### EDITORIAL

We complain. We complain about everything and everyone. We complain about having to wear caps. We complain about the masters, the prefects, the boys, the rules, the punishments, the buses, the conditions and having to behave at the "Inters."

But wait. Stop. Think. Is life at Hale as hard to bear as all that?

Hesitate for a while and let the memories of the past year drift through your mind. Picture the green lawns and schoolboys laughing their way through their moments of leisure; the hall and echoes of assembly; the swimming pool and sparkling water; the contented periods spent dreaming of things far removed from education; the cricketers on the oval, and the rushing to the bus. Conjure up visions of the joyous, carefree school-days; the colourful scenes at the sports, and the afternoons of training on the many ovals.

Old stories—"Remember the time that Jack was given three "cuts" for . . . and then he . . . "Whack! "Who said that?" . . . "hah hah!" . . . Whack!

Now suddenly the bubble has burst and the "dream existence" looks like ending; the world and life open before some of

us—a dark cavity of nine to five, three weeks holiday a year, no free periods, no excuses and *Hard Work!*

May the Editor ask a question? “Why is it that we begin to appreciate the tremendous benefits and advantages of our great school only when we are about to lose them?”

If only the boys still at Hale could view their school as those who are leaving and those who have left do. Only when we can do this will we cease abusing our heritage, only then will we wear our uniform with pride, and be less likely to bring discredit upon the school.

Now life at Hale for your Editor and many others is a memory—a vivid memory, a happy memory; a laughing, joking, playing, working, colourful memory. A memory pregnant with stories, incidents, anecdotes, characters and growing-up.

So don't let your years of school-life be dominated by groans and grizzles; instead consider your luck and count your blessings and compare these with your complaints.

Are your grizzles so important?

## *Old Boys' Day*

---

On March 4th we were pleased to see a large crowd of Old Boys attend the traditional Old Boys' Assembly and the following Annual Meeting. Cricket and tennis got under way almost immediately; the cricket once again proved to be an entertaining spectacle, eventually going to the Old Boys' XI. Congratulations go to John Bandy for compiling 39 runs and thus winning the Old Boys' bat. This year a new competition was inaugurated; a brief swimming carnival, comprising present and old boys and members of the staff, was held in the school pool. This provided considerable interest, as well as no little humour, and we hope this event will be continued in future years. We are sure the school appreciated the entertaining day's activities, not to mention the traditional keg of ginger beer.

## *Opening of Junior School*

---

The School Year started on a high note with the opening of the new Junior School on the first morning of Term. About 150 parents and friends and the whole School were present to see Dr. Guy Henn, M.L.A., open the building after brief proceedings in which M. Stow, as Chairman of the Board, and the Headmaster spoke.

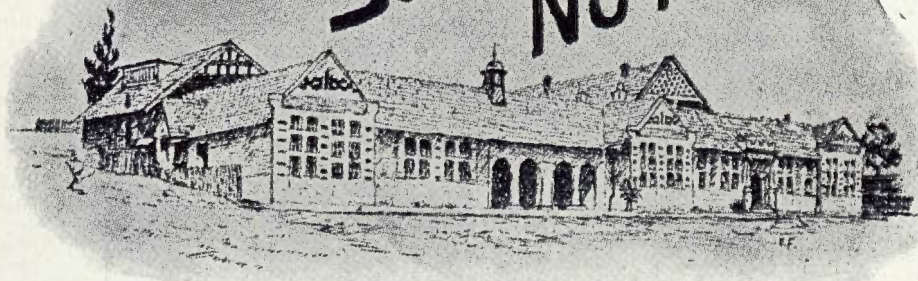

After Dr. Henn had cut a tape with the scissors used to open the main School and the Memorial Hall, and had declared the building open, the 20 most junior boys marched into a class room for the first lesson. This lesson was taken by Miss D. Green, who started her preparatory class in 1919 and retired in 1954 after 36 years service. Miss Green's pupils on this occasion included any Old Boys present who had at some stage been taught by her and her control of a most difficult class room proved that she had lost none of her old fire. She presented a very carefully thought out lesson on the origin and significance of the School Badge.

The first boys to be taught in the new Junior School were: Ian Anderson, Michael Atkins, Timothy Davis, Christopher Harper, Paul Hyland, Stephen Mack, Peter Morrison, Michael Prince, Anthony Pursell, Mark Snell, Andrew Stravrianou, Carl Vine, Leslie Wilson, of L4; and Roger Bryce, Adam Gollow, Ross McCallum, Charles Naylor, Jonathan Wright, of L3.

Also present at the lesson were the following Old Boys, who once were in Miss Green's class: Peter Anderson (1947), Ken Jones (1928), Lindsay Gray (1924), Lloyd Fethers (1929), Phillip Atkins (1940), Bill Riley (1927), Hugh Guthrie (1920).

A cup of tea for all adult guests brought to a close a simple and enjoyable function.

# SCHOOL NOTES

## FIRST TERM

The first assembly was held on February 12th in the school hall. The school saw that several masters had left but it also noticed that quite a number of new ones had moved in to fill gaps. At the assembly B. Jackson was appointed Captain of the School and A. Wall, Vice-Captain.

After assembly the school moved down to the newly-finished Junior school to watch the opening ceremony.

The first term sporting activities were soon under way and the following sports captains were appointed:

Rowing—R. A. BERG.

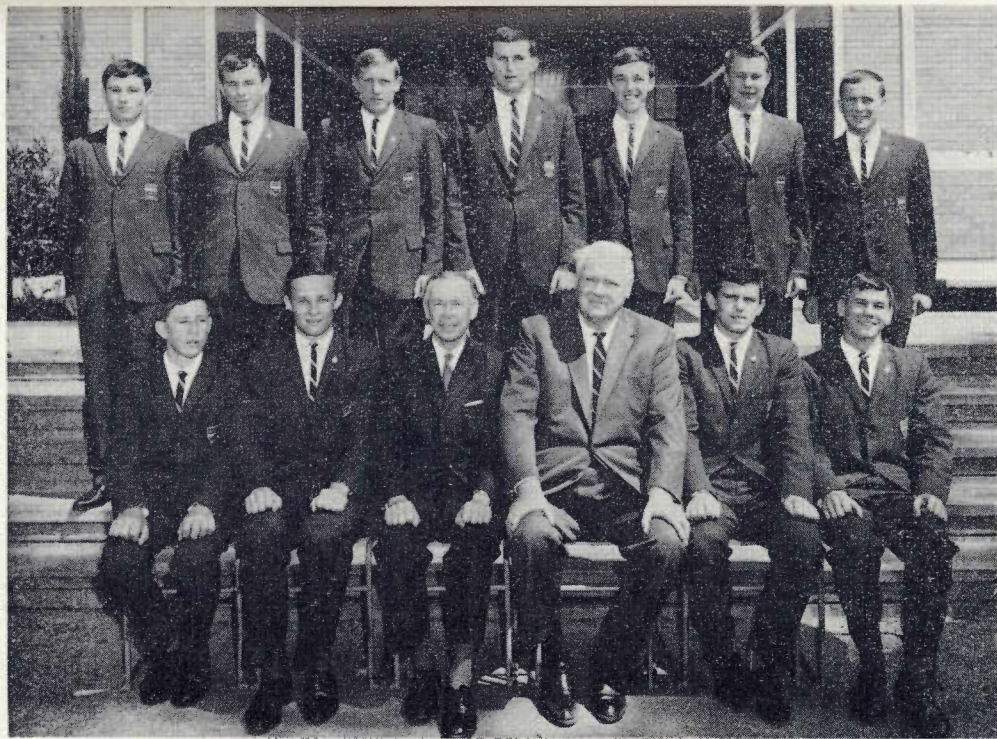

Swimming—R. E. NEGUS.

Cricket—P. R. SIMPSON.

On Friday, 15th February the following school prefects were announced and were inducted by Mr. Stow:

M. E. BOSICH, T. A. PHELAN, P. R. SEWELL, P. R. SIMPSON, P. VISKA, J. C. WHEATLEY and P. G. WILLS.

On Saturday, 23rd the R.I.B.A. medal was presented and the ceremony was attended by a number of members and well-wishers of the School, as well as of the outside public interested in Architecture.

**"CYGNET" COMMITTEE, 1963**

BACK ROW (l. to r.)—K. J. Minson, T. A. D. Phelan, P. R. Sewell, A. L. Wall, G. J. Glover, P. J. Pearson,  
P. G. Wills.  
FRONT ROW (l. to r.)—M. A. Vallis, B. J. Jackson (Editor), Mr. A. C. Marshall, Mr. W. F. Longley, M.  
E. Bosich (Secretary), C. J. Wheatley.

On March 1st and 2nd the first Interschool matches for the Darlot Cup were held.

On Monday, 4th March Old Boys Day was held and as usual was well attended. The traditional Old Boys v. The School XI cricket match in the afternoon was won by the Old Boys. The Old Boys' cricket bat, which is presented to the boy with the highest score, was won by J. Bandy.

The "Building of the Year" award was presented at the Assembly.

The Junior School Swimming sports were conducted very successfully on 5th March in the new pool. The honour of being the first faction to win the pool was attained by Blue faction.

On the morning of 6th March the Theatre Arts players presented "The Merchant of Venice" for Junior and Sub-Junior boys; and in the afternoon "Kentish Robin" for the Junior School.

On Wednesday, 6th the school XI played the Governor's XI. This resulted in a win for the Governor's team.

The Duce Memorial Scoreboard was opened during the afternoon of Saturday, 9th March. In the evening the Interschool swimming sports were held for the first time at the Beatty Park pool. Hale was placed fourth.

On Saturday, 23rd the Hale rowing regatta was held. The House IVs was won by Wilson House and all the school crews that raced satisfied their coaches.

On Saturday, 30th March our Second VIII made a convincing win at the Wesley regatta. Other Hale crews also did well in gaining minor places.

Tuesday, 3rd April the School swimming sports were held in the School pool and the honour of gaining first place went to Buntine House.

The School broke up for the Easter holidays on Thursday, 11th April and returned on Tuesday, 16th.

Mr. Little presented the coxswains with megaphones at the Rowers Assembly on Friday, 19th.

On Saturday, 20th April, the Interschool rowing regatta was held on the Narrows course. Hale was placed sixth but there was very little margin between the boats and consequently our crew is to be commended on their display.

The Rowers' Dance was held on the evening after the race and as usual was a bright and enjoyable evening for all present.

At the School Anzac Day Service, the Venerable T. B. MacDonald, Archdeacon of Perth, was the guest Speaker.

On Monday, 29th April, the term exams. began and continued till the end of the same week.

The School broke up for the May holidays on 9th May.

---

## SECOND TERM

On 28th May, School re-commenced after the May holidays.

The sporting activities for the middle term started immediately and the following sports captains were appointed:

*Football*—B. Jackson. *Rugby*—D. Ward. *Hockey*—R. Gray.

The first Interschool matches in football, hockey and rugby were played on Saturday, 8th June.

The Old Boys' annual golf day was held on Friday, 21st and on Saturday, 22nd, Old Boys' Dinner.

On Wednesday, 10th July the traditional Old Boys v. the School 1st XVIII football match was held on the School oval. There is little need to add that the Old Boys won.

The School broke up on 12th July for the mid-term weekend and returned on Tuesday, 16th.

The School exams. began on Thursday, 1st August and continued until Friday of the following week.

The annual Prefects' Dance was held in the Memorial Hall on Saturday, 10th August and was a complete success.

On Thursday, 15th and Friday, 16th the Junior School play was presented in the Hall and as usual was very successful. The play was written and produced by Mr. W. F. Longley.

The Cadet camps began on Monday, 19th August and ended on Monday, 26th.

Thursday, 22nd—School broke up for the August holidays.

---

## THIRD TERM

Third term began on Tuesday, 10th September. The School welcomed two new members to the staff, Mr. P. E. Holmes and Mr. M. F. Stallard.

The Cadet Passing-Out Parade was held on Saturday, 15th September and after the parade an overnight bivouac was held in the bushland of the School grounds.

Wednesday, 2nd October was Show Day holiday.

The School Athletics were held on the School oval on Saturday, 19th. The day was very successful, seventeen records being set.

On Saturday, 28th October the "Inters." were held at the Perry Lakes Stadium. We did well to come third to two good teams.

The trial Junior and Leaving certificate examinations began on Monday, 4th November and the School exams. began on the 21st.

Speech Night was held on Monday, 9th December.

### HONOURS

Late last year two Old Boys received Honours from the Queen. They were Dr. J. P. Ainslie, who was made a C.M.G.; and Air Marshal Sir Valston Hancock, who was made a K.B.E. The school offers its congratulations to these Old Boys, which the Editorial committee gladly endorses with apologies for their belated acknowledgement.

## *Staff Changes*

---

The following members of the Teaching Staff left at the end of 1962: Messrs. S. Braga, to whom reference is made in the Headmaster's Speech Night report; Mr. A. Kalotas and Major W. S. Sutherland, who were teaching part-time only; and Mr. J. Van Hattem, who has joined the staff of the Perth Technical School, to teach Cartography. Mr. T. D. Hoar had leave of absence from the end of second term to take up a year's appointment at Charterhouse.

New appointments have been those of Messrs. C. J. Ashman, R. D. McMath, A. R. Taylor and B. Towers, all also referred to in The Headmaster's report; and Mr. R. N. Keet, who has taken various subjects in first, second and third years.

At the beginning of third term we were joined by Mr. P. E. M. Holmes, M.A. (Oxon.) who, after 6 years in the Royal Navy, taught at Geelong Grammar School and served as Housemaster of the Junior Boarding House at Clifton College Preparatory School. A man of wide interests, he has played both cricket and hockey for Oxford as well as cricket for Somerset; and by Mr. M. F. Stallard, an ex-House Captain of Christ's Hospital and Honours Graduate in History of Cambridge University, where he rowed for Pembroke College. A young man, he is very keen on athletics and is taking an active part in Rowing. An Old Boy in Mr. H. Phillips is doing House duty in Wilson House.

We welcome these new men to the School and to those who have left offer our best wishes for their future careers.

---

During third term the School also lost the services of its energetic Matron, Miss Y. Riddlesdell, who has returned to England. The School will miss her vigorous personality and hopes that it will find happy scope in her future career.

To her successor, Mrs. K. O'Donovan, the school extends a warm welcome.

# *Speech Night*

---

SPEECH NIGHT, unusually early because of the Games, was held on Wednesday, 21st November, in the Memorial Hall. The proceedings opened with the National Anthem and prayer offered by the School Chaplain. The Captain of School's Report followed after which the Headmaster delivered his Report, a résumé of which is given below. The prizes and trophies were then presented by His Grace the Archbishop of Perth, the evening concluding with a vote of thanks to His Grace followed by his Benediction.

## *Headmaster's Report*

---

THE HEADMASTER opened his report with a reference to the impending Commonwealth Games, using the metaphor of a distance race: the School had now settled down to the hard grind of the race after the freshness of the early laps of the moving into the new school. The race had still a great many laps to go.

The year had begun with the opening of the Old Boys' Memorial Hall—and the rest of the year had proved its all-round usefulness, and again he offered his thanks to everyone concerned. As well the Old Boys had provided 600 chairs, enough to seat the whole school. The Hall had also served—and served with due appreciation—as a School Chapel for the Boarders. The Hall again proved its worth, from the point of view both of accoustics and stage effects, with the production of the "Pirates of Penzance". Nine Masters and 120 boys were involved as well as many Mothers. The Junior School Play and Concert associated with it were an equally great success and helped to lay the foundations of a School Orchestra. The Hall was thus proving a real cultural centre.

The new Swimming Pool was opened in October by Air Marshal Sir Valston Hancock, K.B.E., C.B., D.F.C., Chief of Air Staff, when a carnival was held to which seven local Primary Schools were invited. The Pool had been of great value for

recreation and serious training and again the School owed the Old Boys a tremendous debt. Other gifts, individual and collective, had left us with a great feeling of gratitude.

The Junior School was to be opened in 1963, enabling a larger intake into Senior School and giving the Junior School an entity of its own while definitely remaining a part of the whole Hale School.

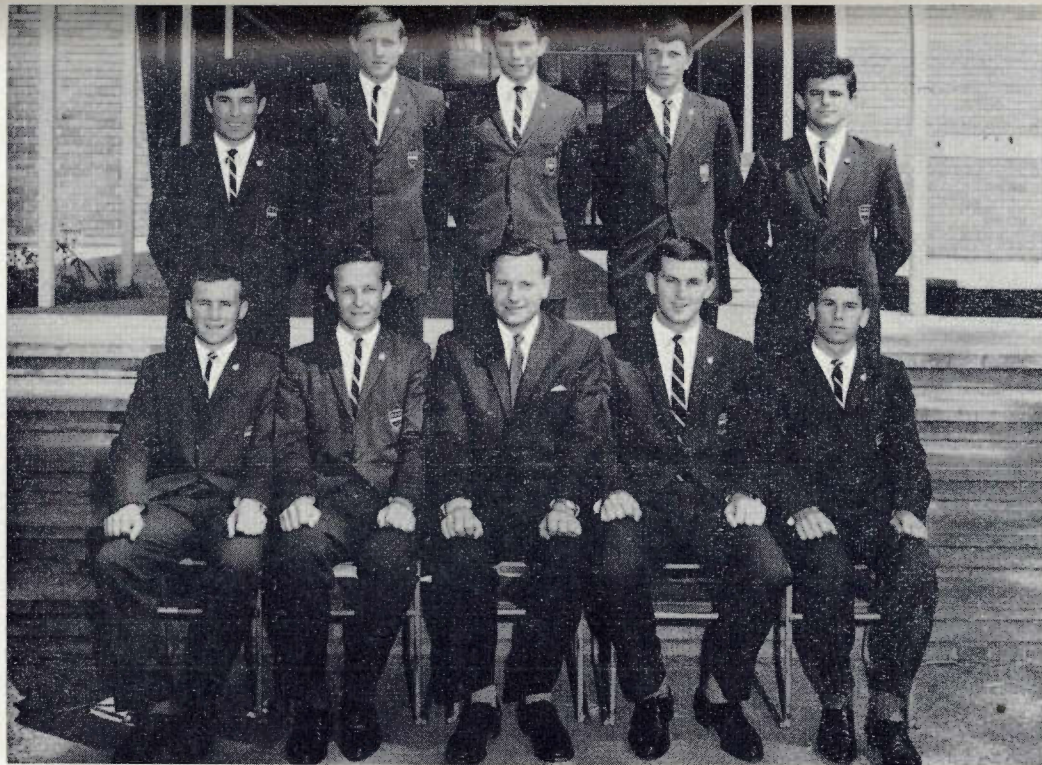

Of future developments, a further Boarding House was possible in 1965 and a worthy Chapel was an urgent need.

On the Academic side the 1961 Public Examination results had been very satisfactory both in Junior and Leaving and we gained 9 Commonwealth Scholarships. For next year we have planned a Non-Academic 4th Year course, containing English, and Mathematics and a general syllabus directed to the needs of boys taking up farming or a business career. It includes Agricultural Science, Woodwork, Technical Drawing, Economics and Accountancy, and Staff were working enthusiastically to make it profitable for all boys to stay at school until nearly 17.

The Headmaster then referred in appreciative terms to the loyal support of the Staff. He especially mentioned Mr. Braga, who was leaving and who had worked so hard to bring the Library up to its fine present state. New staff joining the School in 1963 were Mr. C. J. Ashman, to take charge of English; Mr. B. Towers, Mr. R. D. McMath, Mr. A. R. Taylor. Mr. L. Drake was passing on the control of the Army Cadet Unit—after 31 years, an Australian record when his war service was taken into account. Mr. Wheeler would take over his command in 1963.

Mr. L. Craig, Chairman of the Board of Governors throughout the planning and building of the new school, had felt it was time to pass on the Chairmanship to someone else and he welcomed Mr. Q. R. Stow as his successor. The Headmaster felt he was most fortunate in having such a kind and helpful Chairman under whom to begin his service. It was most satisfying that Mr. Craig was remaining on the Board to give further of his vast and wise experience. The Board had also lost the services of Mr. R. I. Ainslie, who resigned in July. His clear thinking and resolute determination had made him a wonderful right hand to Mr. Craig. He thanked him for his 13 years service to the Board. His successor, Mr. E. F. Downing, had already shown the same spirit of service given by his colleagues and predecessors.

His Grace the Archbishop was also closing his association with the school after maintaining the closest of interests. Besides

expressing appreciation of his interest, the Headmaster wished him a long and happy retirement.

The Parents and Friends' Association had continued its active support, especially in assuming responsibility for the structural work undertaken in connection with the Scoreboard donated by Mrs. Gordon Duce in memory of her son Peter. This was to be in use for the first Cup Match in 1963. The Association had wisely moved to retain interest of Parents and Friends by introducing Life Membership.

He thanked those Masters who had been in charge of Sports, Clubs and Societies especially Mr. Mill, coach of the 1st XVIII, and Mr. Altorfer, who had looked after the swimming through the trying Crawley days.

He paid a tribute to the Community at Wembley Downs, especially the Nursing Sisters, Sisters Woods and Gill. He thanked Sister Woods, who was retiring, for her 7 years devotion to the boys. The Matron, Mr. Potter (Head Groundsman) and Bursar had all controlled their departments in a most satisfactory way.

He then stressed the vital need for cooperation between Home and School, paying a tribute to the burden the House Masters carried in providing a valuable link.

In concluding, the Headmaster reverted to his opening metaphor and the self discipline of the athlete. In our modern civilisation we had to contend with softness. Things were easy for modern youth. The various disciplines of school life could help tremendously without smothering personality or stifling initiative.

## *Captain of School's Report*

YOUR GRACE, GOVERNORS OF THE SCHOOL, HEADMASTER, MEMBERS OF STAFF, LADIES AND GENTLEMEN, AND BOYS OF THE SCHOOL,—

This year the School Prefects were appointed somewhat later than last year, with the result that it took many boys quite a time to succumb to any sort of Prefectorial discipline. In general, our Boarding Houses provide a notable lesson to the other Houses, with their good bearing before and in Assembly.

Assembly was held this year in the Old Boys' Memorial Hall, and the School especially appreciated the chairs that were installed later in the year.

Yet, my main duty tonight is to detail our sporting activity for the year and offer encouragement to the supporters of the School as to our future success.

Our Cricket Team this year figured in some exciting matches and succeeded twice in defeating teams which finished higher on the list in the competition. However, although fifth place only could be gained, this team, well led, showed a spirit which stood the School's name in good stead. There were several young players in the team and they should develop into a strong team in the near future.

This year, the Rowing Coaches had to gamble on boating a light, if experienced crew, and thought it reasonable as in April light, following conditions usually prevail. However, we faced quite a stiff head wind and we came sixth. The other light crew of the race was an example to us, but our crew was somewhat dispirited by the conditions. On the brighter side, we have heavier boys with some experience now, and they should form a powerful combination next year, a minor success having been recently gained. The spirit throughout the season was high, and the School provided great support on the day, and we did manage to take off the inaugural Fifth Crew's event.

As was the case last year, we came fourth in both the Swimming and the Athletics. Once again, our younger age groups performed most creditably, which provides encouragement for hope of future success here. Both these sports require great determination by the athletes, swimming training not being merely a refreshing dip. Once again, it was the various field events that let us down in Athletics, but we now have the facilities for these and can improve them.

Our Football Team, undoubtedly the smallest and youngest in the competition this year, acquitted themselves very well in the first round fixtures and showed tremendous spirit. The second round saw the team dogged with injuries and some of the team's spirit naturally disappeared. With many of the team returning, next year, should definitely see us obtain a position better than this year's fourth place.

The Rugby Team, once again the lightest team competing in this year's competition, deserves a special mention for its determination in defeating many larger teams. The team had quite a bit of experience as many of the boys have been playing since the introduction of Rugby as a sport three years ago. In coming third in their competition, the Rugby Team provides others with an excellent example of playing the game as it should be played, and not bothering about the size of the opposition.

Although the Hockey Eleven failed to win a game, they fought gamely in the face of experienced opposition, and the success of the Junior Hockey Teams this year was most encouraging.

In place of the Annual School Play this year, Mr. Bambach produced the Gilbert & Sullivan Opera "The Pirates of Penzance," which proved to be a huge success, and was repeated at the request of the Fund-Raising Committee for the Empire Games. As a result of the time taken with this production, and the year's timetable, both the Dramatic Society and the Debating Society were not very active during the year, the latter having only one inter-school debate.

The I.S.C.F. met nearly every Wednesday under the guidance of several of the members of the Staff. Cadet activities were also somewhat restricted this year, but earlier this term the Army went on bivouac and the A.T.C. celebrated the coming-of-age of their national Unit.

Our Charities contributions this year amounted to over £250. Again, the two Boarding Houses were well to the fore, contributing between a third and a half of the total. It is entirely up to the individual boy, but it is hoped that next year, day boys will be more generous.

Previous School Captains have stressed that it is ability and spirit that ensures success in sport. The first is rather obvious, but at the moment, several boys find it difficult to feel enthusiastically about supporting School teams regularly. Naturally enough, the day-boys regard the week-end as theirs, but within all School teams this year, there has been a good spirit. The School rallied this year on several occasions, but failed when it came to regularly supporting the Cricket and Football Teams. Many times our teams showed what they could achieve with their own team spirit and the keen support of the School.

To succeed in Sport, which will build up the name of the School to even greater heights, we must have discipline within the School, this meaning co-operation. There is a great deal of truth in the rather hackneyed expression: "What you obtain out of a thing depends on what you put into it." If the younger boys of the School bear this in mind, while reaping rewards and satisfaction for themselves, they will be ever enhancing the name of our great School.

### FIRST TERM

On Monday, 11th of February, most boarders returned from holidays, plus sixteen new boys. Brian Cadd, Max Milne and John Sewell were appointed house prefects, and Peter Wills house captain. Later in the week, Peter Wills and Pat Sewell were appointed school prefects.

We wasted no time in getting down to serious training in preparation for the oncoming House Swimming Sports. Particularly in this regard we owe our thanks to Mr. Bennett for the time he put into training us and I am sure the benefits of this were seen on Sports Day, when Faulkner House rallied from being last in the two previous years to gaining 5th position this year.

In the other summer sports, Franklin Randell kept wickets for the 1st XI cricket, while Pat Sewell and Kevin de Gruchy were members of the open and under 15 tennis teams respectively. In the Minor Sports competition, we appeared to lack some of last year's ability; although the house gained only a minor position, the spirit was maintained at all times. The same can be said of the House cricket XI, who appeared to be dogged with bad luck throughout the season.

Faulkner House boys who swam in the Inters. were Bob Jolly, Edwin Young and Adrian Fawcett, while Allan Hindley, Allan Broun and Malcolm Cousin were reserves.

Our congratulations to Wilson House on a fine win in the House Rowing Fours; we managed 2nd place, which was a notable achievement by our rowers, considering that our crew

(Peter Wills, Brian Barrows, Kevin Minson, Malcolm Borgward, and cox Christ Johnson) were the only full time rowers in the house. Faulkner House boys who rowed on Head of the River Day were Kevin Minson, Brian Barrows (1st eight), Peter Wills (2nd eight) and Chris Johnson (cox 1st four).

This year an inter-Boarding House cup has been inaugurated, thanks mainly to the efforts of Mr. Milne and Mr. Hoar. Our first clash with Wilson House resulted in a substantial victory over the latter, during a swimming carnival held privately one weekend. However, we had the tables turned on us in a cricket match some weeks later; Wilson House winning by five hard fought runs.

Towards the end of 1st Term, the house was honoured with a surprise donation made by Steven Hazlett's father, who presented us with a very valuable and picturesque wall-map of W.A. On behalf of the House, we sincerely wish to thank Mr. Hazlett for this gesture, as we are sure the map will be of lasting benefit to the boys of Faulkner House.

By the same token, we wish to extend our thanks to Mr. Thorley Loton, who donated to us a framed photograph of a past Headmaster, Mr. Faulkner, after whom our house is named.

On May 9th, the term ended, and most boarders travelled homewards to a welcome holiday.

## SECOND TERM

2nd Term began with the notable absence of Ian Kopke, who has left the school after being with us for nine years; we wish him the best of luck for the future. At the same time we welcomed Paul Skinner to our ranks, a migrant from Buntine House.

Interhouse football soon began, this year it being confined to junior teams; our representatives played well above themselves to be placed 5th. As part of the previously mentioned Inter Boarding House Competition, a senior match was held with Wilson, who, after a gruelling struggle, ran out winners by one goal. We were also narrowly defeated in the hockey played on the same day, the score being 3-2. Congratulations, Wilson House.

Those from Faulkner House who represented the school in the 1st XVIII were: Pat Sewell, Paul Skinner, Brian Barrows, John Bishop and Franklyn Randell.

Interhouse hockey resulted in a win for Faulkner House in the junior competition, this team performing a remarkable feat in having no goals scored against it throughout the season. Our seniors finished second, and the two age groups combined enabled us to win the Interhouse hockey competition for 1963. Max Milne, Bill Drewe and Michael Warren were members of the school 1st XI hockey team, while Kevin Minson, Jon Scott, David Boyle and Steven Hazlett played in the 1st XV rugby team. Congratulations to Minson and Scott on their selection in the State Schoolboys' Rugby team.

During mid-term a boarders' social was held with St. Hilda's; it proved a great success, and we wish to thank those who helped in the preparation of supper, particularly Mrs. Milne and Mrs. Hoar.

Towards the end of term we were shocked to hear of the death of one of our last year's House Prefects, Robert Priestly, and on behalf of the House we wish to convey our deepest sympathies to his family and friends. At this stage Graham Priestly left us and returned to his father's farm, taking with him the best wishes of everyone in the House.

During the lasts week of term we had a happy surprise when three new House Prefects were inducted by Mr. Milne. Congratulations to Bill Drewe, Kevin Minson and Talbot Temby on their appointments.

---

### THIRD TERM

Term began with the entry into the House of Rodney Davis, a former day-boy. Athletics got under way almost immediately—all boys trained exceptionally hard and with the aid of an early morning training session, hopes were high for a repeat of last year's victory. In the cross-countries we gained first position, being placed second in the standard trials and second on Championship Day.

Best performances were by Pat Sewell (Under 17 Champion), Bill Drewe (runner-up Champion) and Brian Barrows.

These three competitions combined gave us victory in the Interhouse Athletics for 1963. Faulkner House boys who competed on "Inters." day were:

PAT SEWELL, BILL DREWE, BRIAN BARROWS, MICHAEL WARREN, STEVEN HAZLETT, KINGSLEY WOOD, JON SCOTT and EDWIN YOUNG.

In the table-tennis division of the Inter-Boarding House Cup we were narrowly defeated by Wilson House; although

we re-established ourselves by winning the tennis, Wilson won the Inter-boarding House Cup in a photo-finish, the winning margin being 1 point. This new phase of boarding house activity has proved a great success and we hope that it will be carried on in a similar manner in future years.

As the "Cygnet" goes to print, the Tennis and the Cock House Cup Competition is incomplete; however, the House has had a very successful year, not only in sport, but in all other spheres.

### FIRST TERM

First term began with the House Captain and Prefects having been already appointed.

The first sporting event was the swimming, in which Don Chipper, Robert Lapsley and Kevin Reichelt gained places in the Interscholar team. As one can see, the house was not exceedingly strong in swimming talent and so in the house sports we filled last place, but nevertheless everyone showed great spirit to the end. Congratulations, Buntine House, on a fine win!

Rowing appeared to be just the reverse of the swimming situation. The House was strongly represented by some eighteen boys rowing this year. Of these eighteen Roger Berg (stroke), Hamish Cowan (3), Tim Phelan (2) and Tony Scott (bow), Philip Stone (cox) obtained seats in the House Four which, in reaching the final, had a great race against Faulkner House to come out victorious on the day. Boys who rowed in the Head of the River were Roger Berg (stroke of First Eight and School Rowing Captain) and Hamish Cowan in the First Eight; Tim Phelan and Rodney Thomson (Second Eight); Paul Blacker, Byron Sutherland and Tony Scott (First Four); Peter Green, Lester Underdown and Philip Stone (Second Four); Brett Nielsen and Brian Piesse (Third Four).

Other notable sporting members in the House were Lex Hardie, who gained a place in the School Tennis team; Bob

Rose and Barry Jefferis, who represented the school in the First Eleven Cricket team.

The House Senior and Junior Cricket teams were victorious in their respective divisions and the House won first place in combined results. Well done, cricketers!

This example was followed by the Minor Sports teams, which both came second in their respective age groups; and the overall result of the two sides provided another first place for the House.

This year an Inter Boarding House Cup was instituted. A Sports Council for the same was elected and general rules were laid down. The first sporting contest was swimming, in which Faulkner provided far too strong opposition to the House team. Not to be outdone, though, the House kept up a great fighting spirit and won the Rowing and the Cricket, to be just ahead on points at the end of the term. The House at this stage appeared well in the running to take off the Cock House Cup for 1963.

---

## SECOND TERM

This term there were three sporting competitions held: the Junior Football and Hockey, and the Senior Hockey. The Senior Football was abandoned this year to avoid unnecessary injuries.

The house had very high hopes in all three sports but the Junior Football team were not strong enough to win many of its matches. The Junior Hockey team fought well but were unlucky to gain only third place. The Senior team shone brightly and won their competition. On paper they were a team easily beaten but a fighting house spirit rose above personal ability. Congratulations, Hockey players. On combined results the house was second to Faulkner in the Hockey and fifth in the Football.

In the Inter Boarding House Cup Competition the house was victorious in both Hockey and Football. The hockey was won by a goal, in a very exciting finish. In the football the winning margin was once again a goal. At this point in the competition the House had a huge lead over Faulkner and needed to win only one more match to take off the cup.

Towards the end of term a social was arranged with St. Hilda's by the Senior Boarders of both houses. The dancing (which was of the wildest type) was held in the House common room, while Faulkner house was used as the "food centre". The social finished at 11 p.m., ending an evening enjoyed by everyone concerned.

About the seventh week of term it was announced that Mr. Hoar and family were leaving for England for a year, where Mr. Hoar would extend his studies in the field of mathematics. The House, to show their appreciation, presented him with a brief case and Mrs. Hoar with a wool travelling rug. Mr. Poake relieved Mr. Hoar of his house duties and everyone is confident he will do just as fine a job.

At the end of this term we wished Barry Jefferis "all the best" in his future life as he would not be returning next term.

---

### THIRD TERM

Athletics were the focal point in House activities this term.

In the Cross Country competition the House came fourth but proved its worth in the trials held for boys not competing in "Inters." selection, by winning the competition.

On Sports Day Faulkner ran out comfortable winners from Buntine while we managed fourth place, eight points behind Stirling. Well done, Faulkner.

Individual performances on the day were very good. Greg Norrish and Alan Shipway were Under 16 and Under 15 champions respectively.

Members of the House who won events were:

T. PHELAN—Open High Jump.

G. NORRISH—100 Yards (Equal Record), 220 Yards (Record), 440 Yards (Record), Long Jump. Under 16.

I. ANDERSON—Hurdles. Under 16.

A. SHIPWAY—Hurdles (Record). Under 15.

Six boys managed to gain selection in the School Athletics team. These were:

T. PHELAN, R. BERG, T. SCOTT, G. NORRISH, I. ANDERSON and A. SHIPWAY.

Overall the House was placed second in the Athletics, behind Faulkner, who once again showed supremacy in this sport. Congratulations, Faulkner.

In the Inter-boarding House Competition there was a photo finish. We fielded a strong team in the table tennis which just managed to defeat our rivals by nine points in a tense battle. Faulkner won both the Athletics and Tennis, which brought them almost on par with us. A final tally of points gave us the *V. S. Murphy House Masters' Cup*, in its first year, by the margin of one point.

Mr. Poake, the new Housemaster, did a grand job in the final term. His encouragement to the boys in Athletics and in every other aspect of school life has been very thoughtful and we all wish him the best for next year.

## *Stirling*

*House Master:* Mr. B. MASSEY

*House Captain:* P. VISKA

*School Captain:* B. J. JACKSON

*School Prefects:* B. J. JACKSON, P. VISKA

*House Prefects:* P. J. PEARSON, D. H. WARD

---

### FIRST TERM

First term began with the appointment of B. J. Jackson as School Captain and P. Viska as a School Prefect, and Captain of the House.

The first sporting event conducted was the Interhouse Cricket, in which the Senior team was placed seventh, and the Junior team, a creditable third.

The Interhouse swimming competition was the next Interhouse sporting activity to be conducted. Here the House fared extremely well, gaining a well deserved second. Congratulations to Buntine on their win. As a result of the swimming competition G. E. Taylor and B. M. Shenn were Under 16 and Under 13 champions respectively.

In Interscholar sporting competitions, the House was represented by the following: B. J. Jackson and G. A. Trinder in the First XI; D. Stickland and D. H. Ward in the First VIII; P. Viska (Vice-Captain), R. J. Heath, D. Mill, T. Mill, J. M. Reddrop and G. E. Taylor in the Swimming; P. Viska (Capt.) and G. E. Taylor in the Lifesaving.

P. J. Pearson, P. Viska and D. I. Freedman were appointed officers in their respective cadet forces.

On the Academic side, B. J. Jackson was elected Editor of the "Cygnet" Committee, and P. J. Pearson and M. A. Vallis members; D. I. Freedman was elected President and B. J. Jackson, P. Viska and M. A. Vallis members of the Dramatic Society Committee; M. A. Vallis (Secretary), P. Viska and P. J. Pearson were elected members of the Debating Society Committee.

## SECOND TERM

Early in second term the Interschool sporting appointments were made for football, hockey and rugby. Stirling House distinguished themselves by gaining four out of these six appointments. They were as follows: B. J. Jackson (Captain 1st XVIII), A. R. J. Sherwood (Vice-Captain, 1st XI) and D. H. Ward and P. J. Pearson (Capt. and Vice-Capt., respectively of the 1st XV).

We won the Junior Football competition by exercising a team spirit which won the admiration of all those concerned, and also won the matches by more than "just a few points." They were beaten only once, by three points, and in the second round, they thrashed their first round conquerors by over ten goals.

The House hockey team did not fare as well, yet their spirit was like that of the football team, and they were placed in fourth position.

P. Viska, G. A. Trinder and J. Bishop were in the 1st XVIII and A. D. Self and C. J. Prosser in the 1st XI.

---

## THIRD TERM

The Interhouse Athletics competition was held on Saturday, 19th October. The House came a well deserved third, the place-getters on this occasion being as follows:

B. J. JACKSON, P. VISKA, R. J. HEATH, M. A. VALLIS, G. A. TRINDER, J. VISKA, D. J. MILL, D. V. NAIRN, R. D. BELL and B. M. SHENN.

The final sporting event to be conducted was the Interhouse Tennis competition, in which the House fared extremely well in the Under 16 and Under 14 age groups, but not so well in the Open competition.

Again we have to thank our Housemaster, Mr. B. Massey, for the smooth functioning of the House throughout the year.

---

## *Buntine*

---

*House Master:* Mr. L. DRAKE

*House Captain:* A. L. WALL

*School Vice-Captain:* A. L. WALL

*House Prefects:* D. E. BARTON, J. W. BOLTON, J. F. LONGLEY

---

### FIRST TERM

The School returned on the 12th of February, and the first House meeting was on the following morning. Mr. Drake welcomed all new boys to the house. Buntine House representatives in the Interschool Swimming Sports, which were held before the House Sports, were: R. McDonald, P. Skinner, G. Jones, D. Bedbrook, A. Peppercorn and I. Smith.

The Interhouse Swimming Sports was the first interhouse competition this year, and the House, as last year, "took off" the Swimming Cup. Those swimming well for the House were: R. McDonald, P. Skinner, G. Jones and D. Bedbrook. All relay teams acquitted themselves well to win two out of the five relays.

The House was unable to boat a crew in the rowing regatta and lost all chances of any extra points towards "The Cock House Cup."

Buntine had three regular representatives in the First XI Cricket team: J. Bolton, H. Gwynne and G. Moss. The House was very disappointed to lose the senior House cricket final, if by only a small margin. The House eventually filled third place in the whole competition.

Buntine had only one representative in the First IV Tennis team, that being A. L. Wall.

---

### THIRD TERM

At the School Athletics we managed to win with 213 points, defeating the closest house by 21 points. Those to perform well in a good all round team effort were:

I. BARRETT, who was the Under 14 Champion and who broke a record in the Under 14 220 Yards.

W. HODSDON, who was runner-up to the Under 15 Champion.

D. BARTON, who was runner-up to the Open Champion and who also broke records in the Open Mile and Half Mile.

P. SKINNER, who broke a record in the Under 17 Shot Put and also won the Open Shot Put.

N. ROSE, who broke the Under 16 High Jump record.

The House was represented in the "Inters." by:

J. ABRAHAMSON, I. BARRETT, D. BARTON (Capt.), D. BEDBROOK, J. BIRD, S. BOSICH, W. HODSDON, G. JONES, A. PEPPERCORN, N. ROSE, G. SCOTT, S. SCOTT, P. SKINNER, R. TARIK and A. WALL.

In the house tennis competition Buntine was undefeated in all age groups at the time of writing. We are in a good position to succeed in at least one age group.

In general, Buntine House's performances in the sporting field during third term were quite creditable. At the time of writing we still have a chance of winning the Cock House Cup.

## *Haynes*

HOUSE MASTER: Mr. J. D. BAMBACH

HOUSE CAPTAIN: P. R. SIMPSON

HOUSE VICE-CAPTAIN: R. B. MALE

SCHOOL PREFECT: P. S. SIMPSON

HOUSE PREFECTS: P. R. FLOOD, R. B. MALE

In addition to those listed above, Michael Ryan and John Harris were chosen for control of minor activities when house prefects were not available.

In House Cricket we were, on an overall average, second to Wilson. In the 1st XI were Peter Simpson (Captain) and John Bandy.

In House Swimming, well led by Bruce Strickland, we finished third. Other Interschool swimmers were M. Benson, H. Leys, P. Bevan, D. Yates, W. Wilkins and C. Prince, whose spirited efforts won him his colours.

In Rowing we came third and supplied five of the Second VIII.

## SECOND TERM

In Junior House Football we were second to Stirling. In the 1st XVIII our representatives were P. Simpson, J. Bandy, P. Flood, B. Strickland, R. Male and I. Collins. Congratulations to Strickland and Bandy on getting their colours; and to Collins who, though only in Second Year, showed wonderful potential.

In Hockey the best we can say is that M. Ryan and H. Leys were in the 1st XI.

In the Rugby 1st XI we claimed G. Wedd, C. Prince and I. Ledingham.

---

## THIRD TERM

Cross Country championship produced good athletes in G. Harris, P. Bevan and I. Collins.

In the House Sports B. Strickland was open champion, breaking a record in 120 yards hurdles; I. Collins broke a record in winning the Under 15 220 yards; and the Open relay team—K. Chapman, P. Simpson, M. Bennett and B. Strickland—gained two seconds and three thirds, Collins four seconds and Chapman two thirds.

J. Harris was Senior Officer in the Naval Cadets; R. Court and A. Johnson did well in Debating; and I. Ledingham, H. Leys and M. Bennett proved capable Actors for the Dramatic Society.

---

*Riley*

HOUSE MASTER: Mr. WHEELER.

HOUSE CAPTAIN: C. J. WHEATLEY

SCHOOL PREFECTS: R. NEGUS, T. EYRES, T. RILEY

First term began with Courtney Wheatley's being appointed House Captain and Richard Negus, Tom Eyres and Tim Riley, House Prefects.

The first interhouse competition was the school swimming sports. The representatives of the house swam well and finished in fourth (one point behind Haynes) position with the most outstanding competitors from Riley being Richard Negus, Peter Clark, E. D. Fethers and Milton Parry. These boys represented Hale in the Interschool swimming and life-saving.

Under a new restrictive system for interhouse rowing, Riley was unable to enter a crew. However, the house was represented by Courtney Wheatley in the First VIII and Tom Eyres in the First IV.

The under sixteen and open house cricket teams were placed third and equal fifth respectively, the open team finishing ahead of Stirling House. Antony Watson, who led the open team, was a member of the First XI cricket team.

There was no open house football competition but the houses were represented by Under 14 teams. Riley played well throughout the season and finished in third position.

Members of the First XVIII were Richard Negus, Peter Eakins, Ross Nicholas, Rob Liddell, Doug. Gerloff, Tom Eyres and Don Wormald, a very promising player from the Under 14 team.

The open Hockey team was equal fifth with Haynes and the junior team played vigorously to finish in third position.

Tim Riley played in the First XI hockey team.

Courtney Wheatley was a member of the Rugby First XV.

The programme for the Athletic competition was spread over several weeks and finalized on sports day when the championship events were held. The House scored very well and at the conclusion of the closely contested sports it finished ahead of Haynes and Parry overall and was placed third on Sports Day. Our most prominent athletes were Peter Blizzard, Milton Parry, Doug. Gerloff, Rob Liddell, Ed. Fethers. Antony Watson, Tom Eyres and Richard Negus, who competed for Hale in the Interschool Athletics. Peter Blizzard gave the most outstanding performance by winning the second division of the Under 16 Mile.

The House's sporting achievements this year showed a marked improvement on last year's results. This is a reassuring indication that the spirit and sporting capabilities of the House are still growing stronger and even greater achievements in the coming years are confidently expected.

## Parry

HOUSE MASTER: Mr. G. N. ALTORFER

HOUSE CAPTAIN: M. E. BOSICH

SCHOOL PREFECT: M. E. BOSICH

HOUSE PREFECTS: R. L. GRAY, P. J. LEONHARDT

---

### FIRST TERM

At the first house assembly on February 12th, Milan Bosich was appointed House Captain. Two weeks later R. L. Gray and P. J. Leonhardt were elected House Prefects. Roger Gray was also elected Captain of Sport for the House.

The House swimming team was capably trained with the aid of Mr. Altorfer and Tim Hantke to bring the House to the equal fifth position in the House swimming sports. The House congratulates Tim, who compiled approximately half the points scored by the house.

In the cricket the House came third, much to the credit of Roger Gray, who played for the 1st XI.

A Four manned by Darling, G. Gray, Reader and Bosich, with Leonhardt as cox, managed fifth position in the Interhouse rowing. This crew rowed against superior crews and only skill obtained them their position. Darling represented the House in the First VIII. P. Leonhardt showed great courage in resigning as cox of this First crew because he was slightly overweight.

---

### SECOND TERM

This year Interhouse football was conducted only in the junior division. Parry House was unfortunately outclassed by the other houses and could manage only last place.

In the hockey, however, a senior division was introduced this year and in this and in the junior competition the House fared very well. The juniors finished in second place and the seniors in third, the House finishing third in the competition after these two results were combined.

Although the House had a weak junior football team, we were well represented by M. E. Bosich, P. B. Reader, I. V. Wickens and T. R. Hantke in the First XVIII.

With our high standard of hockey it is not surprising that G. B. Gray, P. J. Leonhardt, D. T. Irvine and R. L. Gray should represent the House in the First's hockey team and that R. L. Gray was captain of hockey.

D. C. Darling was our lone representative in the First XV rugby team.

---

### THIRD TERM

Athletics being the major Third term sport activity meant that all members of the House were to participate in either the 'Inters. Squad' or 'House training' in preparation for the House sports. Although unsuccessful this year, the boys of the House are to be commended on the way they competed and on the strong representation in the heats.

Members of the House who performed well and qualified for finals were Milan Bosich, who won the Open 440 yards; Tim Hantke, winner of the Under 16 shot put; G. Gray, winner of the Under 15 shot put; Mills, who won the Under 14 high jump; Ian Wickens, who qualified for the Final of the Under 17 100 yards and 220 yards. All of these represented the School as members of the Inters. team. Milan Bosich was Vice-Captain of athletics.

The House was represented in Dramatics by Mr. Altorfer, who produced the school play "His Excellency", and members of the cast Peter Leonhardt and Graham Glover.

The charity contributions by the House for this year were more than double that of any previous year. This reflects the slowly expanding House spirit which is gradually pervading the members of this young house—a spirit which was also evident in the increased interest in Athletics.

---

CONTRARY TO PREVIOUS CUSTOM, the School Sports were held after the Interschool Swimming Sports.

---

### INTERSCHOOL SWIMMING

On Saturday, 9th March, at 7 p.m., the Sports were held for the first time at Beatty Park Aquatic Centre. Guildford were again favourites and justified their supporters by winning by a comfortable margin.

Although the school had to be content with fourth position, our swimmers gave a creditable performance and were strongly supported by all members of the school.

Those who gave outstanding performances: G. E. Taylor, D. C. Wormald, D. A. Bedbrook, P. B. Skinner; and the Under 14 and Under 15 Relays.

Thanks must go to Mr. Poake and Mr. Bennett and several other part-time coaches, for their time spent in preparing the team.

## CAPTAIN: P. VISKA

A short training programme was inevitable because of the school swimming sports being held late. Hale was represented in the Law Shield and Connolly Cup, but the rip tide and the accompanying jelly fish of Crawley were missed at Beatty Park. For the first time in years the weather was fine.

## LAW SHIELD :

"A" TEAM—B. C. Strickland, R. E. Negus, P. Viska, G. E. Taylor.

"B" TEAM—W. A. James, E. D. Fethers, M. H. Warren, H. J. Leys.

The "A" and "B" teams were confronted with three very powerful sides who all broke existing records: Governor Stirling,

Guildford Grammar School and Wesley College. Our "A" Law Shield team, placed a close third, was our most successful team. The "B" team finished 4th in both their heats.

#### CONNOLLY CUP (Under 15):

G. K. Jones, D. C. Wormald, K. A. Riechelt, G. J. Parker.

The Connolly Cup team failed to qualify in its heat.

The reason why we did not enter a McFarlane Cup team this year was that there was a conflict between the House training and the Life Saving training. This made things difficult for this particular team.

Unfortunately Mr. Altorfer informs us that this competitive year will be the last until sufficient interest is shown in Life Saving. This lack of interest may be put down to the lateness of the school swimming sports. Thanks must go to Mr. Altorfer and we hope he will once again coach the teams, for success is a jump—or a touch—away.

## HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT WESLEY ON THE 1st and 2nd MARCH, 1963.

Hale began the season badly by bowling poorly to a mediocre batting side on a lifeless pitch. Wesley's 225 runs were too much to overcome, although our batting was a marked improvement on our bowling.

Simpson, Bolton and Rose, however, made notable contributions and the result was that at the end of a lifeless match Hale had lost by a small margin on the first innings, with Bobby Rose providing the bright note in the Hale camp.

## HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

PLAYED AT HALE SCHOOL ON 8th AND 9th MARCH 1963.

Once again the fast bowlers failed to support the batsmen, who had done well to compile 168 runs and the visitors had no trouble in making 306 runs for a loss of only 3 wickets.

However, in the second innings it was the Hale batsmen who showed no determination in failing by only 14 runs to bridge the deficit left by Christ Church's first innings and hence caused Hale to lose outright.

## HALE SCHOOL v. AQUINAS COLLEGE

PLAYED AT HALE SCHOOL ON 16th AND 17th MARCH, 1963

Soon after the commencement of the Aquinas innings on Friday a heavy thunderstorm broke, causing a sticky wicket for the rest of the match.

Regardless of this, Aquinas declared at 6 wickets down for 253 runs, and Hale, although 1 for 91 at one stage, collapsed for 143 and were forced to follow on.

Only Peter Simpson showed his class in both innings by compiling two half centuries, while John Bolton's 30 runs in 20 minutes was an encouraging feature of a rather lifeless match, which the visitors won on the first innings.

## HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT SCOTCH COLLEGE ON 22nd AND 23rd MARCH, 1963

Despite hopes of victory against Scotch, Hale were beaten on the first innings after a poor display of batting, and a succession of dropped catches, which allowed Scotch a lead of 100 runs on the first innings.

In Hale's second innings only Simpson and Bolton put up any resistance to an outright loss, which was luckily averted by our playing out time.

## HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

PLAYED AT HALE SCHOOL ON 29th AND 30th MARCH, 1963

Although the home team began auspiciously by compiling over 200 runs the Hale bowlers failed to capitalize on their advantage and allowed Guildford to gain a win on the first innings.

Despite the fact that the team finished last it remained as a happy group throughout the season and never lost heart at any stage.

The season ended with a party at David Irvine's home, where the 1st XI and the captains of the other summer sports with their partners enjoyed some dancing and a sumptuous supper.

The team would like to take this opportunity of thanking Mr. Bandy for his patience, optimism and enthusiastic coaching during the season.

# ROWING

CAPTAIN: R. A. BERG

Rowing commenced immediately after the Interschool Athletic Sports in Third Term last year. Mr. Drake was remaining as Master-in-Charge, and was later joined by Mr. Taylor in First Term. Mr. Van Hattem left the school to take up a lecturing position at one of the city's Technical Colleges. Mr. Ross Little once again was coaching the First Eight, while Messrs. David Walker and John Little coached the Second Eight and First Fours respectively. The remaining two fours were without coaches, but they made do with helpful hints from the coaches and coxswains.

At the start of First Term solid training was undertaken to remedy the general unfitness after the summer vacation. All boys were requested to do individual exercises and P.T.

For the start of the season the First Eight rowed in the "V. S. Murphy", the shell used by last year's crew. They later rowed in the new shell, the "R. A. Little", which proved to be popular with both coach and crew.

The Wesley Regatta was the first competitive meeting of the season. The 2nd VIII, 2nd and 3rd IVs participated amongst crews from Wesley, Guildford and Aquinas. The 2nd VIII and 3rd IV won their races in grand style, while the 2nd IV could manage only fourth.

By this time all the crews were combining well and prospects for the year were quite bright. The 1st and 2nd VIIIs were now rowing on Sunday mornings to get that little extra training required for moulding a good crew.

The final Regatta before the Head of the River was the State Regatta held on the Empire Games Course on the Canning River. The 2nd, 4th and 5th crews competed and once again the 2nd VIII proved too strong for their opposition and ran out easy winners, while the other two crews managed 3rd and 5th respectively.

There was now only about a month to go before the big day. It was arranged that the 1st and 2nd VIIIs and 3rd IV

would stay in Perth over the Easter period to do extra training, but owing to shocking conditions very little training was done. The State Crew very kindly allowed us to keep our shells in their sheds at the Canning River Course, where we could row in calmer water. Over this period the 1st VIII had several successful trial races against the State crew.

The pressure was really on now and both boys and coaches threw everything they had into perfecting the style and stamina of the crews. It was predicted that the "Firsts" would be at their peak form on the day of the race, which was great news to everyone.

Finally, our sincere thanks go to Mr. Drake and Mr. Taylor, who did a grand job in keeping the boys and sheds "ship-shape". The sheds would not be the same without some of Mr. Taylor's prize German phrases and actions.

Thank you also, coaches, especially Mr. Little, for giving up a great amount of time and putting in a lot of effort into the moulding and conditioning of the crews. The boys hope to see you back on the job next year and for many years to come.

#### HEAD OF THE RIVER

On Saturday, 20th April, the morning of the Head of the River, the crew waited calmly for a race that meant the termination of three months' solid training. Conditions were tricky with a moderate easterly wind causing side water, which was not beneficial to any particular crew.

The start was rather difficult for most crews; but Aquinas, handling the conditions well, drew away rapidly to gain a handsome lead by the first quarter of a mile. At the end of the half

mile we were several feet ahead of the other crews, which extended in a line behind us. Our rating dropped and almost immediately the other crews began to gain on us. We were unable to raise it again quickly enough and the result was the dropping back to last place. As we approached the Brewery the other crews were quite well ahead with Aquinas still in the lead.

This was not be the result; for Christchurch, who had been keeping with the field, suddenly raised their rating and with a fine example of power rowing, overhauled the favoured Aquinas crew to record yet their fifth victory for the day. Congratulations, Christchurch, on a truly remarkable effort!

### HALE SCHOOL REGATTA

THE HALE REGATTA was held on a Saturday morning three weeks prior to the Head of the River.

The morning commenced with the traditional final of the house fours, which was won by Wilson, who defeated Faulkner. This was followed by the win of David Ward (bow), D. Stickland (stroke) and C. Humphry (cox) in the championship pairs.

The climax of the regatta was the naming of the new "eight", the *R. A. Little*, which was christened by Mrs. Little. The crew then took the eight and rowed to a fifth position, half a length behind the winning crew, in the Invitation Eights event.

The mothers, rallied together by Mrs. L. Drake, supplied an excellent morning tea as a finale to the Regatta.

## ROWERS' DANCE

Traditionally the Rowers' Dance was held on the night of the Boat Race and was once again a great success.

Crew members, senior boys, Old Boys and several outside school crew members, participated in the revelry. All in all it was a very lively show, greatly appreciated.

Roger Berg, stroke of the first eight, thanked the masters and coaches, especially Mr. Little, for the time and effort they had put into training the crews.

Once again a magnificent supper was provided by the mothers of the boys in crews. No doubt without such thoughtful preparation behind the supper and organisation the dance would never have been such a success.

### ALCOCK CUP COMPETITION

This year Mr. A. J. Macmillan took over the position of Coach. Some good pre-season training led us to be optimistic of results for the Alcock Cup — with what justification the Coach's criticism and the brief résumé of matches will show.

---

### COACH'S RESUME

The domination of the undefeated Aquinas team was the feature of the 1963 Alcock Cup season. Scotch finished second in the competition, losing their two games to Aquinas, the second by one point. Hale's narrow loss to Scotch in the final game indicated that there is no good reason for Aquinas' huge wins over us. It also showed what can be done when all players really give all they can for the whole game. Hale eventually finished equal fourth, although Wesley, Guildford, Christ Church and even Scotch were evenly matched. Overall, I was fairly happy with the season, especially the ending. Winning games is a cruel way of judging success and to me a 2-point loss or a 5-point win are such close events that one really has no more right to be happy after the win than to be sad after the defeat. The quality of the football in all games and the attitudes and efforts of all players must be carefully considered in the final analysis.

The team was fit early in the season and yet played poorly against Guildford in the opening game. A magnificent final quarter against Wesley and a match winning first quarter against Christ Church enabled us to win exciting games. The Aquinas machine cut us to ribbons, assisted, I thought, by a resignation to defeat on our part. In the second round the Guildford mud had no appeal, Wesley won a most exciting game and we outplayed Christ Church. Aquinas were far too good again and then

the team finished the season off with easily its best performance. Scotch were struggling throughout against the Hale boys, who showed a real desire to win the ball and to help each other at all times. Much of the foot passing, handball and backing up was of a very high standard.

Rover Bandy and ruckman Strickland were the most skilful players in the team, while Williams and Sewell also played consistently. Negus was a stout back pocket player, Flood a great battler, Wardle a much improved footballer; while Viska, Reader, Jackson and Bolton were probably the best of the others. All players did well at times and particularly would I congratulate the second year footballers in Collins, Wormald and Hodsdon on their efforts. Not only were Jackson and Bolton good footballers, but they were also an excellent captain and vice-captain respectively. My thanks especially go to them.

What is the lesson of the season? I believe that we must overcome our attitude in regard to Aquinas. Aquinas are good and we should learn from their dedicated approach but we must not make them better than they actually are. They will play even better if we give them any opportunity to believe that they start with an advantage. Just as Scotch always unsettle Aquinas by putting them under pressure and covering all loose men, and just as we confidently took on and nearly downed Scotch, so must we tackle Aquinas in relentless fashion. Players must learn to fight desperately against them, to play attacking football, never to relax but to help and encourage each other; in other words, to keep a spirit of success in their minds. This sort of approach must, of course, be seen in all games right through the season.

I have enjoyed the year. This was a good bunch of players who trained hard, who strove well on many occasions and at all times played a brand of football which could only be classed as sporting. In the hurly burly of the importance that is attached to success by the Public Schools this is refreshing. Good luck to those who are leaving and may those who return bring with them a firm conviction about their ability, determination to train and play hard with a spirit of success.

#### HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

*Played at Hale School, Saturday, 8th June, 1963*

Being the first match of the season, the game was a debut for many younger players in "Cup" football, and all were hopeful of a victory!

#### FOOTBALL, 1963

BACK ROW (l. to. r.)—G. J. Wardle, M. E. Bosich, B. W. Barrows, G. J. Williams, A. L. Wall, P. Eakins, P. R. Flood, P. B. Skinner, T. R. Hantke.  
 CENTRE ROW (l. to r.)—D. J. Chipper, G. A. Trinder, P. R. Simpson, P. B. Reader, P. R. Sewell, R. S. Nicholas, F. P. Randell, J. C. Bishop, I. B. Collins.  
 FRONT ROW (l. to r.)—P. Viska, J. F. Bandy, B. J. Jackson (Capt.), Mr. A. J. Macmillan (Coach), J. W. Bolton (V.-Capt.), B. C. A. Strickland, R. E. Negus.

However, thanks to careless goalfront accuracy and many bad lapses this was not to be. Guildford, who kept close at Hale's heels all the match, were able to overpower the school's side, and ran out winners by a margin of 11 points. The game was played in shocking conditions of wind and rain, which detracted from the standard of play.

Final Scores: Hale, 7.11; Guildford, 9.10.

Goal Scorers: Hantke, Bandy, 2; Viska, Eakins, Bolton, 1.

Best Players: Bolton, Hantke, Bandy, Viska, Jackson and Reader.

---

### HALE SCHOOL v. WESLEY COLLEGE

*Played at Wesley College, Saturday, 15th June, 1963*

With conditions ideal both teams played fine football for the first three quarters with scores even all along. Williams was proving a great strength in Hale's back line as he turned back many a Wesley attack.

The final quarter was perhaps the best the team played throughout the season. All members of the side sensed victory and put all they had into the game. Hale deservedly ran out final victors by 7 points.

Final Scores: Hale, 9.8; Wesley, 8.7.

Goal Scorers: Eakins, Simpson, Bolton, Bandy, 2; Trinder, 1.

Best Players: Williams, P. Sewell, Negus, Bolton, Jackson and Flood.

---

### HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

*Played at Hale School, Saturday, 22nd June, 1963*

Playing a high brand of football in tricky conditions, Hale were able to hold a 4 goal lead at the first change.

During the next two quarters Hale seemed to slow down, and by three-quarter time Christ Church were only one goal behind.

In the final quarter fine determination by the side held off many Christ Church attacks, and found us 7 points ahead at the final siren.

Final Scores: Hale, 13.9; Christ Church, 12.8.

*Goal Scorers:* Nicholas, 4; Bandy, Bolton, Eakins, 2.

*Best Players:* Bandy, Bosich, Nicholas, Viska, Negus and Eakins.

---

#### HALE SCHOOL v. AQUINAS COLLEGE

*Played at Aquinas College, Saturday, 29th June, 1963*

Conditions were good. The first two quarters saw Aquinas more in control than ourselves to score 9.3 to 3.6.

The third quarter saw a much invigorated Hale side, even though we were able to score only 1 point.

In the final term Aquinas had the game largely to themselves, scoring 5.2 to our one goal.

Final Scores: Aquinas, 16.10; Hale, 4.6.

*Goal Scorers:* Nicholas, 2; Eakins, Simpson, 1.

*Best Players:* Jackson, Bandy, Bolton, Sewell, Reader and Nicholas.

---

#### HALE SCHOOL v. SCOTCH COLLEGE

*Played at Hale School, Saturday, 6th July, 1963*

During the first half neither team appeared to gain any real ascendancy, only Hale's inaccuracy allowing Scotch to take a four goal lead at half-time.

However, during the all important third term, Scotch had control in almost all positions with the result that they went from 6.4 to 11.10 while Hale added only 2.2 to their total.

In a determined bid to rectify our position, Hale came back with a vengeance in the last quarter, reducing Scotch's lead to four goals on the final siren.

Final Scores: Scotch, 12.12; Hale, 8.12.

*Goal Scorers:* Strickland, Viska, 2; Flood, Eakins, Hantke, Bandy, 1.

*Best Players:* Bandy, Viska, Williams, Strickland, Trinder and Jackson.

---

## HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

*Played at Guildford Grammar School, Saturday, 20th July, 1963*

Guildford's oval was a mud patch and conditions for good football were far from ideal.

The game developed into a hard slogging match with Guildford managing to be 2 goals ahead at half-time.

During the third quarter Hale failed dismally. However, a fighting final term made the Hale score look more respectable, although the standard of play was still low.

Best man on the ground was undoubtedly the "Muddy" Peter Flood.

Final Scores: Hale, 5.2; Guildford, 10.5.

Goal Scorers: Wall, Nicholas, Bandy, Strickland and Bolton 1 each.

Best Players: Flood, Viska, Williams, Reader, Simpson and Negus.

---

HALE SCHOOL v. WESLEY COLLEGE

*Played at Hale School, Saturday, 27th July, 1963*

In warm, still conditions, the first quarter was fought out between two very even teams, neither able to display real football ability.

However, Wesley combined well in the second quarter to make a three goal break away and at three-quarter time still held this lead over the home side.

The final term saw a complete reversal in the game; Hale, in a fighting comeback, were beaten by the siren to lose by 5 points.

Final Scores: Wesley, 9.11; Hale, 8.12.

Goal Scorers: Strickland, Jackson, 2; Viska, Williams, Wall, Bolton, 1.

Best Players: Strickland, Jackson, Skinner, Williams, Collins and Viska.

---

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

*Played at Christ Church Grammar School, Saturday, 3rd August, 1963*

Conditions for play were perfect and the school side felt confident of a win. For the first two quarters both sides had patches of good play, with Hale lucky to be 1 goal ahead at half time.

During the third quarter Hale played open football and the side combined well as a team; the result being that Hale kicked 6 goals in this quarter to Christ Church's one.

Thanks to good play, by Pat Sewell in particular, Hale were able to hold on to their lead and ran out final victors by 6 goals.

Final Scores: Hale, 14.4; Christ Church, 8.7.

Goal Scorers: Bandy, 4; Strickland, Williams, 2; Wall, Bolton, Hodsdon, Simpson, 1.

Best Players: Sewell, Flood, Strickland, Wormald, Wall, and Simpson.

---

### HALE SCHOOL v. AQUINAS COLLEGE

*Played at Hale School, Saturday, 10th August, 1963*

Conditions were bad; Aquinas quickly took advantage of the strong wind in the first quarter and compiled 50 points while Hale were unable to score. Maintaining a good brand of football until half-time, the visitors found their task much harder in the latter half of the match. Despite our determined efforts, Hale found scoring difficult and consequently Aquinas ran out easy winners. This win assured Aquinas of the Alcock Cup for 1963. We congratulate them.

Final Scores: Aquinas, 17.12; Hale, 2.5.

Goal Scorers: Bandy, Barrows.

Best Players: Negus, Reader, Flood, Williams, Trinder, Wardle.

---

### HALE SCHOOL v. SCOTCH COLLEGE

*Played at Scotch College, Saturday, 17th August, 1963*

Following our fifteen goal defeat by Aquinas on the previous Saturday, the team could not be blamed for beginning this match in a rather pessimistic mood. However, at quarter time, when the scores were level, we all realized that we were well in the match. Using slightly better system than their opponents in the second term, Scotch held a three goal advantage at half-time. The remainder of the match consisted of a determined fight-back by the Hale side, which at one stage got within 1 point of the leaders; however, the last ten minutes saw Scotch kick three quick goals to clinch a well fought match.

Final Scores: Scotch College, 10.9; Hale, 7.6.

Goal Scorers: Strickland, Bolton, 3; Bandy, 1.

Best Players: Strickland, Bandy, Bolton, Williams, Sewell, Skinner.

## FIRST AND SECOND YEAR "C" FOOTBALL COMPETITION

In an attempt to give every boy in the Middle School who wanted it the opportunity to play in regular football matches, the inter-school "C" competition was abandoned and an internal competition substituted. The two groups were combined and formed into four reasonably stable teams. For want of a better name, these teams were designated North, South, East and West Hale respectively. West finished Premiers with 32 points, East second with 26 points and North third with 24 points. Although there was some difference in the final points score, all matches were won by a very small margin.

The experiment was extremely successful in all respects. The series was enjoyable and instructive and the teams developed considerable keenness and team-spirit. As a result of the regular match practice the standard of skill improved to such an extent, as the season progressed, that it was possible to recommend quite a number of boys for promotion to vacancies in the "B" Teams. The "B" Teams benefited also by having a pool of reserve players trained to the peak of their form always on hand to meet any emergency.

Mr. Shields is to be congratulated on his initiative in providing for the boys who are too often neglected because they have not reached the degree of sporting skill necessary for inter-school competition, but who nevertheless enjoy and need competitive sport. This is yet a further step forward in the attempt to provide for individual needs.

# HOCKEY

HOCKEY BEGAN THIS YEAR towards the end of first term and during the May holidays with fitness training. Unfortunately the hockey fields were not up to the standard expected, and once again early in the season they became very sandy and soft. The bad condition of the fields made training difficult, and thus hockey this year was seriously handicapped.

However, the standard throughout the school improved greatly. Every team in the school except the 1st XI won at least one game, and congratulations go to the 1st year "B" team who won their competition—a unique feat in the history of hockey at Hale.

Although the 1st XI did not win a match, they played and trained very keenly throughout the season, and were very unlucky not to have a win against Guildford in the second round.

Three very successful fixtures were held against the Old Boys, and although the Old Boys were a little strong for the 1st XI, the schoolboys gained a lot of experience from playing against them. The school is very grateful to the Old Boys for providing these most enjoyable games, and the boys are also similarly grateful for the keg of ginger beer graciously supplied by the Old Boys after the last match.

Thanks are due to Mr. Prosser who gave up his Monday afternoons to come and coach the first and second elevens, and also to Mr. Sherwood for his staunch support and assistance in recording details of matches.

After the 1963 season, with the prospect of good grounds soon, and also having begun to win matches, the future of this sport at Hale appears very bright indeed, and the 1964 season should be a very successful one.

The 1963 Hockey Season saw Hale School teams show the greatest improvement and at the same time achieve the greatest measure of success since entering the Interschool competition. A high level of spirit was developed and maintained in all teams, this being especially evident in the First Eleven, who came

within an ace of recording their first victory. Special mention must also be made of the 1st Year "B" team, who were able to carry off the premiership for their division.

At a meeting held in second term Roger Gray was elected Captain of Hockey and Richard Sherwood was elected Vice-Captain.

The various teams received the enthusiastic support of their coaches, who with other Old Boys willingly sacrificed their time in an effort to instruct the boys in the finer points of the game. Thanks must also go to Mr. Sherwood for his continued support and useful advice at odd times.

The coaches of the teams this year were:

1st XI: Mr. Poake, Mr. Aitken (Physical Training); 2nd XI: Mr. Prosser; 3rd and 4th XI: Mr. McMath and Mr. Haskett; 5th XI: Mr. Taylor; 2nd Year "A" and "B": Mr. Aitken and Mr. Farthing; 1st Year "A" and "B": Mr. Bennett.

With the state of the grounds improving rapidly, coupled with the experience and confidence gained by all teams this year, 1964 should see Hale School Hockey well to the fore in the Interschool Competition.

The following are the results of the official matches:

Guildford 4, d Hale 0. Best Players: Riley, Gray, Warren.  
 Wesley 7, d Hale 1. Best Players: R. Gray, Prosser.  
 C.C.G.S. 8 d Hale 0. Best Players: Riley, Warren, Sherwood.

CAPTAIN: D. H. WARD

VICE-CAPTAIN: P. J. PEARSON

This year marked the beginning of a new epoch in P.S.A. Rugby, the reason being that Rugby was now recognised as a P.S.A. sport.

The First XV gained only fourth place in the P.S.A. Competition, yet contained five State representatives in D. H. Ward, D. C. H. Hawes, K. J. Minson, J. G. Scott and D. J. Stickland. But individuals do not make a team and we failed in co-ordinating the functioning of the team.

#### *Results of Matches:*

- v. CHRIST CHURCH GRAMMAR SCHOOL, at Nedlands, 3/8/63.  
Hale 6, Christ Church 6. Best Players: Ward, Minson, Scott.  
Seconds: Christ Church 21, Hale 0.

- v. AQUINAS COLLEGE, at Butler's Reserve, 10/8/63.  
Hale 18, Aquinas 0. Best Players: Ward, Scott, Stickland.  
Seconds: Hale 12, Aquinas 3.
- v. SCOTCH COLLEGE, at Nedlands, 17/8/63.  
Scotch College 8, Hale 0. Best Players: Ward, Berg, Darling, Pearson.

The forwards deserve congratulations. Led by Vice-Captain P. J. Pearson, they struggled hard, particularly against the odds of size and weight. The back-line lacked experienced, stable centres. These were the main factors militating against greater success.

# ATHLETICS

## *School Sports*

---

THIS YEAR, OWING TO THE SCHOOL SPORTS being late in the season, the athletic squad was formed in the first week of term. The squad consisted of members of the previous year's "Inters" squad and other boys who showed good athletic ability in the house weekly competitions. In the third week of term D. Barton was appointed Captain of Athletics and M. Bosich was Vice-Captain. Mr. Aitken took over the athletic squad from Mr. Haydock, who had managed excellently in previous years.

House points were allotted for the championship events, which came from boys who entered in events to be held on the school sports day, and from a house competition held on week days after school for boys not in the Athletic squad.

### CHURCHLANDS MEETING

On Friday, 11th October, the Under 16, Under 15, Under 14 divisions held a programmed 9-event meeting against Churchlands High School. This was the first opportunity the School squad had to show its strength. The above divisions soundly defeated Churchlands on a rain-soaked track. It was at this meeting that D. Mill set the inaugural Under 15 440 yards record at 56.5 secs.

---

### SCOTCH MEETING

Saturday, 12th October saw the Hale School squad challenging Scotch at Scotch College on a cold, windy day. This

meeting was used as trials for the "Inters." The best performances were given by D. Barton, who won the Open 880 yards and the mile; W. Drewe, who set a new Under 17 880 yards record at 2 min. 6.8 secs., and also won the mile; P. Sewell, who set the new Under 17 high jump record at 5ft. 4in., and G. Norrish, who jumped a distance of 18ft. 11½in. in the Under 16 long jump.

## *Interschool Sports*

Date: Saturday, 26th October.

Conditions: Warm with slight breeze. Firm cinders track.

Results: Fifteen records were broken and the schools scored as follows:—

1st Scotch, 557 pts.; 2nd Aquinas, 476½ pts.; 3rd Hale, 391½ pts.; 4th Wesley, 368 pts.; 5th Guildford, 366 pts.; 6th Christ Church, 321 pts.

Undoubtedly the keenest athletes in the school were the cross-country runners—they had to be. From a warm bed into driving rain at six in the morning is enough to try anyone's enthusiasm. Their reward came in the form of disintegrating the middle-distance track records.

In the State Schoolboys' Cross Country Relays, Hale School teams were noticeably prominent. This may have been an indication of things to come in the middle-distance events at the Inters.

After a slow start in the first weeks of third term the Inters. squad started to hustle. After meets against Churchlands, Scotch, more Churchlands, and finally ourselves (who eliminated whom?) team spirit, enthusiasm and confidence really blossomed. All told, nineteen old—and some quite old—records were broken. Then there were the performances that better the present records, but will not be officially recognised. They will, however, be noted in future as "Best Performances."

The Inters team went to do battle at Perry Lakes Stadium. A new force had arisen—a determined athletic team, backed by keen School interest. Our wins were few; our points were high. We ran, jumped and threw into third place. The school team had taken on a new personality, inspired by the team captain, "Skelly" Barton.

Memorable scenes from a memorable season. There were many—P. Sewell's mile; B. Strickland's "hedge-hopping"; the midget cross-country relay team (G. Harris, E. O'Halloran, P. Bevan, M. Blizzard); G. Norrish smashing Under 16 sprint records; five runners beating the old Under 16 mile record; W. Drewe and D. Barton running the fastest mile by schoolboys over the last two years; a 'best ever seen' baton change between A. Watson and K. Chapman; A. Shipway winning in both hurdles and half-miles; the long leaps by W. Hodsdon, G. Norrish, B. Jackson and B. Strickland; D. Mill making the Under 15 middle distance events one-sided.

Make no mistake, this was a great season. There will be more to come if athletes are prepared to start their conditioning and training in the winter months. Whether it be speed, stamina or field event, early training is essential.

Many thanks to Dennis "Skels" Barton and Milan Bosich, who as team captain and vice-captain respectively, provided outstanding examples of training effort and team inspiration.

—G.E.A.

### CROSS COUNTRY— STATE SCHOOLBOYS

Conditions: Blustery.

Results: M. Blizzard, mile in 5 min. 34 secs. W. Drewe, fastest mile of day in 4 min. 55 secs. R. Fitzgerald, mile in 5 min. 11 secs, which helped the Under 16 relay team to come a close 3rd, only a few feet behind the winners.

---

### SCHOOL CHAMPIONSHIPS

Track: The Hale School cross country track is considered by some of the State's leading distance runners to be the most gruelling 3 mile course in the State.

Comments: The times recorded on this track show that the lighter runners from Hale could have done better in the State Schoolboys, had the conditions been better.

Drewe won the school Under 17 cross country championship in a time faster than the Open.

The cross country athletes claim that they owe their success to Mr. Aitken, who gave much time to this little known side of athletics.

## SPORTS FOR SPORTS SAKE

In spite of setbacks, teething troubles and adverse criticism, the Inter-house Athletics Sports were a great success.

The champions in any particular field of sport have always been more than adequately catered for, but these sports were designed to provide an opportunity for the average and weak boys, athletically speaking, who normally would be nothing more

than spectators at the School Championship Sports, to compete, as far as possible, against boys of their own ability. Thus it was theoretically possible for every boy, no matter how weak, to win an event.

The contestants entered into the spirit of the competition with enthusiasm and some quite outstanding feats of courage and endurance were recorded. There was no prize, no trophy and no loud publicity for the winner of an event, only the fun of competing and the satisfaction of knowing that he was representing his House. This surely is sportsmanship in the TRUE sense.

---

This year Tennis was an official P.S.A. sport, and the First Four's goal was "The Wilfred Corr Cup".

The first match was against Wesley College at Wesley on the 2nd of March. With two of our top players sick, the School had to field their team at half strength, Gavin Barrett and Ray Tarik replacing Lex Hardie and Pat Sewell. We were soundly beaten by a strong Wesley side, the final result being:

Hale, 1 rubber 2 sets lost to Wesley, 5 rubbers 11 sets.

The only boy to win was Allan Wall, although the rest of the team fought well.

The Under 15 team, playing at home, also lost to Wesley, by 4 rubbers to 2.

---

#### HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

The team had its first win when it defeated Christ Church, at Christ Church. All members played well and it was a well deserved win. The final result was:

Hale, 5 rubbers 10 sets defeated C.C.G.S., 1 rubber 3 sets.

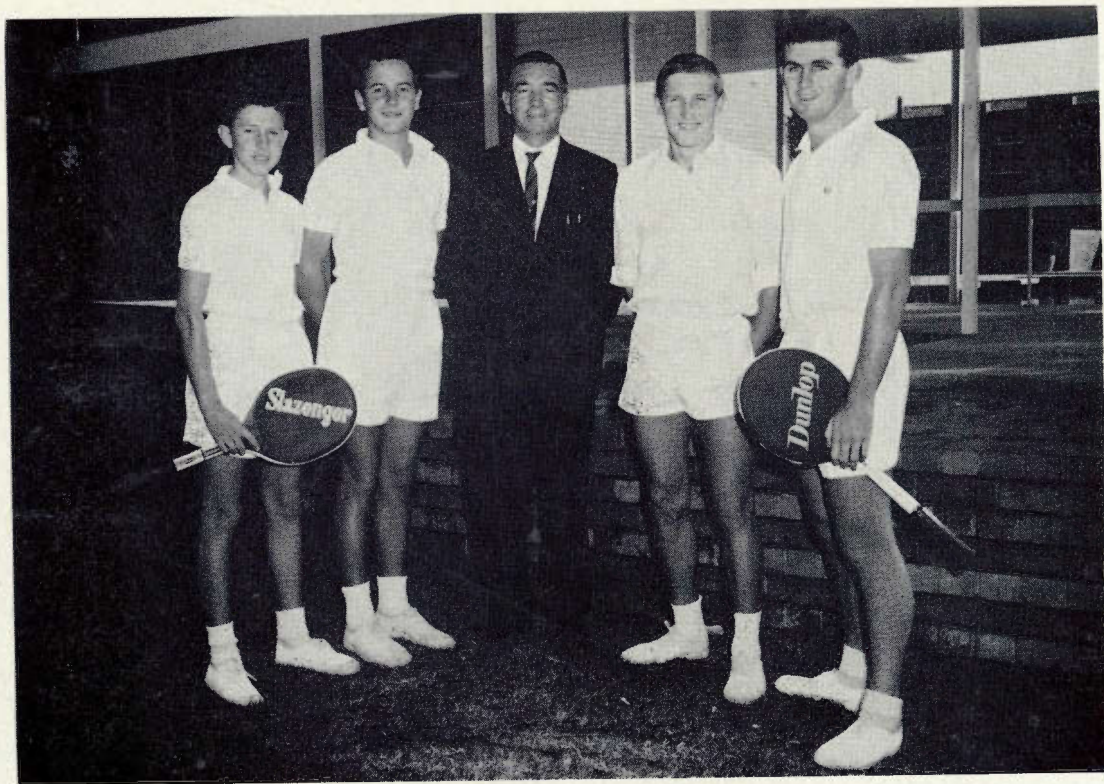

The Under 15 team was again beaten by 4 rubbers to 2.

---

#### HALE SCHOOL v. AQUINAS COLLEGE

Thanks to a good win by Pat Sewell in his singles, Hale were able to beat Aquinas, though by a very small margin. Lex Hardie showed good form in the doubles, when he and Allan Wall won their match easily.

Howard Hunt was unlucky when he twisted his ankle during his singles match.

**OPEN TENNIS TEAM, 1963**

(Left to Right).—H. L. Hunt, A. J. Hardie, Mr. M. W. Mill (Coach), P. R. Sewell, A. L. Wall.

The final result was:

Hale, 3 rubbers 7 sets defeated Aquinas, 3 rubbers 6 sets.

Aquinas proved too strong for our Under 15 side, winning by a comfortable margin.

---

#### HALE SCHOOL v. SCOTCH COLLEGE

The school's open tennis team proved too strong for a weak Scotch side. Lex Hardie and Pat Sewell both had creditable wins; whereas Howard Hunt had to battle to win the third set. The result was:

Hale, 6 rubbers 12 sets defeated Scotch, 0 rubbers 1 set.

---

#### HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Hale proved they had a strong tennis team by defeating Guildford by 4 rubbers to 2. Again Allan Wall and Pat Sewell won their singles, and with wins in both doubles the School won the match comfortably.

The Under 15 team had their first win of the season by defeating Guildford by 4 rubbers to 2.

Hale's win in the open division enabled them to fill second place in the competition behind Wesley.

Allan Wall went through the season undefeated, while Pat Sewell also won all the matches he played. Strong support was given throughout the season by Lex Hardie and Howard Hunt.

The Under 15 team did not get away to a good start, but were able to produce a win against Guildford in the last match of the season. The team throughout the season consisted of: Self, Parker, Price, Bridge and De Gruchey.

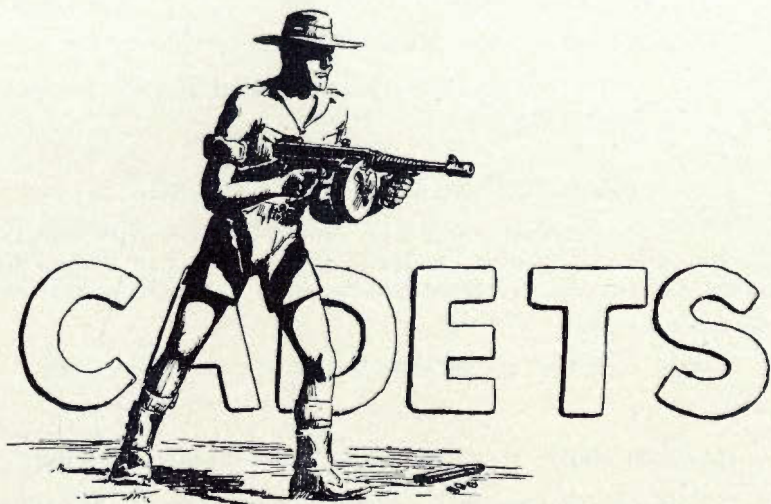

Mr. Mill was able to arrange training at Floreat Park Tennis Club's grass courts, and this proved of great assistance to both sides.

At the end of term the Sports Council awarded the following awards for tennis:

Colours to Pat Sewell and Allan Wall.

Symbols to Lex Hardie and Howard Hunt.

## FIRST TERM

THE ANNUAL UNDER OFFICERS and Senior N.C.O.s' Camps were held at Northam during the Christmas vacation. The following promotions were made after these camps:

To Under Officers: Sgt. Viska, to Senior Under Officer; Sgt. Freedman, Cpl. Riley and L/Cpl. Gwynne; to W.O. II, Cpl. Stickland; to C.Q.M.S., Cdt. Barton; to Band Major, Cpl. Fowler; to Sergeants, Cpl. Wills, Cpl. Sewell, L/Cpls. Drewe, Trinder, Minson. Already holding the rank were Sgt. Norrish and Sgt. Bennett (A.T.C.).

After the May Specialists' Course Camp: Cpl. Hassell to Signals Sgt., Cpl. Rose to Mortar Sgt. and Cpl. Wardle to Intelligence Sgt. To Corporals, L/Cpls. Phelan, Flood, Eakins, Irvine, Randall and Scott. Already holding the rank were: Cpl. Milne and A.T.C. Cpls. Williams, Lochting and Gerloff.

To Lance/Corporals: A.T.C. Cadets Bandy, Wickens, Fawcett, Jenkins, Liddell and Fethers; to L/Cpl. (Company Clerk), Cdt. Roberts; to Cpl. (Q. Store Orderly), Cdt. Nicholas.

Last year the Air Training Corps was disbanded and this caused a flow of boys to the Cadet Unit. The Unit consisted of 144 Cadets, 40 N.C.O.s and 4 C.U.O.s, while the Company consisted of Four Platoons, the Band and Specialists.

At the end of last year Captain Drake resigned his position after giving many years of service to the Unit. His position was

ABSENT—Lieut. H. C. Wheeler.

taken over by Lieut. Wheeler, who was ably supported by Lieuts. Macmillan and Lovelady. The latter joined the Unit to offer valuable music experience to the members of the Band.

Resulting from the large number of Cadets from the A.T.C. there were only a few recruits in the true sense. A training syllabus was prepared and the separate platoons were immediately occupied in Basic and Advanced Training.

A new feature to the Unit this year was the formation of a Company Band. This was commanded by Lieut. Lovelady with Richard Fowler as the Band Major. Owing to lack of the necessary instruments the Band was unable to progress extensively in the field of music but noticeable progress was shown in their Drill and Musical Theory.

During the May holidays a Specialist Course Camp was held at Northam, in which the Unit was represented in Signals, Intelligence and 3in. Mortar.

Looking back on the term, we feel that an overall high grade of efficiency was attained by the Unit. It is on efficiency that we hope to maintain in the months to come.

---

## SECOND TERM

As usual Parades resumed immediately term started. The high standard set by the Unit during First Term was easily equalled and by the time it embarked for Military Camp at Northam the enthusiasm and behaviour of all cadets was very commendable.

---

## CAMP

This year the whole period of Camp was plagued by bad weather. The Unit was supposed to fire on the range the first day after arrival but shocking weather forced this to be abandoned. A "shoot" was finally arranged but the new type of targets contributed to the poor scores.

Once again this year a Bivouac was arranged by the Regular Staff and the school Lieutenants. The area of the exercise had to be changed because of the severe flooding of the nearby rivers. The Platoons were broken into sections each controlled by an N.C.O. These sections set out on a route march and rendezvoused at a pre-determined tea spot. As darkness fell the Company was divided into Platoons and several Lantern Stalks were undertaken. Heavy rain and rugged conditions caused

injury to several cadets. As a result the remaining exercises were abandoned and a long slow march back to Barracks resulted.

The last day of camp was taken up with a marching-out parade. This year the Company was well back on the Parade Ground but, not to be denied, they were named as "best on parade". The marching was of an extremely high standard, upon which all the Regular Staff commented. To end the day the Signals Section won its competition, while the 3in. mortar was runner-up. Congratulations to Sgt. Hassell and his crew.

---

### THIRD TERM

To complete the necessary parade hours it was decided that the Company would have a combined Marching-out Parade with the Navy, and afterwards a Bivouac about ten miles north of the city.

The Saluting Officer on Parade was Commander Starr and he commented upon the great exhibition of marching and behaviour shown by the Cadet units. Major Callender represented the Army at the Parade.

Once again shocking weather prevailed and the Bivouac area was diverted to "the bush" surrounding the school. The Police issued permission for the Unit to use blanks and flares on the exercise. The Platoon Sections spent all afternoon digging in and preparing for night attack and defence. It had been originally intended to sleep out but unsatisfactory conditions caused the whole Unit to sleep in moderate comfort in the school hall. The night attacks were a great success and by 11 p.m. all Cadets were in bed.

The planned "attack at dawn" never eventuated, thanks to heavy sleepers in the unit and as a result "rise and shine" was at 6.45 a.m. The whole morning was spent in Platoon tactics and the cleaning up of section areas and by 2 p.m. all stores had been handed back to a consistently efficient Q-Store. A short final parade was then held to conclude a very successful year for the Cadet Unit.

Many thanks go to W.O.II Petersen, without whom we doubt whether the Unit could have been the success it was this year.

Tobruk Trophy winner this year was Sgt. Wills, who showed a high grade of efficiency throughout the year.

# Shooting

## CAPTAIN OF SHOOTING: P. VISKA

Overall the Shooting team did not do as well as could have been expected, although there were several individual first class performances.

This year a new type of shoot was instituted. The targets had been changed from the conventional "bullseye" to the silhouette type. These silhouettes consisted of a bren gunner and his companion in a crouch position and a lone upright figure. These targets were extremely hard to become "acclimatised" to.

Seven cadets were chosen to shoot in the Challenge Cup Shooting team, while the Unit was at Camp. Lieut. Wheeler managed to organise two preliminary shoots at Swanbourne but the performances in both were of a poor standard.

On the day the team came fourth out of fourteen schools competing in the "B" Division. Once again our members did not excel in the strong competition. WO II Stickland shot exceedingly well to win the individual shoot in the "B" Division and to be runner-up 'A' and 'B' Combined Divisions.

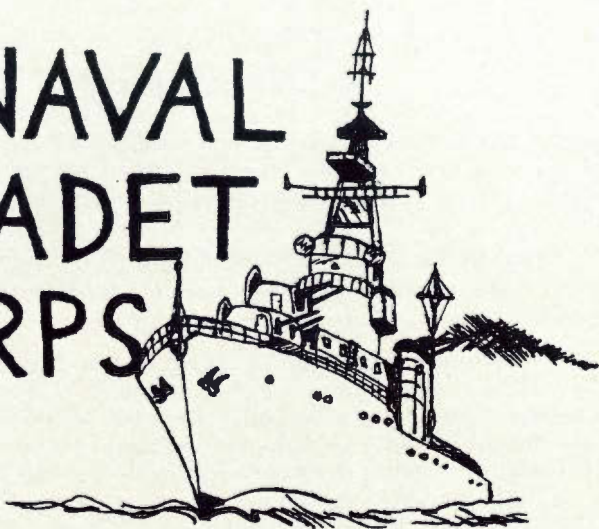

Once again this year the team failed to compete in the Earl Roberts' Trophy.

# NAVAL CADET CORPS

## FIRST TERM

THIS YEAR THE COMPLEMENT of T.S. Cygnet was again increased, from 50 to 60; the new entries being selected from the recently disbanded Air Training Corps.

Lieutenant-Commander R. G. Harris (SP) R.A.N.R. once again took over the unit, as Lieutenant J. Van Hattem had left the unit in November, 1962.

As a result of the Officers' Indoctrination Course conducted at H.M.A.S. Leeuwin in the August vacation of 1962, Petty Officers R. E. Negus and P. J. Pearson were duly appointed Sub-Lieutenants, in addition to Sub-Lieutenant J. R. Harris, who already held his commission.

After extensive examinations in both the written and practical sides of the Sea Cadet syllabus, many promotions were made.

T.S. Cygnet now consists of the following officers and higher rates:

Lieutenant-Commander R. G. Harris—Commanding Officer.

Sub-Lieutenant J. R. Harris—Executive Officer.

Sub-Lieutenant R. E. Negus—Boats Officer.

Sub-Lieutenant P. J. Pearson—Gunnery Officer.

Chief Petty Officer P. J. Leonhardt—Master-at-Arms.

Petty Officer G. J. Glover—Stores.

Petty Officer G. E. Taylor—Senior P/O.

# **NAVY CADET CORPS — OFFICERS AND N.C.O.s**

BACK ROW (l. to r.)—L/S N. G. Barton, L/S A. D. Self, L/S S. W. Hazlett, L/S M. Ryan, L/S N. R. Wylie,  
L/S P. B. Skinner, L/S N. J. Blake.  
CENTRE ROW (l. to r.)—C.P/O P. J. Leonhardt, P/O W. A. James, P/O G. E. Taylor, P/O G. J. Glover, P/O F. G.  
Nathan, P/O A. G. Barrett, L/S A. H. Douglas-Brown.  
FRONT ROW (l. to r.)—Sub-Lieut. P. J. Pearson, Sub-Lieut. R. E. Negus, Lieut. Cdr. R. G. Harris, R.A.N.R.,  
Lieut. N. Keet, Sub-Lieut. J. R. Harris.

Petty Officer A. G. Barrett—Divisional P/O.

Petty Officer J. F. Longley—Divisional P/O.

Petty Officer F. G. Nathan—Divisional P/O.

First term activities consisted of instructional rifle drill, practical seamanship and the theoretical side of seamanship and boatwork.

Our thanks go to Lieutenant G. Hill, R.A.N.R. and Sub-Lieutenant B. Sexstone, R.A.N.R. for their help in these aspects.

In March, an Inter-Unit sporting competition was held at Kwinana. T.S. Cygnet, being placed an overall second, took off the Inter-Unit Swimming Trophy.

---

## SECOND TERM

Upon the commencement of 2nd term the following promotions were made, after a series of arduous examinations, both written and practical, which were conducted amongst the lower rates:—

*Leading Seaman to Petty Officer:* A. G. Barrett, G. J. Glover, W. A. James, F. J. Nathan.

*Able Seaman to Leading Seaman:* N. G. Barton, A. H. Douglas-Brown, G. B. Gray, S. W. Hazlett, A. D. Self, P. B. Skinner.

The accent in instruction this term was on parade ground training rather than the first term stress on instructional lectures.

On 17th July, Commander Kemp, R.A.N. and Lieutenant-Commander Hanna, R.A.N. carried out the annual inspection of boats and sailing at Cygnet Hall, and on the 25th July they inspected the unit at Hale School and Commander Kemp congratulated the unit on an excellent standard of appearance and efficiency. T. S. Cygnet was placed third in the annual inspection competition of the various Sea Cadet establishments throughout Western Australia.

## CAMP

The annual camp was this year conducted at Garden Island from Monday, 19th August to Thursday, 22nd and at H.M.A.S. Leeuwin from Thursday, 22nd to Monday 26th. Here, as with previous camps, the main function of the camp was to use the facilities which H.M.A.S. Leeuwin put at our disposal. These items consisted of such things as practical seamanship (including navigating and signalling) aboard a 70 ft. naval vessel and

many films, which added interest to lectures, that were shown at the cinema at H.M.A.S. Leeuwin.

Mention must be made of the superb way in which members of T. S. Cygnet acquitted themselves (as sailors) on the voyage back from Garden Island on board S.D.B. 1572 in gale force winds. Only three cadets were sea-sick, compared with 17 cadets from T. S. Cunningham, the Naval Cadet unit at another school, who made a similar voyage that same day.

### THIRD TERM

The only Naval Cadet Parade in third term was that of the Marching-Out Parade. On the day the unit, as in previous years, maintained a high standard of efficiency. The feature of the parade was the Naval Armed Party (Sub-Lieut. P. J. Pearson) who with excellent bearing and drill precision brought admiring looks and approval from those present.

Chief Petty Officer P. J. Leonhardt had the distinction of being the first naval cadet to be presented with the "Vickeridge Trophy", since T. S. Cygnet was inaugurated. The "Vickeridge Trophy" is presented annually to the most proficient cadet in the unit.

Sub-Lieut. J. R. Harris was presented with the "R.A.N.R. Trophy", for gaining highest points in "Operation Banyan," a competitive mock-battle staged at the Naval Establishment at Garden Island during the annual camp.

The Marching-Out Parade was this year organised by the Navy. Thus Commodore W. B. Marks was the Reviewing Officer, and a Naval Band was present.

Of the four years that T. S. Cygnet has existed, this year would surpass all previous years in every aspect of the Naval Cadets.

## *Air Training Corps*

### DISBANDING OF A.T.C.

This year the temporary absence of Flt.-Lieut. Hoar has forced the abandonment of A.T.C. activities. This was, however, merely the *coup de grace* to a declining interest by the boys in the flight.

The School, especially those who have passed through the flight, are greatly indebted to Mr. Hoar for the active part he took in it over the past four years, as well as to his predecessor, Mr. E. B. Adams, who directed the flight for the 13 years of its previous existence.

THIS YEAR, FOR THE FIRST TIME, the Dramatic Society presented a play in the Old Haleians' War Memorial Hall.

Having had no production from the Society in 1962, the School showed considerable interest, and some forty boys applied for parts. Mr. Altorfer undertook the production, the play, "His Excellency" was chosen, and rehearsals began late in first term.

Soon after the beginning of second term, five members of the cast of eleven found it necessary to withdraw, and their places were taken by members of the Fourth Form, whose filling of the gap was greatly appreciated. The play, originally to have been presented before the second term exams., was performed on Thursday and Friday, September 12th and 13th. It was a great success, and both producer and cast received many complimentary reports.

The set, the Heralds' Room of the Monesta Palace, Salva, was a great credit to Mr. Juniper and to the other masters, and boys, who gave a great deal of their time to its construction. Many in the audience admired the Governor's shields and the original Junipers on the walls. An elegant chandelier, designed by Mr. Juniper, and beautiful antique chairs, lent by Mr. Same, gave a touch of magnificence to the scene.

The lighting, arranged by Mr. Farthing and his two helpers, was of the usual high standard.

## A BRIEF CRITIQUE

LadyKirkman (Max Vallis): Performed well under new circumstances, and was most ladylike.

Major Hugonin (Michael Bennett): Was perhaps a little quiet to begin with, but rose to the occasion and gave a wonderful performance.

Major-General Copeland (Graham Glover): An extremely polished performance.

Fernando (Edward Fethers): A small part very well played.

Sir James Kirkman (Iain Ledingham): Well polished in accent and manner.

Vice-Admiral Sir Oliver Pain-Bartley (Godfrey Taylor): Tackled a difficult part with considerable success.

Captain the Contino Sevastien Jacono de Piero (Harvey Leys): A notable performance, very well received by the audience.

His Excellency, the Governor (Ian Freedman): Previous dramatic experience helped him to portray this difficult main character with exceptional realism.

Peggy Harrison (Bill Pittelkow): A praiseworthy effort in a difficult role.

Colonel Dobrieda (Peter Leonhardt): An excellent effort. Portrayed this tricky part with the mannerisms and bluff it required.

Emil Zamario (Walter James): A difficult part, successfully tackled.

## *Language Camps*

This year the Modern Language Teachers' Association of W.A. held for the first time two language camps for Leaving-students, a French speaking one under Mr. C. H. Skinner and a German speaking one under Mr. T. Blom at Pt. Peron, 2nd to 7th September.

R. A. Cullen took part in the German camp, which was a great success.

Twenty-nine girls and twenty-one boys, two mistresses and three masters had to speak German all the time, did folk dances, watched films, listened to tapes and records and enjoyed themselves. We were visited by the Press and T.V.; next year it is intended to have a bigger camp in August.

## *Chapel Notes*

---

Chapel services have again been conducted in the Hall. The singing improved from the previous year as boys were becoming acquainted with the increased repertoire of hymns. This year Chapel prefects were appointed to assist the Chaplain, and the two prefects were R. Fowler from Wilson House and E. Sewell from Faulkner House. Their job was to prepare the hall for the various Sunday services and carry out other small formal jobs.

Attendance at Communion was quite satisfactory and improved considerably on the previous year. Attendances for each Sunday morning averaged about thirty-five, including three regulars from the Junior school. The Housemasters continued their fine example of regular worship and the good work of Mr. Hoar was continued by Mr. Poake.

Evensong was brightened by the various visiting preachers who addressed the Boarders during the year. These included the Rev. Lesley Drage, the Rev. Denis Bazeley, Canon Walsh, the Rev. K. Currie, Canon Brown and Rev. K. Broadbent. We were also honoured by a visit from the Very Rev. John Payne (the Dean of Perth) and the Rev. E. C. King (Head of the South West native mission), who showed slides of his group's work.

Bishop Riley conducted the confirmation service on the 22nd September, confirming seventeen candidates, and afterwards chatted with the parents present. Amongst those confirmed were two fourth year boys, making the service not entirely for first and second year boys.

Collections dropped slightly from the previous year. This may be due to the fact that Housemasters and House Prefects see all boys about charity contributions and pocket money is usually spent by Sunday night. From the chapel collections, £5 went to the South West Native Mission, ordinary chapel expenses were met and money was set aside for more kneeling pads. £10 was also set aside for the Chapel Building fund. At this rate it will take only eight hundred years savings to finance the building of the chapel!

Chapel services are becoming less of a Sunday night ordeal and more of an act of worship as the boys sing fervently and respond to the service wholeheartedly.

Chess club

This year the office-bearers of the Chess Club were:

*Patron:* Mr. A. VETH.

*Secretary:* D. J. AVERY

*President:* A. G. BARRETT

*Treasurer:* C. PRINCE

Mr. Veth again consented to be the Patron and we are very grateful for his interest. Mr. Wager and G. Taylor, last year's champion, greatly assisted the office-bearers during the year.

At a Special General Meeting the Constitution was passed, a brief summary of which is in the 1962 *Cygnets*.

The club's annual tournament was won by R. I. Hartley and G. J. Campbell was the junior champion. All members extend their congratulations to these winners on their decisive and well-earned victories. It was noticeable that the tournaments were played with far more enthusiasm and interest this year, and the Committee thanks the competitors for their co-operation in playing their games promptly.

A House Tournament was again played and we all congratulate Stirling and Wilson on being equal winners.

We are very grateful for the magnificent chess clock which was donated by Mrs. A. Hartley. It will be most helpful for tournaments and games generally.

During the year, several of the senior boys generously consented to teach the Junior School to play chess. They feel that their efforts have been well rewarded and hope that these boys will give a new stimulus to the club as they mature.

Several Interschool chess matches have been played, including matches against Wesley, St. Hilda's and Scarborough High School. With the exception of the match against Scarborough these have been played at Hale on Friday evenings. Our team lost to Wesley and Scarborough, but won against St. Hilda's.

The Club has received assistance from two most experienced players, who gave illustrative talks to the boys on basic moves and rules of chess. Mr. Rush, the State Chess Champion, played twenty boys simultaneously. He won fourteen games, drew three and lost three. In addition, he has come up every Thursday and played individual boys. Great enthusiasm has been shown in these games, and Mr. Rush's visits have proved extremely valuable.

Mr. Foster, a past State Champion, gave a talk to the Club which we appreciated.

R. I. Hartley played in the State Schoolboys' Championship and came second. This was a great triumph and we congratulate him.

The Societies' Room, established this year, has given the Chess Club a permanent home, which has proved to be most suitable. Noise and disturbance were cut to a minimum and members respected the room. Several polished tables and settees were donated by the Parents and Friends' Association and the Prefects. These comforts are greatly appreciated.

Through the expansion of the club, we were able to buy a further eight much-needed chess sets. We would like to suggest that next year consideration be given to having an Interschool Combined Societies' evening. The clubs could compete in their various activities and then meet for supper.

We feel that this year has been one of development, and wish the Club success in the future.

# Debating Society.

THE DEBATING SOCIETY recommenced this year under the control of our senior English master, Mr. C. J. Ashman. C. Wheatley was elected President, P. Pearson, Secretary and M. Vallis, I. Freedman and P. Viska formed the rest of the committee.

With the introduction of a "Societies" period on Thursday afternoons, the debating society began meeting regularly for debates and discussions. These meetings were extremely lively and the topics covered a wide range of interesting subjects.

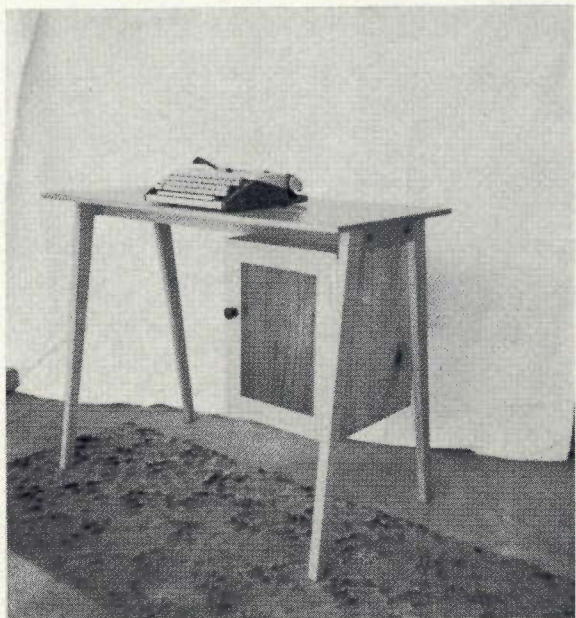

Debating against St. Hilda's, the Leaving team won by a considerable margin, but the Sub-Leaving St. Hilda team proved too strong for the Hale team. The debates provided a great deal of humour in a very enjoyable evening.

Two weeks later both Hale teams won against Perth College in a very lively atmosphere. By the size of the audience, it was apparent that the debating evenings were becoming very popular.

In second term two excellent Methodist Ladies' College teams outspoke Hale and provided those present with a fine example of debating.

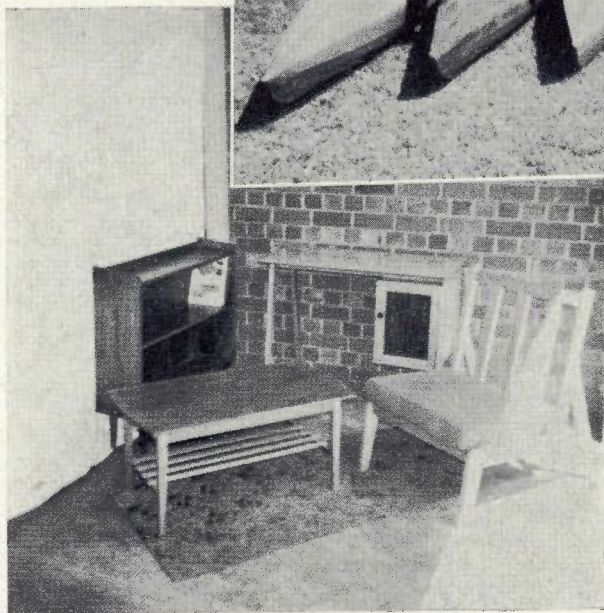

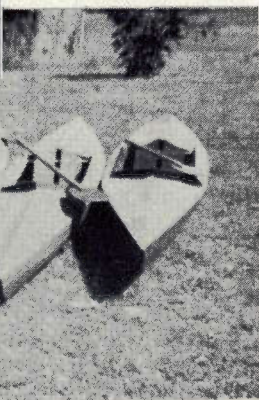

In third term, the Hale Sub-Leaving team won against a Modern School team, lost a return clash with Perth College; and in the final debate of the year, our two Sub-Leaving teams defeated St. Mary's.

It was very pleasing to see the interest shown in debating this year by such a large number of boys. The audiences were very appreciative and the high standard of debating ensured that all enjoyed themselves. This year proved to be highly successful in the debating field and it is hoped that the society will continue in the same fashion in the coming years.

## *Notes on Woodwork and Technical Drawing*

---

The standard of workmanship in the Junior Models this year was very high indeed. The models were varied with the boys adding their own individual preferences to make the job more personal.

This year saw the 'Hale Boatyard' start into operation with no less than six canvas back canoes on the stocks. The canoes were from a design that was published in a boating magazine. They were of a compact 11 feet making them very easy things to manhandle and transport. By kind permission of the Headmaster two canoes were tested on the school pool to see how they would perform. Much to their owners' surprise the canoes behaved very well! The line-up in the photograph shows only 4 canoes, the other two were still in the final stages of completion. To add a safety note it is hoped that the canoe owners will invest in a suitable life jacket for use when canoeing.

Other items of work were a student's desk with cupboard, bookcases and coffee tables; whilst three boys were quite adventurous and tackled the making of a lounge chair. The glueing and cramping of the chairs provided some very interesting geometrical problems; however, the success can be determined from the finished articles.

Finishes on the models varied from clear gloss to white 'french' polish and again the success can be determined from the jobs.

Last year's exhibition of work proved very popular but the venue of the Art room was soon found to be inadequate. If Speech Night is held outside this year then the exhibition will be held in the Memorial Hall.

The non-academic course should have a mention. The boys in the group have turned out jobs by the dozen, one boy alone lays claim to having completed 13 jobs during the year. Again the range of work has been so great that it would be hard to single out any special items.

The technical drawing got off to a good start this year in a room that was properly equipped for the subject. Work showed an immediate improvement when the boys found that they were able to walk into class and have all their drawing instru-

ments on hand. From rough estimates it seems that quite a number of ex. Junior technical drawing boys will wish to continue the subject on to Leaving, we wish them well.

On the whole it has been a rewarding and successful year for the boys taking woodwork and technical drawing; a high standard has been set which one hopes will spur others on to greater efforts.

## *Library Notes*

MASTER-IN-CHARGE: Mr. R. G. QUADE-SMITH

LIBRARIAN: MRS. B. HARPER-NELSON (left second term)  
Miss E. M. STEWART (Term III)

COMMITTEE: K. R. CHAPMAN, D. I. FREEDMAN,  
T. W. RILEY, W. W. ROWLANDS, M. RYAN,  
M. K. VENEMORE, G. G. WINTERTON.

The employment of a full-time librarian in the library this year has added much to the usefulness of the library. Boys were able to receive expert help both in the selection and use of books, and much more time was devoted to the library, for it was no longer a spare time occupation.

Many new books were added to the library this year, mainly to the Science, English and Geography sections .

The magazines continued to be the most popular articles in the library and such widely separated types as Bon-Jour, Das Rad, Illustrated London News, Sport Magazines and Scientific Journals were all present. The copies of the "Cygnet" which were bound late last year continued to be very popular.

The number of science books has increased steadily. There are, besides the books on the school course, many books dealing with subjects beyond the school Curriculum, which include topics such as Space, Rockets, Paleontology, Archaeology, and Psychology, which are all read avidly.

Many critics' books on the authors such as Hopkins, Shaw and Dickens have been purchased to enable boys to have a wider scope for English criticism.

Geography and History still remain, apart from English, the largest section of the library, and many expensive, amply illustrated books have been added to these sections.

As fiction is an essential for a library the section has grown tremendously, particularly owing to the acquisition of the mobile library mentioned in last year's "Cygnet".

A double check system has provided an almost fool-proof system of tracking down a book—not always to the borrower's advantage!

The large number of books together with comfortable seating arrangements and bright light and heaters in winter make

the Hale Library one of the best school libraries one could wish for.

### *Acknowledgements*

Grateful thanks are to be conveyed to Mrs. Flood, who once again made covers for most of the books. Other donors to whom the library feels indebted are Mr. L. Drake, Mr. H. Guthrie and the Old Haleians' Association.

## *Charities Contributions*

This year contributions have eclipsed all previous figures. The good example of the two Boarding Houses, who this year between them have contributed over £150, has spurred the Day boys on to better things. As we go to press the fund stands at nearly £445.

The Committee has made the following disbursements:

# *Music Society*

COMMITTEE, 1963

*Chairman:* D. T. IRVINE; *Treasurer:* D. J. CHIPPER;

*Secretary:* P. B. C. HARRIS

*Committee Members:*

B. H. PIESE, M. VALLIS, A. LEDINGHAM, M. O. deC.  
WALTERS, B. PARKER, G. J. RILEY, B. A. R. DONCON.

The Music Society was formed in First Term, 1963 with these main aims:

- i. to further the enjoyment and widen the understanding of music by boys in the school.
- ii. to contribute to the musical life of the school.
- iii. to meet others with similar musical interests.

It is pleasing to announce that each of these aims has been successfully achieved.

In the last two years music has undergone a great lift and many boys, under the guidance of Mr. Bennett, have begun to appreciate this wonderful new world. To further the enjoyment and widen the understanding of music is to lay open an unlimited field of expression and entertainment, which people cannot well do without.

As our inaugural activity, we were privileged to be associated with Yuri Tamaschenko's singing studio in a concert performance of Gounod's "Faust". Many well known Perth singers were the featured artists and the accompanist was Mr. Michael Cole. The performance was of a very high order, and must go down as a significant mile stone in the history of music at Hale. We thank Maestro Tamaschenko and his studio for the opportunity of this association and eagerly look forward to the next "combined effort."

"Faust" was the preparation for the society's biggest single contribution to the music life of the School. This year, instead of producing the usual "straight" concert, it was decided to demonstrate the musical talent in the school in an entertaining and amusing way. Thus the idea of a production along the lines of the old English "Music Hall" was conceived.

"Gaslight Music Hall" received a tremendous reception and the boys enjoyed it as much as the audience. After the several days of hectic rehearsals and last minute stage adjustments that seem to characterise Hale School productions, the show played to appreciative audiences on both nights.

The Host for the show was David Irvine and the contributions of Richard Hartley, David Atkinson, Carl Vine, John

Scott and Max Vallis were outstanding. The chorus work was varied and interesting and a high standard was attained. The chorus work was varied and interesting, and a high standard was attained. The songs and costumes kept to the period (1890), and the atmosphere was in the true "Music Hall" tradition. Once again Mr. Bennett deserves praise for the fine quality of the voices and for the way he organised a dozen, unrelated items into a compact show. The following took part in the programme:

A. G. Barrett, P. C. Boyatzis, M. J. Burr, G. R. Cain, A. H. Charlton, D. J. Chipper, S. E. Dean, R. M. Desmond, B. A. R. Doncon, T. E. Eyres, A. E. Fethers, D. C. S. Fowler, M. T. Goadby, R. W. Gregson, P. Giambazi, J. H. Gwynne, P. M. Hammond, G. W. Harris, B. T. Hayes, D. B. Herd, A. T. Irvine, R. Kadir, J. E. N. Kempin, D. S. Kessly, J. G. Kowal, R. J. Lapsley, A. Ledingam, R. Leonhardt, R. Liddell, A. C. Lucas, P. McDonald, R. J. McDonald, S. J. Manning, B. G. Manning, G. J. Moore, G. I. Moore, T. Morgan, P. Morgan, G. J. Parker, D. A. V. Piesse, B. H. Piesse, C. S. Potter, C. I. R. Prince, K. A. Reichelt, G. J. Riley, T. V. Riley, J. S. Roberts, D. E. Taylor, G. J. Thompson, H. Thompson, S. C. Vallve, H. P. de Vries, T. K. Walters, W. L. Wallis and M. O. deC. Walters.

Spurred on by the success of the "Music Hall", the committee rushed into preparations for an opera to be produced in First Term, 1964. However, several "false starts" were made on several operas before rehearsals of Gilbert and Sullivan's "H.M.S. Pinafore" began. This was the society's main item on its agenda for Third Term.

The last activity for this year helped us to meet others with similar musical interests. The Scotch College Music Society invited us to an inter-school musical evening. Hale was represented by the "Deutsche Duo" (Hartley and Atkinson), David Irvine, G. Thompson, John Massey and a First Form item. Christ Church and St. Louis also sent along several items. The Society wishes to thank Scotch College for the organisation of the evening and to announce that plans are now afoot for this to be held each term and we have offered to act as hosts for one of the meetings next year.

With the year drawing to a close, we can look back upon a successful first year. The scope of our activities and the successes they have enjoyed are only a foundation for the committee of 1964 to build on. 1963 has seen the launching of a new society which must be fed with new talent and original thinkers. Sport is only one facet of School life and only a small part of life in the world. The Music Society has endeavoured to let boys see other aspects of life and it is up to subsequent committees to exploit the latent musical ability of so many boys in the School. The 1963 committee wishes them every success.

## STRANGER FROM THE SHADOWS

Out of dark slum,  
From shadows of fear,  
I saw the frightened come;  
Illiterate, unloved scum  
Of city draw near.

As lodged in a cell  
The light is quilted,  
So she, from a hell  
Of black, crossed light and wilted;  
Uncovered; peeled from her shell.

In the dark, no face  
Saw I; yet her life  
Was discovered in this place.  
Her woes, her strife  
Lay in latticed lines of grace.

I saw not scruffy shirt,  
Tangled hair or peeping toes;  
Not features festered with dirt;  
Not clothes echoing woes,  
But nature, scared-alert.

No savage hate, but fear  
Saw I. She stood, sincerity  
Illuminated, but still more dear  
Than ragged edge and sea-salt tear,  
The sight of unloved simplicity.

I stood away-alooft.  
At last the light began to dawn  
On the sight of this girl uncouth.  
Wonder! Before me was born  
The illusive figure of Truth.

IN MEMORIAM

A lone mammoth monument in grey,  
solid, unbreakable as their courage;  
Bleached white in the sun of May,  
as the marble of their last page;  
Echoing the voices of free children,  
freed in war by their deeds.

The stage lit with the follies of men  
 reflects their fight for our needs.  
 This monument, this memorial, reflecting  
 in its strength, the strength of others  
 Should remind us in our passing,  
 of their sacrifice with their brothers'  
 At Gallipoli, Kokoda, Tobruk and Rabaul —  
 the fallen, symbolised in our "HALL".

## ROMANS 5 : 13

'... sin is not imputed where there is no law . . . !  
 Wrong doing is not sin  
 If unknowingly against moral law.  
 Thus a tribal killing is wrong  
 But is not sin.

Attitude is sin; not action.  
 Conscience governs it, and the satisfaction  
 Of knowledge of sin is evil.  
 Evil is conscientious transgression—malevolent;  
 Thus sin is evil—devil meant.

Christ, with wisdom, laid a path of parable.  
 Sowing His Truth upon the arable;  
 Yes, 'good ground' bear fruit,  
 But judge not the stones; refute  
 Not the 'bad ground'.

Live and judge for wrong;  
 Let live and honour the strong,  
 But foster the weak  
 Till all, from sin, true wisdom seek.  
 Let us in judgement leave all  
 Save the difference 'twixt sin, wrong and evil.

## TO NOUGHT

Number of haze and utter uselessness!  
 Close bosom-friend of the number one;  
 Conspiring with him how to vex and perplex  
 Students of mathematics—barring none.  
 You bend with worry the line furrowed brows,  
 And fill all brains with doubt to the core;

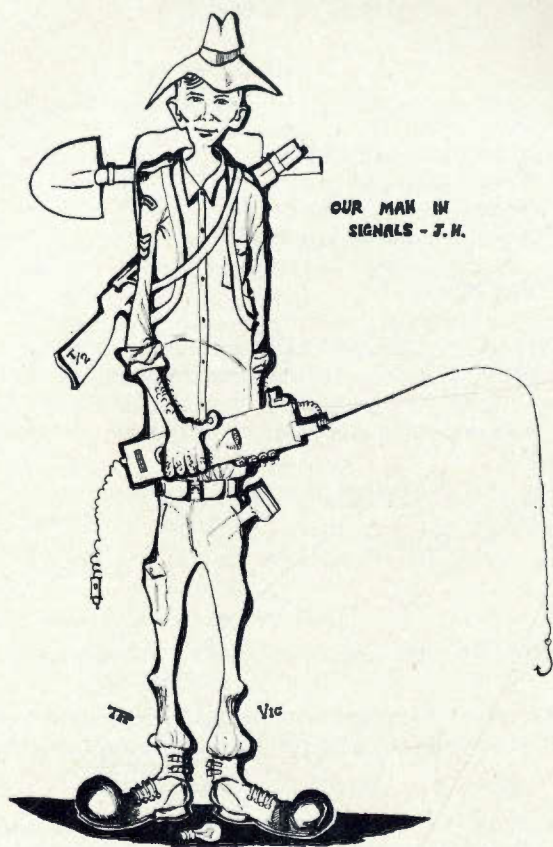

You swell the work, you harden the sum,  
Our brains you befuddle, muddle even more.

Where is the logic of six? Aye, or of four?  
Think not of these, thou hast thy merits, too.  
The centre of attraction in graphs,  
Quadratics would not solve without you.  
The mediator from minus to plus,  
The signs change at your junction.  
In business you decide between profit and loss,  
Yes, important is your function.  
—G.E.T. (4A).

#### PAUSE FOR A MESSAGE

I've had a belly full  
A nauseating telly full  
Of adverse tisements.  
  
They've just gone too far.  
No, I don't want another car.  
My collar's not too tight.  
Even my hair's 'whiter than white'.  
My hands are beguiled  
With the new Lux mild.  
I've not got dandruff  
And hormones are useless for gland-ruff.  
I don't need pills for flaccidity  
Or excess stomach acidity.  
My house is still like a tomb  
From that 'pine forest in the living room'.  
I'm weary of talking louder  
Over messages of baby powder,  
And our 'straight from the U.S.A.',  
And the 'friendliest friendly way'.  
Night owls I won't miss you!  
I don't want the gentlest tissue,  
Or fly spray and laxettes,  
Washing machines and cigarettes.  
I'll burst like shivered locks  
This confounded idiot box.  
What annoys me most of all?  
These commercials make a habit  
Of interrupting 'Crusader Rabbit!  
Well, commercial T.V., we're through,  
I'm turning over to Channel Two.

He is longing for this trip,  
One which he knows  
Will be a startling thrill.

He is packed,  
He is waiting,  
He is gone.

High overhead;  
With pace and beauty overlapping the clouds  
That fringe the sky with grey majesty.

Inconceivable though it is that trouble should occur  
In this silent mystic world . . .  
They mourn their loved one.

## NAKED

Here stand I . . . naked,  
 Naked to earth's stare,  
 Naked to naked life,  
 Naked to the gossips,  
 Naked to the naked eye.

But others,  
     only in  
             *and realizing*  
                 their own nakedness

Can see my nakedness.  
 For  
     my nakedness is not in the flesh  
 But  
     in the mind.

## THE CHEMISTRY STUDENT'S ALMANACK

*Acid.*

A substance which can usually be relied upon (especially in concentrated solution) to produce some excitement.

*Balances.*

These come in two varieties, beam balances and spring balances—one measures mass, the other measures weight and neither measures accurately.

*Base.*

That part of the metal stands in the chem. lab. which rest on the floor.

*Bunsen Burners.*

Fascinating playthings which provide small amusements and sometimes big explosions during otherwise dull chem. experiments.

*Burette.*

Into this one puts a certain solution and lets it out through a tap in the bottom into another solution which presently for some unknown reason changes colour.

*Phenolphthalein.*

This is sometimes red and sometimes clear but is never used in the laboratory as non-one can ever spell it.

*Pipette.*

Very accurate, very delicate, very breakable—very expensive.

*Solution.*

When one thing is dissolved in another thing. The thing dissolved is a solute or something and the other thing is something which . . . see "Essentials of Chemistry".

*Test Tube.*

A cylinder of glass open at one end (although sometimes unfortunately open at both), used as a receptacle for putting, keeping, mixing, dissolving, heating, cooking, reacting and illegitimately concocting substances.

WATER—(1) Hard — see ICE.

(ii) Soft — a rarely found, very complex, highly unstable, positively inflammable, extremely volatile substance—not known to react with anything.

ICE—(i) Soft — see WATER.

(ii) Hard — extremely cold, solid substance —it takes 80 calories of it to melt 1 gm of heat.

### BLOCK

The cricket's so boring,  
Spectators are snoring,  
And the batsmen  
Just stand there and block.

The bowlers bowl fast,  
And the balls whistle past,  
Yet the batsmen  
Just stand there and block.

They bring on the spinners,  
Who can be match winners,  
Still the batsmen  
Just stand there and block.

The last over's bowled,  
It gets dark, it grows cold,  
Like the batsmen  
Who stand there and block.

—T.K.W. (L7).

## THE BEAUTY OF CREATION

I love the painted butterfly,  
 I love the leaping frog,  
 I love the darting swallow  
 As it slips through moistening fog.

I see the shining droplets form  
 On every bush and tree,  
 I watch their steady dripping  
 On the grass in front of me.

But of all God's vast creation  
 The thing that charms me best  
 Is our new born boxer puppy  
 With our Siamese cat at rest.

—M.D. (L6).

## SAILING

I love to sit and dangle my feet —  
 As my boat goes sailing along —  
 Over the deep sea caves  
 Through the Summer's heat —  
 With the sound of the waves  
 And the strange, sad bleat —  
 Of the curlews' song.

—G.C. (L6).

## TREASURE

The pirates are going to bury their treasure  
 On some desert island or lonely coast track;  
 But first they must mark on a map where it's hidden  
 In case they can't find it when they have sailed back.

—J.F.P.T. (L5).

## "THE SCHOOL"

At Hale we have a Memorial Hall,  
 Which was built by the "Old Boys" one and all.  
 We also have an Olympic Pool,  
 Which in summer helps keep us cool.

The football players who try their best,  
 Have lots of muscles and lost of zest.  
 They sometimes lose and sometimes win,  
 But they're never afraid of the spectators' din.

—I.D. (L5).

Office Bearers elected at the Annual General Meeting on 25th February, 1963 were:

Chairman: Mr. R. G. Harris.

Vice-Chairman: Mr. R. H. Liddell.

Hon Secretary: Mr. R. M. Herd.

Hon. Treasurer: Mr. G. H. Gwynne.

Hon. Auditor: Mr. E. H. Wheatley.

Committee: Mesdames Lenton, Marshall and James; Messrs. Van Hazel, Sherwood and Leonhardt.

Continuing members of the Committee were:

Headmaster (ex officio), Mr. J. R. Prince, Mrs. T. A. S. Davy, Dr. J. T. Irvine and Messrs. K. L. Treadgold and L. C. Trotter.

Mr. D. A. Milne substituted for Mr. Haskett as the Staff representative, and was later succeeded by Mr. C. J. Ashman, while Mr. I. A. Wilkins represented the Old Haleians' Association.

During the year Mrs. Donaldson joined the Committee as a representative of the Junior School, and Mrs. Turbayne replaced Mrs. James, who found it necessary to resign through absence from the State.

General Meetings have been held in the Memorial Hall, and Committee Meetings in the Old Boys' Room. The Committee is grateful to the Old Boys' Association for making this available and would like to take this opportunity of expressing its appreciation.

The mid-year General Meeting was addressed by Mr. John Lewis on the subject of "The Ord River Scheme", and Mr. Prince was the guest speaker at the September meeting. His subject concerned the value of psychological tests and their method of application in the School. Both speakers were very well received by those members present.

Our projects for the year under review have been the completion of the scoreboard and the furnishing of the Clubs and Societies Room.

The scoreboard with its allied kiosk is now an accomplished fact. Thanks are due to those members of the Works Committee,

School staff, and voluntary helpers who assisted with the work. These efforts were rewarded on 9th March when the project was handed over and officially opened by the unveiling of a memorial plaque by Mrs. Duce. Apart from its value as a scoreboard much has come from the dispensing of hot drinks and general refreshment from the kiosk at home sporting fixtures, School Sports Day, etc. These facilities are available for mid-week use and the Association encourages their use by any interested parents.

The Clubs and Societies Room is now furnished in a comfortable and attractive manner. Expenditure involved was £211 and the Association is grateful to the Board of Governors for assistance given in underwriting the purchase of furniture pending the marshalling of Association funds. We are happy to say that repayment of the amount has almost been finalised.

In this connection we must also place on record our deep appreciation of the action of the Captain and Prefects of the School, who made available the major portion of profits from the Prefects' Dance to assist with the cost of furnishing. This amounted to £64 and was a magnificent effort.

#### *Ladies' Committee:*

Once again this band of enthusiasts has rendered excellent service to the Association. Their efforts in conducting two very successful luncheon functions, as well as attending to the kiosk catering, have brought both financial and social benefit to the Association and its members. Successful functions bring their own reward, but to this must be added the grateful thanks of the Association and all those who have enjoyed the results of their efforts.

#### *Clothing Exchange:*

This aspect of Association activities continues to grow in both size and popularity. Your Committee is grateful to the School for the provision of space in which to hang and store stocks of clothing, thus reducing damage, and effort in handling. Three successful exchanges have been held this year and we look forward to an equally successful 1964.

This has been a year in which activities have been limited to some extent by the lack of finance. Our sincere thanks are due to all those who have helped by their voluntary effort, to those who have made material donations to help defray the cost of our functions, and to all those Parents and Friends who have encouraged us by their support. We look forward to a continuance of this support in 1964, and would remind parents of boys leaving the school that they may maintain their link with the School and the Association through the facility of Association Life Membership.

## PRESIDENT'S REPORT

Gentlemen,

For your information and approval, I present to you the Annual Report of the Association for the year 1963.

### *Committee*

The Committee has held the usual monthly meetings, and several special meetings, which have all been well attended. The consistent attendance of past presidents at these meetings has provided encouragement to the Committee, and also a source of much valuable experience in Association affairs. We also owe our thanks to Mr. Prince for his attendance and assistance at all times.

The usual sub-committees were appointed early in the year and they have all carried out their allotted duties efficiently and enthusiastically. I would like to take this opportunity to thank the Committee for its support throughout my term of office.

For the past year the Committee has been meeting in the Old Boys Room in the Memorial Hall and I think all members have been quick to see the advantages of having our own accommodation.

*Finance*

The Association has Life Membership investments totalling £3,800 and increased income from this source has helped improve the general financial situation. The detailed financial report will be presented by the Treasurer at the Annual General Meeting; but it can be reported that the number of subscriptions received has improved since last year. This situation is still not satisfactory, however, and I would appeal to all Old Boys to forward their subscriptions promptly in the new year. In 1964 we will be carrying the added financial responsibility of a scholarship offering full school fees.

*Membership*

The present membership is 1,007 consisting of 460 Annual Members and 547 Life Members. (The Annual Membership figure includes 146 who are one year in arrears).

While the Association has maintained its membership of one thousand Old Boys (first attained in the Centenary Year), this figure should be considerably higher due to the increasing number of boys leaving the school each year. Your Committee hopes that all Old Boys will join the Association and also point out the advantages of membership to their sons and relatives as they leave School.

*Social Activities*

Old Boys' Day, the Annual Golf Match and Buffet, the Rowing Day Launch, and the Football Match were held as usual and all proved very popular. The Launch used to view the Rowing was in fact overloaded and certainly a larger boat will be required next year.

The Public Schools Association Ball catered for record numbers this year, while the Association's Annual Dinner was one of the happiest and most successful functions held for some time. The Country Dinner held in Katanning was also a great success and Brien Taylor is to be congratulated on his great work.

Mike Beach and his Social Sub-Committee deserve special thanks for the long hours of work that resulted in their many successes this year.

*Sport*

Once again this year we have won the Old Boys Boat Race, the "Inters." Relay and the combined Old Boys Golf Shields. These continued sporting successes have provided enjoyment and satisfaction for both the competitors and the Association generally.

### *Cygnets Hall*

Once again the Sub-Committee has worked hard to increase bookings and keep expenses to a minimum. In the face of stiff competition, the operation of this Hall at a profit is becoming increasingly difficult, thus Old Boys are asked to help by using these excellent facilities whenever possible. •

### *"The Cygnet"*

The School has again made available some 900 copies of "The Cygnet" in return for merely a token donation towards their cost. Many of the families receiving more than one copy of this magazine may feel that the extra copies are unnecessary. The Committee would be glad to hear from anyone in this position as some wastage could be avoided.

### *"The Old Haleian"*

This magazine has continued to provide a ready means of giving notice of future and past activities, and I believe, has done a great deal to keep all Old Boys in touch with their association. The Sub-Committee responsible should be congratulated on maintaining the standard of this publication.

### *Scholarship*

The Association's Scholarship Committee recently awarded an Old Boys Scholarship (to commence in 1964) to Eric Isaachsen. On behalf of the Association I express the hope that Eric's school days are happy and fruitful.

### *The Board of Governors*

The Old Boys Selection Committee reappointed Dr. L. P. Gray for a further four years to the Board of Governors.

### *War Memorial Association*

As the maintenance period is now complete, it is expected that the Architects will issue a final certificate for the War Memorial Hall in the near future. The War Memorial Association still wishes to complete its undertaking by paying for extra seating, honour boards and cupboards for the museum area.

I would appeal therefore to the few whose promises are still outstanding to forward their cheques immediately, thus enabling the Committee to finalise this matter.

Earlier in the year our Architects received well earned recognition for their outstanding work at two ceremonies held in the Hall. They were presented with the Bronze Medal and Diploma of the Royal Institute of British Architects for the building of outstanding merit in the metropolitan area of Perth over

the period 1959-61, and the Australian Architecture and Arts Award for 1962.

*Hale School Endowment Fund*

This fund is now functioning under a new committee and is actively encouraging Old Boys to make donations to the Fund. Gifts will help build a capital sum that will in turn produce income to assist the School.

In conclusion I thank you for the honour of serving as your President. My term of office has proved most interesting, and has afforded me a great deal of pleasure.

BARRY S. SANDERS,

*President.*

CORRECTION AND APOLOGY.

*In the October issue of the "Old Haleian" the name of Mr. Evan Saw was erroneously quoted as that of a deceased Old Boy. The report should have read Mr. C. R. B. (Roy) Saw. The Editor of the "Old Haleian" sincerely regrets the error and apologises to Mr. Evan Saw and relatives for any embarrassment suffered therefrom.*

THE HALE SCHOOL ENDOWMENT FUND ASSOCIATION  
(INC.)

It will be of interest to all connected with Hale School, both at present and in the past, to know something of the operations of the Fund.

The Fund has been operating for 32 years. It was set up in 1932 by a number of Old Boys with the object of raising capital to endow the School—after the style of many English public schools and universities. The Constitution, which incidentally was drawn by Mr. (later Mr. Justice) Virtue, Q.C., in 1932, was arranged in such a way as to allow the receipt of bequests and gifts; to be administered for the benefit of the School by Trustees appointed by both the Board of Governors of Hale School and The Old Haleians' Association (Inc.).

The present Trustees are:—

*Appointed by the Board of Governors:*

Mr. G. R. Simpson and Mr. L. E. Fethers.

*Appointed by The Old Haleians' Association.*

Mr. W. L. Brine (Chairman), Mr. T. F. Hantke, Mr. R. V. Garland (Secretary).

A number of gifts have been made over the years to the Association but the main scheme was the payment by a number of Old Boys of premiums on life assurance policies taken out in 1932-1934 on the lives of boys then at the School. These were for a 30-year period and most of them have matured with bonuses. A gift of Government Bonds for £450 was received together with other donations.

The Trustees have now decided to support the Old Haleians' Association in the granting of scholarships to the Sons of deceased Old Boys whose guardians are experiencing hardship. For this purpose the interest earned will be used but the capital is to be retained intact in accordance with the objects of the Fund.

The present assets of the Fund held in cash and securities amount to over £4,000.

It is, of course, the aim of the Fund to receive capital sums to use towards the functioning and benefit of the School. There are cases in the United Kingdom of very large amounts being received for this purpose—as they have by other schools and universities in Australia.

Naturally, the Trustees are looking for ways of increasing the capital of the Fund in order to endow the School for its improvement and as security against the future.

It is hoped that all Old Boys will remember the School in their Wills; bequests are deductions for Estate Duty and Probate Tax purposes. A strong, financial reserve can be a powerful influence in the future for the preservation of Hale School as we have come to know it, and honour it, as a valuable institution in our country.

Enquiries about the Fund from any member of the Board of Governors or Trustees of the Fund would, of course, be welcome. Other Old Boys have thought they would rather give donations to the Fund while they can see the result. The machinery have come to know it, and honour it, as a valuable institution in the past has led to the present nucleus of capital.

## AUDITORS' REPORT

I report that I have examined the attached balance sheet of The Old Haleians' Associataion (Inc.) at December 31, 1962, and the related income and expenditure accounts for the year then ended, and have obtained all the information and explanations I have required.

I am of the opinion that such balance sheet is properly drawn up so as to exhibit a true and fair view of the state of the affairs of the Association as at December 31, 1962, and the related income and expenditure accounts are properly drawn up so as to exhibit a true and fair view of the results of the transactions of the Association for the twelve months ended December 31, 1962.

Dated at Perth this 1st day of March, 1963.

COLLIN NEWBERY,

Chartered Accountant,

*Honorary Auditor.*
