OBITUARY

Just before issue of the "Cygnet", the school was shocked to hear of the tragic sudden death by drowning of Richard Male.

Throughout his seven years at Hale School Richard was most popular with boys and staff and at all times gave of his best efforts and interest in many spheres of school and out-of-school activities.

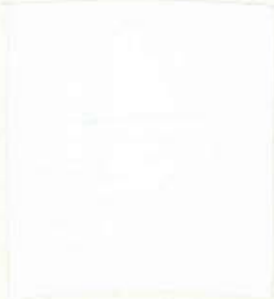

During his last two years he was a Prefect in his Boarding House, and in this capacity he proved a thoughtful and considerate leader. All who knew him through his years at Hale will remember him for his gentlemanly bearing, his thought and consideration for others and for his imaginative sense of humour.

We hope that this last minute tribute to his memory will bring some little comfort to his family in the sorrow so suddenly befallen them.

OLD BOYS' MEMORIAL HALL OPENED SUNDAY, 4th FEBRUARY, 1962.

EDITORIAL

At the time of going to press, the talk of the town will be the Empire Games. Perth is still regarded somewhat as a town at the moment, but we hope that it will rise from its present status to become one of the recognized cities of the Commonwealth, let alone the world. There is an air of expectancy as Perth awaits the rising tide of its visitors but, once the tide has swept in, will they really enhance our development by returning home with good reports?

Yet while this activity continues generally around us, we at Hale School cannot help but notice the tremendous development which has taken place more intimately around us. With our move to Wembley Downs, the past two years have seen one of the oldest public schools in Australia transformed into one of the newest. But we have not been contented to rest on our laurels at this stage. The face of even a new school such as ours began to change almost immediately as the Old Boys' Memorial Hall went up, and more recently, the new Junior School wing was added, and of course, our new swimming pool opened and in use. However, how can we, the boys of the School, best use these facilities?

Once again the question of School Spirit arises, but we will depart slightly from the accepted definition, which involves schoolboys cheering fanatically for the School teams and grudgingly turning up to mid-term matches, to offer this thought. We want a spirit whereby the boys of the School will learn to be co-operative and appreciate just what they have at their feet, not simply to use them as though the amenities were only for them, but to think of the other boys who will come after them. This means letting the other fellow do whatever foolish things he wishes to do, while holding oneself in restraint, which applies very aptly to Interschool meetings. The Honour of the School is always at stake, for however much boys may try to bluff it off, adults do take note of a school's conduct in public.

As the plans for the School become further implemented, an air of expectancy, blended with an air of doubt, surrounds it. Will the boys of the School realize how much they have had laid before them, or will they just take it all and give no return in appreciation? We at Hale School, just like the State as a whole, have reached a stage where our future development will depend on how many people realize our potential, which is why we started talking of the Empire Games.

SCHOOL NOTES

FIRST TERM, 1962

SCHOOL BEGAN ON THE 6TH FEBRUARY—a week earlier this year. This day marked the first assembly in the new Old Boys' Memorial Hall, which was opened on Sunday, February 4th. The House Prefects were then announced, from whom the School Prefects would be chosen at a later date. The school welcomed several new masters as well as a great number of new boys.

As usual, sporting activities began immediately and after only a short while P. L. Bandy was appointed Captain of Cricket for 1962 and N. M. Staines was appointed Stroke of the First Eight.

On the 22nd February the following boys were appointed as School Prefects: W. J. Garland, D. J. Gray, J. S. Readhead, T. H. Sharp, N. M. Staines, J. B. Stawell, R. J. Stewart, D. R. Stow, A. M. Trethowan, J. M. Williams.

The First XI played its first Darlot Cup match on the 23rd and 24th February against Guildford and, although both sides played well, the opposing team won.

February the 23rd saw another interesting School Swimming Sports, resulting in a win for Buntine House.

On March 1st, T. H. Sharp was appointed Captain of the School.

On March 2nd and 3rd the First XI played and defeated Wesley College.

Old Boys' Day this year was held on March 5th and was the first one in their new Memorial Hall. As usual, the cricket match between the First XI and Old Boys XI followed the Assembly.

The Inter-School Swimming Sports were held at Guildford on Saturday, March 10th. Hale finished fourth. Congratulations must go to Guildford, who were once again winners.

On the day before the Swimming Sports, J. G. Barker was appointed Captain of Swimming.

On 17th March we held our Annual Rowing Regatta and Hale rowed most favourably against the other Schools.

That same week-end the First XI played Christ Church, but unfortunately were defeated.

The Wesley Regatta was held on March 24th, but Hale did not fare so well this time.

The First XI was defeated in its Darlot Cup match with Aquinas on March 23rd and 24th. However, we were the only School not defeated outright by the strong Aquinas team.

On Friday, 13th April, the Rowers' Assembly was held. Mr. Little presented the coxes with their megaphones and gave the crews and the School a most encouraging speech.

Our First VIII managed only sixth position in the Head of the River, but raced their best under most unfavourable conditions. Congratulations must go to the strong Guildford and Aquinas crews, which came first and second respectively.

The Rowers' Dance was held on the Saturday night of the 1st April and was acknowledged by everyone to be most enjoyable.

On Thursday, 19th April, the School broke up for the Easter weekend.

The term exams, which had begun on Wednesday 18th, were resumed on Tuesday and Wednesday after Easter.

On the 25th April, Bishop Riley conducted an Anzac Day Memorial Service in the Hall.

The Army and A.T.C. Cadets commenced their annual Cadet camp on Monday, 30th April, and the following day the Naval Cadets left for their camp.

On May 3rd, the School broke up for the annual May holidays.

"CYGNET" COMMITTEE, 1962

BACK ROW (l. to r.)—W. J. Garland, J. S. Readhead, G. L. Thompson, P. Mallabone, M. E. Bosich,
J. B. Stawell, B. J. Jackson, G. K. Loughran.

FRONT ROW—A. M. Trethowan (Secretary), Mr. A. C. Marshall, Mr. W. F. Longley, T. H. Sharp
(Editor).

SECOND TERM

Term commenced on the 22nd May and Football, Hockey and Rugby practices began immediately.

J. B. Stawell was appointed Captain of Football and, although in our first Alcock Cup Match the First XVIII was defeated by the strong Scotch team, we managed to secure our revenge by winning the next three matches against Guildford, Wesley and Christ Church respectively.

This term, House football began for the first time under the House system. There were two teams, a Junior and a Senior one, each of which fielded twelve men. Buntine House won the competition and Riley House was runner-up.

During the term the Headmaster announced the appointment of three new Prefects. They were P. L. Bandy, G. L. Thompson and R. S. Wilson.

The Captain of Hockey this year was R. J. Montgomery and the unsuccessful team played all its matches with great determination and spirit, and was in most cases only narrowly defeated.

The Old Boys' Dinner this year was held on the night of Saturday the 16th June, followed the next day by the Old Boys' Church Service.

Our First XV Rugby team, led by D. B. Daniels, played with outstanding success this term, winning all but a few of its matches.

In the second round of the Alcock Cup Football matches our First XVIII met with little success and was defeated by all but Guildford.

On the 11th August the Prefects' Dance was held in the Old Boys' Memorial Hall. It was the gaily decorated Hall's first dance and proved to one of the most successful ever held. Johnny Regan and his band excelled in their usual style and it was not long before they swung into Charlestons, Can Cans, Twists and Cha Chas, adding even more to the exciting atmosphere.

The Lower School Play and School Concert was held on the 14th and 15th of August. It was the first time in some years that some of the School's musical talent was displayed. The whole show turned out to be most enjoyable and successful.

The 16th August marked the end of term and the beginning of two and a half weeks' holiday.

THIRD TERM

The term began on Tuesday, 4th September. On the following Saturday the Inter-House Athletic Sports were held at the School Oval. Faulkner House gained the most points, while J. B. Stawell was Open Champion.

The Athletic Squad smartly began their rigorous 5-week training programme, coached by Mr. Haydock and captained by J. B. Stawell.

The week-end of the 15th and 16th September marked the Cadets Bivouac at the Avon Valley. There was no Passing Out Parade this year, the bivouac being held in its place.

On Thursday, 20th September, His Grace the Archbishop visited the School and addressed the boys.

Later in the month P. Mallabone was appointed a Prefect.

The 5th Cadet Brigade Trophy Shoot was held on the 6th October, but unfortunately the Hale team did not prove too successful.

The Inter-School Athletic Sports were held on October 13th. A full account will be found elsewhere.

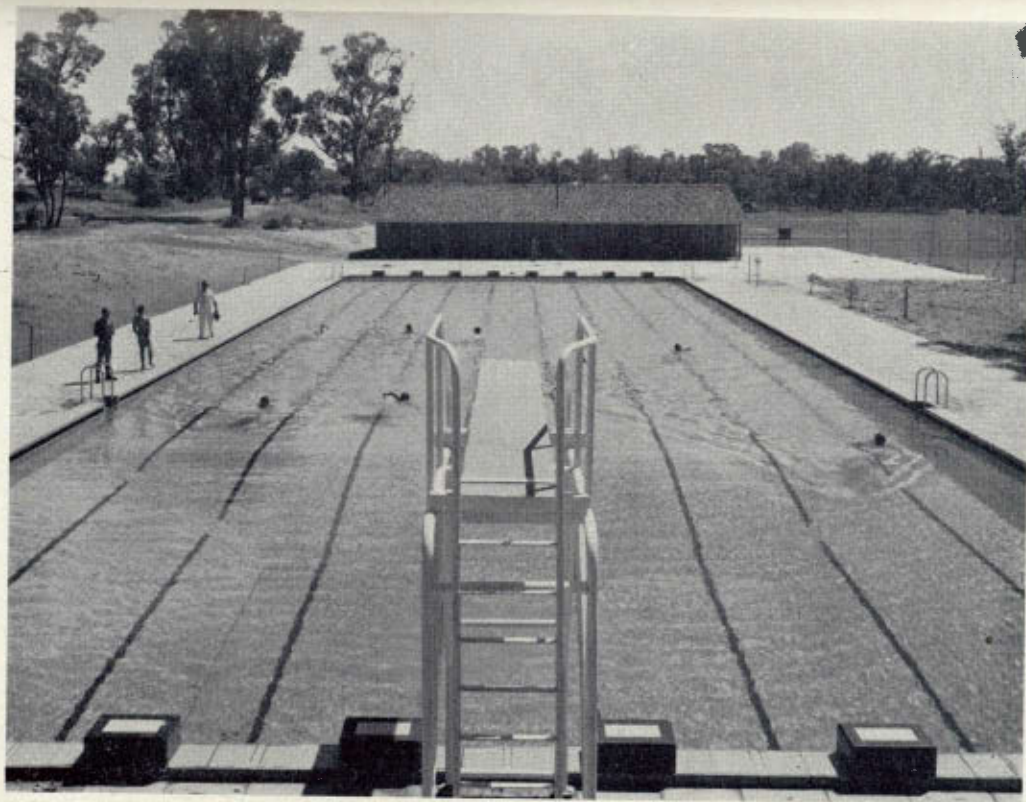

The School was very privileged to have Sir Valston E. Hancock open the Swimming Pool on October 6th. Sir Valston, a prominent Old Boy, is now chief of the Air Staff in Australia.

On Thursday, 25th October the Rev. David Sheppard, a member of the touring M.C.C. team, visited the School and gave a most inspiring address. The following Sunday evening he preached the sermon at the School's Evensong Service.

Both of these visits are recorded elsewhere.

On Tuesday, 31st October, we had the privilege of seeing the Australian Olympic Swimming Team in action in the School pool. The various sections of the School were given half-an-hour off to watch them at their training, between 9.30 and 11.30 a.m.

The same day nine cricketers had the rare opportunity of fielding for a Test side, when they went to the W.A.C.A. and stopped, or tried to stop, not a few "hot" ones from the English Test team.

SWIMMING POOL

The Pool was officially opened for use on Saturday, 6th October, by an Old Boy, Air Marshal Sir Valston E. Hancock, K.B.E., C.B., D.F.C.

The opening was followed by a Carnival among our own and local Primary Schools, and a diving display by representatives of the West Australian Amateur Diving Association.

In view of the support given to the project by Old Boys of the School, it was appropriate that the first race should be won by David Lilburne, son of Dr. G. D. R. Lilburne, an Old Boy of considerable athletic prowess.

The Pool is of Olympic length, carrying eight lanes, 6ft. 3in. apart. Its dimensions are 165ft. 0in. x 54ft. 0in. and the depth slopes from 3ft. 6in. to 5ft. 6in., then dropping sharply to a depth of 11ft. 6in. at the diving boards, which are 1 metre and 3 metres above water level.

The pool is tiled with white non-absorbent ceramic mosaic tiles and the surrounding edge tiled with light blue ceramic tiles.

The entire water within the pool is treated chemically and filtered during a turn-over period of eight to ten hours.

Recessed steps obviate dangerous projections.

The pool is ideally situated in close proximity to the changing rooms, with a background of trees on the East side. There is a large paved area for sunbathing and some protection on the West is afforded by a substantial slope that has been planted with grass.

Apart from the improvement in swimming standards which must result, having the pool will revolutionise life in the hot months for Boarders in particular and make the lot of swimming coaches much easier and more productive of results.

The School's thanks go especially to those through whose initiative the pool followed so quickly on our moving to Wembley Downs.

STAFF CHANGES

The following Staff left the School at the end of 1961:

- Mr. P. W. Davies, to start his studies for a medical degree;
- Mr. A. S. Fletcher, to serve his Church as a Missionary;
- Mr. A. Kruse, also for further study;
- Mr. G. I. Wall, who has accepted a position with the Department;
- Mrs. U. De Rouffignac, who has retired from teaching.

These were all full-time Members of Staff.

In addition there also left:

- Dr. B. V. Pusenjak, with the passing of Italian from the curriculum;
- Mr. G. G. Tually, who had come only temporarily to help in the Science Department;
- Mr. R. A. Barker, who had given long and faithful service with Woodwork and Technical Drawing.

The School thanks all these Members of Staff for the services they have rendered the School and wishes them every happiness in whatever lies before them.

With these resignations and a further increase in numbers, a large number of new Staff were appointed in 1962. They are:

- Mr. G. E. AITKEN, who joined the Staff on the completion of his training at Claremont Teachers' College;
- Mr. G. M. BENNETT, a graduate of Sydney Conservatorium of Music and Sydney Teachers' College, to teach English and Music;
- Mr. R. H. FARTHING, a graduate in Science from Sydney University, who joined the Staff after teaching with the N.S.W. Education Department;
- Mr. D. S. HASKETT, to teach Woodwork and Technical Drawing and to be in charge of the Junior Boarders;
- Mrs. D. S. HASKETT, to take the youngest boys of the Junior School, as well as to be "Mother" to the Junior Boarders;
- Mr. A. W. KALOTAS, to teach German on a part-time basis for this year;
- Mr. C. S. LOVELADY, an Old Boy, to help in the Junior School;

Mr. R. G. QUADE-SMITH, to take Senior School English and General Subjects;

Major W. L. SUTHERLAND, also on a part-time basis, to help with English and History this year;

Mr. J. van HATTEM, ex-Royal Netherlands Navy, to teach Mathematics and Physics.

We welcome all these new Members of Staff with the wish that their association with the School may be both profitable and happy.

This issue of the "Cygnet" will show in various places the part they are playing outside the Classroom, as this and previous "Cygnet" have recorded the part played by those Staff who left us last year.

VISIT OF REV. DAVID SHEPPARD

The School was delighted and honoured to have English Test Cricketer, Rev. David Sheppard, with us on three separate occasions during his visit to W.A.

First he came and gave some fifty or so keen young cricketers some hints on how to play the game and spared them a very generous amount of his time batting to their bowling. Perhaps it is needless to say that he was not bowled.

Then he talked to the whole school at Assembly, not on cricket, and the hushed silence that immediately followed this talk was probably a greater tribute to his transparent sincerity than the clapping that soon broke out.

Finally he preached at the Boarders' Sunday Night service in the Memorial Hall, when some six of his team mates sat among us at Evensong.

A number of Parents and Friends were present and afterwards he met some of the Prefects at the Headmaster's House. We were glad to welcome also a representation from Guildford Grammar School.

Though we cannot be so unpatriotic as to wish that the Rev. Sheppard's team wins the Test Series, we shall, now we feel we know him so well, be not a little sympathetic when he goes in to bat against us.

Speech Night

1961

SPEECH NIGHT WAS HELD ON MONDAY, DECEMBER 11TH, on what has come to be known as the Chapel Green, in front of the administration block. The School was privileged in having as Guest of Honour, THE HON. DAVID BRAND, M.L.A., PREMIER OF WESTERN AUSTRALIA. After the National Anthem had been played, the School Chaplain said the Opening Prayer. Then followed the Captain of School's Report and the Headmaster's Report. The Premier then presented the scholastic prizes and sports trophies.

At the conclusion of the evening, a vote of thanks to the Premier was given by the Chairman of the Board of Governors and Benediction was said by Bishop Freeth.

Headmaster's Report

"YOUR GRACE, MR. PREMIER, LADIES AND GENTLEMEN, BOYS OF THE SCHOOL,—

"It gives me much pleasure to present this, my second report as Headmaster of the School. I find that it seems a very long time since we met together for Speech Day last year, to say good-bye to the site at Havelock Street which had housed the School since 1914. I suppose that this, our first Speech Night at the new School at Wembley Downs, is of equal historical significance, and those of us who have attended it will, perhaps, with some sense of excitement, recall this, the first of what we trust will be a great many Speech Nights which this site and these buildings will witness."

The Headmaster then continued, reviewing the change from the old to the new School and he paid tribute to the staff and boys alike and said that thanks to their co-operation, teaching had begun by the third day of First Term. He said that it had been their task to instil the soul of the old School into the new buildings. In further tribute to the staff, the Headmaster said that we were fortunate in having "— a group of men who have

a sense of what a great school should be and who have set to work to make this new School at Wembley Downs conform to that image, at times in spite of most frustrating situations."

He paid a special tribute to the Deputy Headmaster, Mr. Marshall, to Mr. Hoar and Mr. Milne, in charge of the Boarding Houses, and to the Chaplain. The Headmaster also said that the onerous tasks of the five day boy Housemasters had been well tackled, the aim of the new system being substantially achieved. This led the Headmaster to refer to staff changes for the coming year.

He expressed his regret at Mr. Kruse's having to leave to continue further studies and announced that his position as Housemaster of Riley would be filled by Mr. Wheeler. Leaving also would be Mr. Wall, Dr. Pusenjak and Mr. Davies, who had successfully established a small Naval Cadet Unit. Speaking of our gains, the Headmaster said that Mr. Quade-Smith, who had been Education Officer in the R.A.A.F., would take over Mr. Wall's former task of Guidance Officer. Into the Maths. and Science departments, the Headmaster said, were coming Mr. Van Hattem, who had served with distinction with the Royal Netherlands Navy; Mr. Farthing, a Sydney Science graduate and trained teacher; and Mr. Gardiner. Music appreciation classes would be taken over by Mr. Bennett, a graduate from the Sydney Conservatorium of Music and Sydney Teachers' College, who would also be able to teach secondary school subjects. Amongst his projects were assistance in the production of a Gilbert and Sullivan Opera, a Band for the Cadet Corps and a School Orchestra. Mention was made of Mr. Drake's pioneering effort in introducing Woodwork, in addition to his normal subjects, in the School curriculum. The Headmaster added that Mr. Haskett was on his way from England to join the staff to teach this subject. He thanked Mr. Barker from the Education Department, who had taken the extra classes in Technical Drawing, but who would now be leaving us.

The Headmaster then referred to the Lower School and pointed out the strenuous task Mr. Mill had had. He said that enrolments here were not quite as large as he had hoped and that this could be due to transport problems and prevailing economic conditions. Though admitting that the State primary education system was good, he wondered if parents saw the advantages offered by the small classes at Hale School. He also said that the School would be losing the services of Mrs. de Rouffignac, who had been with the School since 1949, and Mr. Fletcher, who felt the call of his Church to Missionary Service in New Guinea. The Headmaster said that the Missionary work in New Guinea was receiving a recruit of high calibre and real dedica-

tion. He would be replaced by Mr. Lovelady, an Old Boy of the School, while Mrs. Haskett would replace Mrs. De Rouffignac. Mr. and Mrs. Haskett would be taking charge of the Junior Boarding House and would act "in loco parentis" to them.

Thanking the Bursar and his staff, the Headmaster went on to say that the fruits of their work could be seen in the satisfactory state of the domestic and administrative arrangements and in the state of the grounds, where incidentally something like 400 trees and shrubs had now been planted.

The Headmaster thanked the Parents and Friends' Association, which contributed £500 worth of books to the Library, now under heavy use. He also thanked Masters and friends outside the School who had helped coach teams. Special thanks were offered to Mr. Pat Trouchet, who was stepping down from the position of coach of the 1st VIII.

Reference was then made by the Headmaster to numerous building projects in the School. The first was the Old Boys' Memorial Hall, which, he said, was to be opened on February 4th, 1962, by His Excellency the Governor. Then the School gates donated by the Prefects, past and present, from dance profits were mentioned. The Olympic Swimming Pool, "a most generous gesture on the part of the Old Boys," it was hoped would be ready for the beginning of 1st Term, 1962.

It was then announced that a new Junior School was considered necessary and would be ready by the beginning of 1963. The present Junior School would be used for secondary classes, which would allow a reduction in class size from 35 to 32, a great step to the desired 30. Following on from this, the Headmaster referred to the rising fees. He mentioned that to overcome this, classes could be increased in size, and teaching salaries cut, both being very undesirable. He informed us that probate duty on endowments for building had been lifted, a small help. He said that in a country where so little is spent per head of population on education, Independent schools must show the courage to set their standards by those of the leading countries in education. Besides providing sure educational facilities and training boys so that they might earn money once they leave school, a far greater aim was to educate boys for life in the world today.

The Headmaster continued to say:

"We live in an age of change and many of the changes now taking place around us are necessary, but we are also seeing changes in society which strike at the very roots of our Christian civilisation. This School must never be merely reactionary, but, at the same time, we must stand firm for Christian principles which know no change, while re-thinking their application in

each new situation that faces us." The need was expressed for a partnership between the School and the home in teaching the principles of living. He said that parents of high-school age children must not let them be too unrestricted. The control which is exercised should be gradually relaxed to the genuine friendship and partnership which parents can exercise with grown up children. Though a school may help—we hope greatly—the home remains, and should remain, the supreme influence in a child's life.

In conclusion, I would extend the School's good wishes to all boys who are leaving, and to parents who are "leaving". We hope that you will all retain the keen interest which you have shown in the School, the boys through active membership of the Old Haleians' Association, and parents through the Parents and Friends' Association, remembering that, even though you may cease to be a parent of a boy in the School, you do not cease to come into the category of a friend."

Captain of School's Report

"YOUR GRACE, MR. PREMIER, MEMBERS OF THE BOARD OF GOVERNORS, HEADMASTER, LADIES AND GENTLEMEN,—

"The School year began with the extremely early appointment of the School Prefects and these began to exert their "prefectorial powers" from the very first morning of return to School. Undoubtedly this did not cater for the tastes of some who wished for a laxer and more congenial air to circulate for the first week, and for evermore.

"However, I will not bother you with the internal policies and breaches thereof, but will go on to that which, in the public eye, makes a School either strong or weak—SPORT. We redeemed ourselves in many fields this year, but when you are asked by some innocently serious person "Who won the cricket?" and you are forced to point out politely that "we did," you begin to realise that the only way to obtain public notice is either to use neon signs or win the Rowing, Swimming or Athletics.

"It is hard to gain your first wins, but the moral boost these wins give produces further wins and an uplift in spirit.

"So we won the Cricket. The team followed a good Captain, who inspired winning by his sheer contempt of losing. Irvine undoubtedly won half our matches, but the team recovered some lacking enthusiasm and went ahead and carried on to accomplish possession of the Darlot Cup.

"The rowers found it hard to keep with the heavier and stronger crews of other schools and as a result managed to fill only fifth place. With no Rossers or Durstons coming up amongst the ranks, every boy must be prepared to exert himself to the full, for in no other sport does co-ordination mean so much. Trophies do NOT come on silver platters.

"The Swimming and Athletics can be grouped together: in both we came fourth, the step to second place in the Swimming being only ten points away. Our straight events in both sports are well above average, but our field events, backstroke and breaststroke leave us struggling to raise our position on the board.

"We finished third in the Football and I hope to see the remains of a very young team go on to win, if not next year, the year after. Football is not a soft sport and any thoughts of beautiful appearances and of "whether my hair is nicely combed" must be forgotten as you smash your way in to get THAT ball. It matters little what happens to the opposition, so long as you have only the ball in mind, and "may doctors help him who obstructs you."

"From this you may have begun to think that I place too much emphasis on sport, so I will pass on to some of our other activities.

"The best way to express yourself, for those not so adept at sport, is to take part in the school play and show yourself for two or three nights. Mr. Kruse produced the play, "The Caine Mutiny Court-Martial," held at Cygnet Hall, by way of an old method of having the stage centrally positioned. This brought the actors closer to the audience, and so emphasised realism.

"Debaters sometimes found themselves confronted with difficult subjects, but at all times they attempted to do their best. Theirs was not an altogether easy task, especially with the number of people attending varying so from debate to debate. Some very good debates were held, but unfortunately these were sometimes met with near silence from the rather small audience.

"Our contributions to charity surpassed previous years, with keen rivalry existing between the two Boarding Houses. The

day boy Houses, at times, did not enter into the spirit of things and consequently contributions from these sections were low. The tenacity with which some boys clung to their money was appalling. Nevertheless, we raised well over £200.

"Principally, you come to School to learn. This is an individual's responsibility, and the familiar cry of "in the long run it's up to you" from the masters should have reached through to the majority by the time "Junior" is reached. Then of course, you have the reverse case when the student works and has no play—hence Jack is a dull boy. The use of sport as a character-creator is universal and has long been proved successful. So, for those that play too much—work a little more—and for those who work too much—play a little more.

"The point I have been trying to make is—If you go to School only because the Education Department specifies it, and if you come to this School only because father says so, then I suggest you think a little more constructively and really put something into your surroundings. Maybe they'll give something in exchange."

House Notes

Faulkner House

HOUSE MASTER: Mr. D. A. MILNE

HOUSE CAPTAIN: J. S. READHEAD

SCHOOL PREFECTS: J. S. READHEAD, D. R. STOW

HOUSE PREFECTS: W. AZEMAN, R. MALE, R. PRIESTLY,
P. SEWELL, C. WIESE, P. WILLS.

Monday, 6th saw the return of the Boarders, and the new boys soon acquainted themselves with the new surroundings. We welcomed back Mr. Wager and a new member of the resident staff, Mr. Bennett, who is from Taree, N.S.W. Mr. Bennett filled Mr. Fletcher's place in the House. Mr. Fletcher, who felt the call of his church, went to New Guinea as a missionary. Jon Readhead was duly appointed a School prefect and Wan Azeman, Richard Male, Robert Priestly, Pat Sewell, Colin Wiese and Peter Wills were appointed House prefects.

During the first few weeks of the term, in top secrecy, the masters and prefects designed a much wanted banner for the House, the first of its kind. The banner was financed from House funds and it is hoped that for years to come, members of the house will follow the motto, "Honoris Lampada Semper Fer" (also secret to those who can't read Latin).

The House performed creditably in the House Swimming competition and, although we filled only a minor position, the House was well represented numerically. Our outstanding swimmer was Ted Young, who won the Under 14 Breast-stroke, and John Chadwick gained second position in the Under 13 Freestyle. Ted Young and Kim Scott were our only representatives for the "Inters."

The House IV, coxed by Chris Johnson, made the finals of the Inter-House Fours only to come third to Wilson and Riley Houses. We offer our congratulations to Wilson House on a fine victory and in no small measure to our own crew who rowed extremely well. We were represented in the "Head of the River" by Jon Readhead, who was in the 1st VIII, Col Wiese 2nd

VIII, Kevin Minson, Dudley Stow and Chris Johnson 1st IV. Brian Barrows and Wayne McCurry 2nd IV and Murray Hall of the victorious 3rd IV.

The House did not perform at all well in the House Cricket but scored a decisive victory against Wilson House one Saturday. Well done, team!

Pat and John Sewell were our representatives for the Slazenger Cup and the Mursell Shield tennis teams. Unfortunately, neither teams won.

Those boys who did not return home for the Easter break were made to feel at home by Mrs. Milne and here the House takes the opportunity of sincerely thanking Mrs. Milne.

Several members of the House filled important roles in the Hale School Dramatic Society's production of the Gilbert and Sullivan opera, "The Pirates of Penzance"; they being: Jon Scott, a member of the Orchestra; Bob Jolly and Ken Duce, members of the cast; and Jon Readhead and Dudley Stow, the senior lighting technicians. Mention must be made here of Mr. Bennett, who was the Musical Director.

With the advent of camp, term finished for most of us, those in the forces returning to their homes a few days later.

SECOND TERM

Second term commenced on May 22nd and we welcomed several new boys to the House, including Stow, a migrant from Riley House. We hope their stay will be an enjoyable one. This term the House Football and Hockey competitions were conducted. Although we did not gain high placings in the list, we were the only team to beat Buntine House, who were the winners of the competitions. The match against Wilson House proved a well earned victory for the House. The spirit was shared by both spectators and players alike. The team spirit of this game was praised by the umpire and the match was won through sheer determination. Col Wiese was our only member of the 1st XVIII and Jon Readhead captained the 2nds.

Robert Priestly and Wan Azeman played for the 1st XI Hockey and Dudley Stow captained the 2nd XI. Kevin Minson played for the 1st XV Rugby and was also selected by the school for the State Schoolboys' Trials. Once again Faulkner House came on top in the Cross Country Championships thanks to the fine efforts in all age groups. We must congratulate Eric O'Hal-

loran who was Under 13 champion, and Pat Sewell and Kevin Minson, who were 2nd and 3rd in the Under 16s. Members of the House keenly supported their runners in the competition, this support being indicative of the general feeling in the House.

The holidays gave us a welcome break from school before commencing the all-important third term.

THIRD TERM

Third term commenced on Monday, 3rd for the boarders. Athletics commenced immediately, all boys giving of their best in anticipation of winning the House Athletic Cup for 1962. The benefit of our early morning training was shown when we won very convincingly on Sports Day, Faulkner being some 150 points ahead of the next house. Those who performed well for the House were: Under 14 Relay, Brian Sanderson, Pat Sewell and John Bishop. Special mention must be made of Phillip Evans, who won three events; Eric O'Halloran, three events, with a record in the Under 13 High Jump; and Kevin Minson, who won four events, with a record in the Under 16 880 Yards. Congratulations, Kev. This year Standard Points were introduced, which Faulkner House won by a considerable margin. With the inclusion of the Cross Country runs Faulkner House won the Athletics Cup by some 250 points, our total being 1000. Particularly must be voiced the spirit in which the two boarding houses competed on the Fridays when the Standards were held. This shows true house spirit, which we think the day boys lack very much.

School Tennis commenced immediately after Athletics, Pat and John Sewell both being members of the Open team.

At the Aquinas Regatta, which was held late in the term, Col. Wiese was a member of the winning four.

As these notes go to press, Faulkner House seems well in the running for the Cock House Cup, the house tennis being the deciding factor.

No mention can yet be made of the House Picnic, which is to be held on the last Sunday of term.

The spirit and co-operation of the house has been very noticeable throughout the year and it is pleasing to note that it has been an enjoyable one.

Wilson House

HOUSE MASTER: Mr. T. D. HOAR

HOUSE CAPTAIN: G. L. THOMPSON .

SCHOOL PREFECT: G. L. THOMPSON

HOUSE PREFECTS: D. C. ALLAN, W. A. J. ILBERY,
T. A. D. PHELAN, R. T. FOWLER, R. I. SEWELL

FIRST TERM

First term began with the absence of the House Captain and one of the House Prefects. These conditions prevailed for the first and (as far as new boys are concerned), the most critical week of term. However, thanks to the combined efforts of Bill Ilbery, Tim Phelan and Richard Fowler, the House was settled down and running well by the time the wanderers returned.

Swimming was the first major inter-House sport. Without exception it was a House effort and showed the keen spirit of our members. Congratulations go to Bill Ilbery, the open champion, and our under fourteen relay team, who won their event. Wilson obtained third position, which was an excellent effort, considering our limited number of stars.

Rowing was an easy victory for Wilson. Congratulations to our cox Phillip Stone, as we were the only crew who finished on the course. Members of the crew were:—Hamish Cowan (stroke), Gilbert Thompson (3), Tim Phelan (2), Roger Berg (bow).

Wilson House boys who represented the House in the Head of the River were:—Hamish Cowan, Gilbert Thompson (1st VIII), Roger Berg (2nd VIII), Tim Phelan, Phillip Lockyer (1st IV), Tony Scott, Robert Sewell (2nd IV), Donald Allan (3rd IV), Phillip Stone (cox, 3rd IV).

Congratulations go to Haynes House on winning the cricket. The less said the better about Wilson's effort. Barry Jefferis was our only representative in the 1st XI. Our only interesting game was against Faulkner one Sunday afternoon. Although we were beaten by only a few runs it was an exciting game which had even the spectators interested.

So ended an eventful term.

SECOND TERM

Second term got away to a good start except for the absence of Donald Allan, who seems to find it difficult to catch a plane at Wittenoom Gorge so as to be back here in time for the first week of term.

This term marked the beginning of House football at the new school. Wilson's senior team, captained by Donald Allan and in his absence Gilbert Thompson (Vice-Captain), had high hopes but these hopes were not to be realised. Our junior team played some close games and came a good second in their competition. The football games played by Wilson House were played in true Boarder fashion, showing plenty of determination, which rattled the top teams. The best game of the season was that between Faulkner and Wilson. It was an exciting game both for spectators (of whom there were plenty) and players. Faulkner defeated us by one point. Donald Allan was our member in the 1st XVIII.

The House Hockey team played magnificent games and finished well ahead in the competition, our stars being William Kwan and Peter Green. Congratulations, hockey players.

Our annual picnic was held on Sunday, 5th August. The House went to Point Peron, a place suggested by Mr. Hoar. It was a complete success for all concerned, including Whiskey (Mr. Hoar's cat).

At this stage I would like to mention a hockey match between a combined Leaving boarders' team and St. Hilda's, held at Hale School. Afternoon tea was served by the House Masters' wives and the girls were conducted (by the boys) on a tour of the school. The result of the game was a draw.

At the end of this term we pause to wish Bill Ilbery all the best in his future job as he will not be returning to us next term.

THIRD TERM

We began this term with a rush. The Athletics were held on the Saturday following our return and no constructive House training could be accomplished. Our winners on the day were as follows:—

D. C. ALLAN—Open Shot Put (equal record), Long Jump.
R. BERG—Open Mile.

R. FOWLER—Under 17 High Jump.

C. RITCHIE—Under 15 High Jump.

I. ANDERSON—Under 15 Hurdles.

A. SHIPWAY—Under 14 Hurdles.

Although we did not finish very prominently on the actual sports day, in the Athletics meetings during the following weeks we did very well and built up our points so that we gained fourth position. Congratulations to Faulkner on their well deserved win in the Athletics.

It is evident by the decreased numbers going to the beach on the weekends that the swimming pool is popular with the boys.

This year has shown a marked improvement in the grounds surrounding Wilson House. This improvement is due entirely to Mr. Hoar and the boys of the House.

Although the House has not been remarkably successful in the sporting field, it has during the year built up a reputation for having a fighting spirit which makes itself evident on the playing field. This spirit will, I'm sure, stand them in good stead during their school life and in their careers thereafter.

Stirling

HOUSE MASTER: Mr. B. MASSEY

HOUSE CAPTAIN: W. J. GARLAND

SCHOOL PREFECTS: W. J. GARLAND, J. M. WILLIAMS

HOUSE PREFECT: J. G. BARKER

FIRST TERM

The House settled down well at the commencement of 1962, once again under the control of Mr. Massey and the Prefects. Swimming was the first interhouse sport to be conducted and Stirling House, which showed no superabundance of swimmers, finished fourth. Both J. G. Barker and G. A. Taylor swam well for the House, Taylor being Under 15 champion.

Prior to the Interschool swimming J. G. Barker was appointed Captain of Swimming and later Captain of Life Saving for 1962. The House extends its congratulations to you, Jock.

The Stirling House Interschool representatives in first term were: Swimming—J. G. Barker, G. A. Taylor, P. Viska; Cricket, 1st XI—J. M. Williams, B. J. Jackson, G. A. Trinder, N. P. Davis and C. J. Nathan; Life Saving—J. G. Barker; Rowing, 1st VIII—W. J. Garland.

W. J. Garland, J. M. Williams and J. G. Barker were appointed C.U.O.s in the Army, and D. H. Ward in the A.T.C.

Unfortunately the House was eliminated in the House rowing heats and could manage only equal 6th. The Senior House cricket team finished 2nd, and the Junior team equal 3rd. The Minor sports teams did well to finish equal 1st in the seniors and 4th in the juniors.

By the end of the 1st term Stirling House was well in the running for the Cock House Cup and all looked well for the House's second successful year.

SECOND TERM

A cross country running competition was again held this year, points from which would count towards the athletics total at the beginning of third term. The outstanding runners for the House were: J. M. Williams, W. J. Garland, P. Viska, W. R. Drewe.

Also held in competition this year were the junior and senior divisions of the football and the junior division of the hockey. The junior House team finished fourth; the senior team fifth; and the hockey team fourth.

The House was represented by: B. J. Jackson (Vice-Capt.), J. G. Barker, G. A. Trinder, P. Viska, in the First XVIII; D. A. Ward, D. F. Barker, P. J. Pearson, D. J. Stickland, N. P. Davis, in the First XV; A. R. J. Sherwood and W. R. Drewe in the First XI.

J. G. Barker and B. J. Jackson were elected to the Sports Council, W. J. Garland and B. J. Jackson to the "Cygnet" committee, C. J. Wheatley to the Debating Society committee; while B. J. Jackson, P. J. Pearson, C. J. Wheatley and D. I. Freedman were members of the Dramatic Society.

THIRD TERM

This year the athletics points were to be divided between the Sports Day, the Cross-Country races, and the inter-house standards. The House finished second, third and sixth respectively, thus giving a third over-all position.

Those who competed well for the House on Sports day were: W. R. Drewe, P. Viska, J. Viska, J. M. Williams, J. G. Barker and G. A. Trinder.

The House's representatives at the Interschool Sports were J. G. Barker, W. R. Drewe, D. V. Nairn, M. J. Reddrop, G. A. Trinder, J. Viska, P. Viska and J. M. Williams.

J. Viska was the Under 14 runner-up, while W. R. Drewe was the Under 16 runner-up.

Inter-house tennis was conducted this year, but unfortunately the House lacked experienced players, especially in the Open division. However, the spirit the teams showed in the face of certain defeat was very commendable and the House was by no means disgraced.

P. Vaughan was a member of the School Open tennis team, late in the term.

With the exception of the Athletics, the enthusiasm of the House members has been very strong and as a result Stirling House finished well up in the points total for the Cock House Cup.

Again in 1962 Mr. Massey showed great interest in the House athletics and it is hoped he will continue to be our House-master in the following years. Also to be commended are the senior boys of the House, for the way in which they moved into assembly. This was a fine example which was copied by certain other Houses, but ignored by junior members of Stirling House.

Buntine

HOUSE MASTER: Mr. L. DRAKE

HOUSE CAPTAIN: J. B. STAWELL

SCHOOL PREFECTS: J. B. STAWELL, N. M. STAINES

HOUSE PREFECT: R. J. MONTGOMERY

The House had a good group of sportsmen this year and high hopes of success in the Cock House Cup were held. New members were welcomed to the house at our first House meeting.

The year started off well when we won the first House competition, Swimming. Outstanding competitors included Skinner, Montgomery, Ross, McDonald, Bedbrook and James and they represented the house in the Interschool Swimming Sports. Although Buntine finished fifth in the rowing, the crew rowed well and with a bit of luck would have been closer to the leaders. Neil Staines is to be congratulated on being selected Captain of Rowing.

Julian Stawell and John Bolton represented the House in the 1st XI Cricket. The Senior and Junior cricket teams were sixth and fifth respectively in the competition.

During second term Buntine won both the Senior and Junior house football competitions. Teamwork was of a very high standard in both teams and this was the greatest factor contributing to our win. Most prominent players in the Senior team were Stawell, Bolton, Wall, Staines, Ross, Wardle and Williams. The Junior team was well served by Tarik, Hodsdon, Campbell, Rose and I. Smith. Congratulations to Julian Stawell, who was Captain of the 1st XVIII. Others to represent the School in this team were Allan Wall, Paul Skinner, John Bolton and Neil Staines.

Bob Montgomery was Captain of Hockey and Leigh Smith played in the 1st XI side, while Tony Le Page was our only representative in the 1st XV Rugby team. During the August holidays Allan Wall was successful in several events in the Staté Schoolboys' Tennis championships.

Athletics was the main sport in third term, Buntine finishing second. Julian Stawell was Open Champion and Captain of Athletics. Hodsdon, Wall, Peppercorn, Barton and Bird ran in the Interschool Sports.

Allan Wall and Julian Stawell played in the School 1st IV tennis team and were members of the House team which is hoping of adding the competition to our already impressive list.

The year has been a fine year for Buntine in all ways. At this stage, we are nearly unbeatable for the "Cock House" Cup and house spirit has been high throughout the year. Keep it up next year, Buntine.

Haynes

HOUSE MASTER: Mr. J. D. BAMBACH

HOUSE CAPTAIN: D. J. GRAY

SCHOOL PREFECTS: P. L. BANDY, D. J. GRAY, R. J. STEWART

FIRST TERM

On return to School it was noticed that Haynes House had increased its number of boys from 51 to 63, this meaning that we had more boys to choose our teams from and bringing us more in line with the other houses, who had previously outnumbered us.

Soon after the commencement of the School year David Gray and Rod Stewart were made school prefects, with Peter Bandy a house prefect.

The first House Sports to be held were the Swimming Sports. However, the house did not gain the position hoped, although it improved in its final position compared with that of the previous year. Amongst the house's best competitors were: Bruce Strickland, who broke an Under 16 record, Rod Stewart David Gray and Robert Ainslie.

This year saw the introduction of House Cricket, and it was in this field that Haynes House had its first victory. The team, brilliantly captained by Peter Bandy, included a number of regular 1st XI players. They were Peter and John Bandy, Peter Simpson and Richard Haynes. Peter Bandy was also captain of the School's 1st XI. At the end of the school cricket season Peter and John Bandy were awarded cricket colours for their magnificent displays during the season.

There was also a competition held for a Junior team and our team, captained by Peter Lummis, also finished the competition by winning it easily.

In the Rowing, the crew was narrowly beaten by half a canvas in the heat and was unlucky not reach the final. Rod Stewart represented the house in the school's 1st VIII.

David Gray and Bruce Strickland were the house's representatives in the school's senior Life-saving team.

Richard Hoile and John Harris were the only members of the house to hold the position of an Officer in any of the Forces.

SECOND TERM

In the Football competition, the senior team finished 3rd, after being narrowly beaten by Buntine and Riley Houses. The team included a number of the 1st XVIII. Amongst them were Peter and John Bandy, Bruce Strickland, Peter Flood and Peter Simpson. In the junior competition we could finish only in fifth place, although we seemed to have a powerful team on paper. Amongst the most consistent players were Ian Collins, Colin Bennett and John Simpson.

In the house hockey competition we started the season with a number of wins. However, we then faded out of the picture. Amongst the best players were Denis Haselhurst, Bill Samson and Harvey Leys.

The only member in the 1st XI training squad was Michael Ryan.

Although there was not a house rugby competition there were a number of boys who played in the 1st XV. They were Douglas and Richard Haynes and Rod Stewart.

During second term, to the delight of all house members, Peter Bandy was made a school prefect.

THIRD TERM

On the first Saturday after school returned, the house sports were held. The house produced many good athletes, although our position would not suggest it. After final points had been counted we were only able to finish in fifth place. The most outstanding athletes were Rod Stewart, Bruce Strickland and

Ian Collins. There were also a number of others who took part in the inter-school sports whom we are unable to mention, but all these boys showed that they were forces to be reckoned with on the athletic field.

The other sport that was played in third term was tennis. However, in this sphere we were unable to field very strong teams and were therefore defeated in the early rounds.

Throughout this year there has been a strong House spirit in the house and although we have had only moderate success in the House competitions, it is possible that with a number of very good juniors in the house, next year we could see the House rising to the position of Cock House. However, it is up to the House members as a body to build up a name for Haynes House and to have it recognised as a force to be reckoned with.

Parry

HOUSE MASTER: Mr. G. N. ALTORFER

HOUSE CAPTAIN: R. S. WILSON

SCHOOL PREFECT: R. S. WILSON

HOUSE PREFECTS: G. K. LOUGHRAN, G. J. CRABBE

FIRST TERM

The election of the house captain was delayed for some time after school began, but the ultimate choice of Ron Wilson proved to be a popular one. Graham Crabbe was also appointed as a second house prefect. As with all the new day boy houses, there was something lacking in spirit this year, but we have great hopes for those younger members who should make Parry House a solid and spirited force two or three years hence.

In the first athletic inter-house encounter, the Swimming Sports, we were more fortunate than most in having Mr. Altorfer, the school swimming coach, to guide our fortunes. However, despite a magnificent effort by the Inters. star Tim Hantke, we could make no impression on Buntine, the eventual winners, and we finished in fourth place. Our representatives in the Swimming team were: T. Hantke and D. Mullaley.

The house Cricket XI was substantially more successful and we were beaten only by Stirling House, and finished third.

It was a creditable performance, all the more so because the Stirling team included the school's two opening bowlers.

Wilson made the second highest score in house cricket with 81 against Riley. R. Gray and G. K. Loughran were our most successful bowlers; Gray taking 4 for 25 against Stirling and Loughran taking 6 for 27 and 6 for 53 against Riley and Stirling respectively. Others who played well were D. Irvine and Veryard. Parry had three representatives in the Hale School XI: Ron Wilson, who also kept wickets for the Combined Public Schools XI, David Daniels and Loughran.

We did not stand out in the rowing, but our rowers claim that only a broken oar came between them and the House Fours championship. The four was A. J. Anderson, M. E. Bosich (a member of the winning pair), R. C. Darling, G. J. Crabbe and coxswain P. J. Leonardt. Leonardt also coxed the School Eight with skill but to no avail.

Bosich stroked the Second Eight, which also included Anderson. Darling was a member of the Fourth Fours, the only Hale boat to win a race on Head of the River day.

SECOND TERM

In the second term neither the junior nor the senior football teams achieved anything spectacular, although both were able to beat Faulkner House.

The Hockey team finished well, taking second place in the competition. Consistent players were R. Leonardt, G. Gray and D. Irvine.

The spirit shown by all our house teams was hardly stirring, but once again we can look forward to a change for the better in later years. The outstanding players in the junior house football team were Veryard and Hantke, the vice-captain of the second year school side. Our school representatives in the Football XVIII were Ron Wilson, Milan Bosich, Peter Reader, Alex Anderson and Kim Loughran. Wilson also won his football colours.

The Hockey representatives were Haydn Lowe, Roger Gray, Peter Stewart, Ray O'Dwyer and Peter Rosendorff, who was awarded hockey colours.

The Rugby XV representatives were David Daniels, the captain, and Hugh Plaistowe.

The Cross Country performances by Parry House were a considerable improvement on last year and D. J. Avery was a consistent place-getter.

THIRD TERM

We had several inclusions in the Athletic Squad following strong showings in the school sports. Those chosen were R. S. Wilson, G. J. Crabbe and B. R. Conway in the open age group; M. E. Bosich and P. B. Reader, Under 17; T. Hantke, Under 15; and J. Debney, Under 14.

There were three tennis teams: Open, Under 16 and Under 14, for the inaugural competition, and there, too, our strength is in the younger house members, who will undoubtedly make Parry House a force to be reckoned with in a few years.

The interest in committee activities was very commendable. Ron Wilson was an active Debating Society committee member and G. K. Loughran and M. E. Bosich were on the "Cygnet" staff. Wilson, Loughran, Bosich and D. Irvine were on the Dramatic Society committee, Loughran serving his second year as Secretary.

All in all, the year was more fulfilling than last, and Parry House in Mr. Altorfer's charge can look forward to an auspicious future.

Riley

HOUSE MASTER: Mr. H. C. WHEELER

HOUSE CAPTAIN: A. M. TRETHOWAN

SCHOOL CAPTAIN: T. H. SHARP

SCHOOL PREFECTS: P. MALLABONE, T. H. SHARP,
A. M. TRETHOWAN

HOUSE PREFECTS: K. L. DRAY, J. N. A. WILKINS

Our new House Master, Mr. H. C. Wheeler, took charge of the House at the commencement of first term. Our previous House Master, Mr. A. Kruse, left the staff to continue his higher university studies at the end of last year. Mr. Wheeler has continued in the House traditions of efficiency and discipline left us by Mr. Kruse.

Ted Sharp was appointed Captain of the School this year. It is the second year in succession that a member of the House has been chosen for this honoured position, Warren Lilleyman being last year's School Captain.

We have not been as successful in sport this year as last, but in first term we came a very close second to Wilson House in the Rowing. Although we filled the last position in the School Sports, there were three very creditable performances by members of the House, Milton Parry being second in the Under 15 100 Yards and 220 Yards, and third in the Long Jump. Parry also came first in his division of the Cross Country, the event being held before the actual sports day. Robert Liddell came first in the Under 16 High Jump. Ken Dray, one of our house prefects, performed very well in the Open division against tough opposition. He came second in the Shot Putt and 100 Yards, and third in the Hurdles and 220 Yards.

More success obtained by the House in other fields. Four of the Principals of Hale School's first operetta, "The Pirates of Penzance", were from Riley. They were R. I. Hartley, M. R. Robertson, P. G. Seale and A. M. Trethowan. We were also well represented in the choruses.

Hartley, Robertson and Trethowan took part in a Senior School Concert held in conjunction with the Junior School Play.

Looking back on the year, I think Riley may feel contented, as it is not to win that matters, but to take part. We have certainly tried in everything.

CAPTAIN: J. G. BARKER

THE SCHOOL SWIMMING SPORTS were held at Crawley Baths on Wednesday the 23rd of February. Although the day was fine, a cold easterly breeze made competitors and spectators keep well covered. Once again the officials must be complimented on the smooth running of the Sports, for obviously many hours of work had gone into the arranging of heats.

Record breakers on the day were:

P. B. SKINNER (B)—100 Metres Under 15 Freestyle
(66.5 secs.).

P. B. SKINNER (B)—50 Metres Under 15 Freestyle
(30 secs.).

B. C. A. STRICKLAND (H)—50 Metres Under 16
Freestyle (29.8 secs.).

T. R. HANTKE (P)—50 Metres Under 14 Freestyle
(31.5 secs.—equal record).

STIRLING HOUSE—Under 15 Relay (2 min. 24.6
secs.).

The final House placings were:

1.	BUNTINE HOUSE	105 pts.
2.	RILEY HOUSE	97 pts.
3.	WILSON HOUSE	67 pts.
4.	STIRLING HOUSE	65 pts.
5.	HAYNES HOUSE	52 pts.
6.	PARRY HOUSE	47 pts.
7.	FAULKNER HOUSE	27 pts.

Age Group Champions were:

UNDER 13—G. K. Jones (B).

UNDER 14—T. R. Hantke (P).

UNDER 15—G. E. Taylor (S).

UNDER 16—B. C. A. Strickland (H).

INTER-SCHOOL SWIMMING

THE 1962 INTER-SCHOOL SWIMMING SPORTS, held on Saturday, March 10, at Guildford's Olympic pool, were preceded by many predictions that Guildford's powerful team would again win, and how true these predictions were. Guildford ran away to an all-too-easy victory by a record 138 points margin.

Although Hale had what was probably a record attendance for an Inter-School Carnival our War Cries were not all they could have been, because of the number of smaller boys who did not join in them.

Hale, as in the past few years, was very close to the 2nd and 3rd places, and we were unlucky not to deprive Aquinas of 3rd place.

Those who won events and must be congratulated are:

W. A. J. Ilbery, G. E. Taylor, T. R. Hantke, M. J. Parry and the record-breaking Under 14 relay team.

The Team must be congratulated on its fine effort and with our new Pool we can look forward to Hale taking up a position as top swimming School within a few years.

To Mr. Altorfer, Mr. Poake and to an Old Boy, Mr. J. M. Olney, go thanks from all the team for their enthusiastic and patient coaching during the season.

RESULTS

1.	GUILDFORD	326 pts.
2.	SCOTCH	188 pts.
3.	AQUINAS	176½ pts.
4.	HALE	163½ pts.
5.	CHRIST CHURCH	155 pts.
6.	WESLEY	111 pts.

CAPTAIN: J. G. BARKER

THIS YEAR, FOR THE FIRST TIME, HALE ENTERED TEAMS IN THE CONNOLLY CUP AND THE MCFARLANE CUP, in addition to the Law Shield. On the day of the Carnival—Saturday, April 7th—the weather was again unfavourable to both swimmers and spectators, and it was to the credit of the Competitors that so many records were broken.

Unfortunately our Under 16 and Under 14 teams made unsuccessful debuts in the McFarlane and Connolly Cups respec-

tively. The McFarlane Cup "A" Team lost Skinner, and Mullaley from the "B" team replaced him, Mullaley's place being taken by Parker. The "A" Team were disqualified and the "B" Team placed 5th. in their respective heats.

The Connolly Cup Teams were both placed 3rd in their heats, and were thus eliminated.

The Law Shield Teams were both eliminated in the heats, the "A" Team filling 3rd place and the "B" Team finishing 4th.

With the entry by the School into the Connolly and McFarlane Cups the standard of Life-Saving should rise, as the number of boys participating will increase, and we can prepare ourselves for the rise of a large Life-Saving following in the School.

To. Mr. Altorfer, who devoted a large part of his time to the coaching and arranging of the Teams, go once again the sincere and grateful thanks of the Teams and the School.

The Teams were:

LAW SHIELD—

"A" Team—J. G. Barker (Captain), P. McK. Clark,
B. C. A. Strickland, J. K. Ross.

"B" Team—D. J. Gray, K. Scott, P. Viska, D. J.
Chipper.

McFARLANE CUP (under 16)—

"A" Team—J. D. Mullaley, M. J. Benson, H. J.
Leys, G. E. Taylor.

"B" Team—W. A. James, E. D. Fethers, R. C.
Parker, A. G. Wedd.

CONNOLLY CUP—

"A" Team—R. J. Ainslie, C. R. Humphry, D. A.
Bedbrook, A. J. Lenton.

"B" Team—E. J. Young, R. Vaughan, G. K. Jones,
D. C. Wormald.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL
PLAYED AT GUILDFORD ON 23rd AND 24th FEBRUARY, 1962.

Peter Bandy, the Hale captain, gave the team an auspicious start by winning the toss and, relying on our strong fast attack, sending Guildford in to bat. However, the two 1961 veterans, Meecham and Duperouzel, were confident and solid at the wicket, and their stand was worth 35. Strong all the way down, Guildford batted overnight for a total of 227—Magnus' 51 being the highest score.

Then came a magnificent reply by Simpson and Bolton, the Hale openers, who brought 65 stylishly made runs to the board. The other nine could not carry on the good work, unfortunately, and by 3 p.m. Hale was all out for 148.

Thus assured of a comfortable first innings victory, Grammar's attitude was anything but grim in their second innings, and there was little class in their 101 runs for 8 wickets before stumps.

Although it was an ill-omened beginning, Hale had a chance to test the seemingly unbalanced bowling side in view of even harder games ahead. Williams, destined to be the work horse of the season, did not disappoint with 3 for 60 and 4 for 24, and a lethal spinner was discovered in young John Bandy, whose 4 for 69 in the first Guildford innings was but an indication of things to come.

HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT HALE SCHOOL ON 2nd AND 3rd MARCH, 1962.

After a rather poor showing the previous week, the Hale bowlers put all they had into the attack against a supposedly strong Wesley team. As a result of accurate and fiery bowling by Williams, supported by Jackson, Wesley were dismissed for 59 shortly after tea. John Williams had the excellent figures of 6 for 19.

Immediately Hale's innings began wickets began to fall to Wesley's Devitt; however, a real Captain's innings by Peter Bandy eventually helped Hale to put together 89 runs and a lead of 30 on the first innings.

In their second innings the visitors put up a better display and compiled 128 runs before they were all dismissed. John Bandy took the bowling honours this time with 6 wickets for 68 runs.

With 99 runs needed to give them 5 Darlot Cup points, the Hale batsmen showed fine concentration and spirit to pass the required score with 4 wickets in hand. Peter Simpson's contribution of 58 was one which deserves praise.

This convincing victory had a marked effect upon the spirit of the team and they looked forward eagerly to their game against Christ Church, a fortnight later.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL PLAYED AT CHRIST CHURCH ON 16th AND 17th MARCH, 1962.

Hale went into bat first and the openers settled in to make 34 before Bolton was bowled for 9. Simpson went soon after for 21, but then Peter Bandy and Richard Haynes came together for a half hour partnership which yielded 25 runs. After Peter Bandy had been dismissed for 12 and Haynes for 13, John Bandy added 11 and was very unlucky to be given out lbw, as he was in fine form. The rest added only seven runs and all were back in the pavilion for a meagre 82.

With 45 minutes before stumps on Friday, Christ Church made a disastrous beginning when two wickets went for nine. Next morning there was real drama—John Bandy at his accurate best claimed six wickets at a cost of two runs! With eight down for 25, the game seemed to be over. Then came one of those cricket miracles when Ryan and Annear defied every attempt to dislodge them. They went on to make a century partnership, dashing all Hale's hopes for victory. Every credit must be given them for their sheer determination and grit. It was a very despondent Hale XI that had the home team all out for 129. John Bandy had taken six for 33, and Williams four for 43.

Coach Mr. L. Bandy instructed the side to try for an outright win by knocking up a quick total; and indeed every effort was made by the top order batsmen, notably Bolton with a hard hit 30, but once again the tail refused to wag and the total came to only 89.

With the game well in hand, the Christ Church openers were unruffled in collecting the 43 needed to win outright.

HALE SCHOOL v. AQUINAS COLLEGE

PLAYED AT HALE SCHOOL ON 23rd and 24th MARCH, 1962.

The Hale XI, knowing of the strength of the unbeaten Aquinas team, were rather dubious as to their chances of victory, but when they were given the first use of an excellent batting wicket they settled down to the task and, with a good innings from Simpson, compiled 93 runs.

With only a short time left before stumps, Aquinas came into bat and John Williams, bowling at his best, soon had the opening batsman on his way. The other opener followed him a few minutes before stumps, leaving Aquinas in the shaky position of 2 wickets down for 12 runs.

The following morning the home side continued to attack, but after the fall of the fourth wicket Rigg and Langer became associated in a long partnership with the former making 94 and Langer 76. The Aquinas team made 260 for 8 wickets before declaring just before tea.

The home team now had the apparently easy task of preventing an outright loss by playing time out till stumps. But the Aquinas fast bowlers had most of the recognised Hale batsmen back in the gallery with an hour to spare. Peter Bandy and Cary Nathan remained to stave off the outright defeat. Eventually these two dickets fell, but the last two batsmen had only to face a few dramatic and tense balls, which they did without disaster.

HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT HALE SCHOOL ON 9th AND 10th MARCH, 1962.

Peter Bandy won the toss and Bolton and Simpson opened on a perfect wicket thanks to groundsman Potter's tireless travail. Bolton soon went for seven, and then the pattern of the game emerged. With Peter Simpson at one end, the failure of the remainder of the recognised batsmen at the other left the onus on the bowling specialists, and they came through admirably. Williams made a cavalier 35 and Jackson, in his loose-wristed fashion, 29. Simpson amassed 74, the highest score of the season, and a fitting finale to his most successful season.

With 166 in their sights and Inverarity and Gale in form, Scotch were confident. But after a period, wickets began to fall as Williams took their measure and Loughran found a length from the other end. When Williams claimed Inverarity's scalp for 48, victory was in sight. Lutz could not be budged, but his partners were not of the same calibre, and the last man was run out in a memorable climax with the score at 162.*

We had won on the first innings by four runs, so the second innings was uninteresting in comparison, with Stawell's 23 the only bright note.

It was a game of tensions and our young team well deserved their win in the final meeting.

ROWING

CAPTAIN: N. M. STAINES

IN THIRD TERM OF LAST YEAR, Rowing was commenced immediately after the School Athletic Sports. Mr. Drake was appointed Master-in-Charge of Rowing, to be joined by Mr. van Hattem in first term this year. Mr. Ross Little took on the job of coaching the First Eight; Mr. David Walker, the Second Eight, while Mr. van Hattem, Mr. Ken Court and Mr. Bill Shaw took charge of the Fours.

A quick start had to be made when School commenced this year as, owing to a lack of P.T. over the holidays, the crews had to gain condition. Added to this, every boy had to be given "the good oil" on the style we were to adopt.

The First Eight went straight into the "Lee Steere", last year's Head-of-the-River shell, and at this stage constant changes were being made in one or two positions. However, the boat still remained a little unbalanced, while the four other crews were shaping well.

The School's Annual Regatta was held in Crawley Bay on Saturday, March 17th in perfect conditions, although towards the latter part of the morning, the water was somewhat "dead".

During the week prior to the Regatta, heats of the House Fours and Championship Pairs were decided. Wilson House won the House Fours from Riley and Faulkner.

In the Championship Pairs final, D. H. Ward (bow), M. E. Bosich (stroke) and T. R. Humphry (cox) won by a length from C. J. Wheatley (bow), A. J. Anderson (stroke) and P. J. Leonhardt.

The highlight of the morning from the School's point of view was the christening of a new four, the "P. D. Forrest", over whose bow Mrs. Forrest shattered a bottle of champagne.

From the point of view of the other schools, the Invitation Races were more important. Guildford won the Second Eight Race, our own crew coming third, while our 4th Crew came second and our 5th Crew came fifth.

Once again, the Mothers of the rowers provided an excellent morning tea and thus rounded off a successful morning.

During the following week, the First Eight was finally settled and began preparations for the Head-of-the-River Race in earnest.

ROWING, 1962

BACK ROW (l. to r.)—R. J. Stewart (3), T. H. Sharp (2), P. J. Leonhardt (Cox), G. L. Thompson (Bow), W. J. Garland(4).
 FRONT ROW—H. A. Cowan (5), N. M. Staines (Stroke), Mr. L. Drake, Mr. R. A. Little, J. S. Readhead (7), J. N. A. Wilkins (6).

The Saturday following our own Regatta, the First Eight and Third and Fifth crews competed at the Wesley Regatta. Places gained by our crews were 5th, 5th, and 3rd respectively. Wesley rowed well to win the main event in rough conditions. All crews competed except those from Scotch. Our thanks go to Wesley for their invitation.

The crews now had three weeks in which to prepare themselves for the "big day". Unfortunately, a week before the race, rough conditions caused a period of three days out of the boat, a timely respite for our "Two" man, however, as he had a throat irritation and was told to rest.

During the training period, Mr. Gra Rosser, who needs no introduction, showed us some films of previous Hale and State crews in training and pointed out the necessity for a firm catch and harder finish.

On the night of the Wesley Regatta, members of the First Eight spent an enjoyable evening viewing Rowing films at Mr. and Mrs. Little's. Mr. and Mrs. Drake and Mr. and Mrs. van Hattem were also there. Our thanks to Mr. and Mrs. Little.

Our thanks go also to Mr. Drake, who took on the job of Rowing Master and stuck at it, although he suffered many personal discomforts. He became, and we hope will continue to be, a real identity around the sheds. After all, what would the Boarders have done without Mr. Drake telling them every five minutes that the bus was leaving in exactly one minute?

Mr. van Hattem had the difficulty of being new to the staff and thus had to overcome many unfamiliarities as well as help around the sheds and coach a crew! Our sincere thanks to him.

Thanks to the other coaches, too, and a special word of congratulations to Bill Shaw and his crew for winning the inaugural Fifth Fours event.

And last but not least, our senior coach, Mr. Little. He won the affection of all the boys at the sheds and towards the end of the season his mere presence alongside the Eight was an inspiration to them. Thanks, Mr. Little, and we hope you continue the job for many years to come.

The crews were:

First Eight: N. M. Staines (str.), J. S. Readhead (7), J. N. A. Wilkins (6), H. A. Cowan (5), W. J. Garland (4), R. J. Stewart (3), T. H. Sharp (2), G. L. Thompson (bow), P. J. Leonhardt (cox).
 Second Eight: P. Mallabone (str.), R. A. Berg (7), A. J. Anderson (6), C. R. Wiese (5), M. E. Bosich (4), C. J. Wheatley (3), M. C. Bennett (2), D. H. Ward (bow), T. R. Humphry (cox).
 Third IV: K. S. Minson (str.), R. H. Lockyer (3), T. A. D. Phelan (2), D. R. Stow (bow), C. W. Johnson (cox).
 Fourth IV: W. M. McCurry (str.), R. I. Sewell (3), B. W. Barrows (2), A. J. Scott (bow), R. A. Stuart (cox).
 Fifth IV: D. J. Stickland (str.), D. C. Allan (3), R. C. Darling (2), M. T. Hall (bow), P. A. Stone (cox).

THE CYGNET

THE ROWERS' DANCE

The Rowers' Dance, held on the night of the Boat Race, was again a tremendous success.

The crews, senior boys and Old Boys danced to the music of the Westport Jazz Group, and those present were observed to be displaying their various degrees of fitness by continued Twisting, this being no mean feat under the very warm conditions.

We were pleased to welcome the Guildford First Eight to the Dance, as they had none of their own. After the stroke of the Hale First Eight, Neil Staines, had thanked the coaches and Mr. Drake for the time and enthusiasm they had put into the training of the crews, Graham White, the Guildford stroke, thanked the Hale crew for inviting them to the dance.

The supper, provided by the Mothers, was again magnificent, and we wish to offer sincere thanks to all those who helped to make the Dance the success that it was.

HEAD OF THE RIVER

On the morning of the Head of the River, Saturday, April 14th, the weather was very much against us, for with our light crew we needed following water. Instead we were opposed by an ebb tide and a strong North-wester—conditions which suited the heavy Guildford, Wesley and Christ Church crews.

The start was a very even one, all crews getting away together and it was not until some hundred yards had been covered that the Guildford crew began to use their weight and take the lead, with the other crews more or less together. By the quarter mile peg the field was becoming more spread out, with Guildford increasing their lead with every stroke. We were beginning to lag behind the leaders and as the race proceeded we dropped further back as we did not take the rating up high enough in the middle of the race. At the Brewery, Guildford, using their weight and rowing magnificently, had the race won, and were followed by Aquinas, Christ Church, Scotch and Wesley, with Hale bringing up the rear. In our final sprint we made an impression on Wesley somewhat but could not pass them.

We must congratulate Guildford on their win, and say that, although Hale finished last, we were "second to the favourites".

HALE SCHOOL ROWING SONG

Light blue blades are flashing,
Hale is on the Swan,
Forward, ready, paddle,
Then the race is on;
Bodies swinging smoothly,
Muscles taut and strong,
Every sinew straining,
Hale crew forges on.

Light blue blades are flashing,
Hale is on the Swan,
Hands away together,
Stroke and crew as one;
Coxswain urge them forward,
Keep the clearance long,
Every sinew straining,
Hale crew forges on.

Light blue blades are flashing,
Hale is on the Swan,
Catches taken cleanly,
And the drive is strong;
Legs and arms in rhythm
Lift the boat along,
Every sinew straining,
Hale crew forges on.

Light blue blades are flashing,
Hale is on the Swan,
Never one to falter,
Always rowing on;
Give another dozen,
Hear the watching throng
Cheering Hale forever,
Till the race is won.

Football

CAPTAIN: J. B. STAWELL

VICE-CAPTAIN: B. J. JACKSON

SCOTCH AGAIN HAD A STRONG TEAM and they started favourites for the Alcock Cup. Mr. Mill was coaching the Hale team, which seemed weak on paper. It was hoped that the side could develop teamwork—an important feature lacking in previous teams, to offset the lack of “star” footballers. We fielded a surprisingly young team, the returning members of which should help develop a strong combination next year.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Hale School, Saturday, 2nd June, 1962

The opening match of the Alcock Cup series was played in wet, windy conditions.

Inverarity, the Scotch captain, won the toss and kicked with the aid of a strong breeze. The powerful Scotch side were quickly into attack and scoring goals relentlessly. Their rucks and rovers dominated the game and Hale had no answer. Our back line was continually under pressure and Scotch scored eight goals for the quarter.

First Quarter: Scotch, 8.7; Hale, 0.2.

Although Hale was kicking with the breeze in this term, P. Bandy scored our only goal; while Scotch added another three to have a convincing lead at half time.

Second Quarter: Scotch, 11.11; Hale, 1.3.

The third quarter was a repetition of the first with Scotch once again taking complete control and scoring at will. On the few occasions the ball went past our centre line, the Scotch half-backs returned it.

Third Quarter: Scotch, 17.16; Hale, 1.3.

Scotch turned on a fast, vigorous brand of football in the last quarter and kicked twelve goals. Hale had been unable to score since half time in a most disappointing performance.

Final Scores: Scotch, 29.22; Hale, 1.3.

Goal Scorer: P. Bandy.

Best Players: Jackson, Flood, Reader.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Guildford Grammar School, Saturday, 9th June, 1962

Hale, approaching the game with full confidence despite the previous week's resounding defeat, got away to an early lead with fast combination play. The forwards, making up for their diffidence against Scotch, were far too clever and fast for their opposition. Viska, in the pocket, and J. Bandy on the ball showed their true worth. Peter Viska's reliable marking and true kicking helped him to score three goals. On the whole our kicking wasn't accurate, but we led by four goals by quarter time.

First Quarter: Hale, 5.6; Guildford, 1.4.

The second quarter was unfortunately taken as a rest period and from the start our backs had to fight hard to prevent goals. Guildford made poor use of the scoring end by kicking six behinds, while Hale added one goal four behinds. The followers, led by P. Bandy, showed out and Jackson at centre-half-back was at his stable best.

Second Quarter: Hale, 6.10; Guildford, 1.10.

After half-time, Hale, kicking downhill again, held the play well. Our first quarter form was apparent once more, and the forwards took most of the play.

Strickland, moved from full-forward to the ruck, proved his qualifications by goaling twice and covering his opposite number well. Whenever the play moved to the Guildford end the strong full-back-line, Flood, Wilkins and Allen, drove the ball back with clearing punts.

Third Quarter: Hale, 9.12; Guildford, 1.11.

Going into the last quarter well in front, Hale slackened perceptibly and played indifferent football. Too many marks went uncontested and the team seemed heavy-footed, with the exception of centreman Bolton, who shone, and pivoted the play excellently. However, the game had been won in the third quarter, and though Guildford had more scoring shots than Hale in the final quarter, we won easily.

Final Scores: Hale, 10.15; Guildford, 4.11.

Goal Scorers: Viska, 5; Strickland, 2; J. Bandy, P. Bandy, Wall, 1.

Best Players: Jackson, Wilkins, Bolton, Stawell, J. Bandy.

HALE SCHOOL v. WESLEY COLLEGE

Played at Hale School, Saturday, 16th June, 1962

Hale won the toss and kicking against a slight breeze, scored the first goal from Skinner. Wesley quickly replied. Stawell brought up Hale's second goal from well out. The ball see-sawed between the half-back line for the remainder of the quarter, with both sides finding it hard to break through.

First Quarter: Hale, 3.1; Wesley, 2.2.

Hale played their best football for the season in this quarter. With Bolton taking control in the centre and our rucks coming into the game, we turned on a good brand of football, opening up a handy lead at the half-time interval.

Second Quarter: Hale, 8.5; Wesley, 5.5.

In the third quarter Wesley opened the game up and using their speed and intelligent hand ball, they scored four goals while Hale could manage only four points. The Wesley wingmen provided many opportunities for their forwards in this quarter.

Third Quarter: Hale, 8.7; Wesley, 9.5.

The football in the final quarter was of a high standard. Wesley scored a quick goal and seemed to have the match won. However, with Bolton again starring at the centre, Hale fought back determinedly. Goals from Wall and Stawell put Hale in front and then Bolton put the result beyond doubt when he kicked two quick goals. Wesley added another goal just before the siren.

Final Scores: Hale, 13.8; Wesley, 11.8.

FOOTBALL, 1962

BACK ROW (l. to r.)—P. McK. Clark, J. G. Barker, P. R. Flood, A. L. Wall, B. C. A. Strickland, P. Eakins, P. B. Skinner, J. F. Bandy.
 MIDDLE ROW—W. N. Potter (Property Man), G. A. Trinder, P. Viska, M. E. Bosich, J. W. Bolton, P. R. Simpson, P. B. Reader, A. J. Anderson.
 FRONT ROW—G. K. Loughran, R. S. Wilson, J. B. Stawell (Capt.), Mr. M. W. Mill (Coach), B. J. Jackson (Vice-Capt.), J. N. A. Wilkins, N. M. Staines.
 INSET—P. L. Bandy. (Absent)—D. C. Allan, C. R. Wiese.

Goal Scorers: Skinner, 4; Bolton, Stawell, 2; Viska, J. Bandy, P. Bandy, Eakins, Wall, 1.

Best Players: Bolton, Jackson, Stawell, Wilkins, P. Bandy, Strickland.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Christ Church Grammar School, Saturday, 23rd June, 1962

Hale went into the Christ Church game equal in second place with Aquinas on games won. The game started with Hale scoring from a free minutes after the bounce. Although the scores were not high for the first quarter, Hale worked well and there was much constructive football, especially on the half-forward line, which had previously been the weak link. The Christ Church half-forwards were also at their best and when they had the ball, disposed of it well, but our full-backs were rock-like and impassible.

First Quarter: Hale, 3.1; Christ Church, 0.1.

Christ Church fought back gamely in the second quarter and had their kicking been blessed with accuracy they would have taken the lead. Hale had descended to their adversaries' style of scrumbly play on the small ground, and by half-time Christ Church looked almost likely to record their first win over Hale School, even though they were eight points away.

Second Quarter: Hale, 5.2; Christ Church, 3.4.

The pendulum swung back after the break and the revitalised Hale boys surged forward with more courageous, if not clever football. The backs gave sterling service and time and again Allen and Wilkins cleared the ball and sent Hale forward. The wings saw a lot of the play but were not as determined to get the ball and get rid of it, it seemed, as the backs. Christ Church's excessive use of handball did not deter our men, notably Peter Bandy in the ruck, and Hale held an advantageous 27-point lead when the quarter finished.

Third Quarter: Hale, 8.3; Christ Church, 3.6.

There had been some incidents in the third quarter that had the spectators on their toes, but in the final quarter Christ Church settled down to steady football.

Christ Church's captain Phillips was the man behind their last-ditch stand and by tenacity they came within two kicks of Hale halfway through the quarter. Julian Stawell and the other

rovers answered by opening up the game—but it was still our backs who held Hale together.

A goal near the end from Viska sealed a poor standard game in Hale's favour and they moved to second position on the ladder, behind Scotch.

Final Scores: Hale, 9.4; Christ Church, 6.8.

Goal Scorers: P. Bandy, 4; Stawell, Bolton, Viska, Wall, Loughran, 1.

Best Players: P. Bandy, Jackson, Allen, Stawell, Negus.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Hale School, Saturday, 30th June, 1962

Hale had first use of a slight breeze. The team began well but goal-front inaccuracy cost us a chance to open up a good lead. Bandy was winning in the ruck and Stawell was roving in brilliant form. However, we could only manage five points.

First Quarter: Aquinas, 1.1; Hale, 0.5.

Aquinas, using an open type of football, attacked frequently with the breeze and established a match-winning lead. Wilson and Allen defended grandly but the Aquinas ruck had taken control and their centre line was playing well.

Second Quarter: Aquinas, 4.7; Hale, 1.6.

Using more system than in the first quarter, Hale scored quick goals from P. Bandy and Wall. However, Aquinas fought back tenaciously and went to "lemons" with a handy lead.

Third Quarter: Aquinas, 6.13; Hale, 3.10.

Hale attacked continuously against a strengthening breeze and played their best football for the match in this quarter. Stawell, who had gone into the centre, continually put his side into their attacking zone but once again we could not break through to score goals. Aquinas only passed our half-back line a few times but scored two goals and won comfortably.

Final Scores: Aquinas, 8.16; Hale, 3.10.

Goal Scorers: Skinner, P. Bandy, Wall, 1.

Best Players: Stawell, P. Bandy, Wilson, Reader, Allen, Jackson.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Scotch College, Saturday, 14th July, 1962

Right from the start Hale turned on their best football for the season and startled the strong Scotch side. The difference was in the ruck, where Strickland and Wall more than held Haselhurst. If the rovers had been a match for their Scotch counterparts, Hale would have been well in command by change-over. There was no lack of courage and determination and the open ground seemed to suit the Hale players. But Simpson's goal was Hale's only score.

First Quarter: Scotch, 2.4; Hale, 1.0.

With the slight breeze and perfect conditions, Scotch made the second quarter a football lesson to be remembered. In the key positions Scotch were fully dominant, especially in the full-forward position, where Brown was unbeatable, though Wilkins hardly gave him an inch. They were stronger and more resourceful than Hale and used every opportunity given to relay the ball forward. At the quarter's end Hale was twelve goals in arrears.

Second Quarter: Scotch, 11.12; Hale, 1.0.

With the breeze again Hale made a determined effort and with Simpson and P. Bandy goaling, the honours for the quarter were even. Clark, in the centre, gave a magnificent display and was one of the few really in command in his position. Wilson was determined on the back-flank but was slightly overshadowed by his faster opponent. It was mainly the strength of the Scotch back-line that prevented a break-through by Hale.

Third Quarter: Scotch, 12.18; Hale, 3.0.

The last quarter was disappointing. Gale, Scotch's ace wingman, ran havoc, and Jackson found Inverarity extremely elusive. Bandy went to full-back, but nothing could halt the onslaught and the result was inevitable. Scotch closed in and the ball hardly neared the Hale forward zone again. However, it was no disgrace to go down to such a remarkable schoolboy side, especially after having made a game of it for at least two quarters.

Final Scores: Scotch, 18.24; Hale, 3.0.

Goal Scorers: Simpson, 2; Bandy, 1.

Best Players: Strickland, Wilson, Reader, Clark, Wilkins.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Hale School, Saturday, 21st July, 1962

Having won the toss, Hale used the strong wind to good advantage and added five goals in quick succession. Reader kicked one of these when he vigorously barged his way through the Guildford defence. Inaccuracy in front of goals for the rest of the quarter prevented Hale from establishing a match winning lead.

First Quarter: Hale, 5.7; Guildford, 0.0.

Guildford played brilliant football in this quarter, adding seven goals, while Hale could only score one from Stawell. Guildford's tall ruckmen used their height and strength to make holes in our defence. Wilson and Negus played well in the back line, which was continually under pressure.

Second Quarter: Hale, 6.7; Guildford, 7.4.

A complete lack of systematic football meant that Hale could muster only three goals, using the strong wing. Guildford forced the ball over to the "dead" flank. P. Bandy scored one goal.

Third Quarter: Hale, 9.10; Guildford, 7.4.

Guildford scored an early goal and it appeared that they would win easily. A dramatic change came over our players now and they fought like tigers to maintain our slender lead. Reader set the pattern for the side with his fearless play and Wilson continued to defend well.

Final Scores: Hale, 10.12; Guildford, 9.6.

Goal Scorers: Simpson, Bosich, 2; J. Bandy, P. Bandy, Reader, Wall, Strickland, Stawell, 1.

Best Players: Reader, Wilson, J. Bandy, Negus, Simpson, Bolton.

HALE SCHOOL v. WESLEY COLLEGE*Played at Wesley College, Saturday, 28th July, 1962*

On their home ground, Wesley were set to avenge the upset of the first round and it was obvious that Hale would have to work very hard to repeat their earlier victory. Hale drew first blood when Anderson goaled, but Wesley's faster, looser game began to tell almost immediately on the big ground. Although

better kicking might have changed Hale's position somewhat, by the end of the first quarter Wesley had established command.

First Quarter: Wesley, 5.1; Hale, 1.5.

The second quarter was hard fought and Hale's rucks were definitely on top. Once again the roving combination failed to make the most of this, and it was the back men who had most of the play. Flood was consistent on his flank and repulsed many of Wesley's moves, though our back men never really put Hale into attack. However, the position was not irretrievable at the half-time bell.

Second Quarter: Wesley, 7.6; Hale, 1.9.

Hale appeared to be lacking both in spirit and physical fortitude in this third term, and Wesley were quick to sense this. Hale still had the fastest man on the ground in captain Stawell, but the failure of the forward line to combine, tended to nullify much of his good work. There was still plenty of fight in the backs, who did well to keep Wesley from going wild. Stawell kicked two goals for the quarter.

Third Quarter: Wesley, 13.12; Hale, 3.11.

Individual performances were the only indications of a fight back from Hale. Wall carried the ruck courageously, and Negus and Wilson fought determinedly in their respective positions, but in vain. Kicking had been bad all day for both sides, but Wesley's greater number of scoring shots gave them a big lead on Hale.

The hot conditions depleted the strength of the Hale team, and there were many weary and dispirited players at the final bell.

Final Scores: Wesley, 16.23; Hale, 3.15.

Goal Scorers: Stawell, 2; Anderson, 1.

Best Players: Flood, Wilson, Stawell, Negus, Wall.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Hale School, Saturday, 4th August, 1962

This match was played under atrocious conditions. Hale attacked repeatedly in the first quarter but could manage only three goals. We made the elementary mistake of attacking down the "dead" flank. Wall gave the rovers many opportunities with

his clever ruck play and Jackson played brilliantly at centre-half back.

First Quarter: Christ Church, 1.2; Hale, 3.1.

The second quarter was very even, both sides finding difficulty in scoring goals. Defenders Jackson, Wilkins, Flood and Wilson played vigorously and repulsed many Christ Church attacks. Hale scored two goals and went to the interval with a handy lead.

Second Quarter: Christ Church, 3.4; Hale, 5.4.

Hale showed no systematic football in this quarter and once again played along the wrong flank. The Christ Church ruckmen took control and their rovers came well into the game. Only good play from our backmen prevented Christ Church from taking the lead.

Third Quarter: Christ Church, 4.5; Hale, 5.4.

Christ Church won the game through sheer determination to get the ball. Hale played poorly after half-time, as the scores showed, and did not deserve to win. Our forward line was given plenty of opportunities but could not capitalise on them.

Final Scores: Christ Church, 5.7; Hale, 5.4.

Goal Scorers: Loughran, Wall, Strickland, P. Bandy, Eakins.

Best Players: Jackson, Wilkins, Simpson.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Aquinas College, Saturday, 11th August, 1962

The last game of the season was played away, and after a narrow defeat the week before. Hale were anxious to finish in better style. Indeed, the beginning was extremely propitious. Hale seemed to be completely in charge, playing the kind of football they had only been privileged to watch previously. Jackson had Rigg well under lock and key in his position, and the rucks and rovers were enjoying free and open play for once. Peter Bandy goaled twice, and Aquinas were lucky to be in front at the close of the quarter.

First Quarter: Aquinas, 3.2; Hale, 2.0.

Just as the scores were not a true indication of the trend of the play in the first term, neither were they in the second. Allen was superb in the back pocket and the back men repeatedly put

Hale into attack. It was a case of wasted opportunities, unfortunately, for the side was combining well, yet still seemed unable to score. Hale's tally was boosted by only one behind in this quarter. But if Hale was losing ground, it was almost imperceptible on the field, as Aquinas had only two scoring shots to our one.

Second Quarter: Aquinas, 5.2; Hale, 2.1.

The third quarter was still fairly open, but whereas, until now, all the eighteen had pitched in, it was now left to the few players who had been consistent all the season—Stawell, Wilson, P. Bandy and Jackson. Though they struggled doggedly to keep within striking distance, the Hale players were losing ground slowly. P. Bandy's two further goals kept hopes alive, however.

Third Quarter: Aquinas, 8.7; Hale, 4.2.

The last 25 minutes of the year's football failed to produce any sort of determined fight by the team, although the younger players, the nucleus of the 1963 side, put in a creditable show. Among them were Simpson, J. Bandy, Reader and Strickland.

As the game drew to a close, Aquinas took control and had the game gone on further they would have erased any remaining doubts as to their supremacy over Hale. Hale's side was beaten, but not disgraced, by a team no more than their equals, but on the day a far better combination.

Final Scores: Aquinas, 8.16; Hale, 4.3.

Goal Scorer: P. Bandy, 4.

Best Players: P. Bandy, Jackson, Stawell, Allen, Wilson, Simpson.

HOCKEY

The long awaited year had finally arrived. Hale School Hockey boys now had their own grounds to play and train on. These hopeful thoughts, however, were soon modified when the boys first strolled down to look over the grounds. The first match brought the expected results . . . the heavy rain together with vigorous play on the soft unsettled pitch accounted for many potholes. Next year, however, these fields should be in first class condition and we hope the boys can use their own fields to advantage.

Butler's Reserve once more had to serve the purpose of training fields, and running down and back proved useful training.

Results this year follow last year's and the year before and so on but with one major exception. This year we were scoring goals . . . out of the ten matches played only three went by without Hale's scoring.

Congratulations must go to the first and second year teams, who won over five matches between them and drew many more. These wins show the marked improvement and interest in Hockey, which is steadily growing each year.

Thanks are due to the Teaching Staff and Old Boys for their interest and support throughout the season and for their willing sacrifice of time and effort to coach the boys; and to the ground staff for their sterling efforts to knock the grounds into worthwhile shape for play.

The men in charge of the teams were: Mr. Aitken, 1st XI; Mr. Poake, 2nd XI; Mr. Braga, 3rd and 4th XI; Mr. Farthing and Mr. Prosser, 2nd Year "A"; Mr. Bennett, 2nd Year "B" and "C"; Mr. Haskett, Mr. Veth, Mr. Graham Davies, 1st Year "A" and "B".

Thanks go also to Mr. Sherwood for his continued support and also for constructing a set of goals that reflect much credit for their solid construction, which should allow them to last

many years (a thing that hockey goals have failed to do in the past).

This year's "firsts" was an extremely young team, as is shown in that 9 out of 13 who played in the firsts this year will be back to play next year. This we feel should lay the firm foundation of a winning team. Hence with early training and plenty of determination we should command a higher position in Public School Hockey next year.

The following are the results of official matches:

FIRST XI

Scotch, 9 defeated Hale, 1.

Best Players: Drewe, Montgomery, Gray.

Guildford, 3 defeated Hale, 2.

Best Players: Montgomery, Gray, Priestley.

Wesley, 14 defeated Hale, 1.

Best Players: Rosendorff, Drewe, Sherwood.

Christ Church, 5 defeated Hale, 1.

In addition, training matches were played against Modern School and Hotspurs.

Finally, this year the losses have been checked and a retaliation movement begun. Let us keep this movement going and show the footballers how to win!

Rugby

ALL P.S.A. SCHOOLS FIELDED TWO RUGBY TEAMS this year and the competition in both divisions was certainly keen. The general standard of play was considerably higher than last year and all games were played with a fine spirit.

After a few weeks the 1st XV became a most stable team. Rugby has a reputation amongst the unenlightened as a brutal form of all-in wrestling, but only one boy missed one match because of injury in the 1st XV this year. It would seem that Rugby is the safest winter sport.

D. Daniels was the Captain of Rugby. An experienced, aggressive player, he provided an inspiring example to the team.

R. Stewart developed into a fine full-back. His ball-handling was almost faultless and his kicking was very good. His speed and hard tackling made him a tower of strength in attack and defence.

K. Minson, a young and speedy winger, was the team's most prolific try-scorer.

R. Haynes scored many tries by spectacular interceptions, but was most valued for his solid defence and intelligent kicking under pressure.

D. Barker came to be the First's regular out-centre. Cool headed and possessing a tricky swerve, he always played well.

A. Le Page, after a rather shaky start, settled down to play an exemplary game as five-eight, feeding his back line with accurate passes and making well-timed dashes on his own.

D. Ward is now one of the best schoolboy scrum-halves in this State.

D. Haynes was perhaps the team's best forward, tireless and intelligent. R. Berg and D. Stickland, the old firm, played with their usual efficiency in the second row of the scrum, and will be powerful forwards next year.

N. Davis as hooker and P. Pearson in the front row were both honest, reliable forwards who thoroughly deserved their places in the side.

R. Thomson, although young and a novice in the game, forced his way into the side by his enthusiastic, vigorous play. He is a player of great potential.

R. Lockyer began the season in the First's pack, but lacked the pace of the other forwards.

P. Blacker, although new to the game, immediately won his way into the 1st XV because of his speed and ball-handling ability.

A. C. Manners played every game with the 1st XV, and was always keen and courageous.

Hale's 1st XV was again the smallest team in the competition, but by pace and aggressive team-work, defeated every school except Christ Church and Scotch, and went very close to beating them.

The 2nd XV featured some outstanding players. They were all very young and new to the game, but they produced some sparkling Rugby. H. Plaistowe, I. Ledingham, J. Scott, W. McCurry and D. McDaniel were outstanding; but others such as M. Hall, R. Darling, L. Webster, R. McDaniel, D. Chequer and C. Prince must be mentioned for their unselfish contribution to the team.

No boys could have been more enthusiastic than the Rugby Squad. They worked hard and improved markedly and learnt not only to play the game, but to be manly, unselfish and thoroughly sporting.

RESULTS OF MATCHES

ATHLETICS

School Sports

THE SCHOOL SPORTS for 1962 were held on the main School Oval on Saturday, 8th September. It was the first time that the sports had been held on the cinders track at Wembley Downs.

To celebrate the occasion the athletes were presented with a firm, fast track, a warm fine day, a moderately large crowd and a mild-to-strong head wind. Despite this head wind, twelve new records were set. D. C. Allan equalled the Open Shot Putt record of 39 ft. 8 in.; P. Viska broke the Under 17 880 Yards in 2 min. 9.6 secs.; D. Barton broke the Under 17 Mile record with a time of 4 min. 59.5 secs.; W. Drewe claimed two records, the Under 16 Mile and 880 Yards with the times of 5 min. 7 secs. and 2 min. 7.5 secs. respectively; K. Minson set a new time of 55.5 secs. for the Under 16 440 Yards. Hantke was the only Under 15 record breaker, putting 37 ft. 8½ in. In the Under 13 competition P. Evans broke the 75 Yards record with the time of 9.6 secs. and O'Halloran set a height of 4 ft. 4 in. in the Under 13 High Jump.

During the eliminations on the Wednesday preceding the sports Julian Stawell broke the Open 100 Yards record with a time of 10.1 secs.; B. Strickland broke the Under 17 120 Yards Hurdles record in 16.4 secs.; Paul Skinner was another record-breaker, putting the Under 16 Shot 41 ft. 8½ in.; I. Collins set a new Under 14 75 Yards Hurdles record of 11.3 secs.

After some controversy, caused by the judges forgetting to add the results of the Cross Country Championships to the final points of the Sports, the following were the champions and "runners-up" of their respective age groups:

MEETING v. TRINITY COLLEGE

On Saturday, 22nd September, the Hale School Athletic Training Squad held a meeting against C.B.C. Trinity College on the Hale School cinder track. The weather was fine, with a mild wind aiding sprint and hurdle events. The outstanding performances in this meeting were:—

OPEN:

D. C. ALLAN

Shot Put—41 ft. 2½ in. (Record).

J. STAWELL

100 Yards—10.1 secs. (Equal Record).
 220 Yards—22.4 secs. (Record).

UNDER 17:

M. BOSICH	220 Yards—23.9 secs.
	440 Yards—53 secs. (Equal Record).
B. STRICKLAND	120 Yards Hurdles—16 secs. (Record).

UNDER 16:

K. MINSON	220 Yards—24.3 secs.
	100 Yards Hurdles—14 secs. (Record).
J. VISKA	100 Yards—11.4 secs.

On Friday, 6th October, Hale held a meeting against Scotch at the Scotch Oval. It was a cold, windy day which had been preceded by heavy rain. Because of these conditions very few records were broken and most of those which were broken were wind assisted.

D. C. Allan set a new record of 41 ft. 4 $\frac{1}{4}$ in. in the Shot Put, breaking his own record set earlier in the season. Bruce Strickland did a jump of 20ft. $\frac{1}{2}$ in. to set a new Long Jump record.

Interschool Sports

SATURDAY, 13th OCTOBER, 1962.

The Interschool Athletic Sports were again held at the W.A.C.A. grounds. It was a warm, cloudless day, with no breeze in the afternoon. It was not the weather on the day, but the weather of the preceding week which made the grass track slow, thus allowing only one track record and two field event records on the day.

Outstanding performances from the Hale team were given by Stawell in winning the Open 220 Yards and coming second in the 100 Yards. Alas, after the 100 Yards Julian had a recurrence of the leg injury from which he had suffered at a previous meeting, and he had no choice but to withdraw from the Open Hundred and Open Relay. But despite this set back the Open division fought on. Bill Drewe won the Under 17 Second Division Mile in a time faster than that of the First Division. The fact that Bill was running in an age group higher than his own makes this win even more outstanding. The Under 14 division as a whole put on a grand performance by winning four of the five events in both divisions. The stars of this division were J. Viska, who won the First Division of the Hundred and 220 Yards, and I. Collins, who won the Second Division 100 and 220 and the Second Division 75 Yards Hurdles. Other good performances were given by Williams, Barton, Strickland, Minson and Hantke.

There was a marked improvement in the hurdles and middle distance events, and due credit must go to Mr. Bambach, Mr. McMillan and Mr. Aitken, the coaches of these events.

The final points on the day were:

	Pts.
SCOTCH	496
AQUINAS	415
WESLEY	376½
HALE	336
CHRIST CHURCH	305
GUILDFORD	252½

As indicated by the points, the competition was very close throughout the day, Scotch going ahead only towards the end to become the winners. Our congratulations must go to Scotch for their performances and sportsmanship.

Thus the season ended.

Congratulations should go to Mr. Haydock, chief coach, for the 1962 season, for the excellent way in which he supervised the "squad" and trained the sprinters to give the best performances of which they were capable of giving. Other coaches of the season were: Mr. Shields, who coached the shot put; Mr. Bambach, hurdles; Mr. Longley, high jump; Mr. Poake, broad jump; Mr. McMillan and Mr. Aitken, middle distance.

RESULTS

The winning school, place gained by Hale and winning time, height or distance only are given.

Cross-Country Results

The cross-country championships were held on the Hale School Wembley Downs cross-country course, at the end of second term. The results were:

Open—J. STAWELL.

Under 17—D. BARTON.

Under 16—W. DREWE.

Under 15—M. PARRY.

Under 14—I. COLLINS.

These points were added to the points obtained on the School Sports Day in deciding the age champions.

The 1962 Tennis season opened with the Slazenger Cup for the open division and the Herbert Edwards Cup for the Under 15.

Only two entries were received in the Slazenger Cup, these being Hale and Wesley. The Hale side, which consisted of A. Wall, J. Stawell, P. Vaughan and P. Sewell, was easily defeated by a very strong Wesley side led by Linton Cup player, Henry Ladyman.

The Under 15 team had mixed luck. The number 2 team was beaten early in the tournament, whereas the number one team was beaten only in the final by C.B.C., Fremantle.

The school Tennis tournament began in third term and a surprisingly large entry was received. The tournament was still in the final stages when "The Cygnet" went to press.

Inter-House Tennis was re-introduced this year after a lapse of two years. It was divided into three divisions: Open, Under 16 and Under 14. Although the tournaments have not yet been completed, Buntine House seems to have a firm grip on the competition.

Interschool Tennis was conducted as usual during the latter part of Third Term. Hale's Open team have lost their first two matches. The first match was lost to Guildford, 4 rubbers to 2, and the second was lost to Wesley, 5 rubbers to 1.

Although the Open team has started off disappointingly the Under 15 team has yet to be beaten and looks like going through the season undefeated.

Tennis will play a more important part in the School next year when, for the first time in many years, it will be an official P.S.A. sport. The School's Open team is anxiously awaiting the season and hoping to win in the first year of the revived competition, the newly presented W. R. Corr Cup, the donor of

which is a recently-retired Master of the School, a personal friend of many masters and boys of the school, and a man long associated with Schoolboy Tennis.

Once again the School is indebted to Mr. Mill for all his work for tennis in the school this year.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Guildford Grammar School, Saturday, 20th October, 1962

Hodsdon and Hunt won 6-0, 5-6, 6-0; Vaughan and Tarik won 6-4, 6-4.

Hale won 6 rubbers 12 sets 77 games to 1 set 34 games.

As we go to Press comes news that Alan Wall will represent West Australia in the Linton Cup to be played at Adelaide in January.

DURING THE CHRISTMAS HOLIDAYS the annual Under Officers' and senior N.C.O.s' training courses were held at Northam. There was also a course for cadets training in the 3in. Mortar, Vickers M.M.G. and Intelligence Sections. The following promotions resulted from these camps:

To Under Officers:

Sgt. Barker, Sgt. Readhead, Cpl. Staines, Cpl. Williams. Under Officer Garland maintained his rank from the previous year and became Senior Under Officer for 1962.

To W.O. II:

Cpl. Gray.

To Sergeants:

L/Cpl. Freedman, L/Cpl. Viska, Cdt. Plaistowe and Cdt. Ilbery. Also Cdt. Sewell to Mortar Sgt.; Cdt. Weise to M.M.G. Sgt. and Cdt. Dyer to Int. Sgt.

To Corporals:

L/Cpl. Daniels, L/Cpl. Wills, Cdt. Fowler, Cdt. Stickland.

Other Promotions:

L/Cpl. Bolton to Orderly Sgt.

Cdt. Phelan to L/Cpl. (Company Clerk).

S/Sgt. Stow was again put in charge of the "Q" Store.

This year Lieut. Wheeler and Lieut. Macmillan joined the Unit to assist Capt. Drake, who duly retired to the position of Administration Officer.

The opening of the cadet year saw a large number of recruits and with the return of a large number of cadets from the previous year, the Unit maintained its strength. At the courses of instruction held during the holidays credit results were gained by Cdt. Sewell, who topped the 3in. Mortar Course and Cdt. Ilbery, who did particularly well in the N.C.O. wing.

The Unit's strength this year was 148, a record number, consisting of 5 Officers, 25 N.C.O.s and 118 Cadets. The Company consisted of 4 Platoons and 1 Specialist Platoon. Training was commenced straight away and the "Rookies" soon grasped the fundamentals of Cadet Training.

As the term passed the Unit was lacking in experienced N.C.O.s, so a special cadre was trained and the following promotions resulted: Cdts. Flood, Irvine, Milne, Randell, Riley, Rosendorff, Sewell and Wardle to L/Cpls.; and L/Cpl. Daniels to Cpl; also Cdts. Eakins, Gwynne, Reader, Scott and Trinder to L/Cpls.; and L/Cpls. Sewell, Milne and Riley were promoted to Cpl. towards the end of camp. These were to assist the officers and N.C.O.s of the already large platoons.

CAMP

This year the whole company fired at the range, the "rookies" on the "mini." However, to the disappointment of the 2nd years, there was no firing of the Bren due to obsolescence. The bivouac was the most ambitious task that had ever been attempted and thanks to the careful planning of Lieutenants Macmillan and Wheeler it proved a great success.

The Company was divided into sections, at the head of each being a senior N.C.O. or C.U.O. The section commanders were armed with an O.M.C. (Owen Machine Carbine), while the cadets carried rifles and blanks. Adding to the interest of the day four A51 zero radio sets were to be used, they being manned by the C.U.O.s. Although the operators had not much experience with the sets, with a little practice they were working perfectly.

Each section was dumped somewhere in the bush and had to find its way by compass to a rendezvous point for lunch. This was all carefully planned by the Int. section under Sgt. Dyer the night before. All sections arrived on time except Sgt. Viska's. We

still haven't found out whether it was the mud or "Spencer's Pub" that stopped them.

After a hearty lunch each section made its way back towards camp. Along their route they were attacked by Specialised groups concealed along the river bank. The M.M.G. section was successfully surrounded and over-run despite Sgt. Wiese's well-trained crew. During the siege of the Vickers Post a small bush fire was started by an Aldershot Grenade. Headquarters was finally convinced that the fire was under control. Each section rendezvoused at Burlong Pool for a meal in the dark, which everyone enjoyed. To end this wonderful day, a mock battle was held up the hill towards the camp. The next day all stores were returned and cleaned. The efficient running of the "Q" store was in no small measure due to S/Sgt. Stow. The M.M.G. section went to the range and fired some 2,000 rounds.

The camp ended with a Brigade march-out parade, led by Hale. To end the day our 3in. Mortar team won its competition, which included 6 schools. Congratulations to Sgt. Sewell and his crew.

SECOND TERM

Parades were resumed as usual, maintaining a reasonable standard of efficiency. Each month a platoon competition was held and the winning platoon was entitled to wear the dark and light blue lanyards until the next competition. C.U.O. Staines had the honour of having his platoon win it first. Congratulations, No. 1 platoon.

This term each platoon had its turn on the "mini" range, this range shoot being a good basis on which we can train a good shooting team.

THIRD TERM

The most interesting feature this term was the bivouac which was held in conjunction with the 3rd Field Regiment C.M.F., with which the school is affiliated.

The unit marched into the Avon Valley Training Centre on the morning of Saturday, 15th September.

After a hasty lunch the cadets were shown over the Regiment's "P" and "Q" Field Batteries. Although this proved very interesting, by night-fall there were many weary and footsore cadets.

The evening meal was the cadets' first taste of the ration pack; those who found some matches soon had blazing fires on which they cooked their meal. The Officers and C.U.O.s were invited to mess with the C.M.F. for the evening meal, which proved to be quite an interesting one, the joke to be shared only by those who were present.

The night exercise entailed "Q" Battery fully armed and reinforced with the "rookies" to move to an occupied position without the aid of lights and with as little noise as possible. The 2nd Year cadets, led by the Under Officers, were later to attack this position. Several "recci" patrols were sent out to find the strength and position of the Battery. It must be noted here that, so well organised were the patrols, several found their way right into the position of the battery nearly to be run over by the guns as they were being manoeuvred into position. It must also be noted that no patrol members were caught. At 2100 hrs. the 2nd Years moved up and took over the position. Mission completed.

Those unwise cadets who had not erected their ponchos in the light found it rather hard after the exercise because of the darkness, but with the aid of camp fires all were settled down to an early breakfast (3 a.m. Sunday).

On Sunday the unit joined in an exercise with "Q" Battery which entailed taking a position in an area occupied by "guerilla bands". The cadets gained valuable knowledge by observing men in action under real battle conditions.

The unit marched out of the training centre on Sunday afternoon. Many thanks to the 3rd Field Regiment. This bivouac would not have been possible without the aid of WO II Meredith, A.R.A.

This year the annual Marching-Out Parade was not held. The "Tobruk Trophy" for the most efficient cadet was awarded to Sgt. R. Sewell.

Shooting

Captain of Shooting: R. SEWELL

The tone of "The Cygnet" notes is rather inclined towards praise irrespective of achievements. This year's shooting team, however, while it did achieve a considerable measure of success does not deserve much in the way of extravagant praise.

Six cadets were finally chosen to shoot for Hale's 1962 Challenge Cup Shooting Team. All these had plenty of ability and there was no lack of experience among its members.

Owing to the School's own "mini" range not being completed in time, the cadets could not have the extra practise that is necessary for producing an "A" Grade team. Credit must be given to the O.C. of the Cadet Unit in whose trust the construction of the "mini" range was put. A notable sight at the range is "The house that Drake built." A job well done.

With only one previous practise to the Challenge Cup day the team did well to finish fourth out of 14 schools competing in the "B" Grade. Trinity College, with a total of 329, beat Hale 325 to complete the "A" Grade for 1963. The team may well note that with a little consistency they might have scored the extra 4 points necessary to find the pathway to the higher grade.

Starting very well at the 200 yard range, the firers averaged 20.1 out of 25 including two 23s. Hopes were high but the 300 and 400 yard ranges soon put our team off. They averaged 17.5 and 16.5 respectively.

Unfortunately, coming fourth in the "B" Grade did not qualify the team for the Earl Roberts Trophy.

AIR TRAINING

CORPS

THE STRENGTH OF OUR A.T.C. FLIGHTS THIS YEAR was reduced to '70, which included about 30 recruits.

This year's promotions, taken from results gained at last year's N.C.O. and C.U.O. Schools, were:—

To Cadet Under Officer: Cpl. Mallabone, P., Sgt. Ward, D. H., Cpl. Wilkins, J. N. A.

To Cadet Warrant Officer: LAC Trethowan, A. M.

To Flight-Sergeant: LAC Sharp, T.H.

To Sergeant: LAC Bandy, P.L. and LAC Wilson, R. S.

To Corporal: LAC Bosich, M.E., LAC Eyres, T. E., LAC Wall, A. L. and LAC Wheatley, C. J.

As last year, we were most restricted as regards a parade ground, but managed to make the courtyard behind the tuck-shop and the area in front of the Administration Block serve our purpose.

As our No. 10 Flight was big enough to take two Flights only, C.U.O. Ward was put in charge of the Orderly Room.

Earlier in the term Pilot Officer L. V. Shields resigned from his position as Adjutant of the Flight. C.U.O. Mallabone acted as Adjutant whilst on parade.

This year the Inter-Flight Swimming Carnival was held at Crawley Baths on the afternoon of Saturday, 10th March. However, owing to other School activities our Flight was unable to compete.

A.T.C. OFFICERS AND N.C.O.s, 1962

BACK ROW (l. to r.)—Cpl. M. E. Bosich, Sgt. R. S. Wilson, Cpl. A. L. Wall, Sgt. T. H. Sharp.

FRONT ROW—C.U.O. J. N. A. Wilkins, C.U.O. P. Mallabone, Flt.-Lieut. T. D. Hoar, C.U.O.
D. H. Ward, C.W.O. A. M. Trethowan.

(Absent)—C. J. Wheatley.

INSET—P. L. Bandy.

SECOND TERM

Lectures continued as usual this term.

As the recruits had all experienced a small taste of rifle drill, their training in this section of drill was continued. No. 1 Flight also experienced more rifle drill, but as at least 50 per cent. of the Cadets had been up to an N.C.O. School, the Flight as a whole handled the rifles competently.

During the term the Flight was inspected by Squadron-Leader Martin, who was most impressed with the turnout of neat uniforms and shiny boots.

Thanks must go to Flying Officer Johnson from Headquarters for his help in the Orderly Room and Cpl. Wanstall, also from Headquarters, for his instruction of the Cadets and N.C.O.s.

CAMP

This year a Junior N.C.O. School was held at Pearce in May as well as two intakes of General Camp. The Junior N.C.O. School was held over a duration of 12 days and our Flight was represented there by 16 members.

The results of this N.C.O. School were:

LAC Bennett, M. C., Distinction (top of the course); LAC MacDonald, R. I. and LAC Vallis, M. A., credit pass; and LACs Bandy, J. F., Barrett, W. D., Gerloff, D. M., Hardie, A. J., Lochting, W. J., Male, R., Menzies, J. B., Mullaley, J. D., Robertson, P. C. L., Simpson, P., Watson, A. C. and Wickens, I. V. gained passes.

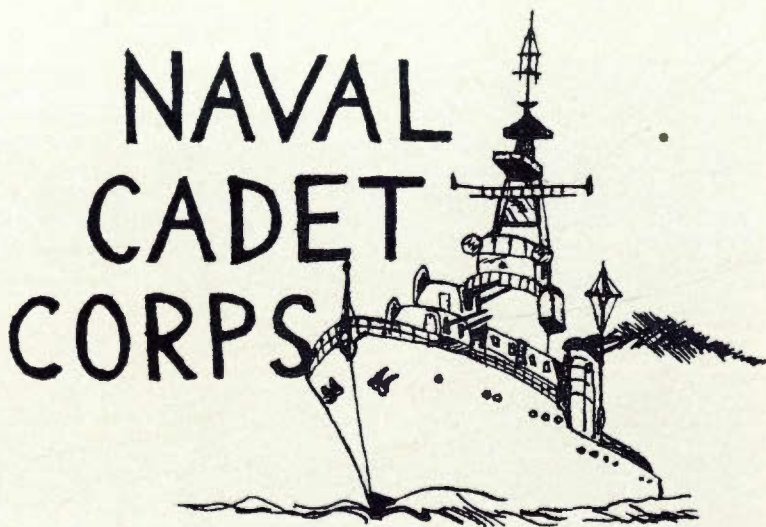

The general camp was much different this year from those of previous years. For a start there was no bivouac because all the ground defence personnel were required to lecture at the Junior N.C.O. School. But the general camp received some instruction on basic ground defence, which was concluded by a most eventful night exercise. There was the usual tour of inspection of the Base, and this year we were fortunate enough to experience a flight in a Dakota aircraft. These events produced a successful and enjoyable camp and gave new recruits an insight into Air Force life.

THIRD TERM

This year marked the A.T.C.'s "Coming of Age", and each State celebrated this important event. In Western Australia it was celebrated in close connection with Air Force Week and on Sunday, 9th September there was a parade followed by a Church Service. No. 10 Flight was represented by about twenty-five members and together with Scotch formed one big flight.

As the Army Cadets held a week-end bivouac there was no Marching-out Parade, and the screams and yells of the "Air Force" boys were no longer to be heard echoing around the school grounds.

C.U.O. Ward successfully passed the I.Q. test and interview for the Flying Scholarship. The final test was a medical examination and if he has passed, he will be awarded a Scholarship, so we are all anxiously awaiting the results.

FIRST TERM

THIS YEAR A LARGE NUMBER OF BOYS were recruited, to bring the strength of the unit to 50 cadets. The 25 new entries were chosen from a large number of applicants.

At the end of 1961 Lieutenant P. W. Davies, A.S.C.C. left the unit, much to the dismay of many cadets. The unit was then taken over by Lieutenant-Commander A. G. Harris (SP) R.A.-N.R., in December.

With the help of Commander L. F. W. Vickridge, A.D.C., R.A.N.R., many promotions were made. The unit now consists of the following higher rates and officers:

- Lieutenant J. van Hattem—Commanding Officer.
- Lieutenant-Commander R. G. Harris—Liaison Officer.
- Sub-Lieutenant J. R. Harris—Executive Officer.
- Sub-Lieutenant R. A. Hoile—Engineer Officer.
- Sub-Lieutenant G. J. Crabbe—Gunnery Officer.
- Chief Petty Officer C. J. Nathan—Master at Arms.
- Petty Officer J. Rosenthal—Stores.
- Petty Officer R. E. Negus—Senior P/O.
- Petty Officer P. J. Pearson—Divisional P/O.
- Petty Officer G. A. Taylor—Divisional P/O.

Leading Seamen:

J. F. Longley, P. J. Leonhardt, N. P. Davis, W. James, A. G. Barrett, F. G. Nathan.

Boatwork was carried out extensively during the Christmas vacation and during first term, with the unit's two sailing craft moored at Cygnet Hall.

Other training consisted of drill and seamanship, some instruction being given by P/O Walton and CPO Berrell, of *H.M.A.S. Leeuwin*.

CAMP

The camp was held at *H.M.A.S. Leeuwin* this year, the cadets sleeping in a Sea Cadet dormitory, while the officers were accommodated in the wardroom. Sailing played a major part in the training, being helped by sufficient wind for the crews almost every day. A visit to *H.M.A.S. Diamantina* was arranged, to provide extra interest and training. Members of the school football teams joined with the Junior Recruits to play in the Under 18 competition. The camp was run under the supervision of the new Commanding Officer, Lieut. J. van Hattem, who held a commission in the Dutch Navy.

SECOND TERM

Training continued as usual, with the addition of a guard training for the annual inspection under the instruction of Lieut.-Commander E. MacDonald, R.A.N.R., who gave up much of his time to train the guard.

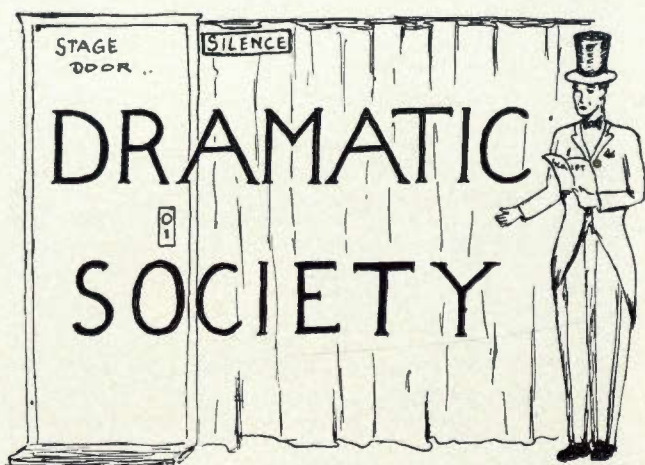

The unit was inspected by Commander D. H. A. Clarke, D.S.C., who is in charge of *H.M.A.S. Leeuwin*. In particular he praised the store and accounts as handled by A. B. Glover and A. B. Rumble. He also praised the guard, and the boatwork.

During the August vacation, Sub-Lieutenant J. R. Harris, and acting Sub-Lieutenants R. E. Negus and P. J. Pearson attended an Officers' Course at *H.M.A.S. Leeuwin*. Sub-Lieut. J. R. Harris scored 96 per cent. in the examination (20 per cent. higher than the next man). Sub-Lieut. P. J. Pearson scored 5 Bulls out of a possible 6 to top the pistol firing. The next only scored one bull. A/Sub-Lieut. R. E. Negus from his skilful handling of the workboat topped the power boat examination by a handsome margin.

NAVAL CADET CORPS OFFICERS, 1962

FRONT ROW (l. to r.)—Sub-Lieut. R. A. Hoile, Sub-Lieut. J. R. Harris, Lieut. J. van Hattem, Sub-Lieut. G. J. Crabbe.

At the beginning of the year elections were held by the returning members of the society and the results were as follows:

President: A. M. Trethowan.

Secretary: G. K. Loughran.

Treasurer: M. E. Bosich.

The existing committee was dissolved and a society formed of about twenty members. Those interested in dramatics in the senior school were all included. The society felt very much this year the loss of our last year's master-in-charge and producer, Mr. A. Kruse, who left to further his university studies. Unfortunately, the society has been unable to put on a play this year, but members have taken part in the "Pirates of Penzance", the senior concert and D. I. Freedman, as guest artist, in the Junior school play.

We hope next year to have a full-scale production and are eagerly looking forward to it.

OPERETTA — "THE PIRATES OF PENZANCE"

This year was an historic one for Hale in both the musical and dramatic life of the school. Our first operetta was produced before some 3,000 people over five nights and was the first production in the Old Haleians' Memorial Hall. The production was of "The Pirates of Penzance", by W. S. Gilbert and Arthur Sullivan, alternatively titled "The Slave of Duty", appropriately

enough as our school motto is "Duty". It was a real school effort, involving some 100 boys, 9 masters and 30 old boys, parents and friends.

The Women's Auxiliary of the VIIth British Empire and Commonwealth Games requested two repeat performances of the operetta to aid the Games Appeal. The boys gave up a part of their holidays to rehearse for these performances.

"Pirates", as the operetta was commonly called by the boys, was produced by Mr. J. D. Bambach, who had joined the staff last year, coming from Sydney where he had produced other "Gilbert and Sullivan" in schools.

The musical direction was shared by two masters. In 1961 Mr. A. S. Fletcher was musical director, but he left the staff at the end of the year to take up work as a missionary in Papua, New Guinea. This year the responsibility was taken over by Mr. G. M. Bennett, who had come from Sydney to join the staff as Music Master.

Many thanks to these masters for, without their untiring efforts, the successful production would not have been possible.

Our sincere thanks are also due to Peter Bandy, who gave up much valuable time to accompany the boys on the piano at all rehearsals as well as performances.

All in all, the production was of tremendous value for the boys who took part, and of great historical significance for the school as a whole. We are sure it will live for ever in the minds of all who were in the cast or saw it.

SPECIAL ACKNOWLEDGEMENTS

We acknowledge with gratitude the assistance given by D. C. Girling, Esq., and W. A. Wilkins, Esq., in supplying supplementary instrumentalists.

The production of "The Pirates of Penzance" by Hale School has been made possible by the generosity of many parents, Old Haleians and friends. We acknowledge with gratitude the assistance given by the following:—

Costumes: Mesdames J. R. Prince, R. L. Juniper, A. D. Seale and J. D. Bambach, R. H. Farthing, L. E. Fethers, C. A. Flood, M. Helm, J. H. Robertson, A. Veth and E. Wilson.

CRITIQUE

The production had a freshness and vitality which I think came from the sheer joy the cast had from performing it.

All boys seemed to enter whole-heartedly into the spirit of the operetta. The choruses showed this very obviously and the result was that General Stanley's daughters had feminine charm and mannerisms as they skipped around the stage in their colourful Victorian costumes, the pirates looked tough but had tender hearts, and the policemen showed precision in drill, a superficially bold front and created the intended comic relief in Act II.

The staging, scenery, lighting, costuming and make-up were all very well done and created a total impression of colour and theatrical realism.

In true Gilbert and Sullivan tradition, the performances were led by an orchestra, the first of such scope in Hale's history, which added extra brightness and interest to the operetta as a whole.

The principal leads all sang and acted well. Frederic (M. Ryan) was continually placed on the spot where his honour was concerned, by his comrades, the Pirate King (R. J. Montgomery) and Samuel (D. H. Haselhurst). He was also persistently pursued by that beguiling Pirate wench, Ruth (B. A. R. Doncon). However, Fred's true love appeared as Mabel (R. I. Hartley), the daughter of a fast-talking but slightly befuddled Major-General (D. I. Freedman). Attempts to straighten out the mix-up which ensued were begun by the slow, ponderous and balding Sergeant-of-Police (A. M. Trethowan) but all to no avail. In the end, however, everything turned out all right. It always does in Gilbert and Sullivan.

Particular mention should be made of the very fine singing of Mabel and Ruth, the polished acting of the Major-General and Sergeant-of-Police, the animation and robustness of Samuel and the Pirate King, the confident handling of the difficult Frederic part, and the delightful Edith, Kate and Isabel.

The operetta was performed on April 26th, 27th, 28th and May 21st and 22nd.

THE JUNIOR SCHOOL PLAY AND SCHOOL CONCERT

THE JUNIOR SCHOOL PLAY this year was presented in conjunction with a School Concert, consisting of solo and ensemble items by boys in both the Junior and Senior School.

The Concert programme was as follows:—

1. *Cornet Solo*—C. Vine.
2. *Vocal Duet*—R. Hartley and M. Robertson.

SCENES FROM "THE PIRATES"

3. *Clarinet Solo*—M. Vallis.
4. *Elocution Item*—D. Irvine.
5. *Violin Solo*—J. Scott.
6. *Senior School*—Vocal Ensemble.

Basses: I. Freedman, D. Irvine, R. Montgomery,
B. Piesse, A. Trethowan.

Tenors: A. G. Barrett, H. Gwynne, M. Ryan,
M. Vallis.

This programme provided an interesting and enjoyable first half to the evening, pointing to the fact that there is still a great deal of talent in the school which has been comparatively untapped.

Unfortunately, Peter Bandy, who was to play a piano solo and carry out the position of official accompanist, injured his right arm in the Final Game of the Football on the Saturday before the Concert, and was unable to take part.

The 1962 Concert has paved the way for future years, and now that Music is being soundly established in the School we look forward to the coming years with keen anticipation.

THE JUNIOR SCHOOL PLAY, 1962

The Junior School Play this year, "In Baghdad Life is Cheap," (an absurdity with music) was an adaptation by Mr. F. Longley of a play he wrote some years ago. In the play were a number of songs, the verses of which were composed by Mr. Longley and dealt amusingly with things of topical interest.

The Play was co-produced by Mrs. E. D. Miller and Messrs W. F. Longley and D. Addenbrooke.

It was performed well and had a number of highlights, especially in the final scene, when there was a very good display of gymnastics, and a short ballet entitled "Duck Pond", devised by Mr. David Addenbrooke, an Old Boy of the School.

This was the first Junior School production in the Old Boys' Memorial Hall, and proved a very fine recommencement of the old tradition of Junior School Plays, which was built up over many years at the old School at Havelock Street.

Gifts

The School acknowledges with gratitude the following gifts: Miss D. M. Prince from Bristol, England, a ten volume set of Arnold Toynbee's "A Study of History"; The Parents and Friends' Association, £10 for 60 plastic covers for periodicals.

The library also had many gifts of books, but they are too numerous to list here. They are acknowledged under "Library Notes".

Debating Society

AT A GENERAL MEETING OF THE DEBATING SOCIETY held in first term, A. M. Trethowan was elected President, P. Mallabone Secretary and T. H. Sharp, C. Wheatley and R. S. Wilson committeemen for the year.

It is to be regretted tht only one debating evening could be arranged, when two M.L.C. teams visited the school. The two Hale teams were: P. J. Pearson, J. R. Harris, M. Vallis (Leader); and R. A. Hoile, P. Mallabone and G. K. Loughran (Leader). M.L.C. won the first debate by 137 points to 135, and the second was drawn, with 132 points each.

The lack of interest in this important school activity is to be deplored, and it would seem that the 1963 committee should consider a return to Interhouse debating.

HEAD LIBRARIAN: J. S. Readhead.

LIBRARY COMMITTEE: G. Crabbe, R. Dyer, K. L. Dray,
D. Haynes, R. K. Haynes, R. Montgomery, R. Wilson.

The library functioned smoothly during the year and this was in no small measure due to the efficiency and careful guidance of Mr. Braga.

The classifying, binding and general maintenance of books has been carried out by Mrs. L. P. Gray, Mrs. L. E. Fethers, Mrs. J. W. Trinder, Mrs. J. B. Collins and Mrs. C. A. Flood, whose continued and most generous assistance is here most gratefully acknowledged.

Many books were added to the various sections of the shelves this year, and the senior students showed their appreciation of this by the use they made of the reference sections. Even more than last year there was a wide use made of the reference sections of the library, and it is pleasing to be able to record that it was an intelligent use. This ability to use a library in an effective way is something that will prove of great benefit in the

early years of University for those who continue to the tertiary level of education.

An important requisition this year was the "Encyclopedia Americana." This magnificent set has already proved its worth in many fields, its articles on single countries being especially valuable. Its purchase was made possible by the grant of part of a bequest made to the school by the late A. Rich, Esq., an Old Haleian.

Last year, a circulating library was purchased cheaply, and work has been proceeding in sorting the books. Grimy, happy boarders have been taking teachests full of books from the "book mine" under the science buildings, where the old library has been kept, and have been distributing the books to the most appropriate sources—school library, the boarding houses and the Junior house.

Among the many improvements is a fine electric clock which has been placed on the west wall, but owing to mischievous fingers frequently turning it off, is duly being replaced by a battery-operated one. A notice board was installed for items of library interest and magazine racks were placed along the bench supplied to give easy access to the magazines and primarily to keep them in good condition.

It is regrettable that fines have had to be introduced to curb the increase in overdue books. This system is working perfectly but there has been no immediate decrease in overdue books.

This opportunity must be taken to thank the Head Librarian and his committee for their efficiency throughout the year.

A note for those who are leaving:

The ability to read a novel in a critical way and to choose a novel with discrimination is something which will be of great benefit to any boy, whether he continues his studies or not. As so many of our students will return to the farming life it is very important that they should develop the power to read sensibly and to be appreciative of worthwhile literature. It is one of the aims of the library activities to give this ability to the students of the School.

LIBRARY DONORS

We are much in debt to the following people for their generous donations of magazines: The Headmaster, Miss Y. Riddelsdell, Mr. B. Simpson and Mrs. L. P. Gray.

Chess club—

This year the office bearers of the Chess Club were:—

Patron: Mr. A. VETH.

President: D. J. STICKLAND.

Secretary: A. G. BARRETT.

Treasurer: E. D. FETHERS.

At the Annual General Meeting held at the beginning of term D. J. Avery was elected President; however, on account of scholastic duties he resigned. Subsequently Stickland, who had shown great interest in the club, was appointed to, and accepted, the vacant position.

During the year the club was not without its troubles. In addition to the change of Presidents our meeting place was far from permanent. We proceeded from room to room for mysterious and hidden reasons—possibly, we fear, due in some strange way to the club.

We hope that next year there may be a change and that somewhere we will find a quiet corner where the club will continue to progress.

The club's annual tournament was won by G. Taylor, and R. I. Hartley was the junior champion. These boys have been very enthusiastic throughout the year and we congratulate them on their well earned success.

Many members have been very co-operative in getting their games played off but there have been some forfeits. If next year the members would endeavour to get their games played a little earlier it would be much appreciated by the organisers.

For the first time a House tournament was played this year and we congratulate Stirling House on their fine win. A cup

will be presented and will be kept by the winning house until the following year when it will again be presented to the winner.

At the moment little has been done to interest the Junior School boys. This is most distressing and next year we must do something about it.

I would like to point out to all the younger boys who are interested in joining the club that they are very welcome, and they will, after all, be the chess players of the future.

At present the only cup presented to the house gaining the most points during the year is the Cock House Cup, which is presented for sport.

It would undoubtedly be a great boost to other activities, such as Chess and Debating, if they could have a cup also.

The constitution will be placed on the notice board next year and the following is a brief summary of it:

The Constitution — Brief Summary

1. OBJECTS

To establish an interest in chess and give members of the club an opportunity to compete with other chess clubs.

2. MEMBERSHIP

Members shall be classified into three groups: Seniors, Juniors and Cadets.

3. SUBSCRIPTIONS

Members shall pay a subscription within 30 days following the day of the Annual General Meeting.

4. OFFICE BEARERS

There shall be an Executive Committee consisting of the Patron, President, Secretary and Treasurer.

5. FINANCE

Proper records shall be kept of all transactions. If the club ceases to exist any funds shall become the property of the Parents and Friends' Association.

6. CHANGE OF CONSTITUTION

This constitution may be changed under the required conditions.

7. INTERPRETATION OF CONSTITUTION

If necessary the Patron will give a ruling regarding any discussion as to the meaning of the Constitution.

Chapel Notes

CHAPEL SERVICES this year have been conducted in the new School Hall. At first its vast and austere interior was found to be a real difficulty both in the music of the services and in the general atmosphere of worship, but soon familiarity and heartier singing solved this.

Until the third term the usual furniture-moving procedure had to be carried out, but at least dining-room tables and common-room desks did not have to be moved twice each weekend. Now, with comfortable seating installed in the Hall, Sunday services no longer mean dozens of man-hours (or boy-hours) of physical work.

Attendance at Communion each Sunday has been consistently good and the total number of acts of Communion within the School was considerably greater than last year. Both Houses are fortunate in having devoted resident Housemasters who provide a fine example of regularity of worship.

Evensong has been made more interesting by the many visiting preachers who have addressed us—Fr. Laurence Eyres S.S.M., the Rev. D. McKenzie, W. Riley, A. C. Holland, C. A. Pierce, R. Bowyer and Canon J. Paice. The Rev. C. W. Chetwynd showed a film and addressed the boys on the work of the Missions to Seamen and we were honoured with a visit of the Reverend D. Sheppard of the M.C.C. team.

We must also express our gratitude to the Reverend L. W. Riley for donating a fine alms dish and to Mrs. Riley for making collection bags for the School.

Twenty-three boys were confirmed at the School's Confirmation by the Right Reverend C. L. Riley. It was good to see so many parents and friends at this Service.

Visitors are always welcome at our Chapel Services and it is our hope that, as time goes by, increasing numbers of Old Boys and parents will join us in worship.

From Chapel collections this year £5 was given to the Missions to Seamen, £15 to the Diocesan Board of Missions, covers were provided for the hassocks and two new burses and veils were purchased.

Church furnishings are being kept to a minimum for the time being because of the unavoidable wear and tear from being stored away during the week and brought out for Sunday services.

Traditions do grow slowly, but 1962, we feel, saw a pleasing development in Hale's tradition of worship.

Interschool Christian Fellowship

"There will be an I.S.C.F. meeting in the Lecture Theatre at 1.10", is perhaps the only knowledge that most people of the school have of the Inter-School Christian Fellowship. As its name implies, the Inter-School Christian Fellowship is a fellowship between the schools, of people who are interested in Christian activities.

During the year the Bible Study has been the main type of meeting because of the importance of God's Word in the present day and age.

Highlights of the year's activities have been: Dr. Anderson's talk on his work in Pakistan, Dr. White's (the Jungle Doctor) work in central Tanganyika, a school camp at Easter at a farm near Chidlow for which we thank the Irvines, and the presentation of badges to eight boys who have attended regularly for a year and a term.

Camps have again featured in the I.S.C.F. calendar. During the summer months, boys from Hale went to Bunbury and Albany, and at August other boys went to Shark Bay and Narrogin.

All in all the I.S.C.F. this year has been placed on a firmer basis and we hope that the groundwork done this year will be built upon in the years to come.

Music

THIS YEAR, for the first time, a full-time Music Master was appointed to the staff. Mr. G. M. Bennett, who graduated from the Sydney Conservatorium and the Teachers' Training College and taught in the Eastern States before, arrived here in February of this year to take up his position on the staff before the commencement of first term. Almost as soon as he arrived, he began work on the musical direction of the "Pirates", Mr. Fletcher having left for New Guinea.

This year Mr. Bennett has held music appreciation classes in the Junior School in first and second year. A recorder group has been established in the Junior School and a second year choir which practises in the boys' spare time.

There is also a senior school choir made up of boys from fourth and fifth form who are interested in singing.

VIOLIN CLASSES

During second term Mr. Bennett started a class for the violin. Some of the instruments were supplied free by the school to enable boys to find out if they had an aptitude for the instrument before going to the expense of buying one of their own. In beginning these classes, an eye was also kept on the possibility of forming, at some future date, a school orchestra.

A school concert was held at the end of second term in conjunction with the Junior School Dramatic Society. It was not an ambitious effort but it went off well and showed that there was much untapped musical talent in the school.

CELEBRITY CONCERTS

In order to try to promote the interest of boys of the school in music, the school took a block booking for the A.B.C. Youth Concert season this year. This gave an opportunity for many boys to see a "live" symphony orchestra.

Another memorable occasion was the attendance by the School at a concert given by the London Philharmonic Orchestra under Sir Malcolm Sargent. Eighty boys attended this, and every one was thrilled by the experience of hearing a hundred piece orchestra of world class.

This has certainly been a most stimulating year for Hale School as far as music is concerned.

Examinations

MUSIC

Students at present cover a wide age group. All boys entering for University exams. have been successful. Results to hand are:—

5th Grade Practical.

M. Brown (Credit).

J. Menzies (as half of Leaving subject).

4th Grade Musical Perception.

R. Cullen.

M. Brown and R. Cullen have completed Music as a subject for their Junior Examination.

1st Grade.

D. Kessly (Honours).

P. Boyatzis (Honours).

S. Hazlett (Credit).

R. McDougall.

ART OF SPEECH

Taken by boys of all ages, some of whom include University exams. in the year's programme.

Since the publication of last year's "Cygnet", all exam. boys have passed successfully, the results being:—

4th Grade Practical.

D. Irvine (Honours).

H. Leys (Credit).

4th Grade Theory.

D. Irvine.

H. Leys.

F. Nathan.

A. Watson.

The above results have been gained as a subject for the Junior Examination.

3rd Grade.

G. Glover (Honours).

P. Skinner.

2nd Grade.

J. Debney (Credit).

Craftwork at Hale

This year twenty-four boys took the Junior Examination in woodwork. The choice of individual models was varied, ranging from a saddle rest to a three-legged writing desk, the latter job providing some interesting and exacting craftwork.

As could be expected, the standard of work differed greatly because some of the boys had not had any woodwork experience prior to the Junior Year. The boys lacking in experience were greatly limited in what they could be asked to produce.

The School Board were very kind in allowing a fair sum of money to be spent on equipment for the workshop and this saw the death of the wooden jack plane. Each boy now has a complete range of tools at his bench and at hand are any special items of which he may have need. The photographs show a layout of the Junior models prior to the examiners assessment and three very creditable items of craftwork by B. W. Barrows, L. J. Barrett and I. Colliver. The painting in the background was by W. McCurry.

Congratulations must go to Faulkner House, who donated over £40, and then to Wilson, who raised over £30.

Junior School Notes

SWIMMING

The combined Junior School Swimming Sports were held at Crawley Baths on Tuesday, March 6th.

Hale did not have a strong team and were able to win only one race—25 yards Backstroke Under 10.

Once again training difficulties were very largely to blame for our poor showing.

No points were recorded in these sports.

The Interhouse Swimming Sports were held at Crawley Baths on the 27th February and were won by Blue House.

The Final Points were

- 1st—BLUE (243 points).
- 2nd—GREEN (177½ points).
- 3rd—RED (90 points).
- 4th—GOLD (61½ points).

Age Group Champions were:

- Under 13—A. E. Fethers and W. J. Barnes equal first.
- Under 12—G. J. Parker; runner-up D. P. Yates.
- Under 11—A. T. Irvine; runner-up D. R. Little.
- Under 10—A. R. Yates; runner-up R. J. Guthrie.
- Under 9—D. Lilburne; runner-up I. T. Gollow.

The Results of Individual Events were:

- Under 12 50 Metres Backstroke—1, Yates; 2, Parker; 3, Michelides; 4, Bevan. Time: 47.4 secs.
- Under 11 25 Metres Breaststroke—1, Mack; 2, Little; 3, Wallman; 4, Casson. Time: 25.5 secs.

Christ Church, 60 (Dungey 3 wickets, Donaldson 3) defeated Hale, 19 (Donaldson 7, Moore 6).

FOOTBALL

Our footballers were not very successful this year. Most of the teams lost more matches than they won. Our First XVIII played only two matches, beating Christ Church and losing to Scotch. As in Cricket our Under Elevens were the most successful, winning four of their matches decisively. In the fifth, which they lost to Christ Church, the team was weakened by three of their strongest players being required to play with the First XVIII.

Details of matches follow:

SINGAPORE

City of silver, sun;
Alabaster idols and sin . . .
Wreaths of Oriental haze;
City of the Lion . . .
What's in a name
That conjures up all this?
Where was born the opium —
Inspired myth of the East?

Planters, coolies and such,
No more belong to this
World of tin and business
And shrewd white women,
Than some white Christmas.
Be as it is — Singapore.
Take not false disguises,
For who are tourists and
Colonial believers to dream?

Someday the East will
 Come to live and be known,
 When we can live in truth,
 And, perhaps by chance,
 Respectability. Who knows?
 For even that staid, stoic
 Word is closer to pantheistic truth
 Than the knowledge of
 A Charlatan City.
 Wait doggedly for revelation.

—Hanif.

Struggling down the terrace
 Shouldered by the
 Homunculi . . .
 I regret the altruism
 Of creation.
 Each paving stone
 A separate Philistine.
 Beached on the shores
 Of Sinisteria
 Beckoned by the waves
 Of anti-dualism.
 Here, on the terrace
 I judge, and lest I be judged,
 Cast myself back upon the waters.

—Hanif.

The greatest triumph of the volatile
 Mind is to create Purity . . . that is,
 To find in oneself the Eternal Man,
 The Bhudda-self. Selfishness in
 Oneself directed inward is a progression
 Towards the Infinite.
 Passivity wills to prevail,
 And, directed by the Bodhisattva's Vows,
 Will prevail. The poor feet of man
 Glow on the steps of the sutras,
 And ascend to the Vision of the Ending of Sorrow.

Hardly practical, and weak
To all the shallow grubby moles,
Deprived of sensibilities,
Scratching in their worldly holes
Without tangible abilities.

The message is somewhat brief,
But to you who honestly feel
Hope, it cannot but bring relief,
As thoughts which constitute a meal
Of divinity quench and break a fast.
It's this . . . however fearsome time
May seem, wait; it surely will not last,
And we will go forward, free of Rhyme.

THE POOL

*Hale school is a super school,
But far too far away,
And now it has a swimming pool,
I'm late home every day.*

*The first bus leaves at half-past-three,
I never make this trip,
It's far more pleasant you'll agree,
To go and have a dip.*

*The next bus leaves at five-fifteen,
I'm also not on this,
On swimming I am very keen,
It's far too good to miss.*

*I'm just about to have a dive,
When there's the whistle shrill,
The clock has jumped to half-past-five,
It's "Everybody out."*

—L.B.C. (1st Year).

THE HISTORY EXAM

*The teacher of the history class,
With dull gaze stares at me;
I must have scored one hundred per cent.
Or only forty-three.*

THE CYGNET

*He asked me who was Mawson,
With dumb look on my face.
"He climbed Mt. Everest," I said,
A very chilly case.*

*He met a penguin on the top,
He also met a seal.
He might have met an elephant,
And given it a meal.
It wasn't in our history notes,
But did he meet an eel?"*

*The teacher snarled in anger,
Picking up his cane,
He turned to me in fury,
And chased me down the lane.*

—M.D. (L6).

THE ZOO

People come to visit the zoo,
And they often bring their children too.
They sometimes come from far and near,
To see the elephant and the deer.

They have a train that's small and fast,
And the children wave as the train goes past.
The merry-go-round goes round and round
While the music makes a happy sound.

The monkeys chatter all day long,
Their arms are thin, but very strong.
They swing themselves from bough to bough,
And all the time make a terrible row.

At five o'clock it's time for tea
And the monkeys wave good-bye to me.
At last we have to be on our way
And that is the end of a perfect day.

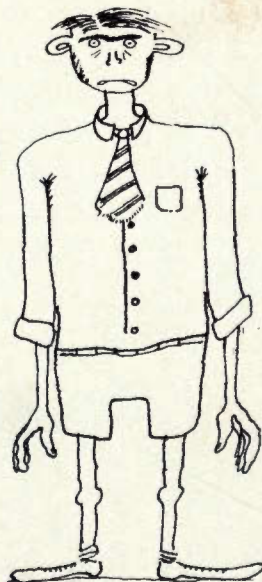

—R.M.W. (L6).

THE STRONG TIGER

I am a tiger big and strong,
I hunt for my food for which I long,
But even though I'm big and strong,
I can not kill the mastodon.

"THE CONTEMPORARY SITUATION"

I'm feeling very moody,
As o'er the news I'm broody,
What with Kennedy, friend Krushev, and the rest;
The civil war in Laos
Has thrown us into chaos,
And the Berlin situation's not the best.

Though you'd not say all's serene
On the Caribbean scene,
An assassin's shot Trujillo with a gun;
Yet on T.V. Mat Dillon
Has shot about a million,
And so why's there all this trouble over one?

After weeks of long delays
They got Glenn up into space,
Though his spacecraft seemed to be absurdly small.
I expect that very soon
They'll get someone on the moon
And just discover its not made of cheese at all.

At every White House dinner
It's Jackie who's the winner;
Why, her charm is said to be without a flaw.

THE PIANIST (with apologies to P.)

Why argue with old Krushchev,
And risk another brush-off,
When a smile from Mrs. K. would do much more.

World tension is increasing,
It doesn't look like easing,
For we're on the brink of yet another war;
I think I'll be a beatnik,
Wear nothing on my feet-nik,
And away from all this wicked world withdraw.

"IT MELTS IN YOUR MOUTH"

"It melts in your mouth!" the vendor cried, as he sold some of the pink stuff to a small, freckle-faced urchin.

This was my first Royal Show and I was eager to try all the new delicacies that were being sold in the gaily coloured booths. Above the stand was a sign—"Fairy Floss". I had to have some, so I forced my way through the crowd and asked a sticky-fingered salesman for a shilling's worth. He handed me the pink stuff on a stick and I went off to eat it.

I settled down and put a small piece in my mouth and chewed. Teeth met teeth. I put in a larger bit and once more tried to take a good healthy bite. It was not there. I was determined to eat it at all costs and so I pushed in another portion of this weightless mass and closed my teeth with great force. At last my teeth were round something positive and a feeling of relief ran over me; however, a painful sensation told me that it was my tongue.

This, in a most disagreeable way, confirmed that masticating fairy floss was little short of impossible.

"It melts in your mouth!" the vendor cried.

"Nuts!" I said and strode off to buy a good, wholesome, juicy toffee apple.

Hale Parents and Friends' Association

At the time of writing this report the Parents and Friends' Association is well on the way towards completing another successful and worthwhile year's work for the School.

Meetings:

Dr. H. McMillan presided over the Annual General Meeting, which for the first time was held in the New School Hall. Well over 190 parents, teachers and Committee Members acknowledged the work that had been carried out by the various Committees under the guidance of Dr. McMillan.

After a busy and satisfying three years directing the affairs of the Association, Dr. McMillan did not seek re-election. The Election of Officers resulted in Mr. R. G. Harris being elected unopposed as Chairman.

Vice-Chairman: Mr. W. T. Holywell.

Hon. Secretary: Dr. H. H. Stewart.

Hon. Treasurer: Mr. G. H. Gwynne.

Hon. Auditor: Mr. E. H. Wheatley.

Headmaster (Ex Officio): Mr. J. R. Prince.

Committee: Mesdames D. Gray, E. H. Wheatley, W. Leonardt and T. Davy, Dr. J. T. Irvine, Messrs. R. Liddell, C. van Hazel, K. Treadgold, L. A. Trotter.

Mr. D. A. Milne was appointed representative of the School Staff, and Mr. I. A. Wilkins representative of the Old Haleians' Association.

This year members have had the opportunity of attending three interesting General Meetings. The first was held in April to hear an address by an interstate speaker, Mr. Robson, of the Father and Son Movement, who spoke to parents and boys on Sex Education.

The mid-year General Meeting was held on 18th June, when as the Guest Speaker we were fortunate in having Professor C. Sanders, Professor of Education at the University of W.A., and he took the theme, "Between Sixth Form and University". The attendance on this occasion was over 90.

The Third General Meeting was held on 24th September. Mr. E. K. Sholl, the Chairman of the A.B.C. of Western Australia,

was our Guest Speaker, and he spoke on "Television as a Medium of Education in the Home".

Committee Meetings:

The Committee has been most active over this period, having held three full Committee Meetings, and numerous sub-Committee meetings.

Ladies' Committee:

The ladies of the Committee have been most vigorous in their endeavours to make it possible for all mothers, both country and city, to come together in a social atmosphere at least once a term, and with this in view, organized three morning functions which were held at Cygnet Hall.

Primarily these functions were designed to enable mothers to meet each other and secondly, it was hoped that to some extent they could assist in raising funds for the score board.

A large and enthusiastic attendance on each occasion suggests that the Committee have been most successful in bringing the mothers together, while the fact that they have made available to the score board fund over £230 is an outstanding achievement.

The purchase of crockery by the Committee has been of great assistance, and has also assisted in reducing the cost of these functions.

Swap Shop:

Again, it has been the enthusiastic support of the ladies which has made the clothing exchange facilities available. Successful Swap Shops were held in February, April and August, and in conjunction with the American morning tea in October.

Score Board:

Through the efforts and activities of the Works Committee, the Score Board at the School is now a fact. Its construction has been completed, and the Committee is making arrangements for the furnishing of the servery below, and also for the painting of the board, which will successfully complete this project.

The Works Committee also has under consideration plans for improving the parking area adjacent to the sports ground.

Junior School Tuck Shop:

Commencing with the First Term in 1963, the ladies will be conducting a tuck shop for the Junior School.

The Association looks forward to the continued support of parents of boys who are leaving the School this year.

PRESIDENT'S REPORT

Gentlemen,

It is with pleasure that I present to you the Annual Report of the Association for the year 1962 for your approval.

Committee

The Committee has held the usual monthly meetings which were well attended. The usual sub-committees were appointed early in the year and those responsible for specific duties completed their tasks efficiently. I thank the Committee for their co-operation and support during my term of office.

As the furnishings of the Old Boys' Room in the Memorial Hall has been completed, we were able to use it for the first time to conduct our October meeting. In the past we have met at the Headmaster's house where we have been looked after very kindly by Mr. and Mrs. Prince to whom we owe our sincere thanks.

Finance

The detailed financial report will be presented by the Treasurer at the Annual General Meeting. Subscriptions for the year have not increased but by the time we have collected those outstanding we hope to maintain the figures of last year.

The readjustment of our investments has increased our income from this source sufficiently to take care of our obligations to life members.

It is the aim of the Association to keep in contact with all Old Boys by medium of the "Old Haleian" and "The Cygnet", but we cannot afford to continue sending them to unfinancial members. Please remember that each Old Boy is an important part of the School and make sure that your membership does not lapse.

"The Cygnet"

For a very small donation towards the total cost of publishing, the School again made available sufficient copies of "The Cygnet" to be sent to Old Boys.

"The Old Haleian"

The sub-committee responsible for the production of our magazine must be congratulated on the standard they have maintained. Articles are always of interest and we are kept advised of coming events.

Hale Old Boys' Memorial Hall

The Memorial Hall is completed and about half of the seating has been installed. Plays held in the hall have proved the acoustics to be excellent, the lighting good and the whole set-up satisfactory.

To those few whose promises of gifts are still outstanding, I appeal to forward their cheques so that we may complete our undertaking.

Just at this moment news has reached me that our Memorial Hall has won the Bronze Medal and Diploma of the Royal Institute of British Architects awarded triennially for the building of outstanding merit in the metropolitan area of Perth over the period 1959-61. Congratulations go to our architects.

The Board of Governors

During the year the Hon. Leslie Craig resigned from the position of Chairman of the Board of Governors, but remains on the Board. Over the many years that he filled this position he steered the School wisely through its gigantic transformation from Havelock Street to Wembley Downs. We shall always be

grateful to him for his valuable service and we are proud to have him still closely associated with us. The position of Chairman has been filled by Mr. Q. Stow who is already known to Old Boys as one devoted to the School and capable of filling this important office with credit.

Unfortunately, Mr. R. I. Ainslie found it necessary to resign from the Board of Governors during the year. No one ever worked harder to put the School where it is today. Bob's capacity to overcome the greatest task with the minimum of fuss is an example to all. His broad outlook, wisdom and enthusiasm will be missed very much indeed. Mr. F. Downing has been selected to fill the vacancy on the Board and I am sure that those responsible have chosen wisely.

Social Activities

Old Boys' Day with cricket and tennis at the School, The Annual Dinner, Divine Service, Football Match, Rowing Day Launch, and Country Dinner at Northam were held as usual. The Social Committee worked hard to make these functions the success they were. The only thing to be desired is larger attendances. There was a good number of Old Boys at the opening of the School Swimming Pool which is a beautiful sight amongst the surrounding tall trees.

Sport

In sport this year we have been quite successful. We won the Old Boys' Boat Race, Golf Shield and "Inters." Relay Race.

Cygnets Hall

As the cost of maintaining Cygnets Hall is a major item of our finances the sub-committee has done well to make hirings cover the expenses. The Hall is very suitable for all kinds of social events so do not hesitate to recommend it to your friends.

Scholarship

A sub-committee has been formed to arrange for the Old Boys' Scholarship to be offered again next year. Full particulars will be available shortly.

My duties as your president for the past year have brought me into contact with many old and new friends. I thank you for the honour of serving you in this capacity. It has afforded me a great deal of pleasure.

T. F. HANTKE,

President.

Old Haleians' War Memorial Association

PRESIDENT'S REPORT

During the past year the activities of the Old Haleians' War Memorial Association have been drawing to a close. The building, apart from maintenance, has been completed and the great majority of promises by Old Boys have been received.

The Accounts are published in order to give Old Boys and others interested an opportunity of examining the financial situation. The larger part of matters outstanding at present will be dealt with in the forthcoming year so these financial accounts reflect the larger part of the great endeavour of this successful project.

During the year a general Management Committee was set up combining the earlier Management Committee, Finance Sub-Committee, and Building Sub-Committee, thus centralising the control.

In accordance with past custom I retire from my year of office in favour of the present President of The Old Haleians Association, Mr. T. F. Hantke. In doing so I wish to thank all those Old Boys for their firm support during the year and undertake to give all the assistance I can until the termination of the Fund.

Our warm congratulations must be extended to our Architects of the Hall, Messrs. Marshall Clifton and Anthony Brand, for winning the Bronze Medal and Diploma of the Royal Institute of British Architects, awarded every three years for the building of most architectural merit completed during that period. A Medal will be struck and affixed to the Hall, to record permanently this Award.

The Annual General Meeting of the War Memorial Association will be held on the 4th December, 1962 in the Old Boys Room at the Memorial Hall, at 8 p.m. An invitation is extended to all Old Boys who wish to attend.

Your Committee during the year was as follows:—

Mr. R. V. Garland (President); Mr. R. J. Marshall (Secretary/Treasurer); Messrs. Q. R. Stow, H. F. Cooke, T. A. Davy, A. Brand and T. F. Hantke.

R. V. GARLAND.

30th October, 1962.
