of last year the cataloguing was finished and there are now new index systems in both libraries.

Just a few days before Speech Night last year Mr. J. F. McMillan generously donated a large quantity of books to the Sixth Form Library. As the value of these books ran into hundreds of pounds the school is very grateful to Mr. McMillan for his spontaneous gift.

It has been decided that in future a number of new books will be purchased annually. It is hoped that this measure will keep the Library up to date and help those who wish to read modern authors.

House Notes

School House

FIRST TERM, 1955

School began on Tuesday the 7th of February. As usual the Boarders returned the previous day. Among them we welcome Michael Brooker, Robert Burton, Robert Carruthers, Tim Cobley, Noel Collins, Malcolm Draper, Theo. Fawcett, Bruce Fricker, Barry Hardie, Robert Hardie, Tim Hawker, Tom Hutchinson, Tony James, John Jenour. Ian Kopke, Brem Mitchell, Richard Pearce, David Powell, John Stone. Michael Taylor, John Triggwell, Billy Urquhart and David Watts. Former day boys who became boarders were Gerry Clifton and Anthony Law.

Sister Thompson was still in charge of the sick bay and she continued to carry out her duties very efficiently. Mr. Brand filled in duties as a resident master until the arrival of Mr. Bridson who, we hope, will have a pleasant stay with us.

Lance Bushell and Tony Wilson were the only Prefects to return from last year and they carried on alone until the beginning of the third week of term when James Carmichael, Dick Finlay and Foster Pearce were appointed. Congratulations to the three of them. Congratulations also go to Lance Bushell who was appointed Captain of the School and of the House.

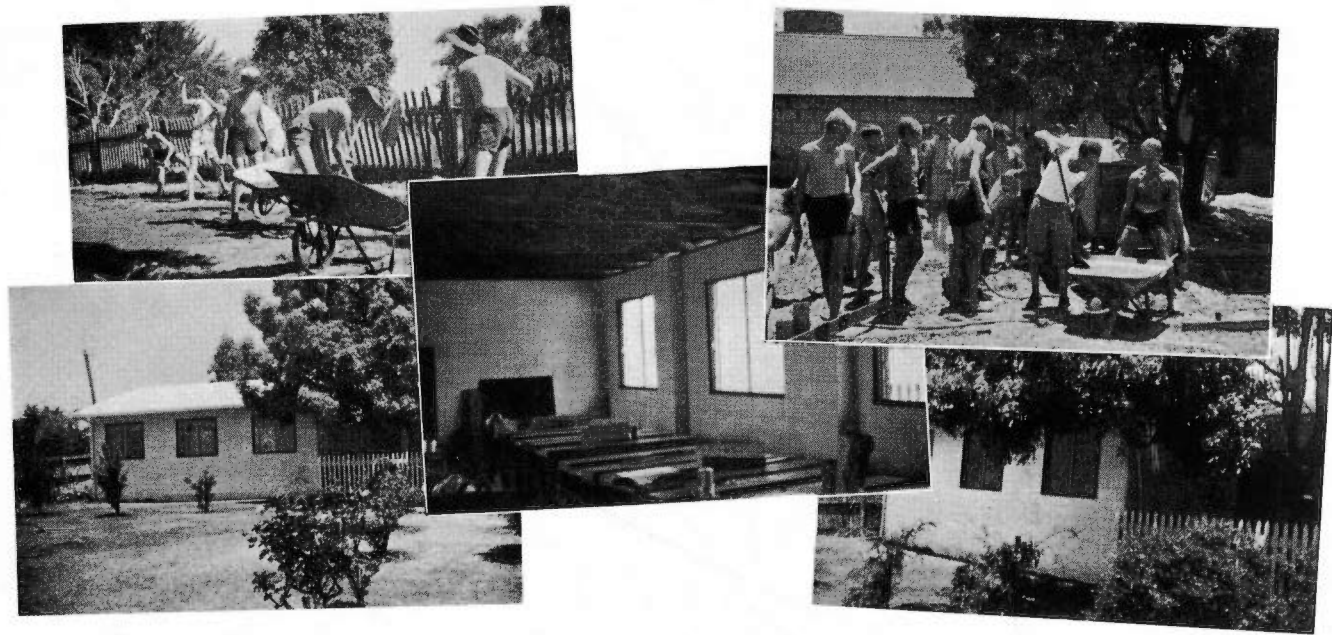

Cricket began immediately and the House was well represented in the first XI by Clem Addis, Sim Clapin, Tim D'Arcy, Ted Officer and Bill Reynolds.

The inter-House swimming was a disappointment as far as School House was concerned. We came last and must congratulate Buntine House on its good win.

Lance Bushell was the only Boarder in the winning first eight. It was his second year in the first eight; congratulations on a fine effort.

New librarians this year were C. Addis, T. S. Clapin, G. Clifton, K. Eastman, R. M. Hester and W. Reynolds. The library still does duty as a study for the boys in VI A.

A good number of Boarders joined either the Army Cadets or the A.T.C. Those who hold ranks in the Army Cadets are :

HOBBIES ROOM
Early Stages and the finished product.

Cadet Under Officers L. C. Bushell and A. Wilson, Sgts. K. E. B. Eastman and G. F. Pearce, Cpls. R. A. Finlay, E. A. Officer and H. C. Roberts, and L/Cpls. C. J. Addis, T. S. Clapin and A. J. Ryan. Acting-Cpl. R. B. Clapp was the only Boarder to hold rank in the A.T.C.

The new boys' boxing was as fast and furious as usual, and, if applause is anything to go by, it was thoroughly enjoyed by boys, both old and new.

The Rowing Regatta proved to be a victory for School House. We beat Buntine House into second place with Wilson House third. The crew was: L. C. Bushell, A. Wilson, J. M. Bungey, G. F. Pearce and R. Devenish. Congratulations on your win.

The term ended on the 5th of May.

SECOND TERM, 1955

Boarders returned to school on Monday, 23rd May. Bernard Wansbrough had left the House to become a day boy.

Newcomers to the House were John Negus and Garry Nielsen.

Football was the only sport this term and the House was well represented in the 1st XVIII by John Bungey, Lance Bushell, Sim Clapin, Barry Clapp, Tim D'Arcy, Ian Lightly, Tony Ryan, Trevor Sweeting and Tony Wilson.

The House came second in the House Football Competition. We were defeated by Wilson House by 7 goals 5 behinds to 1 behind. But we made up for our defeat by beating Buntine House, 8 goals 6 behinds to 6 goals 1 behind. The best players for the House in the first match were: A. J. Ryan, T. Sweeting and T. S. Clapin, and in the second match, J. M. Bungey, A. J. Ryan and I. Lightly.

New boys to arrive during the term were Leigh Steedman and John Weygers.

Boarders in the cast of the school play were: R. A. Finlay, S. A. Fisher, A. K. Male and E. A. Officer. By the end of the term they were rehearsing hard and giving up a lot of their spare time. A good performance is expected.

THIRD TERM, 1955

Boarders arrived to begin the term on Monday, 5th September. We found that David Joel, Ian Lightly, Ian Rowe, Barry Townsend and David Watts had left school. Garry Nielsen had become a day boy.

Athletics started in the first week of term and we were very pleased with the way in which the boys responded in the standard trials, in which the House finished well ahead, but on the day of the sports we lacked the talent to score many points and were beaten into third place by Buntine House who, in turn, were defeated by Wilson House. Our congratulations to Wilson House on a good win.

Congratulations to Lance Bushell on winning the Open Championship for the second year in succession. Congratulations also to the Open Relay Team, which tied for first place.

Boarders who competed in the "Inters" were : J. Bungey, L. Bushell, T. D'Arcy, G. Pearce, T. Sweeting and J. Trigwell. Bushell is to be specially complimented on running second in the Open 880 in the "Inters."

The House cricket is, as yet, unfinished with one match still to play. School House defeated Buntine House with 8 for 198 to 4 for 139. Our success was mainly due to a brilliant hard-hitting 115 by Lance Bushell. We lost to Wilson House with 123 to 133. Wilson House has still to play Buntine House to decide the final positions in the cricket.

The House shooting is also still to be decided.

Wilson House

House Captain : J. K. Dorrington.

School Prefects : M. R. Beech, E. W. S. Kneebone,
A. J. Macmillan.

Apart from the initial setback of defeats in the rowing and swimming, Wilson House teams have been predominant in inter-House competitions so far held this year.

We won the football competition after an easy victory over School House in the first match, and a close tussle with Buntine in the last. Our House team played with great energy and determination and well deserved their win.

The scores for the matches were:—

Wilson defeated School (7 goals 5 behinds, to 1 behind).

School defeated Buntine (8 goals 6 behinds to 6 goals 1 behind).

Wilson defeated Buntine (4 goals 8 behinds to 4 goals 6 behinds).

In the Athletics competition we secured another victory over the other two Houses. The recording of Standard Trials by a large number of boys, coupled with good performances on the Sports Day, made possible our success.

Another win was added to our record when we defeated both School and Buntine in the cricket competition. The House was served well by all members of the team, and the detailed results are as follows:—

Wilson, 133 (Beech 54, Wager 24) defeated School, 123 (Dorrington 4 for 56, Beech 3 for 48).

Wilson, 5 for 156 (Dorrington 44, Hollyock 32 not out) defeated Buntine, 80 (Dorrington 5 for 18, Myles 4 for 22).

With three wins to our credit and the tennis and shooting contests still to be decided, we appear to have quite a good chance of winning the Cock House competition this year.

Buntine-Faulkner House.

House Captain : J. M. Olney.

School Prefects : R. I. Harrold, J. M. Olney.

House Prefects : J. R. Buttsworth, F. H. McKinnell, G. F. Yeo.

We started the year well with a convincing win in Swimming Sports. The final points were :

Buntine	----	----	----	----	139
Wilson	----	----	----	----	102
School	----	----	----	----	16

Those who swam well for Buntine were : R. Longley, D. Gordon, D. Johnston, R. Kelsall, A. D. Law, G. R. Law, J. M. Olney. Several of these boys were their age champions.

Although we had four members of the 1st VIII at the School Rowing Regatta we could manage only second place to School House.

The main sport of second term was the football, and although we fielded fairly weak teams in the School Competition we were by no means disgraced as we were beaten only by small margins both times. We did especially well to finish within two points of Wilson House.

Results:—

Wilson defeated Buntine. 4 goals 8 behinds to 4 goals 6 behinds.

Best : R. Harrold, T. Edmondson, A. Gosden.

School defeated Buntine. 8 goals 6 behinds to 6 goals 1 behind.

Best : R. Harrold, T. Edmondson, A. Gosden, W. Brockway.

In the Athletics we finished second to Wilson House. Although School amassed a great points total from the trials they came only third.

We were well served by R. Underwood, R. Kelsall, D. Gordon and T. Parry.

In the Cricket last year there was a three-way tie between the houses.

The Cricket, Shooting and Tennis Competitions are yet to be decided this year, but we should do fairly well in all of them.

AQUINAS v. HALE

PLAYED AT SUBIACO OVAL, WEDNESDAY, JUNE 8, 1955

Conditions were very good as we took the field to play Aquinas. We lost the toss, and Aquinas kicked with a slight breeze.

We attacked immediately and Ryan scored a goal. Our backs were playing well, and Aquinas had to struggle to score. Bushell was rucking well, while Hollyock was particularly good at centre half-back.

Quarter Time Scores : Aquinas, 3.7; Hale, 1.0.

Aquinas now started to play excellent football and their teamwork was far better than ours. Had it not been for Dorrington, at full-back, they would have added many more goals. Our forward moves were either repelled, or managed only points.

Half Time Scores : Aquinas, 8.10; Hale, 1.2.

Bushell was still rucking well, but the Aquinas rovers, especially Sinclair, were taking the ball away from the bounces. Aquinas continued to attack, and Hollyock and Sweeting defended well on the half-back line. Aquinas kept their forward line well open, in contrast to ours, which was overcrowded.

Three-quarter Time Scores : Aquinas, 15.12; Hale, 1.2.

Aquinas attacked for most of the quarter, and the Hale backs were once more called upon to do a lot of work. Despite the unevenness of the scores, we fought hard to the bell.

Final Scores : Aquinas, 20.22; Hale, 1.2.

Goal-kicker : Ryan.

Best Players : Hollyock, Bushell, Dorrington and Bourne.

HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT SCOTCH, JUNE 15, 1955

Conditions were ideal for football, the weather being warm and the ground in good order.

Scotch, after winning the toss and electing to kick into a slight breeze, went immediately into attack and following some scambly exchanges, kicked three consecutive behinds. Hale were struggling to settle down into systematic play, although the defenders played tigerishly repeatedly to stem promising Scotch thrusts. Intelligent rucking by Bushell sent Hale moving goalwards but our forward line was rarely co-ordinated and only points were the result.

Quarter Time : Scotch, 1.4; Hale, 0.3.

After the change-over Scotch were quickly into their stride but their goal-front inaccuracy prevented them from establishing a decided advantage as point upon point was posted. Gradually obtaining greater drive from key-man Langdon, Scotch added three quick goals, to open up a substantial lead. Hale, though, fought back grimly to produce their best football of the match, goals coming from Vanzetti, Beech and Ryan. Not to be denied, Scotch came again kicking two invaluable goals just before the long interval.

Half Time : Scotch, 6.7; Hale, 3.4.

The third term saw Scotch turn on brilliant football for which Hale had little answer. Scotch added 4 goals 2 behinds to our solitary point and thoroughly deserved their convincing lead as their more purposeful approach to goals, that of long kicks down the centre, was in direct contrast to Hale's congested attacks.

Three-quarter Time : Scotch, 10.9; Hale, 3.5.

A further onslaught appeared likely as Scotch swung the ball into their busy forward area but the speedy wingmen, Bourne and D'Arcy, were playing grandly and their tenacious play kept Hale in attack for the majority of the last quarter. Poor kicking for goal marred an otherwise good performance by Hale in this term, Scotch eventually running out winners by 63 points.

Hale had played doggedly, but attacks, even when sustained, broke down across the half-forward line and in the second half,

particularly early, Hale was outclassed by a team playing superior football.

Final Scores :

Scotch 13 goals 13 behinds

Hale 3 goals 10 behinds

Goal-kickers : Ryan, Vanzetti, Beech.

Best Players : Bourne, D'Arcy, Hollyock, Wilson.

GUILDFORD v. HALE

PLAYED AT GUILDFORD OVAL, JUNE 22, 1955

Guildford won the toss and we were kicking with a slight breeze. Guildford immediately went into attack and scored a point. At this stage, play was very scrumbly. When Macmillan received a free kick in front of goals, he brought up the first goal for the school. Dorrington and Hollyock defended well in this quarter.

Quarter Time Scores : Hale, 1.0; Guildford, 0.2.

After a fair amount of midfield play, Martin brought up Guildford's first goal. A little later, after good passes by Macmillan and Beech, Bushell scored a goal. In this quarter Wilson and Beech played well in the ruck, whilst McKinnell was good in defence.

Half Time Scores : Guildford, 2.6; Hale, 2.2.

Macmillan, who had been kept fairly quiet early, now started to play brilliant football and was instrumental in many good moves for the school. We had the misfortune to lose Hollyock, our centre half-back, in this quarter, as he had been playing well. We played our best football up to date in this quarter.

Three-quarter Time Scores : Hale, 5.6; Guildford, 4.8.

Although we fought hard in the last term, Guildford played good football and added 3 goals, whilst we failed to score. Some good football was still being played, but the game now became very rough. Guildford ran out winners by 14 points.

Final Scores :

Guildford 7 goals 8 behinds

Hale 5 goals 6 behinds

Goal-kickers : Macmillan 2, Bushell, Ryan, Bungey.

Best players : Macmillan, Wilson, Beech, D'Arcy, McKinnell and Bushell.

HALE SCHOOL v. WESLEY COLLEGE

 PLAYED AT WESLEY, JULY 6, 1955

Hale, kicking with the advantage of a slight breeze, attacked strongly and Bushell goaled from a half-forward flank. Winning in almost every position on the ground the school kept up a continuous offensive but could manage only points where goals were so vital. The Hale defenders were in dashing form; in fact, gone altogether was the hesitant, haphazard play that had characterised the team's game in earlier matches.

Quarter Time : Hale, 1.5; Wesley, 0.2.

Early in the second term Moyes of Wesley kicked a splendid goal but Beech, scouting cleverly, replied with a good one soon after. Wesley, now playing with more determination, scored another goal and when Edmondson replied seconds later it was goal for goal with the pace a "cracker." Harrold, brilliant in defence, was proving Wesley's stumbling block, while D'Arcy on a wing provided a very sure avenue for Hale's attacking moves. Bushell and Francis added further goals for their respective sides, and then right on the bell Lilleyman scored an invaluable goal to give Hale a handy 13-point lead at half-time.

Half Time : Hale, 5.6; Wesley, 3.5.

The third quarter saw Hale completely swamp Wesley with brilliant football made possible by a winning ruck, an all-powerful centre line, a re-invigorated half-forward line and a sure defence which was co-ordinated, purposeful and mobile. Bushell and Macmillan kicked two goals apiece for the quarter while Edmondson booted his second from a snapshot.

Three-quarter Time : Hale, 10.8; Wesley, 4.7.

A more resolute Wesley opened this final term promisingly as Moyes goaled after thirty seconds of play. A further two goals by Wesley made the difference only three goals and players from both sides began to throw themselves into the fray with a rare abandon. Olney sealed the issue for his side with a good goal after some fiery passages of thrilling football. Wesley continued to challenge strongly in a gallant endeavour to wrest the initiative from Hale but in a magnificent struggle the School were just two good, the final margin being 22 points.

Final Scores :

Hale	12 goals	9 behinds
Wesley	8 goals	11 behinds

FOOTBALL, 1955

BACK ROW : N. R. Vanzetti, T. W. A. Bourne, T. S. Clapin, G. F. Yeo, F. H. McKinnell, N. T. L. D'Arcy, T. M. Edmondson.
 MIDDLE ROW : R. B. Clapp, L. M. Lilleyman, W. P. Reynolds, P. T. Eyres, A. Wilson, R. I. Harrold, J. K. Dorrington, J. R. Buttsworth, J. M. Olney, M. R. Beech.
 FRONT ROW : G. A. Lefroy, T. C. Sweeting, K. A. Hollyock, A. J. Macmillan, Mr. C. P. Davey (Coach), L. C. Bushell, J. M. Bungey, A. J. Ryan, I. B. Lightly.

Goal-kickers : Bushell, 4; Edmondson, 3; Macmillan, 2; Beech, Lilleyman, Olney.

Best Players : Bushell, Macmillan, D'Arcy, Beech, Hollyock, Harrold, Lilleyman, Edmondson, Bourne.

HALE SCHOOL v. AQUINAS COLLEGE

PLAYED AT AQUINAS, JULY 13, 1955

Conditions were near perfect for the return match against Aquinas and after winning the toss, Aquinas chose to kick into a very slight breeze.

The game opened at a terrific pace and within seconds of the first bounce Anderson at full forward for Aquinas had kicked a splendid goal. Hale gradually settled down, and with fast, open football attacked strongly, but only points were the result. The Hale defence was holding firm against some very promising Aquinas thrusts but Hale in their turn found scoring difficult.

Quarter Time : Aquinas, 1.3; Hale, 0.3.

The second term was nothing short of a fiasco. Aquinas, yards faster to the ball, took complete charge to add goal after goal almost at will. The Aquinas full forward, Anderson, was in great form and valiantly as they tried, the Hale boys could not halt the rate of scoring. Hale moved forward occasionally, long enough once for Bushell to goal, but their general play was ragged and only the two defenders, Hollyock and Harrold, appeared to be playing with any determination.

Half Time : Aquinas, 9.3; Hale, 1.3.

Hale looked more like the team that had beaten Wesley the previous week in this quarter when Macmillan snapped a much needed goal on the run, but Aquinas then added a couple themselves. Beech was roving tirelessly against tough opposition, but there were many passengers in Hale's individualistic eighteen.

Three-quarter Time : Aquinas, 14.3; Hale, 2.3.

Aquinas completely outplayed Hale in the final quarter, kicking 7 goals 4 points to our 1 behind. Hale attacked spasmodically but goals were hard to come by and the only real interest in the game at this stage was how many goals Anderson would kick. He eventually finished with 12 and must be congratulated on a fine performance. The siren came as a welcome

relief to end a very poor old game from Hale's point of view. Out-generalled for most of the match, many Hale boys played well below their best form and never did the school seem capable of pulling together as a team to match this polished Aquinas side.

Final Scores :

Aquinas	21 goals 7 behinds
Hale	2 goals 4 behinds

Goal-kickers : Bushell, Macmillan.

Best Players : Hollyock, Harrold, Bushell, Beech, Macmillan, Ryan.

HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT SUBIACO OVAL, WEDNESDAY, JULY 20, 1955

Scotch were kicking with a very strong breeze in the first quarter and immediately went into attack and scored 2 points. Hale replied with a point, but Scotch immediately goaled. Although Scotch attacked for most of the rest of the quarter, they managed to score only one more goal, due to the efforts of Dorington at full-back.

Quarter Time Scores : Scotch, 2.4; Hale, 0.1.

From the bounce, Hale took the ball away and Beech kicked a goal. Macmillan was playing well at centre half-forward and Bushell and Beech were doing well in the ruck. After a period of attacking by Scotch, we cleared, and Macmillan scored a goal.

Half Time Scores : Scotch, 2.10; Hale, 2.5.

In this quarter, Scotch played very good football. Langdon played excellently in the forward line, whilst Bird had the upper hand at centre. We could manage only 2 points in this quarter, despite the fact that we had a fair amount of play.

Three-quarter Time Scores : Scotch, 6.16; Hale, 2.7.

After a long period of scrumbly play, Scotch goaled and then went further ahead when they repeated. We forced the ball down, but only a point was the result. From a throw-in, Beech took the ball and kicked a good goal. We battled hard, but were not up to beating Scotch, who ran out winners by 39 points.

Final Scores :

Scotch	8 goals 18 behinds
Hale	3 goals 9 behinds

Goal-kickers : Beech 2, Macmillan.

Best Players : Macmillan, Bushell, Dorrington, Beech, Vanzetti and Lilleyman.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

PLAYED AT SUBIACO OVAL, JULY 27, 1955

Macmillan won the toss and Hale kicked with a good breeze at their backs. The game began on a thrilling note as Bungey posted the first major in the early minutes of play. Then Guildford took charge, adding two invaluable goals against the breeze, and only courageous play by the ever-reliable Hollyock prevented their establishing a match-winning advantage.

Quarter Time : Guildford, 2.3; Hale, 1.3.

The second term saw Hale produce the sort of football that wins matches. Macmillan goaled on the run to level the scores but Martin of Guildford kicked one immediately and it was exciting football with both sides striving to gain the ascendancy. Receiving grand service from her centre line players, Hale went forward again and the tireless Macmillan kicked truly to give his side a useful lead. In defence, Harrold was impassable and with star rovers Beech and Lightly combining beautifully, the Hale forward division looked dangerous.

Half Time : Hale, 4.2; Guildford, 3.4.

Hale won the game in this third quarter scoring 4.1, while holding Guildford to 2 behinds. Winning everywhere, the School punched holes in the Guildford defence with a co-ordinated and highly intelligent display. Bungey (2), Macmillan and Lightly (1 each) were the goal-scorers and Guildford now lacked the initiative necessary to worry this Hale side that was continually able to dictate the tenor of the play.

Three-quarter Time : Hale, 8.3; Guildford, 3.6.

In the final quarter the football was of the hard slogging nature and to recall that only 4 points (2 by each team) were booted for the quarter indicates the supremacy of the respective defences. Guildford, struggling gamely to regain balance, found the Hale defenders in an impregnable mood while Hale, still producing some brilliant passages of mid-field football, also met stiff opposition when within kicking distance. Hale eventually ran out

comfortable winners by 28 points, eclipsing a Guildford team that had earlier looked very impressive.

Final Scores :

Hale	8 goals 5 behinds
Guildford	3 goals 7 behinds

Goal-kickers : Bungey 4, Macmillan 3, Lightly.

Best Players : Macmillan, Bourne, Lightly, Hollyock, Beech, Harrold.

HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT SUBIACO OVAL. WEDNESDAY, AUGUST 10, 1955

Conditions were very windy for the final cup match of the year, there being a strong wind favouring one end of the ground.

Despite the fact that we kicked with the breeze in the first quarter, we failed to utilise it properly. Eyres, after taking a good mark, kicked truly and we scored our first goal early in the quarter. Wesley, fighting hard, were constantly in attack, but good play by our backmen prevented them from scoring. Late in the quarter, Lightly took the ball from a bounce, and scored a goal.

Quarter Time Scores : Hale, 2.2; Wesley, nil.

Wesley went straight into attack and Hawkins kicked two quick goals. A little later Francis kicked another goal for Wesley. For the rest of the quarter we were in attack and did well to score against the breeze. Just before half-time, Beech kicked a goal, which regained the lead for us.

Half Time Scores : Hale, 3.5; Wesley, 3.3.

In this quarter, we played very badly and did not score. The play was very scrumbly, with the ball see-sawing between the sides' half-back lines.

Three-quarter Time Scores : Hale, 3.5; Wesley, 3.3.

Wesley went into attack and scored 3 points and then a goal. We began to play better football, but Wesley goaled again. Then we began a stiff fight back and Ryan scored a goal. D'Arcy was playing soundly and Harrold was rucking well. We fought hard in the last 10 minutes, but could not bridge the gap.

Final Scores :

Wesley	5 goals 8 behinds
Hale	4 goals 8 behinds

Goal-kickers : Eyres, Lightly, Beech and Ryan.

Best Players : D'Arcy, Bourne, Harrold, Hollyock, Lightly and Lilleyman.

OTHER RESULTS, 1955

FIRST XVIII

v. St. Louis	Won	5.2	to	2.9
v. Perth Modern School	Lost	2.5	to	14.16
v. Christ Church Gram. School	Lost	2.10	to	3.9
v. Old Boys	Won	11.9	to	6.8

SECOND XVIII

v. St. Louis	Won	11.11	to	nil
v. Perth Modern School	Lost	2.4	to	7.10
v. Christ Church Gram. School	Won	15.14	to	nil
v. Aquinas	Lost	1.2	to	5.18
v. Scotch	Lost	2.5	to	3.11
v. Guildford	Lost	2.4	to	6.8
v. Wesley	Lost	1.5	to	5.6
v. Aquinas	Lost	1.0	to	12.7
v. Scotch	Lost	3.5	to	3.7
v. Guildford	Lost	5.4	to	7.9
v. Wesley	Drew	5.4	to	5.4

THIRD XVIII

v. Aquinas	Lost	3.4	to	4.5
v. Scotch	Lost	2.1	to	15.15
v. Guildford	Lost	4.5	to	6.8
v. Wesley	Won	5.7	to	4.6
v. Aquinas	Lost	2.3	to	7.11
v. Scotch	Won	4.5	to	1.4
v. Guildford	Won	4.10	to	1.7
v. Wesley	Lost	3.4	to	4.5

The 3rd's had quite a good season. Their matches were always low-scoring, thus showing that they fought hard. Stone was the outstanding player in the side, whilst Murdoch and Woodroffe roved well. Wager and Rowlands were consistent in the backline.

UNDER 15 XVIII—A

v. Perth Modern School	Won	7.7	to	6.5
v. Aquinas	Lost	3.4	to	10.13
v. Scotch	Won	4.8	to	3.5
v. Wesley	Won	4.8	to	2.2
v. Aquinas	Lost	4.2	to	8.10
v. Scotch	Won	5.11	to	3.6
v. Guildford	Won	7.8	to	3.4
v. Wesley	Lost	2.2	to	5.7

This side did very well this year and defeated every team except Aquinas. The best player was Stuart, the full back, whilst the rucks, Gosden and Bennett, also did well. Gibbs played good football at centre half-back, whilst McBride showed promise in the forward line. Mr. McCarrey was an able and enthusiastic coach.

UNDER 15 XVIII—B

v. Wesley	Lost	0.1	to	4.7
v. Aquinas	Lost	0.1	to	7.20
v. Guildford	Lost	0.2	to	9.11
v. Wesley	Lost	1.3	to	4.6
v. Aquinas	Lost	0.4	to	14.13

THE CYGNET

UNDER 14 XVIII—A

v. Aquinas	Lost	2.0	to	13.6
v. Scotch	Lost	1.8	to	9.5
v. Guildford	Lost	3.7	to	6.10
v. Wesley	Lost	2.3	to	3.3
v. Aquinas	Lost	nil	to	10.12
v. Scotch	Lost	1.4	to	3.2
v. Guildford	Lost	4.3	to	6.5
v. Wesley	Won	4.6	to	1.3
v. Christ Church	Won	3.6	to	1.3

The under 14a were not particularly successful during the year, but near the latter part of the season they played much better. Hopkins, at full back, was the most consistent player in the side. Nattrass played well in attack, whilst Tully and Underwood played well in the ruck. Mr. Hoar gradually developed the side.

UNDER 14 XVIII—B

v. Aquinas	Lost	2.2	to	12.7
v. Guildford	Lost	2.0	to	5.7
v. Wesley	Won	4.13	to	4.2
v. Aquinas	Lost	0.1	to	11.11
v. Wesley	Lost	3.1	to	3.8

UNDER 13 XVIII

v. Scotch	Lost	2.5	to	6.4
v. Aquinas	Lost	5.5	to	6.7
v. Wesley	Won	7.13	to	0.1
v. Aquinas	Lost	2.3	to	10.5
v. Guildford	Won	3.10	to	3.1
v. Christ Church	Won	8.8	to	1.2
v. Wesley	Won	8.13	to	3.2

The under 13 team showed great promise this year, and under Mr. Corr, they developed into a good side. Longley and Lillingstone rucked extremely well, whilst Pericles and Leist did well when roving. Caddy, who was captain, kicked goals at full-forward and Hardie played well at centre.

JUNIOR SCHOOL

FIRST XVIII

v. Christ Church	Lost	3.4	to	4.9
v. Christ Church	Lost	5.6	to	9.12
v. Scotch	Lost	5.6	to	9.6

UNDER 12 XVIII—A

v. Scotch	Lost	2.2	to	2.14
v. Christ Church	Won	3.3	to	0.3
v. Scotch	Lost	2.4	to	7.6
v. Christ Church	Lost	2.3	to	4.10
v. Guildford	Lost	2.0	to	3.5

The Junior School 1st XVIII and the under 12 sides, who were both coached by Mr. Mill, were not particularly successful. Godber was outstanding in defence in the 1st XVIII, whilst Collins roved well in both sides. Groom, at centre, R. Miller in the ruck and Tween-Cain, a rover, all played well in both sides.

UNDER 12 XVIII—B

v. Scotch	Lost	0.1	to	6.6
v. Scotch	Lost	1.5	to	13.10

UNDER 11 XVIII

v. Christ Church	Won	11.6	to	2.1
v. Scotch	Won	4.8	to	2.1
v. Scotch	Won	8.4	to	2.2
v. Christ Church	Won	6.7	to	2.1
v. Guildford	Won	13.20	to	0.2

This side was probably the most successful in the school. Under Mr. Shields, they did very well and did not lose a game. Lee Steere, at centre, played well, whilst Irvine and Trinder did well in defence. The forwards, led by Barker and Polette, were particularly strong and kicked many goals.

UNDER 10 XVIII

v. Scotch	Won	8.11	to	0.2
v. Christ Church	Won	5.5	to	3.5
v. Scotch	Won	8.6	to	2.6
v. Christ Church	Won	1.2	to	1.0
v. Guildford	Won	3.12	to	2.2

The under 10's were particularly successful this year and did not lose a match this season. Wilson at centre half-back, was outstanding, whilst Abbott and Staines played well in the forward line. Carew-Reid and Davies also played good football. Under Mr. Mill, they developed into a really good side.

HOUSE FOOTBALL

This year the House Football matches were played earlier in the term and they thus served as excellent practice for the more important games to follow.

In the first match the all-round strength of Wilson House proved too strong for School, the final margin being 46 points.

Then in the next game School and Buntine clashed in a thrilling struggle, the result of which was in doubt to the final bell. Steadier in the crises, though, School House eventually ran out winners by 17 points.

Buntine House gave a great performance in the final game extending the powerful Wilson side to such an extent that it was only in the closing minutes of the match that Wilson House went to the front to win the game and so be House Football winners for 1955.

The Scores were :

Wilson	7 goals 5 behinds
School	0 goals 1 behind

Best Players.—Wilson : A. Macmillan, Hollyock, Vanzetti.
School : Ryan, Sweeting, Clapin.

School 8 goals 6 behinds

Buntine 6 goals 1 behind

Best Players.—School : Bungey, Ryan, Lightly. Buntine :
Harrold, Edmondson, Gosden.

Wilson 4 goals 8 behinds

Buntine 4 goals 6 behinds

Best Players.—Wilson : Hollyock, Vanzetti. Buntine : Har-
rold, Edmondson, Gosden.

Shooting

1954

The Inter-School Shooting Competition for the Defence Cup was held at Swanbourne on Saturday, December 4. As a fairly stiff crosswind blew across the range, conditions were not altogether ideal.

The school team was a strong one and we ran out winners by thirteen points, after being hard pressed by the Aquinas team. Ouvrier of Aquinas was the Champion Shot of the Public Schools, whilst Yelland was the Champion Shot for the school.

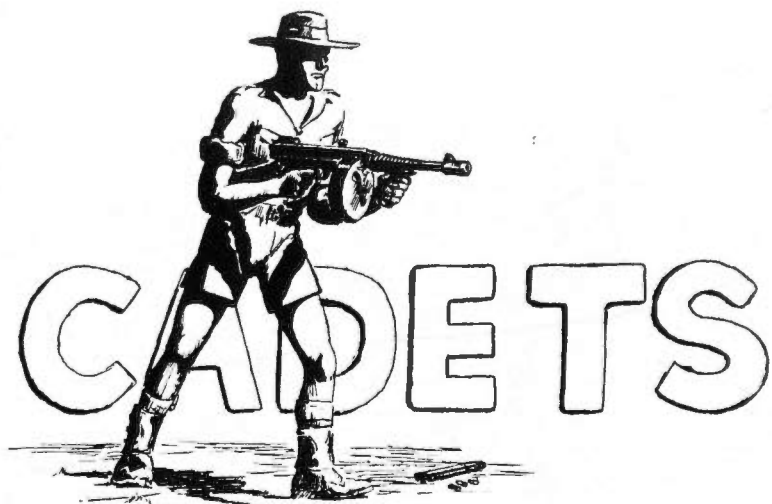

Thus we retained the Defence Cup and congratulations must go to Mr. Drake for his coaching and handling of the team.

The school team was : A. W. S. Johnson (Capt.), K. B. Yelland, R. Chappell, M. M. Vinnicombe, R. I. Harrold, A. B. McKellar-Hall, N. T. L. D'Arcy, C. A. R. Stawell.

FIRST TERM

During the August holidays, 1954, a group of boys from the School Cadet Unit attended Officers' and Senior N.C.O.s' courses held at the Northam Military Training Centre.

As a result of these courses the following promotions were made:—

Sgts. L. C. Bushell and A. Wilson, Cpl. J. K. Dorrington and Cdt. G. Ghent to U/Offrs; Cdt. E. W. S. Kneebone to C.S.M.; Cdt. M. R. Beech to S/Sgt.; Cpl. K. E. B. Eastman, Cdts. J. R. Buttsworth and J. M. Olney to Sgts.; and Cdts. B. A. Harewood, G. F. Pearce and J. G. Rosser to Cpls.

Before initial training commenced several clothing parades were held, and the return this year of the traditional "slouch hat" was welcomed by all. The instruction during First Term was, in the major part, undertaken by Cadet Officers and Senior N.C.O.s.

In addition to the normal activities of the unit, a Junior N.C.O.s' course was held at school, preparing senior cadets who were to receive promotion prior to camp.

CAMP

The annual camp commenced at Northam on Saturday, April 30.

The week-end was spent in settling in and renewing the many friendships made in previous years.

On Monday, before serious training was begun, the following promotions were made:—

Cpl. G. F. Pearce to Sgt.; Cdts. H. S. Evans, R. A. Finlay, E. A. Officer, T. S. Parry and P. W. Roe to Cpls.; Cdts. C. J. Addis, T. W. A. Bourne, D. J. K. Cannon, T. S. Clapin, D. P. Durston, B. G. L. Myles, A. J. Ryan and G. F. Yeo to L Cpls.

The task of these new N.C.O.s was made considerably more difficult by the absence of the Senior Under Officers and several Senior N.C.O.s who were members of the crew that was to row against the visiting Eight from Scotch College, Adelaide.

The weather was good and training proceeded without a hitch. Members of the unit received, besides normal drill instruction, lessons in fieldcraft, and were able to shoot on the open range.

The week's activities concluded with a mock battle and the Corps marched out on May 7.

SECOND TERM

It was evident from parades during Second Term that the camp in May had had quite an effect on the "rookie" platoon; the recruits now marched like veterans and had all the characteristics of "old soldiers."

Tuesday was made the training day during this period. Instruction was given on the Bren L.M.G., Rifle Drill, and Marching, and both Nos. 1 and 2 Platoons fired on the miniature range.

THIRD TERM

As is usual in Third Term a week-end bivouac was held at Irwin Training Centre to complete the requisite number of training hours.

Due to rain on the Saturday, Capt. Drake decided to abandon the Corps' activities for that day. Most of Sunday morning was taken up with periods of instruction on normal Cadet activi-

FRONT ROW : C.S.M. E. Kneebone, Cdt. U/O. J. Dorrington, Cdt. U/O. L. Rushell, Capt. L. Drake, Cdt. U/O. A. Wilson, Cdt. U/O. G. Ghent, Sgt. M. Beec h.

ties, but just before lunch the whole unit was lectured on hand grenades and the E. Y. Rifle.

On Sunday afternoon the Platoon Cup Competition was held. After an impressive display of drill by the three platoons under their respective commanders, the trophy was awarded to No. 2 Platoon, which was in the charge of U/Offr. Dorrington and Sgt. Buttsworth.

Other features of this term's activities were the two shooting competitions in which teams from the unit took part.

The first of these events was the elimination shoot for the Earl Roberts Imperial Cadet Trophy, in which the school, represented by L/Cpls. Cannon and Yeo, Cdts. Beckwith and D'Arcy and with Sgt. Eastman as Fire Commander, finished in fifth place.

In the second competition, Cpl. Finlay, L/Cpls. Cannon and Yeo, and Cdts. Beckwith, D'Arcy, Hester, Sutherland and Whitfield, shot for the Corps in the 5th Cadet Brigade Challenge Cup. Competing in the "B" Division, the team finished sixth out of sixteen.

Science Notes

Laboratory Cadets appointed this year were R. I. Harrold, I. T. Macmillan, J. B. Rowlands and N. R. Vanzetti. From last year we had C. W. Hassell, and Senior Laboratory Cadet was F. H. McKinnell.

Things have been pretty quiet in the Lab. this year (no fires and no explosions worthy of note, but many bad smells, however), and there was only a flutter of excitement when a section of the roof blew off in a high wind last winter, narrowly missing a Junior School boy.

The old "still" was put back into commission early this year, but although it produces allegedly distilled water at a great rate, we doubt very much the purity of the product. However, in winter we used rain water instead, but this summer we have had to buy it.

The 6A Chemistry and Geography classes visited Wundowie on August 16 and spent a most interesting day touring the installations there. The highlight of the day was the tapping of the blast furnace. We would like to thank the management of the company for their co-operation and friendliness.

AIR TRAINING

CORPS

At the beginning of the year Corporals P. T. Eyres and R. I. Harrold and L.A.C. G. M. Wager were promoted to the rank of Cadet Pilot Officer. Sergeant A. J. Macmillan, who was not expected back at the school, and consequently did not attend the C.P.O. course in August the previous year, was promoted to Cadet Warrant Officer. Other promotions were: L.A.C. J. K. Negus to Flight-Sergeant, L.A.C. S. M. Williams and Cadet T. M. J. Edmondson to the rank of Corporal.

The first parade was scheduled to take place on the 21st February but due to the excessive heat, the school was given a half holiday. The recruits were at Wright Street Headquarters at the time and were allowed to go straight home when they had collected their uniform. On the 28th February, a week later, the first official parade was held, and it was found that the number of recruits, thirty-five, together with the "veterans," brought the total strength to ninety-four.

On the 28th March two C.P.O.s and the W.O. were away with the First XI playing the annual match against Mr. Loton's Eleven at Middle Swan. Thus, while these three were enjoying water melons and grapes, the remaining C.P.O. and N.C.O.s conducted the school flight.

Throughout the term cadets were instructed in drill, service knowledge, aero engines and the other lectures which make up their curriculum.

A new system of flights was arranged, there now being four instead of three. This necessitated another N.C.O. being in charge of the fourth flight and Cadet R. B. Clapp was given the rank of Acting-Corporal.

After several changes in dates the General Camp at Pearce Aerodrome was fixed as the 30th April to the 7th May. This

camp is held annually in order to acquaint the cadets with the service life and complete their instruction in technical studies which could not be readily taught at the school parades. The cadets are instructed in the "Link" trainer, handle the "Bren" gun, visit the control tower, go on field craft exercises, are taken for a trip in a Dakota and go for long relaxing strolls called "route marches."

Football matches, visits to the decompression chamber, compass marches, concerts, pictures, etc., are all "in the book" and serve to make the camp full of interest for all concerned.

Owing to the total number of cadets at the camp, Number 10 Flight was unable to have its desired flight in the Dakota. This was to be regretted and it will be remedied, no doubt, in future.

A highlight of the camp was a series of football matches between the Hale and Wesley flights and on the 4th May a match was arranged between the A.T.C. and the National Service Trainees. Our boys, however, were completely outmatched, except in the ruck, and the N.S.T.s eventually ran out winners by 18.20 to 10.2. There were eight players from Hale playing in the combined team and they contributed much to the accuracy of our score.

The camp commandant for the eight-day duration was Flt.-Lt. E. B. Adams and he was responsible for its smooth running. Everyone enjoyed himself and, although there were some happy looks when it was nearly over, one can be almost certain in saying that the persons concerned were very bored during the remainder of the holidays.

Early in second term it was announced that Corporal T. M. J. Edmondson was promoted to the rank of Sergeant and Cadet G. A. Lefroy to the rank of Corporal. In August these two attended the C.P.O. course, the latter obtaining a distinction, and the former a credit pass. At the same time there was a N.C.O. course, which nine of the school flight attended. L.A.C.s M. D. Brandreth, L. M. Lilleyman, L. J. Peet, Cadets R. H. Cooke, A. A. Guy, R. A. L. Gosden and B. T. Wansborough obtained credit passes; while cadets B. H. Bennett and A. J. Lightfoot obtained passes.

On the 5th of November the A.T.C. Athletic Sports were held at Wesley. Considering the comparative fewness of the Hale School athletes participating, No. 10 Flight did well to obtain third place behind the Wesley and C.B.C. Flights. Number 10 Flight was best served by C.P.O. P. T. Eyres, who won the high jump (record) and the long jump, and W.O. A. J. Macmillan, who broke the mile record.

At the end of the year it was announced that C.P.O. R. I. Harrold had been awarded a Flying Scholarship.

Debating Society

This year has proved a highly successful year in debating. There was a greater interest among the boys, especially the seniors and this resulted in a most enjoyable season.

At a meeting held early in first term the following Committee was elected : C. J. Addis, W. T. Beckwith, G. W. Ghent, R. I. Harrold, J. K. Negus, J. B. Rowlands, together with M. R. Beech, L. C. Bushell, L. T. Matthews and T. S. Parry who automatically followed into the Committee from last year.

Parry was appointed secretary. A sub-committee was elected for the purpose of choosing suitable subjects and attending to any smaller matters. It consisted of Bushell, Ghent, Matthews and Parry, as secretary, *ex officio*.

The first function for the year was a discussion evening held in the Boarders' Common Room on the 30th March. The opening debate on this night was "Is the female dress more sensible than the male dress?" There were very decided views on the question !

After another debate, several impromptu speeches were heard, concluding another enjoyable evening.

Rather extensive correspondence was carried out with other schools and an interesting programme of Inter-School Debates eventuated.

The first of these was held in the School Hall on Friday, June 10, our opponents being St. Hilda's.

The junior team debated first on the subject "Travel During the School Year is Educational."

Our team, consisting of Offer (leader), Wansbrough and Cooke, took the affirmative view. Feminine wits, or feminine charms, or both, were too strong for our team.

The subject for the senior debate was : "The Olympic Games Foster World Peace." The Hale team, Bushell (leader), Parry and Wilson, took the affirmative side again but was not successful.

Dr. Einihovici and Miss Chugg proved very helpful adjudicators, as did all our adjudicators for the year.

After the debate, supper was served in the Boarding House. The second Inter-School debate was held in the School Hall on Monday, June 20, our opponents being St. Louis.

The junior team, consisting of Wansbrough (leader), Lightly and Cooke, took the negative view of "The Pen is Mightier Than the Tongue."

However, the pens of the opposing side proved much stronger than the tongues of our own team.

The senior team, Parry (leader), Harrold and Ghent, followed on the juniors to discuss the affirmative view that "Australia is too much under the influence of the U.S.A."

Unfortunately the adjudicator, Mr. Andie, was too much under the influence of the St. Louis orators and success again eluded us.

Nevertheless the speaking had been very strong and an enjoyable evening was spent. To add still more enjoyment to the occasion the teams partook of supper in the Boarding House.

There was a notable reluctance to leave the school portals even for debating occasions and our third Inter-School debate with P.L.C. was held in the Hall on Monday, July 4.

There had been a lot of preparation, especially among the senior team and Hale was fighting fit.

The junior team, D'Arcy (leader), Beckwith, P., and Offer, took the affirmative side of "The Human Race will be ruined by laziness as more and more machines are developed." Feminine diligence was a little too powerful for the mechanical male and P.L.C. won the debate. Congratulations go to them.

Whether our adjudicator, Mr. Smith, had grown hardened to the charm of the ladies or whether our senior team was too persuasive with their argument is uncertain but in the next debate for the first time we were successful.

Our team, Matthews (leader), Rowlands and Beckwith, disagreed with the view that "It is better to be a contented pig than a discontented philosopher." The debate was highly enjoyable and sometimes amusing; congratulations go this time to our boys.

To conclude the evening, philosophers and pigs, both content with the evening's entertainment, enjoyed supper in the Boarders' Dining Room.

Our thanks go to Matron who prepared supper for us at each debate; these short repasts were greatly appreciated by all teams.

Towards the middle of the year a movement was made among the schools to form a Secondary Schools' Debating Federation, the object of which is quoted from the Constitution :

"The object of the Federation shall be : to encourage interchange of ideas on debating and related matters, and to organise interschool debates."

To meetings, held once a month, we were obliged to send two delegates, which we did, and Hale School joined the Federation, which promises to be very interesting and helpful.

The fourth Inter-School Debate was held as usual in the School Hall on the evening of August 1. Our opposing teams were from C.B.C. (Perth).

As before, considerable time had been spent by our boys in preparation and some excellent debating was heard.

The sub-leaving team, Parry (leader), Beckwith and Rowlands, held the affirmative view that "A University Education is an essential training in life." The improvement in our team was remarkable and, by a narrow margin, we defeated the excellent C.B.C. team. Congratulations again to our boys.

Mr. Andie was again the adjudicator and was exceptionally helpful and inspirational throughout the night.

The subject for the Leaving debate was: "Australians are too sport-minded." Our team, Bushell (leader), Matthews and Ghent, took the negative side but were not successful. Congratulations this time to C.B.C.

Perhaps the most enjoyable evening was had at our fifth and final Inter-School Debate with M.L.C., on Monday, October 3. The standard of speaking was, perhaps generally, not so high but we all enjoyed ourselves.

Mr. Smith was our adjudicator.

The sub-leaving team, Beckwith (leader), Harrold and Parry, took the affirmative view of "An only child is more handicapped to meet life than the child of a large family."

They were successful and must be congratulated on again out-matching the feminine weapons.

For the leaving debate our team, Wilson (leader), Beech and Matthews, took the negative view of "The school leaving age should be raised." Interesting debating was heard but we were not successful.

To finish our Inter-School Debating activities for the year, supper was served to the teams and greatly appreciated.

We are very grateful to Mr. Smith for all that he has done to promote and maintain the interest and standard of debating here in the school.

To the adjudicators we are also grateful and, having experienced such an excellent and enjoyable year of debating, we can look forward to next year, hoping for an even more successful year, even more greatly followed by the interest of the boys.

MUSIC NOTES AND ART OF SPEECH

Mrs. Nottage's music pupils attended two schools' concerts in the Capitol Theatre during the year by kind invitation of the Australian Broadcasting Commission. The concerts were given by the A.B.C. and proved not only very enjoyable but also extremely instructional. Grateful thanks are extended to the Broadcasting Commission. The pupils also enjoyed the film "Melba" at the invitation of the Piccadilly Theatre.

A promising third grade pupil is J. S. Rowe and we all sympathise with him in his bereavement. R. Cooke passed first grade and J. McLean the preliminary.

In the third term a certain amount of interest in the establishment of a school orchestra was aroused. Unfortunately, it seems as though there is an insufficient supply of musicians playing the variety of instruments desirable. However, we hope that next year there will be enough enthusiasm as well as instrumentalists to revive the orchestra.

ART OF SPEECH

This year there has been an increasing number of students of all ages learning "Art of Speech." Some of these are taking University examinations in October and November. A number of boys taking this subject took part in the Senior School play. Second Grade honours certificates were awarded to Miller and Graeme in recent examination results.

CRICKET.

A new set-up in the Darlot Cup Associated Public Schools Cricket Competition was introduced this year and it should make for better cricket. All five schools meet only once, but play lasts one and a half days as against the one-day matches last year. Play begins at 1.30 p.m. on the Friday, and finishes at 6 p.m., with a 15-minute break for afternoon tea. On the Saturday, play begins at 10 a.m. and stumps are not drawn until 6 p.m., with an hour for lunch and 15 minutes for tea.

Four points are awarded for an innings and an outright win, two for a first innings and one each for a drawn game. These conditions encourage teams to go for an innings or an outright win.

This year the School purchased a slips machine which will prove very useful in sharpening up the fielding of the team.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

PLAYED AT KING'S PARK, FRIDAY, MARCH 11,
SATURDAY, MARCH 12, 1955

Dorrington, on winning the toss, gave his side first use of a firm wicket. Wager and Lilleyman opened for the School and took the score to 17 before Lilleyman was caught in the slips. Wager and Addis added 45 when Addis was unluckily run out for 4. With the score at 84 Pexton's well flighted slows had Wager out for 56, a really good performance. Wickets fell consistently until at 3.17 p.m. the School was all out for 118, Yeo 18 and Beech 11, being the only other batsmen to offer any resistance to the fine spin bowling of Pexton and Hardie.

Guildford commenced their innings at 3.28 p.m. and were 14 without loss at tea. On resumption, though, Lilleyman took a brilliant left-hand catch to dismiss Greenham off D'Arcy. Harrold, in a sensational burst of bowling, had Guest and Reynolds

out in three balls, the score then being 3 for 49. The remaining Guildford batsmen went cheaply, only Pexton, with 54, mastering the Hale attack and his was a true captain's knock. Guildford were all out for 105, just before six o'clock, Yeo finishing with the excellent figures of 4 for 37 from 11 overs. The fielding was very keen, Beech and Lilleyman being particularly prominent.

Wager and Lilleyman gave Hale a fair start in their second innings but with 22 runs on the board both Lilleyman and Addis were back in the pavilion. Yeo and Dorrington fell victims to McGlew, the score then standing at 4 for 40. Harrold was in a forceful mood and with the ever dependable Wager also batting well, Hale's stocks rose but at 67 Wager faulted and was l.b.w. to McGlew for 33. This gave him a fine double for the match as he, in his two innings, made 89 runs out of 224 scored and must be congratulated on an outstanding effort. The last five wickets fell for only 39 runs the final total being 106, leaving Guildford 120 runs to make for an outright victory.

Pexton and Greenham opened confidently but they were both out with the score at 22. Guest and Gorringe were untroubled by the School bowlers, the fourth wicket falling at 54 when Guest was run out. Addis's spinners put the game back in the balance as he obtained the valuable wickets of Gorringe and Way. Thirty eight runs were needed and 4 wickets to fall, but after Crane's dismissal Hardie and Dawes set about in grand manner to hit off the remaining 31 runs needed for victory and at 4.10 p.m. Guildford had won this first Darlot Cup match by three wickets. The result was a little disappointing to the School after such a promising start, but congratulations are warmly extended to the winning Guildford team.

HALE SCHOOL v. AQUINAS COLLEGE

PLAYED AT AQUINAS COLLEGE, FRIDAY, MARCH 18,
SATURDAY, MARCH 19, 1955

Dorrington lost the toss and we were sent into bat on a firm wicket. Wager and Lilleyman opened the batting and at 23 we had lost them both as well as Yeo. Dorrington, who was now at the wicket with Addis, batted attractively for 46, before being bowled. Addis was out soon after and we were 5 for 82. Beech and Harrold carried the total along to 126 before Beech was out for 15. Harrold continued his big hitting innings until he was caught for 48. The rest offered little resistance and we were all out for 145. Anderson bowled his medium-pacers extremely well and took 6 for 37.

Aquinas commenced their innings and runs came at a brisk rate. Rigg, playing in his first Cup match, brought up his 50 before becoming one of Yeo's victims. Sinclair 35, Burt 33, and Aikenhead 31, all helped Aquinas to bring their total to 221. Yeo had the good figures of 6 for 48 from 16 overs and Clapin and D'Arcy ably supported him, each taking 2 wickets.

We started our second innings after lunch on the Saturday and were soon in trouble, both the openers being out at 13. Once again Dorrington played an excellent innings, being out to a brilliant catch by Burt off his own bowling for 46. Apart from Yeo (19) and D'Arcy (14 not out), the rest of the team collapsed and we were all out for 130, leaving Aquinas to get 55 runs in order to win outright. Anderson again bowled well, taking 5 for 27, thus making 11 wickets for the match, an extremely good performance.

Aquinas never looked in trouble when batting again. They scored the required 55 runs for the loss of 4 wickets. Clapin and Yeo each took 2 wickets.

Thus Aquinas won the match by 6 wickets, and all credit is due to them for their performance.

HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT KING'S PARK, FRIDAY, MARCH 25.

SATURDAY, MARCH 26, 1955

Dorrington won the toss and the School batted on a soft wicket. With the score at 41, Macmillan, Wager, Yeo and Dorington were back in the pavilion, Langdon being the principal destroying agent. The forceful Harrold, partnered by the sedate Addis, added 28 invaluable runs before Addis was caught at the wicket off Langdon for 18. Harrold continued to batter the bowling in making a courageous 39, but he received only mild support from his team-mates. Hale were all out for 98 at 3.10 p.m., Langdon finishing with the outstanding figures of 6 for 48.

Scotch began their innings at 3.18 p.m. and were soon in difficulties as D'Arcy had MacKinnon l.b.w. for 5. Bunning and Waddell both batted attractively but the classic batsmanship of the day came from the Scotch skipper, Langdon. With Pidgeon as his partner, he completely took charge of the Hale attack, hammering it to all points of the oval in making a truly delightful 82 including 12 fours. Pidgeon and Millet also batted well and Scotch, when finally dismissed, had compiled 209. D'Arcy had toiled manfully against some great batting and it was fitting that, in his good figures of 6 for 74, he should eventually obtain Langdon's wicket. Poor ground fielding by Hale was very apparent in this innings and we paid dearly for dropped catches.

Beech and Addis gave the side its best start for the season in Hale's second innings, putting on 43 before Addis was bowled for 22. Beech, 21, was out immediately but then we saw another fine partnership of 49 between Dorington and Yeo, before the latter lost his wicket for 29. Dorington continued to stroke the ball confidently but with the total at 114 he was caught on the fence off Langdon. Only Clapin of the remaining batsmen offered more than token resistance and to recall that the last 5 wickets fell for only 18 runs is evidence enough of the seriousness of the collapse. Hale were all out not long after lunch, Langdon once again being the chief wicket-taker. Against some tight bowling from D'Arcy and Reynolds, Scotch batsmen lost 4 wickets in hitting up the 38 runs needed for outright victory. An indifferent batting display in the first innings, atrocious fielding on the Friday afternoon, and a magnificent batting and bowling feat by Scotch's Langdon had all contributed to Hale's third successive outright defeat.

HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT WESLEY COLLEGE, FRIDAY, APRIL 1,

SATURDAY, APRIL 2, 1955.

Dorrington lost the toss and Joynt, the opposing captain, sent us in to bat on a hard wicket.

Beech and Lilleyman opened the batting for the School, and gave us a good start. They were both dismissed at 27, and then Addis and Dorrington became associated in a long and excellent partnership. It was not until 135, that Dorrington fell a victim to the bowling of Joynt for 45. Addis continued to 167 before he was bowled for a well-made 63. However, the rest of the side collapsed and we were all out for 171. The collapse was due to some excellent bowling by Joynt, who finished the innings with 7 for 59.

Moyes and Clarke opened the Wesley innings late on Friday night, and Clarke was dismissed on the next morning when the score was 38. Perry joined Moyes, who was playing a dour knock, and they took the score to 68, before the former was out for 24. Francis now came in and a long partnership ensued. Moyes was finally run out for 38, when the total was 128. Joynt and Francis carried the score along to 171, before Francis was l.b.w. for 45. Joynt continued on, and was out finally after scoring the first century in Darlot Cup cricket this year. It was an excellent knock, giving him a fine double for the match. We dismissed them for 280, Yeo bowling well to take 4 for 74.

We commenced our second innings on Saturday afternoon, and were soon in trouble. Beech and Lilleyman went when the score was 14, and Dorrington and Addis at 29. Francis was keeping the ball on the spot, and he secured a hat-trick, when

he took the wickets of Harrold. Clapin and D'Arcy with successive balls. In a last wicket stand of 19, Officer and Reynolds carried the score to 57, when we were all out and Wesley had beaten us by an innings and 52 runs.

We had gone through the season without winning a match. Sometimes the luck wasn't our way, but that was offset by our brittle batting and occasional lax fielding.

FIRST ELEVEN v. MR. LOTON'S ELEVEN

The traditional annual match against Mr. Loton's Eleven was played on the Middle Swan ground.

Mr. Williamson, captaining the Herne Hill team, won the toss and elected to bat. The scoring rate was particularly fast as most of the members of Mr. Loton's Eleven made runs and the final score of 221 occupied only 145 minutes of play. J. Rakick, Cooper, D. Mann and J. Williamson all batted brightly, while D'Arcy, Clapin and Addis were the chief wicket-takers for the School.

Wager and Lilleyman opened for the School but D. Rakick had immediate success, capturing the wickets of Wager and Beech. Lilleyman, partnered firstly by Dorrington and then by Addis, took the score to 57 when 5 wickets had fallen. Then came a stirring 66-run partnership between Yeo and Harrold, both players hitting the ball with great power and certainty. Harrold, who finished with 48, Chandler, 26 n.o., and Clapin, 17, helped to boost the total to 189 for 9 wickets at stumps, the match thus resulting in a draw.

We would again like to express our sincere thanks to Mr. and Mrs. E. T. Loton for the delightful luncheon and afternoon tea, and most especially for the delicious and plentiful supply of grapes and watermelons, which, as usual, were the real centre of attraction.

Scores :

MR. LOTON'S XI, 221 (D'Arcy, 3 for 25; Clapin, 3 for 35; Addis, 2 for 30).

SCHOOL, 9 for 189 (Harrold 48, Yeo 30, Chandler 26 n.o., Lilleyman 17, Clapin 17, Dorrington 16).

EASTER CRICKET TOUR, 1955

During the Easter vacation the School cricket team, managed by Mr. Davey, toured the South West. Katanning, Williams and Arthur River were visited and the members of the team wish to thank all those kind people who billeted us out and so made the tour such a great success.

In the first match against Katanning Districts Old Boys, Hale batting first were all out for a very mediocre 74. Beech, Wager and Yeo batted solidly, but on the whole the display was a very ordinary one. Katanning soon showed us how weak our batting had been, as they quickly overhauled our total with bold and courageous hitting. Taylor gave a masterly showing in scoring 84 of the first 107 runs scored, while Thompson and O'Meehan also batted well in taking the total to 175. D'Arcy was the best of the many School bowlers used, taking 4 for 24. Another Hale batting collapse followed, this time the final total being only 56.

The second game was against Arthur River, who were sent in to bat after a delayed beginning because of rain. D'Arcy and Clapin bowled with great control of length and direction and were mainly responsible for the home team's being dismissed for 121. A very fiery opening spell from Saunders and Dunkley at once had the Hale side in difficulties, 5 wickets falling for 26. Chandler and Dorrington became associated in a great fighting partnership and when eventually Chandler was caught for a patient 19 the total stood on 92. Dorrington played a fine innings earlier as the invaluable sheet anchor and later as the mighty aggressor. His 62 included three sixes and six fours, and he paved the way for our 3 wicket win, the total at stumps being 144 for 7 wickets.

On the very fast Williams ground the local team opened very confidently as 79 runs were posted for the first wicket. Runs and wickets both came at a steady rate and Williams were finally all out for 171. Leg-spinner Clapin was the best bowler for the tourists but mention must be made of the skilful exhibition given by wicket-keeper Officer. With three out for 25 Hale were again in trouble but Mr. Davey and Addis added 76 very useful runs for the fourth wicket. Mr. Davey was complete master of the bowling and his 91 was an innings of great power and character. Assisted by Wager, Addis, Yeo, Chandler and Macmillan the Hale total eventually rose to 7 for 183, the School thus running out comfortable winners.

HOUSE CRICKET, 1954

In the House Cricket this year an unusual result was brought about when each of the three Houses had one win and one loss.

Wilson House, thanks largely to a great bowling performance by Johnson, comfortably defeated School House, but were then narrowly beaten in the next game by Buntine. The three-way tie eventuated when School House surprisingly outclassed Buntine in the final game of the series.

Results :

Wilson House, 76 (Dorrington 28, Macmillan 16, Johnson 10. Blake, 4 for 21; Draper, 4 for 23; Addis, 1 for 14) defeated School House, 26 (Bushell 10. Johnson, 7 for 8; Dorrington, 2 for 18).

Buntine - Faulkner House, 7 for 83 (Merritt 36, Harrold 27. Dorrington, 3 for 22; Beech, 3 for 15) defeated Wilson House, 74 (Beech 36 n.o. Merritt, 5 for 16; Stawell, 4 for 45).

School House, 7 for 159 (Blake 44, Addis 29, Bushell 18, Ryan (i) 13. Merritt, 2 for 53; Stawell (i), 2 for 60; Stawell (ii), 1 for 9) defeated Buntine House, 6 for 99 (Yeo 54, Edmondson 13. Draper, 3 for 21; Blake, 1 for 40; Reynolds. 1 for 17).

HOUSE CRICKET, 1955

The opening game of the House Cricket series between Buntine and School provided many thrills, with both teams amassing large totals. A brilliant century by the forceful Bushell and reliable stroke play by Addis enabled School to reach 198 for 8 wickets. Bushell demolished the Buntine House attack in a glorious spree of hitting and his 115 included 7 sixes and 13 fours. Buntine, in their turn, made a great bid for victory scoring 4 for 139 in the allotted time and fighting performances by Edmondson, Yeo, Chandler and Roe made for particularly bright cricket.

Wilson House batted first in the second match and were all out for 133. A powerful innings of 54 by Beech, solid batting displays by Wager and Dorrington and some hostile bowling by Reynolds and D'Arcy were the chief features of this innings. When School House batted we saw some interesting cricket with Wilson House using defensive tactics and the Boarders struggling to get runs against what appeared a very ordinary attack. Wilson House just scrambled home, Beech and Dorrington being the best bowlers, while School were well served by Sweeting and Ryan.

Results:—

School House, 8 for 198 (Bushell 115, Clapin 25, Addis 22, Reynolds 10 n.o.; Chandler, 5 for 45; Yeo, 2 for 79; McKenzie, 1 for 8) defeated Buntine House, 4 for 139 (Edmondson 35, Yeo 34 n.o. Roe 29, Chandler 25 n.o.; Reynolds, 2 for 32; Copley, 1 for 15; D'Arcy, 1 for 41).

Wilson House, 133 (Beech 54, Wager 24, Dorrington 15, Macmillan 14, Hollyock 14; Reynolds, 4 for 33; D'Arcy, 4 for 48; Sweeting, 1 for 15; Clapin, 1 for 20) defeated School House, 123 (Sweeting 34 n.o., Ryan 31, Addis 16, Carmichael 10; Dorrington, 4 for 56; Beech, 3 for 48).

Wilson House batted first in the final game of the series against Buntine, putting together 156 runs with only five batsmen out. Sadly missing the medium pace bowler Chandler, the Buntine House attack lacked penetration and Dorrington, Hollyock, Wager and Beech had little difficulty in scoring freely.

Fiery pace bowling by Myles and Dorrington was witnessed when Buntine batted and the final total was but a mediocre 80. Beautiful stroke play by Edmondson and a courageous display by the youthful Rowe were the only batting highlights in this innings.

This easy win gave Wilson House the cricket competition, with School and Buntine finishing in that order.

Results:—

Wilson House, 5 for 156 (Dorrington 44, Hollyock 32 n.o., Wager 26, Beech 24; Edmondson, 1 for 33; Harrold, 1 for 46; Yeo, 1 for 67) defeated Buntine House, 80 (D. Rowe 21, Edmondson 17; Dorrington, 5 for 18; Myles, 4 for 22; Beech, 1 for 23).

SCHOOL SWIMMING SPORTS

1954

Last year, owing to the epidemic of polio during first term, the swimming sports had to be postponed. At the end of third term, however, a championship day was held. As the sports were held a few weeks before the public exams, the boys had done no training, and consequently the times were slow.

The champions of the various age groups were as follows:—

Open Champion—J. M. Olney.
 Runner-up—A. B. McKellar - Hall.
 Under 16—H. S. Evans and G. S. Harris.
 Under 15—S. J. Walton.
 Under 14—D. E. Johnston.
 Under 13—D. J. Gordon.

INTER - SCHOOL SWIMMING SPORTS

There was no competition held this year owing to the epidemic of polio during first term.

SCHOOL SWIMMING SPORTS

1955

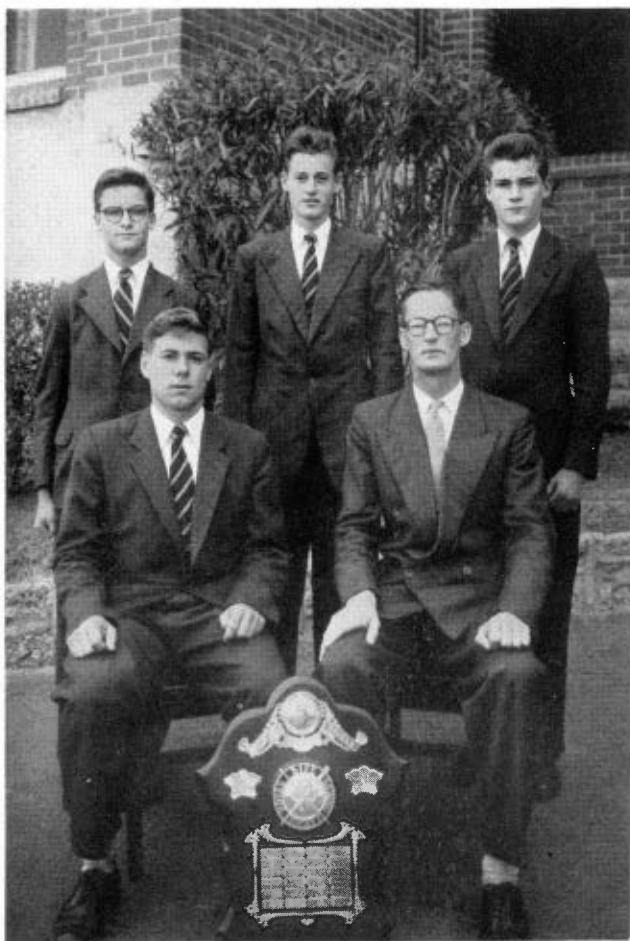

This year the sports were held at the usual time, and as the contestants had done quite a lot of training, the times were much improved on last year's. However, owing to the recent floods, the river was extremely muddy, and therefore quite slow. A strong easterly made the water rough and altogether it was nasty morning for swimming.

For the third consecutive year J. M. Olney was the School Champion.

S. M. Williams was runner-up.

G. R. Law was the Under 16 champion, winning both the 100 and 200 metres championships.

S. M. Williams was also runner-up of the Under 16 section.

LIFE-SAVING, 1955

BACK ROW : R. A. Kelsall, H. S. Evans, D. Johnston.

FRONT ROW : J. M. Olney, Mr. G. N. Altorfer (Master-in-Charge).

The Under 15 Championship was won by D. Johnston, the Under 14 Championship by D. Gordon and A. Law, and the Under 13 Championship by R. Longley.

On the whole it was a good morning's swimming, and many thanks must be extended to Mr. Altofer and the Masters who helped make the sports a success.

Once again Buntine - Faulkner seem to have the majority of the swimmers and they won the competition quite easily.

The final house points were :

Buntine - Faulkner	----	----	----	----	139
Wilson	----	----	----	----	102
School	----	----	----	----	16

The times, while generally good, could have been better, and boys are asked to train harder and longer throughout the Christmas holidays.

INTER - SCHOOL SWIMMING SPORTS

On Saturday, March 5, the 51st Annual Inter-School Swimming Sports were held at Crawley Baths. Weather conditions were bad, as the water was fresh and a strong easterly was blowing, making the water rough.

Scotch College was again successful in winning the competition, Guildford filling second place and Hale third.

The final points were :

Scotch	154½
Guildford	118
Hale	82½

Wesley	----	----	----	----	----	73
Aquinas	--	----	----	----	----	69

Our heartiest congratulations to Scotch College. They had an extremely well balanced team and thoroughly deserved their win. A feature of the sports was the weakness of the open division of all schools except Guildford. Kevin O'Halloran swam brilliantly for Guildford and was open champion for the second consecutive year.

LAW SHIELD COMPETITION

Hale School on Saturday, 19th March, won the Law Shield from Wesley College and Perth Modern School at the schools' annual life-saving carnival.

The team, J. M. Olney, D. Johnston, H. S. Evans and R. Kelsall, swam extremely well and won comfortably from Wesley College by 30 points.

This is the eleventh time Hale has won the present Law Shield, and with Mr. Altorfer's coaching and future boys' enthusiasm there is every chance of our continuing to hold the shield.

MR. DICKSON

Swimming training for next year's Interschool Sports began in October.

A small but enthusiastic group is making excellent progress under Mr. A. M. Dickson, who has plans for continuing training during the long holidays.

The school is grateful to Mr. Dickson for his interest, and it is to be hoped that with his help we will build up again a good swimming tradition.

Boxing

On Thursday, July 7, the school boxing tournament was held. Owing to the large number of entries actual weight divisions, not used last year, were again introduced. For the same reason a number of elimination bouts had to be fought.

The boxing was of a very high standard in contrast to contests of previous years which, though willingly fought, have lacked science.

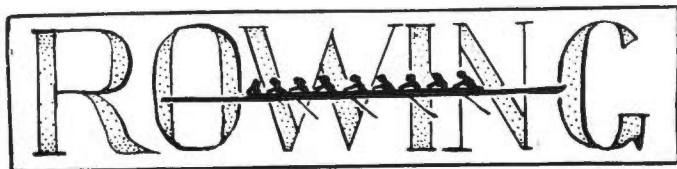

A novelty fight provided a lighter touch to the evening. A number of junior boys were put in the ring together and allowed to fight it out. One by one each was eliminated until only Owen Readhead remained and was declared the winner.

The main bout of the evening, the school championship, was fought by J. R. Buttsworth and G. F. Pearce. Although Pearce showed great courage, Buttsworth outmatched him and won on a technical knockout in the first round. Our congratulations go to Buttsworth.

We wish to thank Mr. H. Matthews for giving up his time to referee the bouts, which he did very efficiently. Thanks also go to the Amateur Boxing Association for the use of their ring, to those who helped to erect the ring, to Mr. D. Ryan who trained the boys so patiently, and last, but by no means least, the boys who took part.

The following is a list of the contestants and winners of each bout :

- 4 Stone to 4 Stone 7 Division.—J. Van Der Heeg defeated R. McEntee.
5 Stone to 5 Stone 7 Division.—R. Lee Steere defeated W. Groom.
5 Stone 7 to 6 Stone Division.—N. Collins defeated J. Irvine.
6 Stone to 6 Stone 7 Division.—D. Lee Steere drew with J. Dowden.
6 Stone 7 to 7 Stone Division.—M. Draper defeated W. Scott.
7 Stone 7 to 8 Stone Division.—R. Grant defeated N. Woolhouse.
8 Stone to 8 Stone 7 Division.—W. Fitzgerald defeated L. Steedman.
9 Stone to 9 Stone 7 Division.—R. McBride defeated T. D'Arcy.
9 Stone 7 to 10 Stone Division.—J. Sellenger defeated R. Redford.
10 Stone to 10 Stone 7 Division.—D. Cannon defeated C. Mitchell.
10 Stone 7 to 11 Stone Division.—G. Clifton defeated S. Kellow.
School Championship.—J. R. Buttsworth defeated G. F. Pearce.

THIRD TERM, 1954

The rowing season had an auspicious beginning owing to the enthusiasm of more than sixty potential oarsmen. The senior boys made up a roster so that two experienced rowers were present every night to instruct and supervise the recruits. Preliminary training was somewhat hampered as only one four was available, while the other was undergoing repairs, and the "tub" pair, which was to prove invaluable later in the season, had not yet been delivered.

FIRST TERM, 1955

Preliminary training started on the third day of term though previously eight senior rowers had been for a light row during the latter part of the Christmas vacation. Our fleet was now strengthened by the return of the four which had been repaired and the addition of the long-awaited tub pair.

The following Monday Mr. Rosser visited the shed to inspect the boats and equipment and to start official training. Mr. Trouchet also made an early start; preparing new boys, and selecting a prospective second eight. Serious training commenced immediately with both crews training together under the supervision of their respective coaches, who were now using Mr. Rosser's speed boat.

On Saturday, April 2, many parents, friends and old boys gathered at the University Boat Club to witness the School's Annual Rowing Regatta. The racing of composite fours provided an enjoyable entertainment for both spectators and participants alike. After elimination heats and finals had been rowed the winning crew was Negus (str.), Ives (3), Durston (1) (2), Macaulay (bow), and Devenish (cox).

The main race of the afternoon was the House Fours, which resulted in a win for School House from Buntine - Faulkner. The afternoon concluded with a row past by the two School Eights.

A delightful afternoon tea, provided by the mothers, was much appreciated by us all.

Serious training was resumed in the following week and the First Crew showed good form, the first mile of the season being rowed in 5 minutes 20 seconds, only 4 seconds outside the record. Both Eights continued to improve and in the final stages of training the First Crew on two occasions broke 5 minutes for the mile course.

Our congratulations and thanks are extended to Mr. Jefferies and his victorious State crew with whom we had several useful encounters during the training period.

Mr. White had been coaching the Third Crew and the efforts of the three coaches were rewarded when the School crews again won the Head of the River, the Second Eight and Four Races.

The sincere thanks of all crews go to Mr. Rosser, Mr. Trouchet and Mr. White for the time and energy they put into our training. We are also grateful to Mr. Strahan, the staff representative of rowing.

The School crews were:—

FIRST EIGHT

J. G. Rosser (Str.), J. R. Buttsworth (7), L. C. Bushell (6), G. L. C. Wilson (5), J. K. Negus (4), E. W. S. Kneebone (3), G. L. Allen (2), W. A. Ives (bow), P. C. R. Natrass (cox).

SECOND EIGHT

S. M. Williams (Str.), A. F. Unmack (7), H. C. Roberts (6), R. F. Buhler (5), J. M. Bungey (4), D. J. Hutchinson (3), G. B. Cox (2), D. W. Farmer (bow), R. W. Devenish (cox).

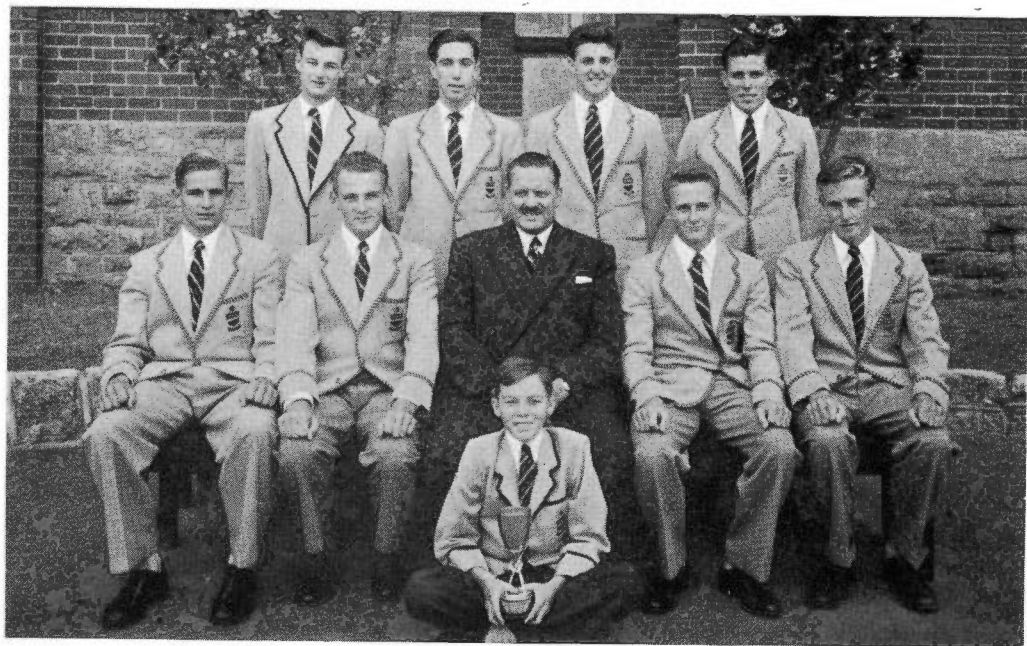

FOUR

T. W. Hogan (Str.), G. F. Pearce (3), L. T. Matthews (2), G. P. Clifton (bow), K. F. Carter (cox).

HEAD OF THE RIVER

The Head of the River was rowed on the morning of April 23 under only mediocre conditions. Hale had drawn the inside position, but owing to the dredging done for the Narrows Bridge this gave us no advantage over the other schools' crews.

A tricky cross-wind and the noise of an aeroplane circling overhead resulted in a bad start for all crews. We took an early

lead and after the first quarter of a mile were three-quarters of a length clear. The crew settled down to an even, powerful racing which enabled the previously gained lead to be easily held. Just before the Brewery was reached Scotch started to sprint with Wesley not far behind. Scotch drew up on us and we were a little worried until about 100 yards from the finish when we sprinted and this final strong and determined effort carried us over the line a canvas ahead of the Scotch boat. $1\frac{1}{2}$ lengths further back was Wesley, followed 3 lengths behind by the heavy Guildford crew with $4\frac{1}{4}$ lengths to Aquinas.

The time for the race, 5 mins. 30.3 secs., though far outside the record, was most commendable considering the adverse conditions.

This is the fifth successive year in which Hale School has been Head of the River.

ROWERS' ASSEMBLY

On the morning of the day before the boat race the crews were given pride of place at the Rowers' Assembly. The three coaches and Mr. Prater were present.

The coxswains received their new megaphones from Mr. Prater, and Mr. Rosser spoke to the assembled boys, expressing his confidence in the School crews and encouraging all present to partake in as much sport as possible during the school year.

Mr. Murphy thanked the coaches for their efforts on behalf of the School and also Mr. Prater for his generous donation. He then offered his and the School's best wishes to the three crews.

ROWERS' DANCE

This year's "Rowers" was held in the evening of the 23rd amidst colourful surroundings at the Nedlands Tennis Club and many of the senior boys joined in the celebrations with the victorious crews.

The Headmaster, Mr. Murphy, and the coaches, Mr. Rosser, Mr. Trouchet and Mr. White, were present. During the evening, John Rosser presented to his father, Mr. A. G. Rosser, an engraved pewter mug as a mark of appreciation from the First Eight.

Mr. Trouchet and Mr. White received similar tokens from the crews of the Second Eight and Four.

A sumptuous buffet supper was thoroughly enjoyed by all. It had been donated by parents and was set out on tables erected on the gaily lit lawns adjacent to the building.

The dancing finished at midnight, although, once again, celebrations continued.

All rowers wish sincerely to thank the many parents and other helpers who contributed so much to the success of this season.

THE VISIT OF THE ADELAIDE CREW

This year we were honoured by a visit from the Eight that represented Scotch College, Adelaide, in the South Australian Head of the River.

The crew, accompanied by their coach, Mr. Flexmore-Hudson, arrived on the 30th April and were met at the airport by our Headmaster, Mr. Murphy, the First Eight and those parents who had generously offered to billet the visiting boys.

A programme of entertainments had been arranged for the visitors. When they were not on the river they were taken by their hosts on scenic tours and shown points of interest in and around Perth.

On the day of the race the river was very choppy due to a strong, gusty wind and to suit conditions the race was rowed from the Narrows, to the Crawley Baths.

The Eight from Scotch College, Swanbourne, who had been invited to compete against their brother school from Adelaide, swamped on their way to the starting line and considerable delay resulted. Eventually we got under way and the outcome of the event was a win for Hale from Scotch, Swanbourne, followed by the Adelaide crew. The winning time was 5 minutes 10 seconds.

Our congratulations go to the Adelaide boys on their performance, as it must be remembered they are trained to race over only 1,000 yards and here they competed over the 1 mile course.

Back at the sheds the visitors witnessed the laying of the foundation stone of our new boat shed. This ceremony was performed by Mr. A. G. Rosser. It is hoped to have the building completed before the commencement of the next rowing season.

That evening a dinner given by Mr. Rosser was attended by the three crews, their respective coaches and the Headmasters of the two Perth schools. At this function Mr. Flexmore-Hudson thanked the congenial hosts for their hospitality, which had made the visit so enjoyable.

The Adelaide boys and their coach left by plane on May 7.

The thanks of the school are extended to all those people who helped to entertain the visitors. Especially are we grateful to Mrs. I. B. Allan, Dr. B. W. Buttsworth, Mr. W. L. Ives, Dr. R. H. Nattrass, Mr. E. J. Negus, Mr. A. G. Rosser and Dr. D. R. C. Wilson, who provided accommodation for the visiting boys.

Crusader Union

This has been a very enjoyable year for Crusaders and the variety of visiting speakers helped to make the meetings even more interesting. Outstanding among the speakers were Mr. Crozier of the United Church of India, Rev. Johnston, a C.S.S.M. staff worker, and Rev. W. Spencer, the secretary of the Church Missionary Society. We were also glad to have Mr. Bates back with us for a few meetings.

At the beginning of each term we had a film in the Science Lecture Theatre. Our thanks go to Mr. Drake, who showed the first two films, and to the Headmaster, who gave us an extended lunch period.

The film for first term was "Hidden Treasures" and that for second term "Voice of the Deep." Both these were Fact and Faith films and were greatly appreciated. For third term we were shown "How the Bible Came to Tonga."

One morning in second term, the whole school was privileged to hear Mr. Troutman, a member of the I.V.F. in Canada. Mr. Troutman has an exceptional gift for telling yarns and was the guest speaker at the Annual Crusader Parents' Night held on July 8 at the Myola Hall. Everybody enjoyed listening to him very much.

During the year, two camps were held, one at Garden Island at Christmas and the other at Point Peron in August. Quite a large number of our boys attended these camps, which were highly successful, and everybody had a most enjoyable time.

Throughout the year, the leader for our Friday lunch-time meetings has been John Deykin. We are very grateful to him for the time and energy he has put into coming to the school each week.

After having experienced such an excellent year, we look forward to the next, confident that the rising interest, especially among the younger lads, will make for an even more successful and interesting year in Crusaders.

Scenes from
"THE HAPPIEST DAYS OF YOUR LIFE"

There is a German proverb which says, "of all good things there are three," and having witnessed the excellent performances of the Dramatic Society in the past two years, we expected another treat this year. We were not disappointed.

On the evenings of the 16th and 17th September in the School Hall, the Hale School Dramatic Society presented John Dighton's three-act farce "The Happiest Days of Your Life."

The scene is set in the Masters' Common Room at Hilary Hall, a school for boys in Hampshire, and the action begins when, on the first day of term, the Headmaster discovers that the Ministry of "Devacuation" has sent another school to share the premises with them. Trouble brews when this other school turns out to be a girls' school. A host of hilarious situations arise, which have to be seen to be fully enjoyed.

The presentation was excellent and the boys made a very fine job of the acting.

Ted Kneebone played the part of Dick Tassell, the young dashing school master who falls in love with the charming school-mistress, Joyce Harper, played by Richard Longley.

Ted Officer took the part of Rainbow, the school porter, who didn't get along at all well with some of the lady visitors.

As the dither-brained and rather inefficient Godfrey Pond, Headmaster of Hilary Hall, we saw Denis Durston, while Anthony Male was the alert, fiery and efficient Miss Evelyn Whitchurch,

Principal of St. Swithins School for girls. The pair delighted the audience with their constant clashes and bickerings.

Miss Gossage, played by Bernard Wansbrough, was the Senior Assistant Mistress at St. Swithins, who, with the words, "Call me sausage!" unsuccessfully tried to romance with the unwilling Rupert Billings (Dick Finlay), Senior Assistant Master at Hilary Hall.

As a specimen of Hilary Hall scholars we saw Sam Fisher in the role of Hopcroft Mi, whose alliance with Barbara Cahoun, a pupil of St. Swithins (played by Ian Ward), provided much entertainment.

The Reverend Edward Peck (Simon Joel) and his wife, Mrs. Peck (Graeme Miller) were parents who, with Edgar Sowter (Keith Hollyock) and his spouse, Mrs. Sowter (Berry Durston) visited the school but were not really "welcome guests."

Thanks go to Mr. Altorfer, to whose unceasing efforts goes the chief credit for the success of the play.

To everyone else, who helped in any way at all, we offer our thanks, and especially to Sister Thompson, who arranged the flowers.

After three years of good productions we can look forward to still more first class entertainments from the Dramatic Society in coming years.

ATHLETICS

School Sports

Owing to bad weather, the school sports, which had been scheduled for Wednesday, 28th September, were postponed until the following Monday, 3rd October.

Despite the rather uninspiring conditions the day was a very enjoyable one for everybody. The track was a little too slow to produce good times and no records were broken; but Keith Holyock must be congratulated on breaking the Under 16 high jump record with a jump of 5ft. 5½in.

The champion athletes in the various age groups were:—

Open, L. C. Bushell; Under 16, N. R. Vanzetti; Under 15, R. A. Kelsall; Under 14, R. J. Underwood; Under 13, W. E. J. Groom.

Before the sports a large number of standard trials had been held and points awarded for them. The total of these points was added to the total of points received by each of the three Houses on the actual sports day and the final totals proportionately reduced.

The House results eventually were:—

	Sports	Standard	Total
1st : Wilson	204	105	309
2nd : Buntine	171	91	262
3rd : School	113	129	242

Interschool Sports.

The "Inters" this year were held at the W.A.C.A. Grounds on Saturday, 22nd October.

As it had rained almost incessantly for several weeks the grounds were in a very soft condition and the breaking of records

seemed to be an almost impossible thing. However, no rain fell during the day which proved very enjoyable.

Bushell had been appointed Captain of Athletics and although our team lacked individual stars, we were confident of showing a well balanced team.

Right from the first event of the day, Wesley took the lead and maintained it, Aquinas soon catching up to second place. The various teams all settled into a set order and there was a lack of excitement, in that the positions were quite rigidly held.

Those who performed well for us were Bushell in the 880 yards open, Kelsall, Gordon, Groom in the various age sprints and Hollyock in the high jump. We lost valuable points in the relays which seem, year after year, to be our big stumbling block. Now that we have tried every combination, we can learn much from experience.

Although Hawkins of Wesley was unofficial Open Champion, the honours of the day went to the brilliant H. Elliott of Aquinas. The track was in a shocking condition, but Elliott ran his 880 yards in the record time of 1 minute 57 seconds and in the last event of the day, he ran the mile in the record time of 4 minutes 26.4 seconds. Bushell, who ran second in the 880 yards, must be complimented on his particularly fine effort.

Even though we didn't do brilliantly, everybody did his best and the day was thoroughly enjoyable.

The team would like to express its appreciation of the work done by Mr. John Liebrechts, the coach, as well as Mr. Davey in the field events, Mr. Corr in the general management and Mr. Geoff Christian, who helped with the sprinters. We are also grateful to the University for making the Reilly Oval available to us for training purposes.

The final points for the "Inters" were :

Wesley	313
Aquinas	270
Scotch	219
Hale	159
Guildford	139

Shortly after the School Sports, an athletics meeting was held against Guildford Grammar School, Aquinas College and De La Salle College.

Unfortunately, the meeting had to be abandoned before many events were completed, because of rain. However, our boys had some success in the events which were held. Groom won the under thirteen 100 yards in the excellent time of 12.2 seconds, Godber won the open 220 yards, R. Miller won the under thirteen broad jump. Other boys gained places.

On Tuesday, October 18, the Combined Junior Schools' Sports were held at Christ Church Grammar School, between Guildford Grammar School, Scotch College, St. Louis, Christ Church and Hale School.

The placed gained by our team were:—

St. Louis must be congratulated on their win.

THE JUNIOR SCHOOL PLAY

This year, the Junior School Play was presented on the 1st, 3rd and 4th of November, to coincide with Education Week. Instead of the usual programme of several plays and variety acts,

all was combined in one play. The play, written by Mr. W. F. Longley, was titled "Alladini" or "Arabian Nuts."

The young actors performed extremely well, and an excellent gymnastic display and choir and chorus singing highlighted the evenings as parts of the play. The three evenings were highly successful, largely due to the work of Mrs. Miller, Mrs. U. De Rouffignac, Mr. W. F. Longley, and Mr. L. V. Shields, who were the co-producers of the play; Mr. M. W. Mill, the Stage and Business Manager; Mr. R. Juniper, who made a fine job of the Genii Masks and Decor; Trevor Parry, who was in charge of the Dancing Girls; Sister Thompson, and others who helped with the flowers; Mr. Drake, who handled the stage erection; and all parents and boys who helped so well.

The cast was as follows:—

K. Barker, T. Gee, R. Hall, G. Binks, A. Anderson, B. Brown, T. Laurie, R. Lukey, V. Cooney, G. Worth, M. Hardwick, A. Giles, T. Polette, G. Barrett, W. Barrett, N. Davis, M. Brown, I. Freedman, P. Hordern, P. Jackson, I. Kopke, A. Plaistowe, D. Salmon, R. Iddon, R. MacDonald, S. Godber, W. Hassell, R. Miller, M. Taylor, S. Hollingshead, M. Patterson, I. Johnston, R. McEntee, R. Williams, G. Abbott, J. Irvine, R. Lee Steere, J. Trinder, A. Cockburn, N. Collins, C. Corrie, J. Dowden, W. Groom, D. Lee Steere, H. Sangster, B. Tween-Cain, S. Watson, L. Weaver, D. Addenbrooke, A. Trethowan, E. Miller, P. Anticich, H. Harms, C. Nielsen, D. Powell, I. Sedgwick, D. Stow, B. Willows, N. Staines, N. Tyler, R. Wilson, K. Dray, O. Readhead, V. Rebicoff, J. Van Der Heeg, K. Linton, A. Hordern, J. Readhead, W. Stephenson, K. Linton, K. Lindsay, J. Sisley, J. Longley, I. Stewart, P. Gray, I. McLean, R. Merritt, T. Officer, R. Thomson, W. Carew-Reid, I. Spence, H. Davis, J. Clementson, H. Venn, G. Long, P. Harris, G. Ireland, W. Scott, R. Hardie, B. Hardie, D. Gray.

The Inter-House Tennis Competition had not been held when the "Cygnet" went to press, and so the results will be published in next year's edition. But the matches are sure to be keenly contested as the result of the Cock House Competition depends on the outcome.

1955

Tennis practice started when we returned to school for Third Term. Tennis was made an Official Sport this year and we were confident that we would do quite well.

At the time of writing the School Championships had not finished. In the Open events, R. Harrold and C. Addis appear likely to meet in the final of the Open Singles, while in the Open Doubles, M. Beech and G. Yeo will probably play the winners of B. Clapp and C. Addis v. R. Harrold and G. Clifton. The Under-15 events appear very open, with P. Morgan and P. Natrass both having a good chance of winning the singles.

This year Official Interschool Tennis matches were played on Wednesdays and Saturdays. R. I. Harrold was elected Captain of the team and C. J. Addis Vice-Captain.

The first match was played against Guildford, at the Hale courts, on Saturday, 29th October. Although in rubbers it appeared as though we won easily, many of the matches were closely fought. Hale, 5 rubbers 11 sets 92 games, defeated Guildford, 1 rubber 5 sets 74 games.

R. Harrold defeated Martin 6-3, 7-5.

C. Addis defeated McGlew 4-6, 6-4, 8-6.

G. Clifton defeated Grant 6-2, 5-6, 8-6.

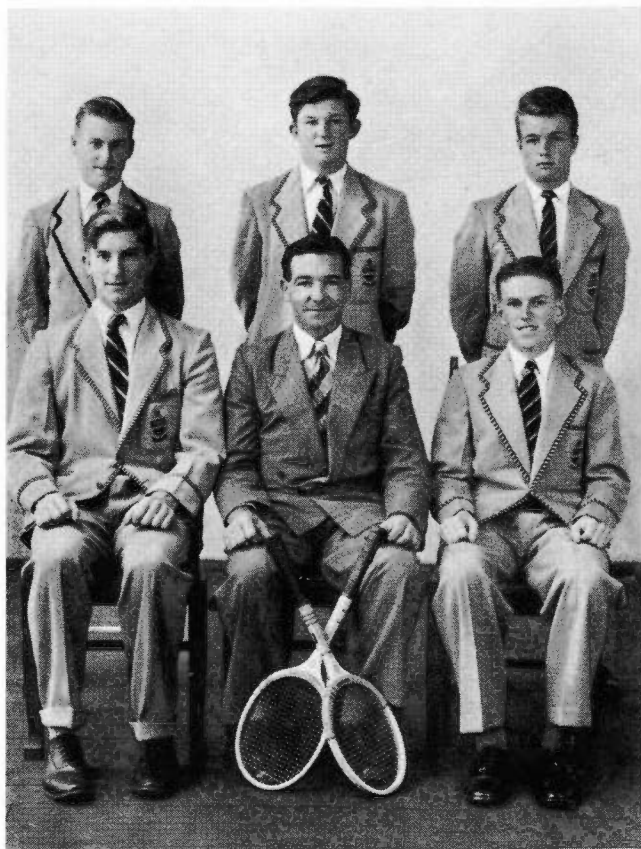

T. Bourne lost to Way 5-6, 6-4, 3-6.

Harrold and Addis defeated Martin and Grant 6-1, 7-5.

Clifton and Clapp defeated McGlew and Miller 6-4, 3-6, 6-4.

The Under-15 team was beaten by Guildford by 4 rubbers to 2 rubbers.

On Saturday, 5th November, the team played Aquinas at Aquinas. We were defeated but we put up a good performance as two of the matches could have gone either way. Hale, 1 rubber 5 sets 56 games, lost to Aquinas, 5 rubbers 11 sets 82 games.

TENNIS, 1955

BACK ROW : R. B. Clapp, G. F. Yeo, M. R. Beech.

FRONT ROW : R. I. Harrold, Mr. W. M. Mill, C. J. Addis.

- R. Harrold lost to Clift 6-2, 5-6, 1-6.
- C. Addis lost to Kilderry 2-6, 0-6.
- M. Beech lost to de Vries 6-5, 0-6, 4-6.
- G. Yeo defeated Spencer 6-3, 2-6, 6-3.

The second team played Aquinas and was defeated by 5 rubbers to 1 rubber, Bourne winning his singles. The Under-15 team, which also played, was beaten by 5 rubbers to 1 rubber.

On Wednesday, 9th November at the Hale courts, we played Scotch. We were successful and our team showed very good form in winning. Hale, 4 rubbers 10 sets 81 games, defeated Scotch, 2 rubbers 5 sets 56 games.

- R. Harrold lost to Langdon 6-5, 4-6, 7-9.
- C. Addis defeated Watkins 6-3, 6-5.
- M. Beech defeated Davies 6-0, 6-0.
- G. Yeo defeated McCully 3-6, 6-1, 6-1.
- Harrold and Beech lost to Langdon and Watkins 1-6, 6-4, 6-8.
- Clapp and Addis defeated Davies and McCully 6-1, 6-2.

The Under-15 team was defeated, 4 rubbers to 2 rubbers, by Scotch, losing all their singles but winning the doubles.

Our last match was against Wesley at Hale on 12th November. An extremely close match ensued and we were beaten by 2 sets. We lost all the singles except Harrold's, who had to play their No. 2 player. In the doubles we finally overcame Wesley after a close struggle. Hale, 3 rubbers 6 sets 61 games, lost to Wesley, 3 rubbers 8 sets 63 games.

- R. Harrold defeated Cornish 6-0, 6-2.
- C. Addis lost to Millen 4-6, 2-6.
- M. Beech lost to Hastwell 3-6, 5-6.
- G. Yeo lost to Morcombe 5-6, 1-6.
- Harrold and Yeo defeated Cornish and Ullrich 6-1, 1-6, 7-5.
- Addis and Clapp defeated Millen and Hastwell 3-6, 6-4, 6-3.

Our Under-15 team was defeated by 6 rubbers to nil against Wesley.

In the low age groups, P. Morgan, P. Natrass, R. Smith and D. Ferguson are all showing good form.

Although the competition is, as yet, unfinished, we are almost certain to finish in third place. As nearly all of the team is returning next year, we are confident of winning the Cup then.

The team wishes to thank Mr. Mill for the help he has given. Always interested and ready to give advice, he has been an excellent coach.

Hale, 4 rubbers 9 sets 82 games, defeated Guildford, 2 rubbers 6 sets 63 games.

Hockey

After last season's successes in the "B" and "C" Divisions and due to the increase in the number of boys interested in hockey, it was decided to nominate this year teams to compete in all three Divisions.

A small group of enthusiasts started preparation during the latter part of First Term and official training began in the first week of Second Term. We trained twice a week on the Esplanade under the watchful eyes of our coach, Dr. L. P. Gray. Many

other Old Boys, particularly Mr. R. Isaachsen, never missed an opportunity to pass on a helpful tip or to give a word of encouragement to the younger players.

We were also fortunate this year in having Mr. Strahan as our representative on the staff.

The efforts of the teams during the past season did not achieve the successes that they did in the previous year. Nevertheless, the players' lack of skill was made up for by keenness and energy, and during the final round a general improvement in ability and fitness resulted in much more closely contested matches, although the scores, misleadingly, do not seem to indicate such was the case.

During the closing stages of the 1955 season, Hale School was represented at the New Norcia and Northam Carnivals. These two most successful functions, together with several social matches, comprised the unofficial games in which the school teams participated.

Since hockey has now gained school recognition, it is hoped that boys at present fully occupied with football will take an active interest in school hockey, which will encourage them to continue in post-school days a sporting association with the school through the Old Haleians' Hockey Club.

All hockey players appreciate and are extremely grateful for the coaching given by Dr. Gray and Mr. Isaachsen, the efficient organising done by Mr. Strahan, and the unfailing support of the friends and parents who followed our progress throughout the season. We hope that in future years their fidelity may be rewarded by our success.

The following are the results of the official interschool matches:—

ONE THING

She felt the cares of life near reached their crest,
 A surging wave of sorrow and defeat.
 The Master came — she hurried forth to greet
 Him, while frustration quickly left her breast.
 They talked: and in the silence there was rest,
 A peace before unknown to her, but sweet
 Its flavour. Mind and soul were now complete.
 "One thing is needful," and it had been best.
 We too are overlaid with petty woe,
 Our way is heavy laden with despair.
 But One there is Who knows our every care
 And pours His strength into each feeble heart.
 He whispers, as of Mary long ago,
 One thing is needful—let us take that part.—T.S.P., VIB.

THE HOTROD

'T was a rowdy celebration, for the word had passed around,
 That a "squareboy" from 6B had got a Ford,
 And had hotted up the engine—it was worth at least a pound,
 So now this good lad never would be bored.
 All the tried and noted drivers (all of under seventeen),
 Went and asked him if they each could have a burn,
 But he pushed them back with horror—they were far too young
 and green,
 And told them that they'd have to wait their turn.

He had double carburettors, and a polished crankshaft too,
 And bored out rocker arms that took off weight,
 With a decreased piston throw, and all the block's rebored right
 through,

Which should increase the revolution rate.

And he painted the entire car a most patriotic blue,
 A colour which would not have done it shame,

So a lighter shade he gave it, with a one of deeper blue;
 Of course, the old car had to have a name.

His mum looked for her basin; but it was nowhere to be found—
 Our laddie had removed it from the sink,
 And had filled it up with sump oil, while he had his crank re-
 ground—

It didn't look the nicest stuff to drink!

Now our laddy's little brother, who, in liking complex things,
 Thought of sabotaging his big brother's car:
 So he blocked the carburettors; and he broke five piston rings,
 And had to seek protection from his Pa.

So now he walks to school, poor lad, for his hopes have been
in vain.

Financially he's really in the red.

Really broke they say he is; it's far from easy to explain—

Untended lies his dreamcar in the shed.

AN ATTEMPT

I've racked my brains
And tried to think,
But can't express
Myself in ink.
It's not much fun,
Because you see —
I'm not inclined
Poetically.
I've screwed up ink-
Soaked sheets galore,
They're ankle deep
Around the floor.
My brother comes
Intent on harm.
I kick him out
And cork his arm.
Peace reigns again,
Hmm . . . Now, let's see,
Back to that cursed
Poetry.
I rant and rave
And curse a bit,
Because the metre
Just won't fit.
I write words down
I twist them round
Until they're just
A garbled sound.

I try a different
Type of verse,
But all it does
Is make things worse.
I've scratched my head
Until it's sore,
But s'pose I'd better
Write some more.
I hunt around
To find a rhyme,
But gee, this takes
A lot of time.
They tell us to
Write poetry,
But they don't know
It's agony.
It dawns on me
I've been a clot,
And all I've written's
So much rot.
By now I'm tired,
I'm half asleep,
So off to bed
I think I'll creep.
So now before
Asleep I drop —
Be—"mused" I add
The last full stop.

THE MASTER

(With apologies to Tennyson).

He clasps the cane with crooked hands,
To strike the boy that he commands,
Whirling it round him, firm he stands.

The broken boy beneath him crawls,
Never again to ink the walls;
And like a thunderclap he bawls.

NIGHT

The leaves moved like a silken coverlet,
 As slow the Sun sank in his hilly bed
 To rest.

The Moon took from her milky jewel box
 Bright diamonds and scattered them across
 The darkened firmament; then all
 Was still.

The Silence spoke and said in smothered tones:
 "There is sweet peace here in my muffled arms.
 Forget your labour now. The night was made
 For rest."

I paused while Silence drifted on her way.
 The Darkness pointed out a shining road:
 "Come to this gaiety and quench
 Your grief in joy. The night was never made
 For rest."

She smiled and beckoned, then passed on her way.
 I sat and pondered long upon the two
 Who still called from the distance. Then
 The shadows turned to gold. The day had come
 From rest.

 QUID PUTAS ?

Behold the man who stands at Pilate's side,
 Reviled and mocked and bruised, so rudely tried !
 The crowd cries "Crucify Him; Crucify !"
 And he does never with a word reply.
 They lead Him bound among the maddened throng
 And cruelly wrong the One who'd done no wrong,
 Yet still He loved;
 What think Ye of the Christ ?

Behold the man who hangs upon the cross
 And suffers long to save from sin and dross
 Those who loud scoff and scorn His spilling blood!
 They cannot see a power in crimson flood.
 His mother kneels below and sheds her tears,
 Beside her, lo! another son appears.
 E'en then He loved;
 What think Ye of the Christ ?

Behold the man who triumphs o'er the tomb,
 Whose glory scatters every deathlike gloom
 While He walks calmly mid the morning haze.
 What God gave power this earthly God to raise?

The woman at His feet in wonder fell.
 "All my disciples and poor Peter tell!"
 Amazing love,
 What think Ye of the Christ ?

THE RIPPLING STREAM

There's a rippling stream
 On the hillside gay,
 Which sings a song
 Most every day.

It ripples so merrily by
 And muffles every cry
 For many hours I sit and watch
 Little fish dart about
 Green, blue and speckled trout.

There's so many things to look at,
 And so many things to do.
 I'll never want to leave here,
 For there's always something new.

THE NOT SO ANCIENT MARINERS

Presenting the viewpoint of the boys of the "Perth-Rottnest via Surfboard" brigade. (To be sung to the tune of "Galway Bay").

If you ever go across the sea to Rottnest,
 Then maybe at the closing of the day,
 You will sit astride a tiny little surfboard.
 And try to keep the hungry sharks at bay.

Oh, the surf clubs come and try to teach us their way,
But scorn us just for doing what we please.
But they might as well go surfing on a house-brick,
Or fish for tiddlers in the stormy seas.

For we think that we'd look good upon the menu,
As entree for some starving shark household.
But sharks, poor things, are really only fishes;
They therefore have to go and eat us cold.

Oh, we know it's naughty and we shouldn't do it,
But we like to flirt with danger just the same.
But we hope that other poor misguided surfers,
Will never ever come the way we came.

PERIL OF LOVE

The Jones's of Johnson Street were in a terrible muddle; they had lost their cook and couldn't find her anywhere.

But that is irrelevant because our story isn't concerned with the Jones family or their cook.

For that matter, Mr. Smith of Simpson Street, who was in bed with a cold, couldn't sleep. But strangely enough our story isn't about Mr. Smith either.

We are interested in the Brown's of Brunley Street. It was a late winter's afternoon, and the wind was whining at the windows while the trees near the trellis were trembling.

Henrietta Brown was curled up in an armchair by a warm fire, reading. She had just finished Gray's "Elegy in a Country Churchyard," and, wishing something a little heavier, she turned to "La Dumbell Sans Merci."

Kitty the cat lazily ambled to the hearth and sat down.

Suddenly there was a ring at the front door. Henrietta uncurled herself and cried :

"Oh rapture. Herbert's here at last!"

She rushed to the door, counted ten, opened the door, and there on the doormat stood — Herbert.

In case you're wondering, Herbert was Henrietta's boy friend and he had come to dinner that night for one reason — to announce their engagement.

"Good evening, Henrietta," said Herbert, "I do hope you are well. Look, I've brought you a toffee-apple!"

"Oh thank you, Herbert!" cried Henrietta, deeply moved. "It's what I've always wanted."

Herbert entered and the pair went into the lounge room, sat down on the sofa, and started to read "Il Penseroso" until dinner was ready.

Outside, the wind was whining at the windows, and the trees by the trellis were trembling.

Unknown to the lovers, out on the courtyard, hiding behind an aspidistra was Hugo. Now Hugo was in love with Henrietta, but she had spurned his advances. When he had learned that Herbert was being more favourably received than he, Hugo became maddened with jealousy and swore that he would put an end to the affair.

As dinner was ready, the amorous couple walked into the dining room where Mr. and Mrs. Brown greeted them.

Kitty the cat yawned by the warm fire.

Outside on the courtyard, Hugo gnashed savagely at the aspidistra.

Dinner proved to be a gay time. First there was asparagus soup, then fish in white sauce, followed by roast chicken, boiled duck, fried turkey, braised sausages, and for sweets, bread and butter custard.

While they were sipping their coffee, Henrietta wondered whether Herbert would at last break the news. But no, Herbert picked up a tooth-pick and started to clean his nails, while Mr. Brown picked his teeth with a nail file.

When eventually silence fell on the happy group, Herbert stood up and, holding Henrietta's hand, said :

"Mr. and Mrs. Brown, I wish to announce that your daughter and I are going to get married."

"Oh, how ducky!" exclaimed Mrs. Brown, and immediately burst into tears.

"Well that is nice of you, at least," said Mr. Brown, "Have a cigar!"

Kitty the cat sneezed by the warm fire.

Outside, on the courtyard, Hugo had heard what Herbert had said. He rushed out from behind the aspidistra, burst through the French windows and, picking up an Italian fish knife, thrust it in Herbert's back, uttering a German curse.

Herbert gasped, gurgled, groaned and fell down dead. With a piercing shriek, Henrietta collapsed into the pool of blood that was oozing from Herbert's wound.

Mrs. Brown, seeing her daughter floating on the pool of blood, had a heart-attack and died, while Hugo burst into hysterical laughter. Mr. Brown, who had just rung the police, returned to the room and said to Hugo :

"You blundering idiot! Disturbing the peace of the town! I ought to sue you. . . ."

He didn't finish, but seeing his dead wife, he stabbed himself with the bread knife and died.

Outside the wind was whining at the windows and the trees by the trellis were trembling.

Louder and louder blew the wind and louder and louder laughed Hugo. The pool of blood oozed out into the courtyard and swept away the aspidistra, while by the fire, Kitty the cat was snoring.

JEWL'S DECEASE

Now this pug Jewly and 'is gang are on their way back 'ome.
 'e's just beat up the Pompey boys that live not far from Rome.
 See'n' how he is the local champ, they offer 'im the crown.
 But Jewly's 'ead is screwed on right, 'e sadly lets 'em down.

Old Cass, the biggest crim unhung, is building up a team,
 'e plans to kill the brand new champ who's ruling Rome supreme.
 Cass gets one Brute, an 'onest man, to 'elp 'im in this sin,
 And later on with lots more thugs sets off to do Jewl in.

Now Jewl's been warned by underground that death is ling'ring
 near,
 But still sets off to Capitol instead o' steering clear.
 And 'ere he makes a big to-do, the big mob thinks 'e's grand,
 And now the crim conspirators grip daggers in each 'and.

They jump upon old Jewly, kick and stab 'im till 'e's gone;
 The 'ole mob rise as one an' want to know what's going on.
 Brute tells 'em 'e's their saviour and 'e's come and saved the day.
 Then Tony, Jewly's second, sways the mob the other way.

Cass and crew find things hot and so they beat it out o' bounds,
 While Tony and 'is mob give chase, like a pack o' 'ungry 'ounds.
 Cass and Brute make camp and all arrangements for the fight,
 And Jewly's ghost appears to Brute in the middle of the night.

Next day at dawn the two teams meet and into combat ride,
 And in the heat of battle Cass and Brute try suicide.
 Tony avenged his trusty champ, a deed we all admire,
 While Brute and Cass are down below, tormented by the fire.

BRAVE MAN

The Chamber of Horrors was dark and musty,
 The hinges on the door were rusty,
 I knocked and knocked — a hellish din!
 And then I heard a faint "Come in."
 I entered then that awful place,
 My hand on my "pocket knife" just in case.
 He was sitting alone at his desk of oak—
 Must I go on? The rest's no joke!—
 His hand was raised, then down it struck;
 In desperation, I tried to duck.
 I only remember a terrible crash;
 In front of my eyes a dazzling flash.
 Then again he spoke: "Heed well," he said,
 "If you come here again, you'd be better dead."
 He showed me the door, I went out in a hurry,
 It's no fun when you're sent to the Headmaster's study.

THE PRESIDENT'S REPORT

Gentlemen,

For your information and approval, may I present to you the Annual Report of the Association for the year 1954.

This year's programme was not marked by any outstanding function, feature or achievement as will be borne out by this report. However, I feel that we cannot make this record without a worthy mention of the very memorable event which did take place during the year, that being the visit of our Queen and her husband, the Duke of Edinburgh. I feel that the overall loyalty outwardly shown by members of the community was spon-

taneous and sincere, a delight to us all. It is that kind of sincere loyalty which is so desirable in our communal life today.

We have many avenues in which we can show loyalty and give sincere service in some form of community sacrifice. It is hard to give time to all, but I do ask all Old Boys of our School to please try and find some time to devote to service for the Association and take not but a little interest in its affairs. The School needs your support.

COMMITTEE : Regular monthly meetings were held by your Committee which were not altogether well attended. However, attendance figures at meetings are not always a true indication of service rendered by a member. In these days of multiple obligations, it is sometimes difficult to decide where our presence is most needed, which results in a necessary splitting of our effort. The Committee was co-operative and any task allotted was done, but in my honest opinion still more work could be lifted from the shoulders of our very willing Secretary. I thank the Committee for its support during my term of office

FINANCIAL : I don't propose to enlarge on this aspect of the Association; I leave that to the Treasurer. I can only say this, that it is very difficult to keep expenditure down and make our functions self-supporting with the high costs of these times.

"CYGNET" : The "Cygnet" was again a publication of high standard and those vitally concerned with its publication are to be congratulated. For our own Old Boys section we thank the Secretary and Mr. Geoff Christian for making possible its presentation. This task can be made easier by the forwarding to the Secretary of any news or letters of interest which can help with compilation of these notes. We are all interested in the whereabouts and doings of our fellow Old Boys.

I do ask that you give serious thought to donating towards the cost of your "Cygnet." Cost of production and your copy delivered to you is a big drain from your subscriptions.

SOCIAL

ANNUAL GENERAL MEETING : The last Annual Meeting was not well attended, which was very disappointing to your Committee. Thus it was decided that this meeting would be held at a time and place that has proved the most popular taken over many years.

OLD BOYS' DAY : The Assembly and Luncheon were well attended and those who organised this latter function are to be congratulated. Following a suggestion by a member at the

last annual meeting this day is to be held on Labour Day this year, which will possibly enable far more members and prospective members to attend assembly at the School and also take part in the remainder of the day's activities. I might point out here that the Committee is at all times open to and welcomes constructive criticism as to the type and whereabouts of our functions.

BOAT RACE DAY : Once again the School had an excellent day on the river and Mr. Gra Rosser is to be congratulated together with the boys for their fine effort. The boat used by the first eight was the "C.A. and R. Y. Lee Steere" and was donated by Sir Ernest Lee Steere and christened by Lady Lee Steere on the eve of the race.

From the spectators' point of view those who availed themselves of the boat arranged by the Committee had an excellent outing and a good view of the races. The cocktail party held in the evening was well attended and enjoyed by those present. I do, however, make one request, for the help of future Committees and to help avoid financial loss and that is to please signify early whether you are going to attend or not. This point may seem trivial to some but I can assure you it is important for the successful arrangements of any of our functions.

FOOTBALL MATCH : It was only just possible with great effort on the part of Mr. Hingley to get an Old Boys' team together. This annual event is a difficult one to arrange and without some enlightening suggestions to, or by the incoming Committee it appears as if it might lapse through continued lack of support.

ANNUAL COUNTRY DINNER : This function has been well reported in the "Cygnet" and it will suffice here to say that once again it was a very successful outing and is proving an advantage to the Association in that we do maintain contact with our country members. There were 60 Old Boys present at Bridgetown this year.

PROPOSED ATHLETICS NIGHT DINNER : It was the postponement of this function at the last moment and at some financial loss to the Association which was, to the Committee, the big disappointment of the year. We realised that it might not prove over popular, but we were surprised to find that it would be supported by only a few.

The re-introduction of this once annual function was sought after by some older Old Boys, but who didn't still lend support. Hence its postponement. The members obviously don't want an annual dinner nor do they want a cocktail party, as proved by the considerable financial loss on Athletics night in the past.

Therefore the Committee would welcome some concrete and acceptable suggestion for a function on this night. After all it is your Committee to carry out your wishes providing it's desired by the majority and in turn economically sound.

JUNIOR SECTION : In the later part of the year a sub-Committee of young Old Boys was formed and a younger section of the Association is well on its way to being formed. I would like to point out that this setting up of a younger section is not in any way a splitting of the Association. It is merely to fill the gap for those few years just after leaving the School. The section will provide entertainment more in keeping with the wishes of those younger Old Boys.

There will, I hope, now be a very good added reason for boys leaving School to join the Association immediately instead of drifting away and may be never returning. Congratulations for tackling this difficult task, Junior Section. You have a job ahead of you, do it well and the Association and School will, I feel sure, benefit in years to come.

NEW BOAT SHED : Later this evening you will hear Mr. Gra Rosser's motion re the new School Boat Shed. I don't propose to enlarge on the subject of this project as he will tell you all that is necessary in moving his motion. However, I would like to record in this report that Mr. Rosser has been untiring in his efforts to further the interests of the School and this Association. Most of us know of his success in obtaining help for the building up of the School rowing equipment and of his success with the School crews. But few of us know just how much time and effort he puts in to every aspect of the advancement of the School. We are indeed fortunate and grateful for what he does and we could learn much from his example.

FETE : A fete to raise funds for the War Memorial Appeal was held in November of last year and the result was very worthy of the effort made by those who organised and helped with the various stalls. Including many others we must particularly thank many of the Masters for the effort they made and the boys of the School for the part they played.

The sale of goods and donations were responsible for raising nearly one thousand pounds and those who did help must be thanked for a very worthy effort. It is hoped that on future such occasions more help will be forthcoming from our own members. We can't all afford to give money towards this worthy appeal, that fact is accepted, but is it asking too much of us to give only six to eight hours approximately once every two years? I don't think so.

MISS GREEN : Last year after thirty odd years of service in the School, Miss Green ceased to be a member of the Staff. The School will indeed miss her and there must be many hundreds of Old Boys who can look back to their first year at the School, and may be some of us, not too bright ones, our second year under her guidance and care.

I feel the request made together with your notice of meeting, and your subsequent attendance on Old Boys' day this year, should be given a great deal of consideration so that we may show our gratitude for a job well done over many years.

CONCLUSION : In conclusion, Gentlemen, we must once again as a Committee, thank the Headmaster for his assistance during the year. As in the past, he has attended most Committee meetings and has been able to help on many occasions.

I do wish the incoming Committee every success and good fortune. They cannot hope to have this success without your support. Your active co-operation is so very necessary for the success and continuance of our Association. Let us keep it a good one. Be a financial member and then be active. It all helps for the continued success of our School; the School to which we owe so much.

L. E. FETHERS,

President, 1954.

OLD HALEIANS' WAR MEMORIAL

The appeal for the Memorial Hall to be erected at the new school at Wembley in honour of those Old Boys who gave their lives in the two World Wars has received fair response from Old Boys this year.

It would be appreciated if every Old Boy who has not already done so could make an annual donation, no matter how small it may be.

Those who contributed during the year are : A. H. Christian, F. D. Slee, Mrs. R. Taylor, A. A. Guy, J. Homewood, R. R. B. Ackland, Dr. D. L. Gordon, R. A. R. Slee, W. E. Lefroy, W. W. Saw, C. M. Y. O'Connor, Dr. P. W. Atkins, J. B. Woods, F. Burton Wood, R. P. Mead, D. S. Yeo, C. E. Guy, S. A. Rudduck, Dr. A. D. W. Farmer, Dr. A. A. Merritt, C. R. B. Saw, R. I. Ainslie, E. H. Wheatley, Carew Reid, E. Brown, R. T. R. Ambrose, Dr. D. M. Clement, G. Chantler, J. D. Arrow, Messrs. Norman, Peter and Tony Anderson (1 truck of oats).

OBITUARY

Old Boys, especially those who attended Hale School during the post-war period, were deeply grieved to learn of the tragic death of Ian Cruickshank during July. Ian was killed when a car overturned in King's Park.

Ian left Hale School in 1950 with a brilliant scholastic and sporting record.

He was selected in 1950 to represent Australia on the London "Daily Mail" Youth Forum in England.

He commenced his law studies at the University in 1952 and took a leading part in student affairs and was in two inter-university debating teams.

Ian played "A" grade rugby with the University Associates team. At Hale School he represented the school at swimming, athletics, cricket and football.

We take this opportunity to extend on behalf of all Old Boys our deepest sympathy to his father and mother, his brother David and sister June on their tragic loss.

HALE LODGE

It is pleasing to record that, following the precedent of Public Schools of Great Britain and the Eastern States, a School Lodge has been formed under the constitution of the Grand Lodge of Western Australian Freemasons.

Although regular meetings are held on the third Wednesday of every month (except January and February) at the Masonic Hall, Woolwich Street, Leederville, it was thought that it would be most appropriate were the Consecration Ceremony to be held in the School Hall. Arrangements were made accordingly and Hale Lodge was consecrated within the precincts of our Old School on August 28th, 1954. The Foundation Master was Jim Battye who was ably assisted by Brian Simpson. At the first installation meeting on August 20, 1955, he installed Fred Birch as his successor.

The Lodge has had an auspicious beginning and the rapidly increasing membership augurs well for its progress.

The first candidate after the consecration of the Lodge was an old and respected master of the school, Mr. J. B. Newbery.

Syd. Hardwicke, the Secretary, is to be congratulated on having piloted the Lodge through its first year. Country Old Boys seen at meetings were: Reg. Mussared, Dick Mussared, Murray Packham, Tom Mathews, Fred Bremner, Keith House, W. C. K. Pearse, H. V. Halbert, R. Holmes, Tom Fowler, Bruce Gosden, Warwick Fountain.

NEW SCHOOL BOAT SHED

Although the Old Boys Fund to assist with the new School Boat Shed at Crawley has just been opened we wish to thank the following for donations:

N. Anderson, R. House, F. D. Slee, R. McDougall, Dr. H. S. Cohen, F. E. Bremner, W. G. Bennett and Associates, H. N. O'Halloran, E. C. Mills, P. J. Olifent, R. H. Offer, J. C. M. Slee, J. Staniforth-Smith, A. R. Hardie, D. K. Forrest, P. Kopke, A. Kopke, Dr. J. T. Irving, C. A. Mitchell, J. D. Arrow, Don Fraser, P. Trouchet, R. Cooke, S. Bennett, F. W. Hayes (New Zealand), Ernest Lee Steere, E. M. Riley, Ken Rosenthal.

Work is progressing well on the construction of the new sheds. The imposing structure of grey brick is rapidly taking shape and can be seen at the junction of Hackett-drive and Mounts Bay-road, Crawley.

LIFE MEMBERS

The following Old Boys became Life Members of the Association during the year : D. McCallum, C. E. Guy, J. A. Oldmeadow, W. L. Brine, sen., B. C. Morrell, P. J. Fuller, R. J. Hyde, P. J. Hyde, G. P. KATANNING COUNTRY DINNER

The large number of Old Boys from all parts of the State who attended the annual country dinner at Katanning in July was ample proof of the growing popularity of these functions.

Over 80 Old Boys, including 26 from Perth, were present. The success of the function was due to the capable organising of Mr. Bill Urquhart, who is the manager of the National Bank in Katanning.

Bill, ably assisted by Brien Taylor, also piloted the golfers around the local course.

The toast of the School was proposed by Mr. Keith House and responded to by the Headmaster (Mr. V. S. Murphy).

Mr. Rod Isaachsen, the President of the Old Boys' Association, responded to a toast proposed to the Association by Mr. Gra Rosser.

Mr. Peter Anderson asked those present to generously support the War Memorial Fund and the Boat Shed Fund.

Those present were : G. N. Altorfer, E. P. Anderson, N. Anderson, T. Anderson, John Anderson, P. F. P. Anderson, Ross Anderson, David Anderson, D. R. Anderson, R. Angel, P. H. Atkins, B. Badcock, J. Baird, J. Bennison, D. Blake, W. L. Burges, I. Bonnerup, A. L. Butcher, F. E. Bremner, P. R. Bremner, Hugh Brockway, T. Brand, B. E. Cooke, R. C. Cooke, T. Catling, M. Crossley, R. Clapin, J. CONGRATULATIONS TO . . .

. . . Mr. Justice Walker, who has been appointed chairman of a Royal Commission into the administration of the University of Tasmania.

Mr. Justice Walker has retired as a judge in the Supreme Court of W.A. and took up his appointment in Tasmania during February.

The Tasmanian Government asked Mr. Justice Walker to lead the Commission after an initial approach for a W.A. judge had been made to the Minister of Justice (Mr. Nulsen).

Mr. Justice Walker ended nine years with the W.A. judiciary when he reached the age of 70 on February 13.

He was chosen in 1904 as W.A.'s first Rhodes Scholar and had a long career with the W.A. Crown Law Department.

. . . To Peter Atkins, who is now a partner of the legal firm of Parker and Parker. Likewise to David Anderson, who has joined Lohrman, Tindale and Guthrie.

. . . To Mr. Thorley Loton, who was re-elected Chairman of the Swan Road Board for the 25th year in succession.

. . . To Alf Curlewis on being returned unopposed at the recent Perth City Council elections.

... To Mr. V. J. Murray, merchandise manager of Westralian Co-operative Ltd., who has been appointed chairman of the W.A. Fertiliser Association for a second term.

... To Ernest Lee Steere on winning the Governor's Cup at the 1955 Royal Agricultural Society's Show.

... To Mr. F. D. Wilmott on his election to the Legislative Council.

... To Frank Bird, on his appointment as Public Relations Officer for the Shell Company in West Australia. For the past 5½ years Frank has been a prominent journalist for the "Sun News-Pictorial," Melbourne.

... To Arthur Christian, who is now general manager of Millars Timber and Trading Co. Aust. Ltd.

SOCIAL ROUND - UP

The annual Ball held at the Y.A.L. Ballroom on August 20 was again an outstanding success. The proceeds of the ball were handed over to the War Memorial Fund.

Parties were organised by the following: Rod Isaachsen (President) and Mrs. Isaachsen, with Mr. V. S. Murphy (Headmaster) and Mrs. Murphy; Gra and Mrs. Rosser; Jim and Mrs. Jackson; Ian and Mrs. Bonnerup; Brian and Mrs. Clarke; John and Mrs. Hingley; Ian and Mrs. Wilkins; Robin and Mrs. Farmer; Tony House, Tony Saw, Trevor O'Keefe; Mr. and Mrs. C. J. B. Veryard.

A very pleasant and enjoyable "Sundown Party" was held at Gra Rosser's Imperial Hotel on Friday, May 20, when a number of Old Boys gathered to meet Frank Bird who was holidaying from Melbourne. Among those present were: Peter Mann, John Hingley, Colin Fox, John Marshall, Brian Guhl, John Olifent, Rod Isaachsen, Charles Veryard, Alf Atkins, Gra Rosser. Sandy King and Peter Burr ridge (representing Old Guildfordians). Many thanks to Mrs. Rosser who also joined in and made certain that savouries and sandwiches were available.

Jim Jackson's birthday coincided with the annual ball so he invited a number of friends to a pre-ball dinner party at the King Edward Hotel — a sumptuous party, Jim.

Among those present at the Old Boys' Day Luncheon at King's Park Tennis Club were: E. T. Loton. V. S. Murphy, L. E.

Fethers, Robert Draper, A. P. Harley, Des Coates, Phil Lefroy, M. Y. O'Connor, Reg Mussared, H. N. Guthrie, P. Atkins, R. R. B. Ackland, W. Turner, H. T. Loton, Peter Turner, John Hingley, G. B. Marshall, Cyril Peet and C. J. B. Veryard.

Old Boys were pleased to welcome the following ladies to afternoon tea at the Old Boys' Day Cricket Match: Mesdames V. S. Murphy, D. F. Coates, O. G. Burges. J. T. Irvine, J. E. Hingley, J. Olifent, A. B. Guhl, H. Dartnall, G. Lilburne, W. A. Urquhart, S. M. Brumby and Miss R. Attiwell.

Inters Night celebrations were most enjoyable. A barbecue dinner and dance held at Steve McHenry's Nedlands Park Hotel attracted about 150 Old Boys and friends who were received by the President, Mr. R. Isaachsen, and Mrs. Isaachsen. Brilliantly lit lawns and a huge marquee and the large dining room converted to a ballroom left nothing to be desired.

OLD BOYS PERSONAL PARS

We offer our congratulations to the following Old Boys who were married since the last publication of the "Cygnet":

Walter Goodlet to Jeanette Bodeker.
 Ian Brandenburg to Sylvia Leeke.
 Warwick Fountain to Anne Byers.
 Basil Forrester to Mary Nicholls.
 Robert Bruce Forrest to Patricia Dickson.
 Frank Slee to Jill Shier.
 Tony Brand to Barbara Green.
 Max Godden to Willie Bruining.
 Leslie Howard-Bath to Joan Bullmore.
 Max Dimmitt to Anne Haddy.
 Neil Henry Mitchell to Judith Mitchell.
 Robert Chester to Ann Sirr.
 Brian Minchin to Jill Leonhardt.
 Russell Lloyd to Stephanie Stokes.
 G. S. (Sandy) King to Jan Blake.
 Robin Coates to Jill Stewart (1954).

Although an impressive list of Old Boys were married we have on record only one engagement—Robert Hale to Beth Wilkinson.

Tom Mathews is now conducting a general store in Dandargan-street, Moora.

Congratulations to the following couples who became proud parents of sons during the year :

Bruce and Faith Rosier.
Ted and Margaret Morrell.
Dr. and Mrs. Donald Tregonning.
John and Nan Olifent.
John and Shirley Hingley.
Les and Pat Gunzberg.
Gordon and Margaret Eyres.

Congratulations also to Maria and Doug Craig, Johanna and Jack McManus, Ailsa and Robin Farmer, Peg and Alan Raphael, Kath and Bill Prince, who became parents of daughters during the year.

We were pleased to see the Rt. Rev. the Lord Bishop of Bendigo (Tom Riley) in Perth for a short holiday during 1955.

Jack Roydhouse has retired from his position as districts manager of the Ford Motor Co. at Geelong, Victoria.

Graeme Hood, who has been in Melbourne for the past 14 months as manager of the Finance Sales Dept. of General Motors Acceptance Corporation, was in Perth for ten days during February. He had a short talk with the secretary and reports all is well. His address : 33 Bass-street, Box Hill, Victoria.

Stuart Clarke is assistant manager at the Commonwealth Government Ordnance Factory in Bendigo, Victoria. He had an interesting chat at Sorrento with Peter Mitchell, who is doing Engineering at the Melbourne University.

The name of Slee appears frequently on our records—Frank Slee sen. is a very enthusiastic Old Boy and his three sons, Frank, John and Bob, are all members of the Association.

Old Boys will be sorry to know that Guy Mitchell had a long spell in hospital early this year but hope that he has made good progress and recovers soon.

Dr. A. Dixon W. Farmer is now in practise at Donnybrook. Robin Farmer has returned from Melbourne.

Tony Ednie-Brown and his father Colin Ednie-Brown, the well-known Perth architect, returned recently from an extended tour of England and the Continent. It is understood that they have brought back some new ideas which will be valuable for the new School. Buster Ednie-Brown is now gaining experience on Mr. W. Potts' property at Kojonup.

Bruce Bryant, who has been living in Singapore for a few years, has now returned to Perth.

E. H. Brown, late of Kelmscott, is now a storekeeper and agent at Pemberton.

The Old Boys Committee wish to thank Bill Urquhart and Brien Taylor for having made the re-union week-end at Katanning such a success.

Glad to see David Jenkins about again after about nine months in Hollywood Hospital.

Brig. H. B. Norman, Administrator of Norfolk Island, arrived in Perth during June by air from Sydney. He stayed in Perth for a fortnight.

Gordon (Bar) James enjoyed a short holiday in the West during preparations for the Head of the River. His assistance in acting as practice cox of the Old Boys crew was appreciated. Bar's address is Garfield, Victoria.

Thanks to Henry Mitchell for your encouraging remarks concerning the Old Boys Notes and Personal Pars. If more Old Boys would write in about themselves and others this section could be increased.

Nigel Johnson is doing his first year course in science at the University.

Chris Ball, who is with the Commonwealth Bank, has been relieving officer at a number of country branches during the year.

Sub-Lieut. D. J. Orr has been transferred from H.M.A.S. Sydney to H.M.A.S. Albatross, Nowra, N.S.W.

Dr. and Mrs. Arthur Merritt spent portion of 1955 touring in England and Norway.

Mr. and Mrs. Ken Tregonning and their small daughter Jenny spent three months in Perth during the year. Ken is now living in Singapore.

A pleasing interlude to the Old Boys' Day Assembly was the presentation of a radio, a large standard reading lamp and a cheque to Miss Dorothy Green, who retired after a long association as a mistress at Hale School. Miss Green expressed her gratitude and extended her best wishes to all Old Boys in two letters to the President of the Association (Lloyd Fethers) and the Secretary (Charles Veryard).

It was pleasing to see Roy Henderson installed as Master of Lodge Resolution during the year.

Two very interesting letters were received from Lieut.-Col. Robin Wilson in Nairobi, South Africa, and Robert Hall from Bridgetown.

Robin Wilson has not been in W.A. since he left Hale School 57 years ago. He was able to keep in touch with the school by a chance meeting with Tom Riley in 1936 and another meeting in 1939 with Sophy Hassall, whose father was well-known in W.A. during the early 1900s.

Lieut.-Col. Wilson is very proud that he was senior N.C.O. in the original W.A. Junior Cadet Corps.

Mr. and Mrs. C. R. B. Saw returned at the end of last year from a six months tour of Europe and are now contemplating a three months trip to Japan in March next. Roy, who is the senior partner of the well-known firm of Saw, Reid & Co., Share-brokers, will soon retire from the business and his son Tony, who has already joined the firm will replace his father. Another son Ron, who recently spent a considerable period in America, is a sub-editor of the "Daily News."

Tony Hall writes advising that he is now with the Central Norseman Gold Corp. and offers to show any Old Haleians over the mines should they be at Norseman at any time.

The Committee wish to thank Mr. and Mrs. Ken Jones for allowing their office staff to assist with the typing of Association correspondence, etc.

S. L. Kirkby is at present away on an Antarctic Expedition.

Robert Hall says that living next door to him in Bridgetown is an Old Boy, V. R. Johnston, who was at school in 1892. He is nearly 80 years of age and relates many stories of the school in the old days.

Major B. L. Bogle was the ship's commandant of the Australian Forces which travelled to Malaya on the 27,000-ton troopship Georgic in October.

Congratulations to Capt. John Garnsworthy who topped an instructor's course at the School of Military Engineering at Liverpool, N.S.W.

Mr. and Mrs. Robert Levinson recently returned from a very enjoyable trip to Singapore and northern ports.

WANDERING OLD BOYS

No doubt many Old Boys during the year wish to contact old school friends and have suffered the frustration of learning that they are living away from the State.

This list of wandering Old Boys, with their addresses, is designed to be of help to Old Boys. It would be appreciated if during the next year Old Boys living outside the State would forward their address to the Secretary.

Following is the list :

Ian Anderson, Hawthorn, Victoria; R. E. F. Barrett, Bradfield Col., Berks., England; Dr. J. A. S. Brine, London, England; G. B. Burns, Maidstone, Victoria; Dr. G. J.
