Hale School Magazine

"Some things are never clear"

It appears conventional in the editorials of school magazines either to praise the school or to relate world events to school events or, in exceptional years, to write about the school's sporting achievements. 1965 has been a good year for Hale—we won the swimming, tennis and rugby—but this would hardly justify my making this editorial a eulogy of sporting achievements. The first two choices, I feel, have been dealt with sufficiently by past editors, who could possibly accuse me of plagiarism if I pursued either of these two lines of thought. Hence, I have decided to be rather unorthodox and select one facet of school life on which I can enlarge. I have chosen the subject of "schoolmasters and schoolboys."

After graduating through the school from L4, where every master is met with trepidation by everyone, to 5A, where few, if any, masters are feared, I feel that I am now in a position to put in writing some of the thoughts which have come to me during my later years at school. I do not wish to offend, and if anything I write may sound like advice, I can only say that such presumption is quite unintentional.

Having to face a room full of hobbledehoyes, anyone of whom is likely to seize upon the slightest slip as an opportunity to rouse

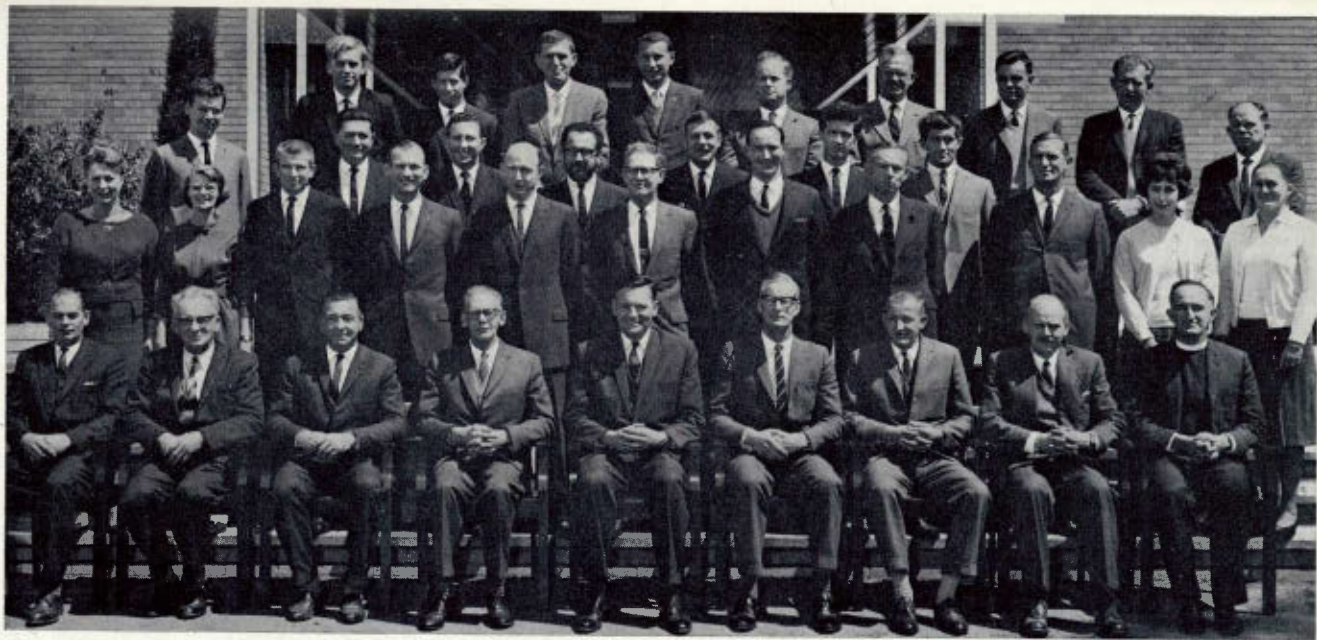

a puerile and all too eager outburst from the whole class, makes me consider that being a schoolmaster is not necessarily an enviable occupation. He dare not have any peculiar mannerisms nor engage in battology. The physiognomy and somatype with which he is endowed are not permitted to deviate from the mean; his caparison must be that of the present vogue, not even that of a hemi-decade ago. Double-breasted suits, table-cloth ties, twenty-two-inch trouser cuffs and the like are definitely eccentric by the conventions of present day youth. If he does ablude in any way he cannot fail to notice the clandestine jibes of his factious class.

Tennyson coined the veritable simile "as cruel as a school-boy"; for schoolboys intrinsically display egoistic hedonism, especially at the expense of those in suzerainty of them. Individually they approach tolerability, but collectively they constitute a menagerie that derides anything it espies.

And yet many retired schoolmasters are octo- or nonagenarians retaining *mens sana* as well as *corpore sano*. What is the explanation for this seeming paradox? Perhaps the lengthy school holidays allow the master time to recuperate between terms. But then there are the masters who are as unscathed at the end of term as they are at the beginning; in fact, some are never unduly oppressed by their class and always appear to have it in complete control. How do they achieve this very difficult subdual? It appears that the master's first day decides his fate for as long as he remains at the school. It is at this time that he proves whether he is the master in deed as well as in name, someone to be respected and feared, or whether he is too passive to control the anarchy which the boys wish to introduce into his lessons.

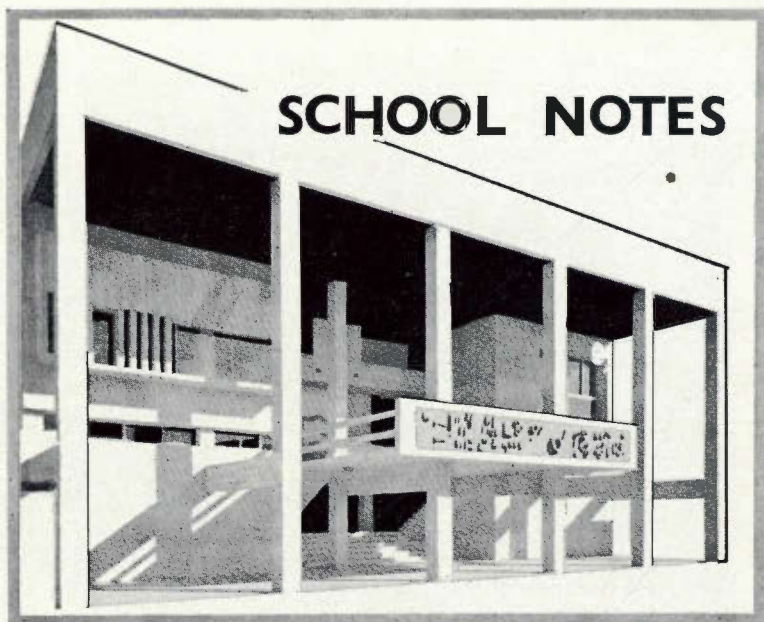

Most masters, I assume, attempt to be as liked and as respected as possible, whilst maintaining discipline in class. Many succeed in this objective but some do not receive all the respect they deserve, possibly because they sacrifice some respect in favour of popularity. Then, strict discipline is not always maintained and some boys take complete advantage of the situation and reduce most periods to chaos. Few boys are able to grasp that the master is an ally and not an enemy if treated with deference. One of his major functions is to help students to pass their examinations. Obviously he cannot succeed to any great extent if every period he teaches is debased to a farce. No one should condemn a few schoolboy pranks, but the master must be given some opportunity to demonstrate what teaching ability he has.

After reflection, I come to the conclusion that schoolmastering is a true vocation requiring qualities with which not all are endowed, and demanding a degree of dedication which few of us might be prepared to give.

FIRST TERM

School began on Tuesday, 9th February, and the Headmaster welcomed all boys back to the school.

J. G. Scott was appointed Captain of the School, T. R. Hantke Vice-Captain; and the following were announced as Prefects: J. Bird, P. Eakins, C. I. R. Prince, A. D. Self, I. W. Smith, L. A. Underdown. The Prefects were inducted by Mr. Prince. (V. W. Wright was inducted later in the year).

Sporting activities for first term were soon under way, and the following Sports Captains were appointed: Rowing—L. A. Underdown; Cricket—K. Campbell; Swimming—T. R. Hantke.

The first cricket match of the season was played on the 10th February against the Governor's XI, and on the 6th March, Darlot Cup matches commenced.

Old Boys' Day, on March 1, was well attended as usual. The Old Boys competed against the School in swimming, tennis and cricket. A. Irvine won the bat presented for the best score made against the Old Boys.

On Thursday, 4th March, the Junior School Swimming Sports were held.

On the 13th March, Hale School won the Inter-School Swimming Sports at Beatty Park. This victory was a great team effort on the part of Hale School.

On Saturday, 20th March, the Hale School Regatta was held.

The School Swimming Sports were held on the afternoon of the 24th March, and were won by Buntine House.

The Wesley Rowing Regatta was held on the morning of the 27th March.

The School broke up for the Easter holidays on 15th April, and returned on 20th April.

At the Rowers' Assembly on Friday, the 23rd April, Mr. Little presented the coxswains with their megaphones, and gave an encouraging speech. On the Saturday, the School did well to finish fourth. The Rowers' Dance was held on the night of Saturday, 24th April.

The School broke up for the May holidays on Wednesday, 5th May. The School said goodbye to Mr. Marshall, who was going on well-earned long-service leave.

SECOND TERM

Second term began on Tuesday, May 25.

Sporting activities for Second Term were soon under way and the following Sports Captains were announced: Football—P. Eakins; Rugby—J. G. Scott; Hockey—A. D. Self.

At Assembly on 11th June, Bishop Vockler, the Bishop of Polynesia, entertained the School with an interesting and amusing speech.

On Wednesday, 7th July, football, hockey and rugby matches were played between the Old Boys and the boys of the School. The School won well in football and rugby.

The School play, "The Guinea Pig," was performed in the Memorial Hall on the 22nd and 24th July.

The Prefects' Dance was held on the 7th August.

Sporting teams all had very good seasons. The First XVIII finished very well to come second, beating all teams at least once.

"CYGNET" COMMITTEE, 1965

BACK ROW (l to r)—N. H. Smith, I. W. Smith, L. A. Underdown, W. G. Hodsdon, R. I. Hartley, N. G. Barton, S. P. Saunders.
 FRONT ROW (l to r)—J. G. Scott, P. B. C. Harris (Editor), Mr. C. J. Ashman, C. J. Prosser (Secretary), C. M. Smith.

For the second year in succession, the Rugby team won its competition. The First XI improved greatly to come fourth.

Army and Navy Cadet Camps began on Saturday, 14th August.

School broke up on Wednesday, the 18th, for the August holidays.

THIRD TERM

On 7th September, School recommenced for Third Term.

The Cadet Passing-Out Parade was held on Saturday, the 18th September.

Trial Junior and Leaving Certificate examinations began on Thursday, 14th October, earlier than usual.

The Inter-House Athletic Sports in which all boys competed, were held on Saturday, 16th October, with a comfortable win going to Faulkner House.

On the afternoon of the 19th, the School Athletic Championships were held.

The Inter-School Athletic Sports, on the 23rd October, were won by Aquinas, with Hale coming an unlucky fourth.

On Thursday afternoon, 11th November, the Naval Cadet Unit was presented with the State Colours, for being the best Unit in W.A.

School examinations began on the 18th November, and Public examinations on the 22nd November.

Speech Night was held on Monday, 6th December.

Staff Changes

"I could be worse employed"

The following members of the teaching staff left at the end of 1964: Messrs. G. M. Bennett, R. L. Juniper, R. G. Quade-Smith, J. E. Smart, M. F. Stallard, P. Stocker and A. Veth.

Those joining the staff at the beginning of this year were Mr. D. Chadwick, the notable State sportsman, to teach Maths. in the Lower and Middle School and Physical Training; Mr. B. Loftus to take over the Art department from Mr. Juniper; Mr. F. Pyke to be our Guidance Officer, Mr. Loveland to teach English in the Middle School, Mr. J. Sanders to teach English in the Middle and Senior School, Mr. M. Watt to take over the German classes; Mr. Cox to teach commerce and Mr. D. Stones to teach Music and English.

On Mr. Marshall's departure in May for his well-earned long service leave, Mrs. E. Wright (who left at the end of second term) and Miss L. Rourke joined the staff to teach the French classes. During the year, Messrs. Moore and Sorenson taught Lower and Middle School Science classes on a part-time basis. The school was sorry to lose its Bursar, Brig. L. Rush, when he returned to England. He has been replaced by Mr. Burr.

We wish the new members of staff a pleasant stay at Hale School and for those who have left us we wish success in their future.

Old Boys' Day

Old Boys' Day of 1st March was, as usual, well attended. 183 Old Boys were present for Roll Call, and 161 remained for Old Boys' meetings. The annual cricket match resulted in a narrow win for the Old Boys, and Anthony Irvine must be congratulated on winning the Old Boys' bat, with a fine score of 48 not out. The swimming—an innovation of a couple of years ago—was continued, and the most exciting race was between the Old Boys and their sons, this resulting in a dead-heat. However, the School open team proved too strong for the Old Boys in the other relay. An enjoyable day was rounded off by the customary keg of ginger beer.

Speech Night

SPEECH NIGHT, 1964, was held on the 7th December in the quadrangle before the Memorial Hall. The proceedings opened with the "National Anthem", followed by a prayer offered by the School Chaplain. The Captain of the School gave his report, after which came the Headmaster's Report. The prizes and trophies were presented by His Excellency The Governor, Sir Douglas Kendrew. The formal proceedings were concluded with a vote of thanks and the Benediction. Afterwards parents were invited to inspect displays of art and woodwork in the art room and the Memorial Hall.

Headmaster's Report

The Headmaster commenced his report by welcoming His Excellency the Governor, Sir Douglas Kendrew, to his first Speech Night at Hale School.

He then made mention of the various staff changes during the year, and particularly commented on the good work of Mr. Shields as Sportsmaster.

The Headmaster continued to say: "I also wish to record my appreciation of the Captain of the School and the other prefects, who have given me unqualified and united support. I believe that their sense of responsibility and their tenacity in the execution of their duty have substantially raised the status of Prefect in the School. I know that comparisons are odious, and perhaps psychologically unwise, but I cannot resist saying to whoever may be next year's Prefects, that if you will do for the School what this year's Prefects have done, we shall be a fortunate school indeed. The good year we have had outside the classroom, in sport, cadets and other fields, reflects the good lead, not only of the Prefects but also of the other seniors of the School."

As an example of this, the Headmaster cited the excellent production of "H.M.S. Pinafore", on which many boys and masters worked, and also regretted that Mr. Bennett was to leave at the end of the year.

Academic work had continued at a satisfactory level and the previous year's Public Examination results had been overall the best for many years. The Headmaster then referred to the growing discrepancy between educational trends in the community, and the outmoded Public Examination System, and said it would be far better to have the first major examination at the end of Fourth Year, but that, until the cost of a further year of schooling could be met by this State, some form of external examination was necessary at the end of the third year.

Nevertheless, the present form of the Junior Certificate examination seemed totally outmoded. The Headmaster pointed out that the boy with a Junior Certificate to show, because he passed any five subjects, might well be far worse prepared for higher education than the boy passing only English, Mathematics and Physics. He said that, because of this system, the parent of a boy who has passed the Junior Certificate expects his boy to go on to Fourth Year, taking any course of his choosing, and that each year a small number of boys left at Fourth Year with a sense of disillusionment and failure, simply because they had selected the wrong subjects.

Sincere appreciation was expressed for the work of Mr. Quade-Smith, who had done so much to set up the well developed Testing and Guidance Organization. It was the school, with its knowledge of a boy's academic performances, ability, and personality, that could best help parents with advice on vocational matters, and on whether a boy's progress was satisfactory with regard to his ability. The Headmaster appealed to parents to give due weight to the advice given by the school on these matters.

Reference was made to the Sixth Form, a small group of boys who, having passed their Leaving Certificate, returned for a year of general development, broader education and, where necessary, the completion of further examination requirements. This was the first year there had been such a group, and the year had been a great success, not only for the boys, but also for the school.

The development of the Junior School had continued most satisfactorily, and numbers were rising steadily. The Headmaster felt that this reflected the satisfaction of the parents with their boys' education, and that the Junior School provided a better all-round education than any State School could hope to give.

The Headmaster then went on to say that the continued strong demand for boarding places had led to a firm decision by the Board of Governors to start work on the third Boarding House, this marking an important stage towards the completion

of the School's Master Development Plan. This decision to build had brought to the fore again the need of a School Chapel. The sum needed for this would probably be raised over the next five years. After these two buildings, only the Gymnasium and the permanent Junior Boarding House remained of the original list of major buildings envisaged, but new Science Buildings were now necessary, and the School could be assisted in this project by the Commonwealth Government.

Commenting on the discipline of the School, the Headmaster said that the year had been freer than could usually be expected of unpleasant disciplinary problems, but that a few had failed to discipline themselves, and had become misfits. If, through his idleness or inability, schoolwork became a frustration for a boy, and sports and other hobbies provided no achievement, then other outlets became necessary.

In conclusion, the Headmaster said: "A Church School should, of course, be the one best able to bring about the complete change of outlook which alone can solve such a boy's problem. The Christian faith has always taught that human nature can be changed, and in the most fundamental way, by the operation of God's Holy Spirit. This is not to say that the entire personality is altered, but that the thought forms and behaviour patterns are so transformed that an effectively changed person results. While Christianity is not only for the boy who is in serious difficulties, it can meet his psychological needs by giving him a sense of belonging to the fellowship of Christ. It has been a source of some satisfaction that this year some of our boys have found their way out of the blind alley of self-pitying rebellion. It is my prayer that this School will help to prevent others even entering this dead-end and will, by the education it provides, keep them instead on the highway of disciplined self-expression in the service of God and the community."

Captain of School's Report

YOUR GRACE, GOVERNORS OF THE SCHOOL, HEADMASTER,
MEMBERS OF STAFF, LADIES AND GENTLEMEN, AND BOYS OF HALE:

The sporting achievements of 1964 have been the best for many years. The highlight of the year was the outstanding fighting spirit of the Rugby Teams. The First XV out-manoeuvred and out-played all their opposition teams, and were placed first in the overall competition. Their toughest match was against the

Scotch First XV. There were boys out of the team owing to injury and at half time we were six points behind the strong Scotch team. In the final half, the forwards joined together and fought back to assist in winning the match for the School.

During the winter season, the First XVIII Football team also helped to raise the School's spirits. They finished in third position, after the final round had been completed. They fought out some interesting matches. The greatest win was against Wesley College, when the team combined to beat Wesley 19 goals 14 behinds to 3 goals 5 behinds. This was the greatest winning margin since 1927 and the most number of goals scored since 1940.

The Swimmers also had their share of success, and the team finished third in the Annual Swimming Inters. This result taught the boys who had not pulled together in training that team spirit is essential for gaining a victory.

The Hockey team, after many long, hard fought years, won their first match. The forwards played openly and at half time the team was leading Christ Church by 2 goals. When the final whistle had been blown, the school had run out victors 6 goals to nil.

Finally, on the sporting side, I would like to mention the great team work and fighting ability of the Athletic team. The pre-season training camp, held at Point Peron, helped the boys to combine in their efforts to win an Inters title and also to get them to a peak of condition. This camp proved its advantages and on the day the Hale team was the fittest on the track.

In the field of general school activities, Mr. Bambach, Mr. Bennett and the boys taking part in the opera "H.M.S. Pinafore", are to be congratulated on the high standard of entertainment which they provided to appreciative audiences.

The Army Cadets were second to none in their excellent marching performances at the Annual Camp's Marching-Out Parade.

The Navy Cadets also performed creditably and this year, under Mr. McEwan, were a notably improved unit.

Finally, I would like to thank the Prefects for their solid support throughout the year, and, in anticipation, offer my congratulations to their successors in 1965, and wish the School generally the best of luck in all spheres of its activities next year.

HOUSE *Notes*

"I dwell in a lonely house I know"

Faulkner House

House Master: Mr. D. F. POAKE

School Captain: J. G. SCOTT

House Captain: J. G. SCOTT

House Prefects: P. B. ACKLAND, D. W. BOYLE,
L. J. RICHARDSON, E. J. YOUNG

FIRST TERM

The term commenced on Tuesday, 9th February. Most of last year's boys returned along with 21 new boys of various sizes. Soon after the term began, Peter Ackland, Dave Boyle, Lindsay Richardson and Ted Young were appointed House Prefects, with Jon Scott the Captain of the House. Later in the week the House had the honour of seeing Jon become the first boarder to hold the office of School Captain in the new school.

Mr. B. Gidney returned to the staff of the boarding house this term after he came from England in third term last year.

With the Inter-School Swimming and Rowing in the not too far distant future, boys of the house settled down to solid training in preparation for their events. Ted Young was elected Captain of Swimming.

The Inter-School Swimming was held on Saturday, 13th March at Beatty Park Aquatic Centre. Mel Wheat won the under 14 freestyle and backstroke in record time, he also won the under 16 second division butterfly and was a member of the under 14 winning relay along with Greg Jolly, David Holywell and Ken Taylor, who were all from Faulkner. Ken also won the under 14 second division of the backstroke. Other boys who took part in the Inters. were: Ted and Steve Young, Bruce Sanderson, Terry Barr and Niall Reynolds. Congratulations to the members of the house who helped Hale win the Inters. Once again Faulkner beat Wilson in the Inter-Boarding House Swimming and also won the School Swimming. However we were beaten in the Cricket Competition, but were well represented in the First XI by: Jon Scott (Vice-Captain), Lindsay Richardson and P. W. Shanti.

In Minor Sports our team gained only a minor place.

The Term ended on 7th May, the members of the house adjourned for a holiday welcomed by Masters and boys alike!

SECOND TERM

The term began on Tuesday, 25th May, and as usual the house settled down to hard training for winter sport. Early in the week Jon Scott was appointed Captain of Rugby. Other members of the victorious First XV were David Boyle and Terry Barr. Rex Ayuth was a member of the Second XV which also won its competition.

This year Faulkner were well represented in the First XI by Lindsay Richardson, Stan Wells, Ken Duce and Peter Tozer. Members of the First XVIII were Ted Young and Michael Donovan with Kevin de Gruchy being chosen in the touring team to Adelaide.

Although Faulkner did not do as well as last year in the House Football, they did gain third place. The Juniors were first in their division and must be commended on a brilliant performance in being unbeaten for the season under the leadership of Terry Waldron. The Seniors, captained by Bruce Sanderson, were fifth.

Repeating the form of 1963 the Hockey players again brought home the bacon. The Juniors, led by Jeffery Tassiker, were third and the Seniors, led by Eric O'Halloran, were first.

The annual clash between the boarding houses in football and hockey saw Faulkner run out winners in both. In the foot-

ball, Faulkner, 4 goals 9 behinds defeated Wilson 3 goals 6 behinds in a very hard fought match. Best for Faulkner were: Jon Scott, Bruce Sanderson, Keith Cannon, Ted Young and Peter Ackland. In hockey Faulkner, 4 goals defeated Wilson, 2 goals. Best for Faulkner were: Lindsay Richardson, Stan Wells and George Burcher.

The boys were sorry to see Mr. B. B. Gidney leave us at the end of this term and wished him all the best for a very happy married life. To Mr. R. D. McMath the house gave a warm welcome.

THIRD TERM

The final term commenced with the boys looking forward to the Inter-House Athletics competition. Several boys joined the school squad for initial training and this gave the others greater incentive to win the Athletics Cup which Faulkner had held since 1961. The Sports Day was different to those of previous years with each boy taking part in at least two events. Every Faulkner boy contributed to a magnificent display in which the Athletics Cup was retained and the inaugural Relay Cup won.

At the Inters. held on Saturday, 23rd October, the house was well represented by: W. J. Barnes, K. J. de Gruchy, M. J. Donovan, P. C. M. Evans, M. J. Graham, K. P. James, E. G. MacLeod, G. L. McPhee, E. F. O'Halloran, B. R. Sanderson, S. H. Wells, M. N. Wheat, E. J. Young and M. J. Young.

In early November, the house convincingly won the Inter-Boarding House Table Tennis match and thus retained the V. S. Murphy Housemaster's Cup.

The boys of Faulkner House would like to thank Mr. Poake for the enthusiasm and interest he has shown in the house during the year and Messrs. Gidney, McMath and Wager for their continued support. To those leaving us go our best wishes for the future and to those returning "Honoris Lampada Semper Fer."

Wilson House

House Master: Mr. T. D. HOAR

House Captain: L. A. UNDERDOWN

School Prefects: L. A. UNDERDOWN, V. W. WRIGHT

House Prefects: J. A. DRAPER, R. J. FITZGERALD,
F. S. W. KUHN, G. G. WANT, L. M. WEBSTER

FIRST TERM

The term began with the appointments of J. A. Draper, R. J. Fitzgerald, G. G. Want, L. A. Underdown and V. W. Wright as House Prefects and F. S. W. KUHN and L. M. Webster renewing their oaths. L. A. Underdown was appointed House Captain and later in the week inducted with the others selected as School Prefects.

Sport training began soon after we returned to school, the first highlight being the Inter-School Swimming Sports. House boys who gained places in the team were: P. S. Dudarec, J. R. Ilbery, K. A. Reichelt and W. T. J. Valli. P. S. Dudarec, K. A. Reichelt and W. T. J. Valli were members of the winning relay team which broke the existing Inter-School record. Congratulations to all those boys who helped put the light blues in front for the first time since 1944.

In the Inter-House Swimming, Wilson was placed fourth, the first place being filled by Faulkner House. Bill Valli did very well in his events and was named Under 15 Champion.

It was only natural therefore that we were defeated by a considerable margin on the day of the Inter-Boarding House Sports.

However Rowing this term was a different story and we were able to win the Inter-House Rowing for the fourth year in succession. The crew consisted of Lester Underdown (stroke), Bill Want (3), John Draper (2), Vernon Wright (bow), Peter Coates (cox).

Those boys from the House who rowed on Head of the River day were: L. A. Underdown (First VIII and School Captain of Rowing), V. W. Wright (First VIII), J. A. Draper, D. G. S. Fowler and G. G. Want (Second VIII), H. K. Cowan (First IV), R. J. Williamson (Second IV), P. A. Stone, G. L. Payne and T. L. Doncon (Third IV), P. D. Coates (cox, Second VIII).

The Minor Sports Competition was also won by Wilson House this year and the points gained were welcome additions to our score of Cock House Cup points.

The Junior House Cricket team gained first place in its competition, while the Senior House team achieved only a minor placing. However, the overall Cricket points resulted in a win for Wilson House. Well done, cricketers!

Dale Jefferis was selected for the First XI Cricket and received his colours. Boys who also gained colours in their respective sports were: Phillip Dudarec, Kevin Reichelt and Bill Valli for Swimming, and Lester Underdown for Rowing.

Eight weeks after the beginning of term Vernon Wright was inducted as a School Prefect.

During the term the appointments of R. J. Fitzgerald as a C.U.O. and V. W. Wright as C.Q.M.S in the Army Cadets were announced.

At the end of first term Wilson was leading the field in points gained towards the Cock House Cup.

SECOND TERM

As usual this term, interest was focussed on the winter sports of Rugby, Hockey and Football. In the Inter-House competitions for Hockey and Football Wilson was placed sixth overall for Hockey and fifth for Football. The Junior House Football team was second in its competition, to Faulkner.

The Inter-Boarding House fixtures resulted in disappointing narrow defeats in both football and hockey.

Those in the House who played in their respective first teams were:

Rugby—F. S. W. Kuhn, C. J. Ritchie, L. A. Underdown and G. G. Want. L. M. Webster was Captain of the victorious Second XV Rugby team.

Hockey—W. Kwan.

Football—J. A. Draper, D. J. Jefferis and W. T. J. Valli.

Those who were awarded colours for Second Term Sport were: Colin Ritchie and Bill Want for Rugby and Dale Jefferis and Bill Valli for Football. Our congratulations are extended to those boys. Frank Kuhn was also selected to represent the State in the Junior Rugby Union team, which toured the Eastern

States during the May Holidays. John Draper and Bill Valli were also members of the Football team from Hale which went to Adelaide for several matches during the August Holidays.

Again this year the Cross Country Championships were held in second term and members of the House who gained prominent places in the races were:

R. J. Fitzgerald—2nd, Open 3 Mile Event.

G. B. Wilson—1st, Under 14 2 Mile Event.

D. K. Miles—3rd, Under 15 2 Mile Event.

G. B. House—4th, Under 15 2 Mile Event.

This term we were sorry to hear that Dale Jefferis and John Ilbery would be leaving the House at the end of the term.

THIRD TERM

This term the energies of the House were directed towards Athletics. Twice a week the boys in the House who were not in the squad trained enthusiastically in preparation for the Inter-House Athletics Sports which were held on Saturday, 16th October. They were rewarded for their efforts by gaining second place in the Sports.

Soon after the commencement of Athletics, Ray Fitzgerald was appointed Vice-Captain of Athletics.

The Tuesday following the School Sports the School Championships were held. The boys in the House who did well on the day were: Ray Fitzgerald, equal Open Champion; Bill Valli, Under 16 Champion; Colin Ritchie, winner Open High Jump; and Murray Webster, second in Open Hurdles. Our Open Relay team, comprising Ray Fitzgerald, William Kwan, Bill Want and Murray Webster, won their event and received the Open Relay Cup. Well done those boys.

Those boys chosen from our House to represent the School for the Inter-School Athletics Meeting were:

R. J. Fitzgerald, I. McPharlin, C. J. Ritchie, W. T. J. Valli and L. M. Webster.

Colours for Athletics were provisionally awarded to Ian McPharlin.

Wilson House lost in the V. S. Murphy House Masters' Cup by several points. However the House showed great determination and made Faulkner fight for every point they gained.

This year Wilson was placed second in the Cock House Cup Competition and it can be safely said that 1965 for Wilson House has been a successful year with most boys giving their utmost for the house.

During the year it was announced that Mr. Hoar* and a number of boys from both Boarding Houses would be going over into Loton House to form the nucleus of the new boarding house. Mr. Hoar, who has been actively associated with Wilson House from the days when it was a Day Boy House in West Perth to when it became a Boarding House in the New School in 1961, will be leaving the House after more than 11 years of association with us. Largely through the effort, faith and interest of Mr. Hoar, Wilson has risen to be one of the really great houses of the School; for this we all owe him a considerable debt.

Haynes

House Master: Mr. J. D. BAMBACH

House Captain: C. I. R. PRINCE

House Vice-Captain: W. D. SAMSON

School Prefect: C. I. R. PRINCE

House Prefects: P. G. BRIGHTON, D. G. EWAN

FIRST TERM

The term began on 9th February when Chris Prince and Bill Samson were appointed Captain and Vice-Captain of the House,, respectively. The following week Peter Brighton and Greg Kennedy were made House Prefects.

The seventeen new boys soon settled into the routine of the House and a strong house spirit quickly sprang up which showed that the House would be a strong force in the fight for the Cock House Cup.

The first big Inter-School sporting event was the Swimming sports which were held at Beatty Park on 13th March. Haynes House was well represented by Peter Brighton, Chris Prince, Chris Boulbee, David and Anthony Yates and Neil Biddle. All these boys should be congratulated for the part which they play-

ed in helping the School win the swimming for the first time since 1944.

The House Swimming Sports, ten days later, demonstrated the strong spirit and will to win of Haynes House boys. We had several 'stars' but it was our great depth which enabled us to gain second place, only 20 points behind the winners, Faulkner House. Congratulations to Anthony Yates who was Under 13 Champion, Chris Boulton who was equal Under 16 Champion, Chris Prince who was Open runner-up and David Yates, Under 15 runner-up. We had two regular members of the First XI Cricket team in the House. They were Colin Bennett and Nick Smith. The Senior House Cricket team gained a very creditable third place, under the able leadership of John Simpson, but the Junior team gained only a minor place.

Two members of the House, Richard Ladyman and Greg Jamieson, rowed in the First VIII but the House IV gained only a minor place.

In Tennis the House, once again, gained distinction. Ian Collins gained his colours as a member of the victorious First IV and he captained the Open House team to second place. The Under 16 team were also second.

The Minor Sports team gained only fifth place.

The term ended on 5th May with the House in a very strong position in the Cock House competition and with House spirit at probably its highest in the House's five years' existence.

SECOND TERM

This term started on 25th May. It was, like the first one, a term of mixed success for the House, but it was, on the whole, a successful mixture.

We won the Football Cup. The Senior team, ably captained by John Simpson, won, with a fine exhibition of spirit and teamwork, but the Junior team could only manage fifth place.

Ian Collins, who gained his colours, Nick Smith, Greg Kennedy, Colin Bennett, Gary Burke and David Ewan all either played in the First XVIII or accompanied the team on its South Australian tour.

It was, perhaps, unfortunate that there was no Inter-House Rugby Competition as we were well represented in both teams. Chris Prince, Peter Brighton and Peter Lummis helped the First XV win the Cup for the second successive year. In the victorious

Second XV none played better than Jack Michael who scored a total of 30 tries during the season.

We had no representatives in the School Hockey team and both House teams could only gain minor places.

On the cultural side of school life, we provided half of the cast of the very successful school play, including two of the leading characters. The actors in the house were Nick Smith, Chris Prince, Colin Bennett and Michael Charlton.

Term ended on 25th August, and all began a well-earned holiday.

THIRD TERM

The main sport this term was Athletics. The Inter-House Sports, held on 16th October, once again proved Haynes House to be the top Day Boy House in the school. With a characteristic display of spirit, the House gained a very creditable third place. Many boys were outstanding and the House won 41 events overall, with over 20 of these in the Under 14 age group. Indicative of our strength was the fact that in the relays we had one win, one second and 2 thirds. However, the most pleasing aspect of the day was the way in which *all* boys gave of their utmost.

In the School Championships the following Tuesday, nine events were won by Haynes boys and we were third in the Relay Cup. Special mention should go to David Holywell who was the Under 14 champion.

The following Saturday was the day of the Inter-School Athletics. Peter Brighton, Ian Collins, Geoff Harris, Greg Kennedy, David Holywell, Peter Courtley, Athol Jamieson, John Pole, Robert Wallman, Nick Smith and Colin Bennett all performed creditably but special mention should go to tiny Geoff Harris for his 'gutsy' performance in the Under 16 mile when he 'thrashed' his much bigger opponents and David Holywell who won the First Division of the Under 14 220 and 100 yards.

Soon after the beginning of the term David Ewan was appointed as an additional House Prefect. This was, perhaps, a fitting reward to one whose wholehearted efforts on behalf of the House have been an example to all.

This term was blemished, however, by the announcement that Mr. Bambach who has done much for the House in his five years as Housemaster, would be leaving at the end of term to continue his studies in England. The House would like to thank Mr. Bambach for all that he has done for them, as a group, and

as individuals, and to wish him all the best in the future. To Mr. Taylor, who will be our new Housemaster we would like to say, "Welcome."

A fifth in the Under 14 Tennis gave us third place in the Tennis Competition and a very creditable third in the Cock House Cup.

The term ended on December the 6th. It was a good final term to a good year for Haynes House—a year during which Haynes House, as a house, improved a great deal in many ways.

Buntine

House Master: Mr. B. TOWERS

House Captain: J. W. BIRD

School Prefect: I. W. SMITH

House Prefects: D. A. BEDBROOK, P. B. C. SKINNER

FIRST TERM

The School returned on the 9th of February and Mr. Towers, in holding the first House meeting the following day, welcomed all boys in the House, especially new boys.

The House's representatives in the winning Inter-school Swimming sports team were D. Bedbrook, G. Jones, W. Rowbotham, S. Scott, P. Skinner and I. Smith. Buntine came only third in the Inter-House Swimming Sports, with all those mentioned above figuring prominently. Unfortunately, rowing was not the House's strength, and we were unable to boat a crew in the House rowing regatta.

Buntine had only one regular representative in the first cricket eleven—the captain K. Campbell. The House was very disappointed to lose the final of the Senior House Cricket competition if only by a small margin. We eventually took second place in the whole competition. In the tennis however, we claimed the fame of N. Trotter and W. G. Hodsdon (capt.).

SECOND TERM

In the first football eighteen, Buntine provided D. Bedbrook, J. Bird, S. Bosich, K. Campbell, W. G. Hodsdon, K. N. Rose, G.

Scott, P. Skinner and R. Tarik (Vice-Capt.) The Senior House team again finished in a final, and we again lost, this time to Haynes. Overall, the House was placed second in the football competition.

Buntine did not contribute to the first rugby team, but in hockey, the House provided G. Mackay and C. Smith as members of the first XI.

B. Goodridge appeared in the school play, "The Guinea Pig."

THIRD TERM

In the House cross-country championships, the open division came first, and overall, the House came third. In the Inter-House Athletic Sports we were placed fourth, with solid performances coming from W. Hodsdon, J. Kempin, S. Scott and I. W. Smith. These four athletes also represented Hale at the "Inters", and excellent performances were turned in by all four, with three out of their number winning at least one event.

The House must thank Housemaster, Mr. Towers, for the smooth, competent running of the House throughout the year.

Stirling

House Master: Mr. B. MASSEY

House Captain: A. D. SELF

School Prefect: A. D. SELF

House Prefects: B. C. DONALDSON, C. J. PROSSER

FIRST TERM

The term began with the early appointment of A. D. Self as House Captain, and B. C. Edmondson and C. J. Prosser as House Prefects.

One of the early sporting competitions of the year was the Inter-House Cricket, and here the Stirling House Senior Cricket team was an outright winner in its division, being three clear points ahead of its nearest contender. Congratulations go to all the members of this team. Unfortunately, the Junior House team

did not do quite so well, and as a result we were placed equal second in the competition for the Cricket Cup—only one point behind the winner. Members of the House who represented the School in cricket were: A. D. Bolton, I. W. Fallick and R. G. Zimbulis.

The Inter-House Tennis competition was once again conducted in first term, and although the Under 16 team did not gain a place, the Open team finished third in their division.

In the Rowing, the house four came a creditable third, and the House Captain, A. D. Self, was a member of the winning rowing pair.

Those members of the House who represented the School in Swimming were: I. R. Sandover and B. M. Shenn.

SECOND TERM

Second term sport was far more profitable for the House. The Junior House Football team was placed fourth and the Senior team second in their respective competitions. Boys who represented the School in the First XVIII matches were: G. K. Elsegood, I. W. Fallick and D. J. Mill.

Particular congratulations must go to the Senior House Hockey team which was placed second in its division and to the Junior team which was also placed second. This is a great improvement on last year's effort and it is hoped that Stirling House hockey will continue to do well. Those representing the School in hockey were: A. D. Self (captain) and C. J. Prosser, and in Rugby: M. T. Mill.

G. J. Campbell and L. N. Prosser represented Hale in the Inter-School Chess matches this year. Hale owed much of its success to their consistent play.

THIRD TERM

In the Inter-House Athletics, the House lacked a great number of talented athletes and, consequently, finished only sixth. However, all boys competed with spirit and determination. The following did very well in the School Championships:

A. D. Self—Third in Open Shot Put.

J. B. Turnbull—First in Open 220 Yards, First in Open 100 Yards, Third in Open Long Jump.

D. J. Mill—First in Under 17 440 Yards, Second in Under 17 880 Yards, Third in Under 17 Mile.

J. Viska—Third in Under 17 100 Yards, First in 120 Yards Under 17 Hurdles, Third in Under 17 220 Yards.

B. M. Shenn—Third in 100 Yards Under 16 Hurdles, Second in Under 16 440 Yards.

A. L. Chiew—Second in Under 15 High Jump.

G. E. Dungey—Second in Under 14 880 Yards, Third in Under 14 Two Miles.

Those boys who represented the House in the Inter-School Athletics were A. L. Chiew, D. J. Mill, B. M. Shenn, J. B. Turnbull and J. Viska.

The prefects and members of the House sincerely thank Mr. Massey for the way in which he ran the House during the year. Next year, Mr. R. D. McMath will replace Mr. Massey as Housemaster of Stirling House. We are confident that Mr. McMath will continue the good work which Mr. Massey has sustained throughout his five years of being Housemaster, and that Stirling House will continue to do well in the years to come.

Riley

House Master: Mr. H. C. WHEELER

House Captain: P. J. EAKINS

School Prefect: P. J. EAKINS

House Prefects: J. PRICE, D. SALEEBA

FIRST TERM

In the first two weeks of the term P. J. Eakins was appointed a School Prefect and House Captain. We extend our congratulations to him on a very popular appointment. J. Price and D. Saleeba were made House Prefects.

It was with a feeling of anticipation and tremendous house spirit that Riley House entered the first term sporting competitions.

James Bowdler was elected Captain of the Senior House cricket team with P. Price leading the Junior House team. The Senior team managed only seventh place while the Junior team played excellent cricket for a third place, giving an overall plac-

ing of sixth. Due to solid efforts by both teams, we gained second place overall in the team games.

In swimming, despite the excellent performances given by Leon Pericles (equal Under 16 champion) and Eric Isaachsen (Under 14 runner-up) the House managed only fifth place. These two plus P. Eakins and D. Wormald represented the school in swimming. Once again the house performed poorly in the Inter-House Rowing competition. But we extend our heartiest congratulations to D. Saleeba who was stroke of the First VIII and T. Humphry who was stroke of the Second VIII.

SECOND TERM

On returning for second term the house was delighted to find that Peter Eakins had been elected Captain of a very strong First XVIII, with Don Wormald, Jim Bowdler and J. Price also making the team. However we didn't fare so well in the Inter-House competition, finishing in seventh position overall. But this position does not account for the terrific spirit that prevailed in both Junior and Senior House teams.

The Senior House hockey team, ably captained by Dave Saleeba, finished in third position. There was no official Junior team competition.

THIRD TERM

Third term began well for the house with Phillip Blizard being appointed Captain of Athletics. He, with E. Isaachsen, M. Blizard, P. Eakins and R. Prosser, had already performed well in cross-country events and these boys were to prove the main point scorers for the house. With the different set up in the school sports this year, every boy had a chance to win points and, despite good efforts, the house finished in seventh place.

We extend our congratulations to P. Blizard, who was equal Open champion, and M. Blizard, who was Under 16 runner-up. All boys mentioned represented the school on Inters. day.

Our low positions in most sports are not a true indication of the spirit in which the house participated; we have no cause to complain that the boys did not put as much into the house as they received from it.

Parry

House Master: Mr. G. N. ALTORFER

House Captain: T. R. HANTKE

School Vice-Captain: T. R. HANTKE

House Prefects: R. M. DIMOND, G. B. GRAY,
H. W. DIXON, A. J. LENTON

FIRST TERM

At the first meeting of the House on 11th February, Tim Hantke was appointed House Captain and Rick Dimond, Haydn Dixon, Geoff Gray and Andrew Lenton were made House Prefects. Tim Hantke was also appointed Vice-Captain of the School. An old colleague of Mr. Altorfer, Miss Twine, was guest of honour at the induction ceremony.

In the Inter-House Swimming Sports, the House, captained by Tim Hantke and coached by Mr. Altorfer, gained sixth place and owed a great deal of its success in the Under 14 division to J. E. Blackman and Tim Hantke who was open champion.

The Senior House Cricket team, captained by Rick Dimond and ably supported by First XI players Tony Irvine and Robert Salmon was unlucky not to do better than sixth place, whilst the Junior team did well and came second.

The First VIII contained three House members in Geoff Gray, Andrew Lenton and Chris Johnson as cox. Our Senior minor sports team had poor luck and was beaten into fifth position.

In the sphere of Tennis, the Senior house team managed sixth position and the Under 16 team came fourth.

Within the House generally there was great house spirit, and this was very encouraging to end the term on.

SECOND TERM

This year, Inter-House Football and Hockey were played in both junior and senior divisions and, even though the House lacked strength, great determination was shown by all players, especially in the Senior football team which was placed third.

The Junior football team could only manage last place, but the overall points put Parry House in fourth position.

In the Hockey the Juniors were fourth and the Seniors fifth, giving fourth position on combined points.

Special mention must be made of the way in which Mr. Altorfer and some of the boys of the House regularly attended the matches to give support, and this was greatly appreciated by the members of the teams.

T. Hantke was our only representative in the First XVIII and G. Gray and R. Leonhardt were in the First XI Hockey team.

This year the House had a relative predominance of Rugby players. A. K. Prince, S. Bosich, C. Griffiths and P. Dyson played in the First XV which was placed first in the competition. J. Daniels, C. Manners and I. Ferguson were members of the Second XV which also won their competition.

THIRD TERM

Third term once again saw the House begin training for the House Athletic Sports. Most boys trained under Mr. Altorfer, but a considerable number joined the School squad, thus raising hopes for better performances in the House Sports. The first indication of improved performances came in the Cross Country Competition, when the House once again excelled in this field of Athletics.

On 16th October the House Sports were held. These differed from previous years in that all boys in the School ran in at least two events. Most of the House learned that "to stick it out to the end" reaped generous rewards and so the House performed considerably better than it was generally expected to do.

The following Tuesday saw the School Championships being held. Parry's representation improved on previous years and there were several good performances. Among these were Woods (Under 14 runner-up), Hantke, Mills, Craig and Gray. On Saturday 23rd, all these boys represented the School at the Inter-School Sports.

Although not gifted in the field of sport, the teams this year often showed just what spirit and determination achieve. However, until every boy in every team shows a fanatical desire to

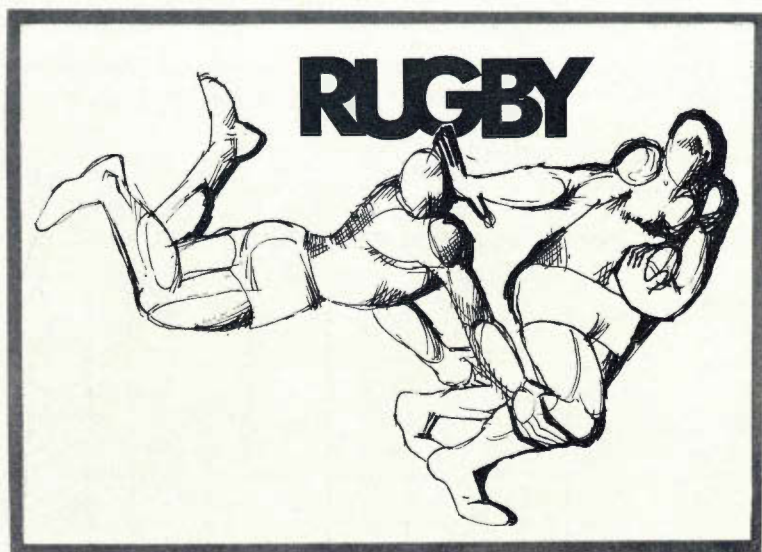

achieve success, the House will not see any dramatic change of fortune in House and School activities.

The whole of Parry House would like to express appreciation to Mr. Altorfer for his untiring work throughout the year.

COCK HOUSE FOR 1965: FAULKNER

"Brushing the dirt from his eye as he went"

CAPTAIN: J. G. SCOTT
VICE-CAPTAIN: F. S. W. KUHN

Of last year's Cup-winning XV only four returned this year and, without a great deal of confidence, we prepared to build a team. The boys were keen enough. They worked very hard to get fit and to learn the skills of the game and, well before the season began, the composition of the First XV became clear. The team was hardly changed for the entire season and developed excellent teamwork.

At first, the team did not look impressive. The forwards were neither tall nor particularly heavy and there was no dynamic fast player among them. Most of the backs were novices and half of them were not as fast as they should have been. Despite this, the First XV developed into the best side Hale has ever produced. The coach of another school expressed this well when he said, "This team is the most polished schoolboy rugby side I have seen in years".

The ball would fly along the backline to John Turnbull and, if he was hemmed in, there would always be someone to

**RUGBY
PREMIERS**

1965

back him up. Jon Scott must have scored a dozen tries after handling the ball twice in thrilling quick-passing attacks.

The type of rugged game Hale played resulted in only one boy missing a game because of injury. Practically all the tries were scored by the backs, especially the wingers who were continually able to run with the ball.

This type of teamwork is thrilling to watch and brought great results—233 points scored in ten matches. Hale defence proved to be excellent. The backs swarmed up quickly and tackled low and the forwards ran themselves into the ground, providing a blanketing cover defence. This was shown by the fact that only 10 tries were scored against Hale in the ten games.

The fitness and teamwork necessary to play like this can only come from hard training, and the First XV were a delight to coach. They ran until they could not raise another step and did everything they were asked to do.

JON SCOTT: Five-Eighth and Captain—played a captain's game throughout the season. He began the year as a five-eighth good enough to represent the State and by the end of the season was nothing less than brilliant.

FRANK KUHN: Scrum-Half and Vice-Captain—the State Schoolboy's scrum-half, he played an efficient and aggressive style of game marred only by a tendency to try the blind side too often.

BILL WANT: Lock Forward—gave everything he had. His lineout work and cover defence were big factors in our victories.

JOHN TURNBULL: Winger—playing in his first season, proved to be a natural winger with speed, a swerve and sidestep and a deceptive change of pace. He averaged about three tries per match.

COLIN RITCHIE: Winger—the finest tackler in the team. Although not very fast, he was so aggressive and safe that he was invaluable on the wing.

CHRISTOPHER PRINCE, the 2nd Row Forward and **KEVIN PRINCE,** one Prop Forward—were great honest hard working forwards.

DAVID BOYLE: Hooker—a fast forward, he played like a champion.

TERRY BARR: Breakaway—in his first season of rugby developed remarkably quickly into a star breakaway, capable of filling in just about anywhere when called upon.

PETER BRIGHTON: Outside Centre—overcame early nerves to become a fine centre with weight, pace and a beautiful kick. Peter usually shone in the second half of the match.

COLIN GRIFFITH, a Prop Forward and **STEPHEN BOSICH,** a 2nd Row Forward—were a tough pair who, though new to the game, became ideal forwards—always right in the middle of the tight play.

PETER DYSON: Breakaway—was a game, fast breakaway who did very well in his first season.

TERRY MILL: Inside Centre—also playing his first season, his safe handling and fine kicking guaranteed his place in the backline and he was the perfect link between Scott and Brighton. His defence was a weakness but it improved markedly as the season progressed.

PETER LUMMIS: Full-Back—very solid with a perfect low tackle. Although he had a ton of courage he was inclined to run straight into trouble.

LESTER UNDERDOWN: Hooker—was the only reserve used and in his season proved just what a hard working trier can do.

In completing a great Rugby season for Hale School, the Second XV also won their competition, winning nine out of ten games and scoring no less than 201 points while conceding only 30.

Playing fast, open rugby, the Second XV were an exciting team. Special mention must be made of Jack Michael, who scored thirty tries; Geoff. Heitman, Guy Van Hazel, Murray Webster, Robert Ainslie and Tim Humphry, who would probably have made the First XV any other year. It was a pity for them that the Firsts were such a tight-knit team.

From the First XV:

We would like to thank Rev. R. E. Davis for his keen coaching of the First XV and the interest he showed in each boy. It was impossible for any boy not to give of his best after being associated with Rev. Davis and he really moulded us into a well-knit team. Mr. J. D. Bambach and Mr. Watt must also be congratulated on their great efforts in bringing the Second XV up to Premiership standards.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Aquinas College, 5th June, 1965

The season started brightly for Hale with a fine try within the first five minutes. Hale's relatively light forwards stood up well against the heavy Aquinas pack and the backline worked smoothly. Although Hale relaxed a bit during the second half, their strong defence prevented Aquinas breaking through.

Scores—Hale, 25; Aquinas, 0.

Try Scorers—Turnbull, 3; Scott, 2; Kuhn and Brighton, 1 each.

SECONDS—Hale, 15; Aquinas, 0.

RUGBY, FIRST XV, 1965

BACK ROW (l to r)—L. A. Underdown, C. Griffiths, S. W. Bosich, R. I. Hartley, D. Boyle, A. K. R. Prince.
 MIDDLE ROW (l to r)—P. Dyson, P. Lummis, C. Ritchie, P. G. Brighton, T. Barr, J. Turnbull, T. Mill.
 FRONT ROW (l to r)—C. I. R. Prince, J. G. Scott (Capt.), Rev. R. E. Davis, F. S. W. Kuhn (Vice-Capt.), G. Want.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Nedlands, 12th June, 1965

From the start, Hale forwards gained ground by hard vigorous play. Despite an early break by Scotch, Hale were constantly in their 25-yard area and inevitable penalties were given away, the score at half-time being 6-3.

In the second half, Hale were well on top and the backs scored some beautiful tries.

Scores—Hale, 14; Scotch, 3.

Try Scorers—Scott and Brighton, 1 each.

SECONDS—Hale, 11; Scotch, 6.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Hale School Oval, 19th June, 1965

Hale were by far the superior team on a windy day with bad conditions. Guildford's forwards worked hard but to no avail. Hale's backline settled down to play brilliantly and ended the match scoring eleven tries by hard running on the wing and clever intercepts by the inside backs.

Scores—Hale, 53; Guildford, 0.

Try Scorers—Scott, 4; Turnbull, 3; Ritchie and Brighton, 2 each.

SECONDS—Hale, 16; Guildford, 0.

HALE SCHOOL v. WESLEY COLLEGE

Played at Windsor Park, 26th June, 1965

Wesley proved to be the biggest and toughest team Hale had met. Their forwards shook our pack and their backs tackled hard. Soon, Hale showed their class and the backs scored some fine tries after lightning passes. Hale's condition and teamwork were tested to the full and the game showed exactly what a fine team they were.

Scores—Hale, 17; Wesley, 3.

Try Scorers—Turnbull, 2; Brighton and Ritchie, 1 each.

SECONDS—Hale, 21; Wesley, 0.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Hale School Oval, 3rd July, 1965

Christ Church fielded a big forward pack and won 70 per cent of the line-outs. Despite this, Hale dominated the game and quickly moved into the Christ Church territory where they stayed for the majority of the first half to score 11 points from two tries and one penalty.

The second half saw Hale play grand rugby and the forwards nullified the advantage Christ Church had in the line-outs and scrums.

Scores—Hale, 24; Christ Church, 0.

Try Scorers—Turnbull, 2; Scott, Brighton and Kuhn, 1 each.

SECONDS—Hale, 21; Christ Church, 6.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Hale School Oval, 11th July, 1965

Hale met a vastly improved Aquinas side for their first match of the second round. Hale's forwards were upset by an extraordinary series of free kicks and lacked enterprise and fire. Although Ritchie scored from a fine run Hale supporters were wondering when the old sparkle would return. It did not, but three splendid tries by the backs were scored and the game ended with Hale not too happy with its performance.

Scores—Hale, 13; Aquinas, 5.

Try Scorers—Turnbull, 2; Ritchie and Scott, 1 each.

SECONDS—Hale, 28; Aquinas, 3.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Hale School Oval, 24th July, 1965

This was Hale's best game of the season. Although the forwards were very even, Hale's Want and Barr excelled. Hard tackling by Scotch made tries by the backs hard to earn. Despite this, Hale's tries were gems and were results of intelligent kicking and backing up with the ball finally flashing across the back-line.

Scores—Hale, 14; Scotch, 9.

Try Scorers—Scott, 2; Brighton and Turnbull, 1 each.

SECONDS—Hale, 33; Scotch, 0.

RUGBY, SECOND XV, 1965

BACK ROW (l to r)—W. J. F. Fowler, G. Bond-Barker, G. D. Heitman, M. R. Fulwood, M. J. Burr, J. A. Daniels.
 MIDDLE ROW (l to r)—I. N. Ferguson, J. R. Ilbery, C. R. Manners, W. Ayuith, T. R. Humphry, P. G. Seale, T. P. Pearson.
 FRONT ROW (l to r)—J. A. Michaels, L. A. Underdown (Vice-Capt.), Mr. J. D. Bambach, L. M. Webster (Capt.), Mr. M. Watt, R. I. Hartley, R. J. Ainslie.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at the Airport, Guildford, 31st July, 1965

Guildford were also a vastly improved side and a fine game developed. Newcomer Underdown played particularly well in the loose to score two tries. The backline were excellent with each member creating havoc with his opponent.

Scores—Hale, 28; Guildford, 6.

Try Scorers—Scott, 3; Underdown, 2; John Ritchie and Turnbull, 1 each.

SECONDS—Hale, 11; Guildford, 6.

HALE SCHOOL v. WESLEY COLLEGE

Played at Hale School Oval, 7th August, 1965

Hale faced this match with real determination after their first round struggle. They won a fair share of the ball and the back-line was in brilliant form, being too fast for their opponents. Slick passing enabled eight tries to be scored and the forwards battled hard all day.

Scores—Hale, 33; Wesley, 0.

Try Scorers—Turnbull, 4; Scott, 2; Barr and Ritchie, 1 each.

SECONDS—Hale, 42; Wesley, 0.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Christ Church Grammar School, 14th August, 1965

This was the only match lost by Hale during the entire year, but they battled on to the final whistle. They missed their only line-out forward Want and Christchurch's very big forward dominated the game. Hale very seldom got the ball to do anything with it and Christ Church played with great determination.

Congratulations to them on being the better side on the day.

Scores—Christ Church, 12; Hale, 8.

Try Scorers—Brighton and Turnbull, 1 each.

SECONDS—Christ Church, 6; Hale, 3.

"My slowness with their speed"

CROSS-COUNTRY

Once again Hale School turned out to be very strong in middle-distance running this year. The reason for this is probably the participation of many of the middle-distance runners in cross-country running in second term. These boys went through much hardship to condition themselves, but it paid off in the long run when they competed in the State and School cross-country championships and, later, at the Inters. Hale won its first-ever State title when the Open Cross-Country team of Mill, Fitzgerald, Dyson and Blizzard won the 4 x 1 mile relay.

These boys, and the other cross-country competitors were to later form the foundation of our Inters. team.

ATHLETIC MEETING

Held at Hale School Oval, SATURDAY, 2nd OCTOBER, 1965.
 Participants: Hale, Scarborough High School, Kent Street High School.
 Conditions: Moderate wind blowing straight down 100 yards track.

Bettered School Records (but not counted as School Records)

- S. SCOTT—Under 15 Long Jump. Distance: 19ft. 3in.
- S. WELLS—Under 17 Mile. Time: 4min. 40.9sec.
- D. MILL—Under 17 440 Yards. Time: 52.0sec.
- M. WHEAT—Under 15 Long Jump. Distance: 18ft. 8 $\frac{1}{2}$ in.
- L. CRAIG—Under 17 Shot Put. Distance: 40ft. 5 $\frac{1}{2}$ in.
- G. HODSDON—Under 17 Shot Put. Distance: 38ft. 9 $\frac{1}{2}$ in.

Other good performances:

- P. BLIZARD—Open 880 Yards. Time: 2min. 1.9sec.
- R. FITZGERALD—Open Mile. Time: 4min. 36.4sec.
- J. TURNBULL—Open 100 Yards. Time: 10.7 sec. Open 220 Yards. Time: 23.7sec.
- D. MILL—Under 17 880 Yards. Time: 2min. 3.6sec.
- N. SMITH—Under 17 880 Yards. Time: 2min. 4.0sec.
- I. COLLINS—Under 17 880 Yards. Time: 2min. 4.1sec.
- G. HODSDON—Under 17 Long Jump. Distance: 19ft. 4in.
- G. McPHEE—Under 16 Shot Put. Distance: 40ft. 9in.
- G. HARRIS—Under 16 Mile. Time: 4min. 45sec.
- M. WHEAT—Under 15 220 Yards. Time: 24.5sec.
- M. WHEAT—Under 15 Shot Put. Distance: 35ft. 4in.
- P. TOZER—Under 14 High Jump. Height: 4ft. 9in.
- G. BATT—Under 15 880 Yards. Time: 2min. 15sec.
- D. HOLYWELL—Under 14 100 Yards. Time: 11.7sec.

All of Hale's relay teams won their events.

When our coach, Mr. Aitken, quoted from a nursery rhyme, saying,

"When we were good, we were very, very good,
 And when we were bad

he summed up this athletic meeting, our first of the season, very aptly. Some of the results, considering the lack of competition running, were terrific, but others were just too bad. These latter performances could perhaps be blamed on "first-day competition form." However, the results taken as a whole pointed towards a successful season for our athletes.

ATHLETIC MEETING

Held at Hale School Oval, SATURDAY, 9th OCTOBER, 1965.
 Participants: Hale, Marist Brothers College, Trinity College.
 Conditions: Still, warm-hot day. Ideal for athletics.

Bettered School Records (but not counted as School Records)

- I. COLLINS—Under 17 440 Yards. Time: 52.9sec.
- N. SMITH—Under 17 880 Yards. Time: 2min. 2.8sec.

S. WELLS—Under 17 Mile. Time: 4min. 38.6sec.

G. HARRIS—Under 16 Mile. Time: 4min. 40.8sec.

G. HODSDON—Under 17 Shot Put. Distance: 38ft. 4½in.

Other good performances:

P. BLIZARD—Open Mile. Time: 4min. 37.8sec.

R. FITZGERALD—Open 880. Time: 2min. 2sec.

J. TURNBULL—Open 220. Time: 23sec. Open 100. Time: 10.5sec.

G. McPHEE—Under 16 Shot Put. Distance: 39ft. 8in.

C. ARMSTRONG—Under 16 880. Time: 2min. 13sec.

E. ISAACHSEN—Under 15 880. Time: 2min. 13.4sec.

14-years-old M. Wheat won the Under 16 440 yards in 55sec.
A fantastic performance.

Once again Hale fell back on its middle-distance runners to restore some of its prestige, the sprinters failing to live up to expectations.

Unfortunately some of the competitors reproduced their previous week's lack of form, and in the end Hale was lucky that the honours were shared between it and Marist Brothers.

INTER-HOUSE SPORTS AND SCHOOL CHAMPIONSHIPS

For a number of years masters connected with athletics at the school have wanted to hold the "Inter-House Sports" and "School Championships" as different meets. Before this year the two were integrated into the "School Sports", in which individuals qualified for finals, from which points were allotted to Houses according to the position obtained by each competitor. The main disadvantage of this system was that in many events certain houses were not represented, while other houses had three or four representatives. Another disadvantage was that only the better athletes qualified, and the parents of the less able boys were not able to see their sons compete, as they did so only on afternoons after school.

Last year Mr. Shields drew up plans to hold an "Inter-House Sports" on Saturday and "School Championships" on Tuesday. This year Mr. Towers, as sportsmaster, implemented this idea, conferring with Mr. Aitken and other officials as to dates, etc.

In the "Inter-House Sports" there were a number of divisions for each race, and each house had one representative in each division. In this way, virtually every boy had the thrill of competing for his house.

Despite prior criticism the meet ran like clockwork, and all the officials must be complimented on their fine organisation. The Sports should take this form for many years to come.

Faulkner House lived up to its reputation by winning again; this, with the other boarding house, Wilson, coming second showed that depth in numbers and house spirit are the basis of success in these sports.

Relays:

In the "Inter-House Sports" the winner of the Open Relay trophy, the "Relay Cup", was Wilson House.

On the Championship day each house entered a relay team in each age-group. The results of each house in each age group were tabulated, and the house with the most points received the newly instituted "Housemasters' Cup".

The inaugural winner was Faulkner House.

INTER-HOUSE SPORTS

SATURDAY, 16th OCTOBER, 1965.

STATE SCHOOL BOYS AND SCHOOL GIRLS CHAMPIONSHIPS

Perry Lakes Stadium, SATURDAY, 30th OCTOBER, 1965. Fine, strong
 South-West breeze.

Results:

S. G. SCOTT—Under 15: 1st in 220 Yards (24.1sec.); 2nd in 100
 Yards.
 D. J. MILL—Under 17: 1st in 440 Yards (53sec.).
 P. S. BLIZARD—Under 19: 3rd in 880 Yards.
 J. B. TURNBULL—Under 19: 3rd in 100 Yards.

Comments:

There were two significant features of these State titles. Firstly, the very large number of competitors and supporters (probably boarders) from Aquinas and Marist Brothers colleges, and secondly, of importance to us, the increasing number of Hale supporters.

COACH'S REPORT

"The important thing in the Olympic Games
 Is not to win, but to *take part*.

The important thing in life
 Is not the triumph, but *the struggle*.

The essential thing
 Is not to have conquered, but to have *fought well*."

—Baron Pierre de Coubertin.

That we are not Olympic-standard athletes, competing in an Olympic Games, has never prevented us from adhering to the above principles.

Taking part. In 1963 we came out of the depths to register third place in the Inters. Last year it was 2nd place (and, on positions, our best effort since 1952), while this year, with virtually the same number of points as last year, we took fourth placing.

A successful Inters.? Perhaps. A successful athletic year? Yes, most definitely. Contrary to remarks which appear later (but hopefully constructive) this was our most successful year—cross country relay win, and an overall grand spirit and approach to both volume and intensity of training, particularly at the camp, and later at school training sessions. From the cross-country season and its events through to the Inters. it was a story of individuals taking part, training and striving together in companionship and hard work to become members of a team.

In the early hours of the morning they slip quietly away, to return almost one hour later; sometimes soaked through by rain, sometimes dishevelled by fierce winds, often systematically flexing and extending fingers numbed by intense cold, yet with glowing faces shining under perspiration. They are now almost

The will
to excell.

legendary figures in the surrounding districts, and by their rhythmic, meteoric beat ye shall know them—the cross country, middle distance runners.

Old Boys' Day at the Pt. Peron Apex camp? No, but seemingly becoming that way at the Athletics camp (Sept. 10th-12th). Miming the motions of culinary experts were E. D. Fethers, R. L. Gray and R. W. Liddell. Fortunately they were under the supervision of chief cookie, Mr. Shields. Assisting on the training side were D. E. Barton and B. C. A. Strickland. Both the senior boys and the weather played their parts extremely well—the camp was a beauty!

Taking part by providing strong support for our many ventures were parents. Their assistance in time-keeping at cross-country events and on Inter-House day and championship day and in providing transport to and from the Athletics camp, to mention just a few of their deeds, was most appreciated.

Inter-House Day, inter-house togetherness, for everyone took part. On occasions we needed fourteen stopwatches in use with the simultaneous running of 100 and 220 yard events. There were a staggering number of events with every boy competing in both 100 and 220 yard events, plus competing in a field event, a middle distance event, an obstacle race (Under 14, 15 only) and shuttle relays, as required and nominated by his House. The kudos for a tremendous day belongs to Mr. Shields, the originator of the scheme, Mr. Towers, who put it into practice, and the House-masters.

One of the most pleasing features of the Inters was the increasing numbers of former athletes visiting our changerooms. Your interest in and encouragement to, the athletes, will always remain most welcome.

The struggle — fought well.

On their third time of trying they both 'made' the Inters. team. What better examples of perseverance and determination? R. J. Fitzgerald, prevented from running in the 1963 and 1964 Inters. teams by injuries (although in both those years a school cross-country competitor), finally managed to overcome misfortune and for this year's Inters. team was named vice-captain. S. H. Wells was simply not fast enough on the track to qualify for the team in 1963 and 1964, whereas in cross-country events and in long distances he was extremely good. This rags-to-riches story ends with a 'doff of the hat' to his new Under 17 Mile record of 4:38.0.

Success? Attitude!

At the Athletics camp the boys put into practice a basic athletic truth—"There is no gain without pain." What was hard work and agony last year was smugly easy this year. Inspired by P. S. Blizard and R. J. Fitzgerald, the boys "reduced mountains to molehills." A 'cream puff' has more than one definition. The camp athletes will tell you of one only—a pastry piece for ladies' luncheons. We had no other at the camp. They will also tell you that hard work, the struggle, poses no real problem; that pain is 'mind' over matter'.

Highlights of the season: M. N. Wheat and D. J. Mill powering through the one lap event; the vastly improved performances through hard work of K. J. de Gruchy, S. H. Wells, G. L. McPhee, and L. B. Craig; I. W. Smith winning the second division Open 880 and Mile in a controlled and powerful manner that will not be easily forgotten; the Open team (D. J. Mill, P. J. Dyson, R. J. Fitzgerald, P. S. Blizard) winning the State 4 x 1 mile cross-country relay; the great sporting ability and wonderful competitive drive of M. N. Wheat—from the School 2 mile cross-country championship, through the School track and field championships, to cap it off at the Inters.

Athletics captain, Phil. Blizard, and vice-captain, Ray Fitzgerald, set fine personal examples of hard training and inspired other squad members to drive themselves on. Sincere thanks to you both for your most valuable assistance. Working with boys of the same calibre as the above, of whom there were many from all age groups (John Bird, Geoff. Gray, Peter Dyson, to mention just a few) made it a most enjoyable athletics season.

From Here, Where?

What is holding us back? Expecting, demanding too much? 'Silk purses from sow's ears'? Firstly, we pay, and most dearly, for putting our sporting events in tight compartments. The in-season training polishes the event, the off-season preparation lays the foundation for better performances. We are being leg-ironed by a type of self-throat-cutting "Jack system". Hurdles and other field events require considerable skill, which cannot be learnt in 3-4 weeks. Tracing the background to fast times by middle distance runners indicates the value of cross-country running and similar winter training.

With the overall standards creeping higher, year-round facilities have become a must. Aquinas have realised this and leave aside an oval, partly marked out, and with steeplechase facilities; they have, too, their recognised cross-country courses. We started the ball rolling with our cross-country teams, but then Aquinas stepped in and created new standards in this area. Just as our Inters. team for the past three years has been moulded

around distance runners, so has the Aquinian team. But steeple-chases, gads, what next?

Success? Attitude!

No team can be completely successful without wholehearted support. Right up to the death-knock some still resist by using a great catch phrase—"it isn't compulsory" (meaning training more than the minimum of twice a week). To relent one week before the Inters. is too late—you only get out of something what you have put into it. When an attitude such as this is shown by boys with ability and potential, then it dampens team spirit and more often than not affects teamwork. Relay practices suffer the most. Before climbing on the bandwaggon, contemplate the school motto—Duty. With the Inters. being advanced one week, next year, the position of athletics in the school reaches an even more precarious position. All aspects of the "Jack system" must be dispersed.

CROSS COUNTRY RUNNERS IN TRAINING

"The shattered water made a misty din"

This season was a most crowded one with swimmers competing in no less than eight Junior and Senior Inter-School carnivals, not counting the annual "Inters." meeting. Two hundred and fifty boys took part in the House competition. Additionally a swimming club was formed in December and named "Cygnet". This club met with marked success in the seven State Championships, although the fifth smallest of 33 clubs competing, it achieved 12th place.

T. Davis is State Champion and Record Holder in: Under 10 and Under 11 55 Yards Butterfly; Under 10 and Under 11, 110 Yards Butterfly; also Joint Record Holder for Under 10, 110 Yards Freestyle.

M. Wheat is State Champion in the Under 14 110 Yards Freestyle and 110 Yards Backstroke.

T. R. Hantke was elected Captain of Swimming, and E. J. Young was elected Vice-Captain.

COACH'S REPORT

On behalf of the team I wish to thank the many people who gave support by telegram and letter; expressions of this kind always give the team a lift.

Unity in training and strong reserves were the keys to success. Every boy, whether in a race or in reserve, had given dedicated cheerful effort to the school training programme, which

lifted personal best performances in a positive uniform manner to a peak on the night. Friction caused by swimmers following schedules contrary to the needs of the Inters was fortunately absent this year, with telling effect. Looking back on the many contributions, I am indebted to the interest of parents who waited long hours at the poolside and drove many miles out of their way, often at uncivilised hours. Without this help many swimmers could not have achieved success. Mr. Hantke's unfailing support was most appreciated, his generous offer to award medals for high standard performance spurred swimmers on to win 17.

Tim Hantke's burning enthusiasm proved highly infectious; his dynamic leadership as team captain gave an impetus to Hale that will be remembered.

Our prospect of holding the lead in 1966 is not good. Much of our strength came from the Open divisions. Since we lose them in 1966 our potential is much reduced. Guildford will have an exceptionally good intake of junior swimmers and must be regarded as the favoured team.

Finally, I wish to thank the Reverend R. Davis for his help with coaching; the timekeepers who supplied me with much valued data, the teaching staff who were patient with lapses in the classroom and the team for their loyalty.

INTER-SCHOOL SWIMMING SPORTS, 1965

Held at Beatty Park Aquatic Centre, 13th MARCH, 1965, at 7 p.m.

Hale took five out of the 14 records which tumbled on a perfect night before a packed stadium of thrilled spectators. Our congratulations go to Neil Clements of Aquinas who became the second Western Australian schoolboy to break the minute for the 110 Yards Freestyle, when he equalled the time of 59.9 set by I. MacWilliam of Scotch, in 1964.

The final scores of the "Inters." were as follows:

| | | | | | | |
|----|---------------|-----|-----|-----|------|------|
| 1. | HALE | ... | ... | ... | 380 | pts. |
| 2. | GUILDFORD | . | ... | ... | 333 | pts. |
| 3. | AQUINAS | ... | ... | ... | 294 | pts. |
| 4. | SCOTCH | ... | ... | ... | 179½ | pts. |
| 5. | WESLEY | ... | ... | ... | 171½ | pts. |
| 6. | CHRIST CHURCH | ... | ... | ... | 159 | pts. |

OUTSTANDING PERFORMANCES

Those who gave outstanding performances for Hale were:

M. Wheat in the Under 15, 55 Yards Freestyle, which he won in the record time of 29.1sec. This remarkable feat was only .1sec. outside the time set by Percy Oliver in 1931 over a distance of 50 yards. M. Wheat also broke the Under 14 Backstroke record in a time of 35.3sec.

The most outstanding performance of all came in the Relays where Hale broke the Under 14 record in the time of 2min. 6.7 sec.; the Under 15 record in the time of 2min. 2.1sec.; and equalled the Open record of 1min. 52.3sec., and won the Under 13 Relay.

HOUSE SWIMMING SPORTS

Since the pool was opened in October, 1961, by Air Marshall Sir Valston Hancock, K.B.E., C.B., D.F.C., the standard of swimming by full time swimmers has steadily improved at a faster rate than that of the field sportsman; who, with limited time outside his own game, competes untrained. The gulf between land and water reached its limit in 1964. No longer did talent without training prove profitable or satisfying. Real interest in the house sports outside the swimming squad had collapsed; the validity of calling it a House Competition could no longer be justified.

Recasting the 1965 competition to include "B" Division races succeeded in giving opportunity to field sportsmen to compete on equal terms with each other, enabling them to make a contribution to their house effort. The significance of the change was not fully appreciated initially, as evidenced by the diffidence of some senior boys toward entering the heats. Realisation came to them in the finals when they found themselves watching competitors they could beat collecting valuable points. With a close margin of 21 points separating first and second place, their contribution would have been decisive.

Providing time for 292 finalists as opposed to 146 in previous years meant that the Diving events had to be omitted. It was

with regret that we took this step but no other solution was possible.

Officials did a fine job keeping pace with the fast moving programme, in particular Mr. Wager and Mr. McMath who recorded the results and were left entirely breathless. I would like to express my thanks to all those who assisted at this very successful meeting, especially to Mrs. Hantke who presented the prizes.

D. F. POAKE.

HOUSE SWIMMING

The School Swimming Sports were held in the Hale Pool on Wednesday, 24th March, in searing heat. (9 records were broken).

Final House Placings:

Life Saving

"All there is to do is wait"

Training began as soon as the Inter-School Swimming Sports had been successfully completed on March 13, 1965.

Mr. D. Poake transferred his attention from swimming to Life-Saving, where again he devoted many hours of his valuable time to the cause, and constructed several extensive programmes.

About a week after training commenced T. R. Hantke was chosen to lead the "A" team and I. W. Smith was chosen as vice-captain. Tim Hantke also did an invaluable job as captain with consistent leadership and encouragement. Ian Smith supported him willingly.

The training continued with a large improvement in times in all age groups, Open, Under 16 and Under 14.

In the annual Schools' Life-Saving Carnival, both "A" and "B" teams went very well in the Law Shield and MacFarlane Cup heats.

In the finals the Law Shield Team "A" (consisting of Hantke, Smith, E. Young and C. Prince replacing C. Humphry, who was injured after the heat) came a good third to Guildford's "A" and "B" teams.

Hale School's "B" team was disqualified.

In the Connolly Cup, Hale came a close second to Guildford.

Overall the standard of Life-Saving had improved, and if we have a good coach and captain, as we did this year, Hale's prospects of doing well in the future will be very bright.

"The play seems out for an almost infinite run"

In Cup matches, the First XI won one, lost two on the first innings, and two outright. Lack of accuracy and skill in attack made it hard for the team to win matches, but the batting was fairly strong with Jefferis outstanding, and Zimbulis and Irvine correct and full of promise.

All the team's thanks are due to Dr. J. T. Irvine for his coaching and always excellent advice.

HALE SCHOOL v. AQUINAS COLLEGE

FRIDAY and SATURDAY, 5th - 6th MARCH, 1965

Played Away — Lost Outright

Zimbulis and Scott both batted well twice, but the reputation of the Aquinas bowlers rather than their performance somewhat overwhelmed the eleven, which was consequently outplayed. Campbell bowled with fire.

HALE SCHOOL v. SCOTCH COLLEGE

FRIDAY and SATURDAY, 12th - 13th MARCH, 1965

Played Away — Won on First Innings

Both openers batted well and then Irvine showed his promise by scoring 90 runs after "a pair" at Aquinas. His partnership with Jefferis, who scored very fast, was the best of the season.

Scotch looked like winning at 107 for 1 and 185 for 4, but slumped after tea on Saturday, much to the credit of Campbell's captaincy and Jefferis's slow off spinners.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

FRIDAY and SATURDAY, 19th - 20th MARCH, 1965

Played at Home — Lost Outright

Hale's bowling on a good batting wicket was neither accurate nor subtle enough. Jefferis's 98 included superb off and cover drives, square cuts and hooks, and in the second innings Zimbulis batted with determination and elegance. The eleven should however never have been dismissed twice in one day, cleverly though Sadleir bowled.

FRIDAY and SATURDAY, 26th - 27th MARCH, 1965

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

FRIDAY and SATURDAY, 2nd - 3rd APRIL, 1965

Played at Home — Lost on First Innings

Missed chances in the field and mediocre bowling coupled with sensible batting by Anderson and Laurent and a hardhitting Herbert made it difficult for our batsmen to get within 100 of their score, but Fallick's first fifty in Cup cricket was encouraging for the future.

THE COACH'S COMMENTS ON PLAYERS

CAMPBELL, K.—Captain, inswing medium pace bowler and hard hitting batsman. His tactics were usually sound and he set a good example in the field.

SCOTT, J.—Vice-Captain and all-rounder, a good straight driver but too firm footed in defence. A useful in-slant bowler and fast in the field. A most helpful second-in-command.

ZIMBULIS, R.—Third selector. A correct opening batsman, who often got out when apparently set. Best strokes, the straight drive and leg glance.

JEFFERIS, D.—The most gifted player in all three departments, always entertaining to watch when batting though a bad caller. With greater use of flight he might have taken a lot of wickets. First class fielder with a beautiful throw.

BENNETT, C.—A quiet and efficient wicket keeper and left hand batsman who suffers from a weakness on the leg stump, but should develop into a very good player.

IRVINE, A.—A second year boy of great promise. He has nearly all the strokes and knows a lot about the game but there is a lot more to know.

SHANTI, P.—After a lean patch early in first term, he regained confidence and batted very well. Has a sound defence, is a reliable fielder and useful change bowler.

FALLICK, I.—A useful all-rounder who opened the innings well in the last two matches, and who bowls leg breaks and googlies with plenty of bite.

RICHARDSON, L.—Very successful slow flighty off spinner in preliminary matches, who failed to entice batsmen out in Cup cricket mainly because he bowled enough bad balls to enable his opponent to wait.

BOSICH, S.—A fastish slinger who, under Mr. Gidney's guidance, improved greatly and wreaked havoc in Second XI and House matches. May do very well this coming season.

Also played—

SALMON, R.—Limited in strokes but hard to get out. If he would think, he might become a good left arm slow bowler.

BOLTON, A.—Left hand batsman of much promise.

VERYARD, V.—Medium fast left arm bowler and excellent deep fielder.

SMITH, N.—Medium pace bowler who can move it both ways. Intelligently used, and using his intelligence, he may well prove to be the mainstay of our success this coming season.

LUMMIS, P.—A left handed all-rounder of unorthodox type.

McKAY, G.—Steady left arm medium pace of some potential.

DONOVAN, G.—Medium pace bowler who did well in the seconds.

BARTON, N.—Hard driving batsman and capable reserve 'keeper.

"The life of muscles"

CAPTAIN: L. A. UNDERDOWN

As usual rowing commenced towards the end of third term last year. The prospective First VIII boys were trained in two pairs and one IV for ease of supervision and selective training. This arrangement was continued for the first few weeks of first term before we moved into the *Lee-Steere* to commence our training as an eight. Several changes were made at this stage and the First VIII began training six days a week with Mr. Little. We later moved into our racing shell the *R. A. Little*.

As usual with the influx of new oarsmen, much basic training had to be done; this task was carried out by John Little with the aid of several previous season's First VIII boys.

The coaching of our crews was undertaken by Mr. R. A. Little the First VIII, Mr. D. Durston the Second VIII, John Little the First IV, Andrew Johnson the Second IV, Ted Sharp the Third IV. We had been training with Mr. Little for three to four weeks when Mr. David Johns, a Victorian and former Perth Commonwealth Games oarsman, arrived and jointly coached us for the remainder of the season—coming up from Bridgetown every weekend to coach us.

Our Hale Regatta was rowed in extremely difficult conditions, resulting in one eight being swamped and several near misses. The First VIII gained third place, the First IV gained third place while the Third IV was forced off the course. The Wilson House IV, comprising L. A. Underdown (stroke), G. G. Want (3), J. A. Draper (2), V. W. Wright (bow), P. D. Coates (cox), is to be congratulated on their win over Parry and Stirling Houses in the Finals of the Inter-House Rowing Competition. The Championship Pairs event was won by G. K. Jamieson (stroke) and A. D. Self (bow).

The Second VIII, Second IV, Third IV and Fourth IV rowed in the Wesley Regatta and gained 4th, 3rd, 5th and 5th places respectively.

During the season we were asked to run two miles in the morning and do a series of exercises every day. These were generally done well but some boys were not sufficiently interested in rowing to do this work conscientiously and, for them, the programme failed. Because the Head of the River was the week-end following Easter the crew rowed, whenever possible, twice a day during the Easter vacation and settled down to its final stages of preparation for the big event.

HEAD OF THE RIVER

This year the Head of the River race was held on Saturday, 24th April, a week later than last year. On the day there was an air of tension as crews prepared to leave and meet their opponents. Unfortunately, the anxiety was prolonged due to the course conditions, causing the programme to be postponed by two hours.

Finally we found ourselves on the starting line and waited ten minutes before the gun finally went. However, it was a false start and we were called back to our stations. After another ten minutes of manoeuvring, the gun went again and we found ourselves swinging down a rough and windy course.

In the first half mile all crews were fairly close together with Christ Church and Aquinas in front closely followed by Scotch, Hale, Guildford and Wesley in that order. The race was continued in that form except that Aquinas overtook Christ Church and took a length on them. Then, as they neared the Brewery, Christ Church made a determined bid for first place with an im-

pressive display of power rowing. However, Aquinas were able to hold them off and won by two feet to Christ Church. Scotch, Hale, Guildford and Wesley followed in that order.

Aquinas are to be congratulated on achieving a six point win by winning every event on the programme. If Hale expects to win the Head of the River race, eight dedicated oarsmen, willing to work solidly for three months, both in and out of the boat, must come forward. They must also have the unfailing support of the whole school and then, and only then, will we be in a position to capture the rowing honours not held by our school since 1950.

COACH'S RESUME

A monumental season! In 1965 Hale School Football scaled the heights and throughout the school teams had more success than for some years. The First XVIII had their best season since 1947. Scotch are to be congratulated on winning the Alcock Cup with 8 victories followed by Hale 7, Aquinas 6, Guildford $4\frac{1}{2}$, Christ Church 3 and Wesley $1\frac{1}{2}$. In my view Hale should have won that elusive Cup. Victories over Aquinas twice and Scotch once support this argument but then tragedy struck us at Wesley and Guildford.

A football camp in the May holidays and a *Trip* to Adelaide in August were unique innovations this years. A real football education was achieved at the Camp where the boys trained hard, discussed football and heard lectures from Keith Slater, Kevin Murray, Brian Sarre, Ern Henfrey as well as from Messrs. Towers, Chadwick and Pyke. My thanks go to them and especially to the Matron, Mr. Hoar and Mr. Towers for all they did in making the Camp so successful.

Camp benefit was obvious in our magnificent opening against Aquinas. Playing the best back up, run on, team football I have seen from a Hale School team the boys totally annihilated Aquinas in a way that made up a little for so many thrashings in the past. Then came Scotch. In a good game a more fanatical Scotch College defeated Hale by 16 points. At home Hale then won a tense struggle against Guildford. Wesley won their first and only game for two seasons in beating Hale the following week. A very fast Wesley played well but Hale returned to the unimpressive lack lustre stuff of yesteryear, except in the final quarter when they almost snatched the game out of the fire. Christ Church had defeated Wesley earlier in the season. This unpredictable game then saw a bitterly determined Hale team cane Christ Church by 93 points.

The second round opened with Hale and Aquinas staging a tremendous struggle at Hale under gale force conditions. The last quarter was fierce as Aquinas backs kept Hale out. Suddenly a goal came and then five more and Hale had thrashed Aquinas again. Aquinas supporters and historians were scratching their heads in amazement. The season's denouement came at Hale the next week where previously unbeaten Scotch were humbled by a spirited Hale side playing grand team footy.

This great victory was only Hale's second against Scotch College in the last 31 games. From that pinnacle of glory we then tumbled into the humiliation of defeat in the Guildford mud. Except for the last quarter, Hale's approach and effort was not good enough. Aquinas defeated Scotch in the last game of the season and therefore our defeat at Guildford cost us equal first in the competition. In the final two games Hale had to work hard to win against Wesley and Christ Church. The team also defeated the Old Boys by 12.15 to 9.12 and was in fact unbeaten in 9 games on the Hale oval.

The day after the Christ Church game a party of twenty-five players, Mr. Towers and myself boarded our Whispering T jet for Adelaide. What a great time was had by all! I must pay tribute to the Masters at Scotch College, Adelaide, their boys and especially their parents who billeted the Hale boys out. Geelong College, Scotch and Hale played games against each other in what is considered the first ever interstate Public Schools Football Carnival. The Hale side played good football in both games on a waterlogged and much smaller ground. Geelong College 9.12 defeated Hale School 5.7 after a good game and in the last match of the season the whole side galvanised themselves into action and crushed our hosts, Scotch College, by 12.4 to 6.4. This was one of the finest team displays of the season. The whole idea of the trip was a splendid one. It is challenging to

meet other schools both at football and socially, great to see new places and to take Hale School on tour. I hope the trips can become a permanent feature and in fact it seems certain that Geelong and Scotch will be in Perth in May, 1966 to play in another Carnival. I am sure Hale men, past and present, and Parents will treat our visitors royally.

Giant ruckman, the blonde bombshell, the captain Peter Eakins was again the best footballer. He does not know the meaning of defeat and his inspiration on and off the ground was brilliant. Ian Collins, David Mill and Dale Jefferis made up the best line in the team. Their creative football as a unit and individual skills often brought talented half forward Geoff. Hodsdon into the game. Vice-Captain Ray Tarik, rover Bill Valli and rugged defender Don Wormald were fine players throughout but it is both difficult and wrong to single out players. The team is everything and on the many good days all players did well, combining to produce unselfish teamwork. The men who hand-pass to a team mate in a better position or shepherd or talk or encourage don't always get the mentions. They are the uncrowned kings of football!

To Haydon Dixon for his invaluable work as Ambulance man, to the many who donated trophies, to the boundary boys, to parents, friends and Old Boys for their great support, to Mr. Phillips for constant encouragement, to Mr. Towers for his magnificent work in all phases of football and especially to my two fellow selectors Peter Eakins and Ray Tarik go my thanks.

Football is a strange game. Form is variable, often unaccountable, both from an individual and team point of view and strange results can come. This partly explains why Hale failed to win. They had a great season producing in many games football of real quality, champagne stuff. Then suddenly all the magic disappeared and we'd lost the Cup. A relentless, assuming nothing, almost bitter approach is needed in every game for every moment of the game. Swans assumed, East Fremantle won. Players must always be stirred up, and excited no matter how hard or easy the opponent may seem, or how well or badly the team played the previous week, or how far ahead or behind the team is. After thrashing Scotch some players assumed Guildford would be easy. A fiery Hale School Nationalism must be always present and of course it often was. I mention all this only as a lesson for our future. If I sometimes became unnecessarily excited and even abusive it was only because of a burning desire for the Hale First XVIII to do itself justice. My desire is for football skills which produce play-on football, great comradeship and sportsmanship, teamwork and the Alcock Cup. 1965 saw all but the Cup. Can 1966 do the trick? At the end of

my happiest ever football season at Hale I look forward hopefully to the future and sincerely thank all players for their endeavours this year.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Aquinas College, Saturday, 5th June, 1965

The opening game for Hale School in the 1965 "Alcock Cup" season was played away from home.

The game began under threatening weather conditions and, losing the toss, Hale School had to kick into a slight breeze. Hale were slow into their stride, with all players appearing slightly nervous and mishandling the ball. Aquinas had four goals on the board before Hale notched their first major. Half way through the first quarter the Hale team steadied down and, at the first change-over, Aquinas led 4.2 to 3.3.

The second quarter began with rain falling, which was to continue throughout the remainder of the match. Hale continued with their play-on type of football and, receiving great drive from Eakins and Mill in the ruck and Jefferis on the wing, led 8.7 to 4.5 at half-time.

Hale completely dominated the game in the third quarter, kicking 5.7 against the breeze. Considering the steady rain that was falling, this was a mighty effort. Hodsdon (five goals for the match) was prominent at the centre-half-forward position.

Hale School added a further 4.5 for the final quarter and ran out easy winners 17.19 to 8.5. This crushing 68 point defeat of the co-holders of the "Alcock Cup", was a fine reward for the efforts put in by the coach, Mr. A. Macmillan, in organising a pre-season training camp.

Final Scores : Hale, 17.19; Aquinas, 8.5.

Goal Scorers—Hodsdon, 5; Valli, 4; Draper, 3; Campbell, Mill, 2; Eakins, 1.

Best Players—Mill, Eakins, Hodsdon, Jefferis, Hantke and Collins.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Scotch College, Saturday, 12th June, 1965

After the previous week's victory, Hale was confident that they could defeat Scotch; perhaps over-confident. Scotch appeared to want the ball more than Hale School and, as a result, were a yard or two in front of the Hale player in most positions on the

ground. One notable exception was Jefferis, who won on the left wing throughout the match.

The first half of the match was evenly contested, with Scotch College eager for the ball and closely checking when Hale School had possession of the ball. After a low scoring first half, Hale School led by a goal.

The third quarter was a repetition of the first half and, at the last change-over, Scotch College were a few points in front.

First into attack in the last quarter, Scotch added two quick goals and Hale School were unable to score the necessary goals to regain the lead. A disappointing result after the brilliant performance of the previous week.

Final Scores : Scotch, 8.9; Hale, 6.5.

Goal Scorers—Eakins, 3; Hodsdon, Valli, Mill, 1.

Best Players—Mill, Jefferis, Collins, Young, Eakins and Scott.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Hale School, Saturday, 19th June, 1965

Hale School played their first home match of the competition against Guildford Grammar School.

The weather was again threatening and, as against Aquinas in the opening match of the season, Hale School were slow to start, but after the first ten minutes of play, the players settled down and, with several passages of brilliant football, added three quick goals.

Hale School led at half-time in what was a low-scoring first half. They continued to dominate the third quarter and held a handy three goal lead at the final change-over.

Loose play by Hale School in the last quarter and several silly infringements by their players allowed Guildford back in the game to score two quick goals. Good defensive play by Skinner full-back, (playing his last game for Hale), ably assisted by Young, enabled Hale School to run out winners by ten points.

Final Scores : Hale, 8.8; Guildford, 7.4.

Goal Scorers—Valli, 3; Campbell, 2; Hodsdon, Jefferis, Mill, 1.

Best Players—Valli, Jefferis, Young, Mill, Skinner and Campbell.

HALE SCHOOL v. WESLEY COLLEGE

Played at Wesley College, Saturday, 26th June, 1965

Wesley, with first use of the breeze, were first to goal and continued to attack for most of the first quarter. Hale trailed by eleven points at quarter-time, 4.2 to 2.3.

With the use of the breeze in the second quarter, Hale were in attack almost continuously and only inaccurate kicking, 2.5 to 1.2, prevented them leading at half-time, instead of trailing by two points 5.4 to 4.8.

The third quarter was a repeat of the first, with Wesley making most of their opportunities to kick 3.1 and lead at three-quarter time 8.5 to 5.9.

Accurate kicking by both teams was a feature of the last quarter; two goals straight were scored by Wesley and 3.1 by Hale. Hale were continually in attack and had the Wesley defenders hard under pressure when the final siren went to leave Wesley winners by seven points.

Final Scores . Wesley, 10.5; Hale, 8.10.

Goal Scorers—Hodsdon, Bosich, 2; Collins, Campbell, Eakins, Bedbrook, 1.

Best Players—Valli, Tarik, Jefferis, Collins, Eakins and Donovan.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Hale School, Saturday, 3rd July, 1965

Returning to their home ground on a fine day, Hale School produced a classy brand of football. As in previous matches, Hale were slow to start but, after a low-scoring first quarter, led 3.3 to 1.2.

In the second quarter Hale kicked 7.3, with Eakins and Valli rucking strongly and Hodsdon in good form at centre-half-forward. At half-time, Hale School led by seven goals two behinds, 10.6 to 3.4.

Hale continued in the same manner in the third quarter, kicking another five goals two behinds to lead 15.8 to 5.4 at lemons.

The final quarter saw Hale School trying to notch the elusive twentieth goal and only their haste and inaccuracy in the forward line prevented them from achieving this. Hale School ran out

comfortable winners 19.13 to 5.4, somewhat atoning for their dismal display the previous week against Wesley.

Final Scores : Hale, 19.13; Christ Church, 5.4.

Goal Scorers—Eakins, 4; Hodsdon, 3; Valli, Price, Bowdler, Mill, 2; Hantke, Collins, Tarik, Bosich, 1.

Best Players—Eakins, Hodsdon, Valli, Wormald, Mill and Bowdler.

HALE SCHOOL v. AQUINAS COLLEGE

Played at Hale School, Saturday, 17th July, 1965

Hale School took the field determined to carry on where they had left off the previous week and show that their first win of the season against Aquinas was their true form. As a result, Hale were faster to the ball and had the edge over Aquinas for most of the match.

The first quarter saw Hale kicking against a stiff northerly breeze and they did well to hold Aquinas to 3.5 at quarter-time. Hale added 7.4 with the wind in the second quarter to lead 7.6 to 4.6 at half-time.

The third quarter was a repetition of the first with Hale only adding one point, but holding Aquinas to 4.1 for the quarter. At three-quarter time Aquinas led by a goal, 8.7 to 7.7.

The first few minutes of the last quarter saw an even contest with Aquinas defending grimly. A free kick to Hale right in front eventually gave them the lead and, from then on, they raced right away from Aquinas to run out easy winners 14.12 to 8.7.

Peter Eakins gave another outstanding display; both rucking and in attack, he kicked four majors.

Final Scores: Hale, 14.12; Aquinas, 8.7.

Goal Scorers—Eakins, Bosich, 4; Bowdler, 2; Hodsdon, Tarik, Collins, Mill, 1.

Best Players—Eakins, Tarik, Wormald, Campbell, Bosich and Bowdler.

HALE SCHOOL v. SCOTCH COLLEGE

Played at Hale School, Saturday, 24th July, 1965

Hale School commenced their return match against Scotch, determined to make amends for their previous disappointing game against that college. As a result Hale were first to settle into a spirited brand of football which they continued through-

out the first quarter to score 3.2 and hold Scotch to a solitary point.

Hale continued to display superior team work and added a further 4.3 to 2.4 in the second quarter to hold a handy five goal lead at half-time.

A further 1.5 to 1.1 in the third quarter, and another 1.4 to 2.2 in the last quarter, saw Hale run out easy winners by thirty points. As the scoring indicates, Hale had more scoring shots in each quarter than their opponents. This was due to Hale School's superior team-work throughout the whole of the match. Another feature of the home team's play was the fine high-marking and long kicking displayed.

This fine win by Hale over Scotch ended the latter's winning run; it was the first time for 12 years that Hale had beaten Scotch, and only the second time in the last 31 games.

Final Scores : Hale, 9.14; Scotch, 5.8.

Goal Scorers—Valli, 3; Hodsdon, 2; Jefferis, Draper, Hantke, Rose, 1.

Best Players—Wormald, Eakins, Bird, Tarik, Collins and Mill.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Guildford Grammar School, Saturday, 31st July, 1965

Hale School's return match against Guildford was a very disappointing exhibition of football and it was hard to recognise the team which had played so brilliantly in the previous two matches.

Hale kicked with the advantage of the breeze in the first quarter but failed to gain an advantage from it and, at quarter-time, held a small lead of eleven points.

Guildford made much more of their opportunities when they had the use of the breeze and kicked 3.4 to convert their losing margin to a lead of 1.2 at half-time.

The second half was evenly contested and Guildford's goal front accuracy was the deciding factor in their win by a margin of ten points.

Final Scores : Guildford, 8.7; Hale, 6.9.

Goal Scorers—Eakins, Valli, Collins, Tarik, Jefferis, Rose, 1.

Best Players—Eakins, Rose, Collins, Scott, Valli and Tarik.

HALE SCHOOL v. WESLEY COLLEGE

Played at Hale School, Saturday, 7th August, 1965

The return match against Wesley saw Hale School have its revenge for the disappointing defeat earlier in the competition.

The windy conditions made goals hard to get and Wesley's greater accuracy saw them lead at quarter-time 2.2 to 0.2.

Hale School improved in the second quarter, with fine ruck work by Eakins. Holding Wesley scoreless, they added 4.3 themselves to lead 4.5 to 2.2 at half-time.

Wesley scored three goals straight to draw level with Hale at three-quarter time.

Play in the last quarter was very scrumbly and, although Hale School had the advantage of the breeze, they could only score 2.3. However, this was sufficient to see them run out winners by nine points 6.11 to 6.2.

Peter Eakins finished a very fine match, scoring half of Hale's goals.

Final Scores : Hale, 6.11; Wesley, 6.2.

Goal Scorers—Eakins, 3; Hodsdon, Valli, Rose, 1.

Best Players—Eakins, Collins, Mill, Bowdler, Rose and Valli.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Christ Church Grammar School, Wednesday, 11th August, 1965

The last match of the competition, for Hale, was against Christ Church. This match was played on Wednesday, three days earlier than originally drawn, to enable the Hale team to leave on the following day for their visit to Adelaide.

Hale School took the field determined to finish the competition on a winning note and to finish in second place to Scotch College; the School's best performance for many years. The first quarter was fairly evenly contested, with most of the play centreing around midfield. After a low-scoring first quarter, Hale led by eight points 2.3 to 1.1.

The second quarter was also evenly contested, with both sides kicking two majors and Hale School scoring two extra points to increase their lead to ten points at half-time.

The third quarter saw Hale School take full control of the game and hold a more commanding lead at three-quarter time.

out the first quarter to score 3.2 and hold Scotch to a solitary point.

Hale continued to display superior team work and added a further 4.3 to 2.4 in the second quarter to hold a handy five goal lead at half-time.

A further 1.5 to 1.1 in the third quarter, and another 1.4 to 2.2 in the last quarter, saw Hale run out easy winners by thirty points. As the scoring indicates, Hale had more scoring shots in each quarter than their opponents. This was due to Hale School's superior team-work throughout the whole of the match. Another feature of the home team's play was the fine high-marking and long kicking displayed.

This fine win by Hale over Scotch ended the latter's winning run; it was the first time for 12 years that Hale had beaten Scotch, and only the second time in the last 31 games.

Final Scores : Hale, 9.14; Scotch, 5.8.

Goal Scorers—Valli, 3; Hodsdon, 2; Jefferis, Draper, Hantke, Rose, 1.

Best Players—Wormald, Eakins, Bird, Tarik, Collins and Mill.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

Played at Guildford Grammar School, Saturday, 31st July, 1965

Hale School's return match against Guildford was a very disappointing exhibition of football and it was hard to recognise the team which had played so brilliantly in the previous two matches.

Hale kicked with the advantage of the breeze in the first quarter but failed to gain an advantage from it and, at quarter-time, held a small lead of eleven points.

Guildford made much more of their opportunities when they had the use of the breeze and kicked 3.4 to convert their losing margin to a lead of 1.2 at half-time.

The second half was evenly contested and Guildford's goal front accuracy was the deciding factor in their win by a margin of ten points.

Final Scores : Guildford, 8.7; Hale, 6.9.

Goal Scorers—Eakins, Valli, Collins, Tarik, Jefferis, Rose, 1.

Best Players—Eakins, Rose, Collins, Scott, Valli and Tarik.

HALE SCHOOL v. WESLEY COLLEGE

Played at Hale School, Saturday, 7th August, 1965

The return match against Wesley saw Hale School have its revenge for the disappointing defeat earlier in the competition.

The windy conditions made goals hard to get and Wesley's greater accuracy saw them lead at quarter-time 2.2 to 0.2.

Hale School improved in the second quarter, with fine ruck work by Eakins. Holding Wesley scoreless, they added 4.3 themselves to lead 4.5 to 2.2 at half-time.

Wesley scored three goals straight to draw level with Hale at three-quarter time.

Play in the last quarter was very scrumbly and, although Hale School had the advantage of the breeze, they could only score 2.3. However, this was sufficient to see them run out winners by nine points 6.11 to 6.2.

Peter Eakins finished a very fine match, scoring half of Hale's goals.

Final Scores : Hale, 6.11; Wesley, 6.2.

Goal Scorers—Eakins, 3; Hodsdon, Valli, Rose, 1.

Best Players—Eakins, Collins, Mill, Bowdler, Rose and Valli.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

Played at Christ Church Grammar School, Wednesday, 11th August, 1965

The last match of the competition, for Hale, was against Christ Church. This match was played on Wednesday, three days earlier than originally drawn, to enable the Hale team to leave on the following day for their visit to Adelaide.

Hale School took the field determined to finish the competition on a winning note and to finish in second place to Scotch College; the School's best performance for many years. The first quarter was fairly evenly contested, with most of the play centreing around midfield. After a low-scoring first quarter, Hale led by eight points 2.3 to 1.1.

The second quarter was also evenly contested, with both sides kicking two majors and Hale School scoring two extra points to increase their lead to ten points at half-time.

The third quarter saw Hale School take full control of the game and hold a more commanding lead at three-quarter time.

Christ Church came back strongly in the last quarter and with two quick goals, looked like making a close finish to the match, but Hale School's defence held firm and they finished with a winning margin of 2.9.

Final Scores : Hale, 7.10; Christ Church, 5.1.

Goal Scorers—Eakins, 3; Valli, 2; Draper, Rose, 1.

Best Players—Campbell, Eakins, Collins, Tarik, Bird, Hantke.

"They rip the grass"

1965 saw, for the first time, the Hale School Hockey team not at the bottom of the ladder. We not only won games but, by the end of the first round, were equal in points, on the top of the table, with Wesley. Our team put a lot of hard work into training as well as matches. Our coach this year was Mr. Brian Gidney and it was his guidance that enabled us to win the matches that we did. At the end of the season Hale was in fourth position.

The Masters in charge of the various teams were: 1st XI, Mr. B. Gidney; 2nd and 3rd XI, Mr. R. McMath; 4th and 5th XI, Mr. A. Taylor; 2nd Year, Mr. G. Aitken and 1st Year, Mr. P. Holmes.

The Captain of Hockey for 1965 was A. D. Self. G. B. Gray, C. J. Prosser and C. M. Smith were the senior members of the team.

Many thanks from members of the team to our supporters who braved all conditions to watch us in action.

HALE SCHOOL v. AQUINAS COLLEGE

PLAYED AT AQUINAS COLLEGE—SATURDAY, 5th JUNE, 1965

Our team settled down slowly, with Aquinas doing most of the attacking in the first minutes. The defence then took control and with accurate passing to the forward line our attacks gained purpose. After about twenty minutes Kwan beat the full-back and passed the goalkeeper with a controlled push to put Hale into the lead.

HOCKEY, 1965

BACK ROW (l to r)—R. P. Leonhardt, G. W. Mackay, P. S. K. Duce, L. J. Richardson, P. L. Tozer, W. Kwan, S. H. Wells.
FRONT ROW (l to r)—C. J. Prosser, A. D. Self (Capt.), Mr. B. B. Gidney, G. B. Gray, C. M. Smith.

Twenty minutes into the second half Kwan repeated the performance and Hale settled down to keep Aquinas out for the remainder of the game. Aquinas fought back to score once but were not able to again penetrate our defence.

Result—HALE, 2 defeated AQUINAS, 1.

Best Players—Prosser, Gray, Richardson.

Goal Scorers—Kwan, 2.

HALE SCHOOL v. SCOTCH COLLEGE

PLAYED AT SCOTCH COLLEGE—SATURDAY, 12th JUNE, 1965

Fresh from our first victory the team was able to dictate play for three quarters of the match, forcing 18 corners to 5 of the opponents. We were unable to capitalise on our opportunities. Scotch were able to convert opportunities and soon had two goals on the board.

In the second half Kwan broke through the defence to score our only goal. Scotch replied with another in the last few minutes from a goal front muddle to win comfortably.

Result—SCOTCH, 3 defeated HALE, 1.

Best Players—Gray, Prosser, Kwan.

Goal Scorer—Kwan, 1.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

PLAYED AT HALE SCHOOL—SATURDAY, 19th JUNE, 1965

Still smarting from defeat at the hands of Scotch we were out to prove that the first win was no fluke. In a hard fought game we managed to defeat Guildford at their own game. The defence played very well, creating opportunities for the forwards.

Result—HALE, 2 defeated GUILDFORD, 1.

Best Players—Gray, Self, Richardson.

HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT WESLEY COLLEGE—SATURDAY, 26th JUNE, 1965

This match was a brilliant win in a very hard fought match. It proved to our team that they were capable of winning the Cup if they continued with such determination. Hale started very quickly and in the first few seconds had just missed scoring. Five minutes later Self scored. Not much later we took a short corner and scored. Wesley also scored before half time. After

the change-over Kwan clinched the match with another fine goal.

Result—HALE, 3 defeated WESLEY, 1.

Best Players—Self, Tozer, Gray.

Goal Scorers—Self, 2; Kwan, 1.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL PLAYED AT HALE SCHOOL—SATURDAY, 7th JULY, 1965

We were rather fortunate to win the game as several of Christ Church's shots hit the post. Our forwards capitalised on most opportunities. The win was mainly due to the efforts of Smith, Wells and Self.

Result—HALE, 3 defeated CHRIST CHURCH, 1.

Best Players—Smith, Self, Wells.

HALE SCHOOL v. AQUINAS COLLEGE PLAYED AT HALE SCHOOL—SATURDAY, 12th JULY, 1965

This match marked the turning point of the season. It was from here on that we did rather badly. We were unlucky not to win for we had two goals disallowed and this seemed to take the sting from our tails. Hard defensive play by Aquinas did not allow us back into the game.

Result—AQUINAS, 1 defeated Hale, 0.

Best Players—Richardson, Self, Gray.

HALE SCHOOL v. SCOTCH COLLEGE PLAYED AT SCOTCH COLLEGE—SATURDAY, 24th JULY, 1965

As in the previous game with Scotch, we were never able to show top form. Exceptionally good performances by Gray and Prosser enabled us to draw the match, but as a whole the team did not play well.

Result—HALE, 1 drew with SCOTCH, 1.

Best Players—Gray, Wells, Prosser.

Goal Scorer—Wells.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL PLAYED AT GUILDFORD—SATURDAY, 31st JULY, 1965

This game was played on a very slippery pitch. Hale were unable on the day to match Guildford's brilliance. Our opponents played flawless hockey and exposed every weakness in our

defence. The forward line were never allowed to function and only at odd times did we look dangerous.

Result—GUILDFORD, 8 defeated HALE, 1.

Best Players—Gray, Dixon.

Goal Scorer—Wells.

HALE SCHOOL v. WESLEY COLLEGE

PLAYED AT HALE SCHOOL—SATURDAY, 7th AUGUST, 1965

Despite the score, this was a very even game. Wesley broke through three times in the last few minutes. Hale played extremely well in the first half but failed to take the opportunities to clinch the game (a failure existent all season) and paid the penalty in the second half.

Result—WESLEY, 4 defeated HALE, 1.

Best Players—Richardson, Self, Gray.

Goal Scorer—

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

PLAYED AT CHRIST CHURCH—SATURDAY, 14th AUGUST, 1965

In this, the last game of the season, Hale looked a tired and dispirited side after the defeats of the previous two weeks. We were no match for Christ Church who played fast, spirited hockey on a fine pitch. The last three games were a disappointing end to a season that half way through had promised so much.

Result—CHRIST CHURCH, 5 defeated HALE, 0.

Best Players—Prosser, Self, Gray.

"All turn and look one way"

The tennis season at Hale School started almost immediately in First Term in 1965, and our aim was to capture "The Wilfred Corr Cup".

The School was fortunate, as it had all of its First XI and most of its Second XI players back from the previous year. Also it had one of the State's leading coaches, Mr. Max Bonner, to supervise training of all the teams.

Early in the season W. G. Hodsdon was appointed Captain of Tennis for the second year in succession.

HALE SCHOOL v. AQUINAS COLLEGE

(Played on SATURDAY, 6th MARCH, 1965)

The first match of the season was against Aquinas College, the holders of "The Wilfred Corr Cup."

Hale School, 4 rubbers defeated Aquinas College, 2 rubbers.

Other Results:

Second IV—Aquinas, 8 sets defeated Hale, 4 sets.

1st Year—Aquinas, 6 rubbers defeated Hale, 0 rubbers.

2nd Year—Hale, 6 rubbers defeated Aquinas, 0 rubbers.

HALE SCHOOL v. SCOTCH COLLEGE

(Played on SATURDAY, 13th MARCH, 1965)

The First IV arrived at the game against Scotch College, knowing that to win "The Wilfred Corr Cup" for 1965, they would have to defeat the strong Scotch team which had three out of its previous years' team back. After the four Singles rubbers had been played, Hale School led by 3 rubbers to 1, due to determined efforts by I. Collins and K. de Gruchy, who put Hale in a good position with only two rubbers to be played. The outcome of these two rubbers was that Hale won one and lost one. The final score was: Hale School, 4 rubbers defeated Scotch College, 2 rubbers.

Other Results:

Second IV—Hale, 11 sets defeated Scotch College, 1 set.

2nd Year—Hale, 11 sets defeated Scotch College, 1 set.

1st Year—Hale, 6 rubbers defeated Scotch College, 0 rubbers.

HALE SCHOOL v. GUILDFORD GRAMMAR SCHOOL

(Played on SATURDAY, 20th MARCH, 1965)

The School had its first use of its grass courts in the game against Guildford Grammar School and the team played excellent tennis to defeat Guildford very comfortably, losing only 1 set.

Hale School, 6 rubbers defeated Guildford, 0 rubbers.

Other Results:

Second IV—Hale, 8 sets defeated Guildford, 4 sets.

2nd Year—Hale, 6 rubbers defeated Guildford, 0 rubbers.

1st Year—Guildford, 6 rubbers defeated Hale, 0 rubbers.

HALE SCHOOL v. WESLEY COLLEGE

(Played on SATURDAY, 27th MARCH, 1965)

The School team had its first taste of really soft courts at Wesley and it took a couple of players a little time to get used to them. But, despite this, the team had a reasonably comfortable victory.

Hale School, 4 rubbers defeated Wesley, 2 rubbers.

Other Results:

Second IV—Hale, 6 sets 53 games tied Wesley, 6 sets 53 games.

HALE SCHOOL v. CHRIST CHURCH GRAMMAR SCHOOL

(Played on SATURDAY, 3rd APRIL, 1965)

In this last match of the season the two undefeated teams, Hale School and Christ Church, fought for the Cup.

The Christ Church team was relatively strong and determined, but the Hale boys had a greater desire to win.

Hale School, 6 rubbers defeated Wesley, 0 rubbers.

Other Results:

Second IV—Hale, 8 sets defeated Christ Church, 4 sets.

2nd Year—Hale, 6 rubbers defeated Christ Church, nil.

1st Year—Hale, 6 rubbers defeated Christ Church, nil.

Positions of the teams in their Competitions:

First IV—1st.

Second IV—3rd.

2nd Year—Equal 1st with Wesley.

1st Year—Equal 3rd.

SLAZENGER AND HERBERT EDWARDS CUPS

During the season, Hale School entered teams in three competitions: (1) The Slazenger Cup, an open age group event; (2) The Murcell Shield, a "B" division of the Slazenger Cup; and (3) The Herbert Edwards Cup, an Under 15 age group cup.

The most successful team was the School No. 1 team in the Herbert Edwards Cup. These boys, namely Bill Valli, John Bougher, Malcolm Hodsdon and Robert Wallman, brought credit to the school by running out winners.

The School's open tennis team of Geoffrey Hodsdon, Ian Collins, Nigel Trotter and Kevin de Gruchy reached the semi-finals of the Slazenger Cup but were beaten by John Curtin Senior High School, the eventual winner.

During the School year the School Tennis Championships were held. These proved to be very good events, and revealed great potential for the Corr Cup competition of 1966.

1965 SCHOOL CHAMPIONSHIP RESULTS

CAMP

This year the unit entered camp on the last Saturday of second term instead of on the following Monday as has been customary in recent years. As a result the unit left camp before the Marching Out Parade took place.

Practising for this parade and the keen desire to prove the to be the best on parade normally results in a great build up of team spirit, and it was felt by some that not having this climax to the week would have a bad effect on the camp. Fortunately, they were proved wrong.

It was quickly realised that we would have to prove ourselves in other ways, and this we did. The band was generally reckoned to be the finest in camp and the high standard of marching of the unit was remarked upon by all. Added to this the dress and drill were also very favourably commented on by the Inspecting Officer during the Commander's inspection.

This year, as last, the whole unit fired the Bren gun on the mini-range and during the latter half of the week the whole unit took part in highly successful bivouacs, with the second year platoons staying out overnight.

As well as this, much other valuable training was done and this and the fine weather contributed to a very successful and profitable camp.

PASSING-OUT PARADE

Owing to the fact that Hale did not participate in the Pass-Out Parade at Northam Camp this year, every effort was made to ensure an excellent Passing-Out Parade at school.

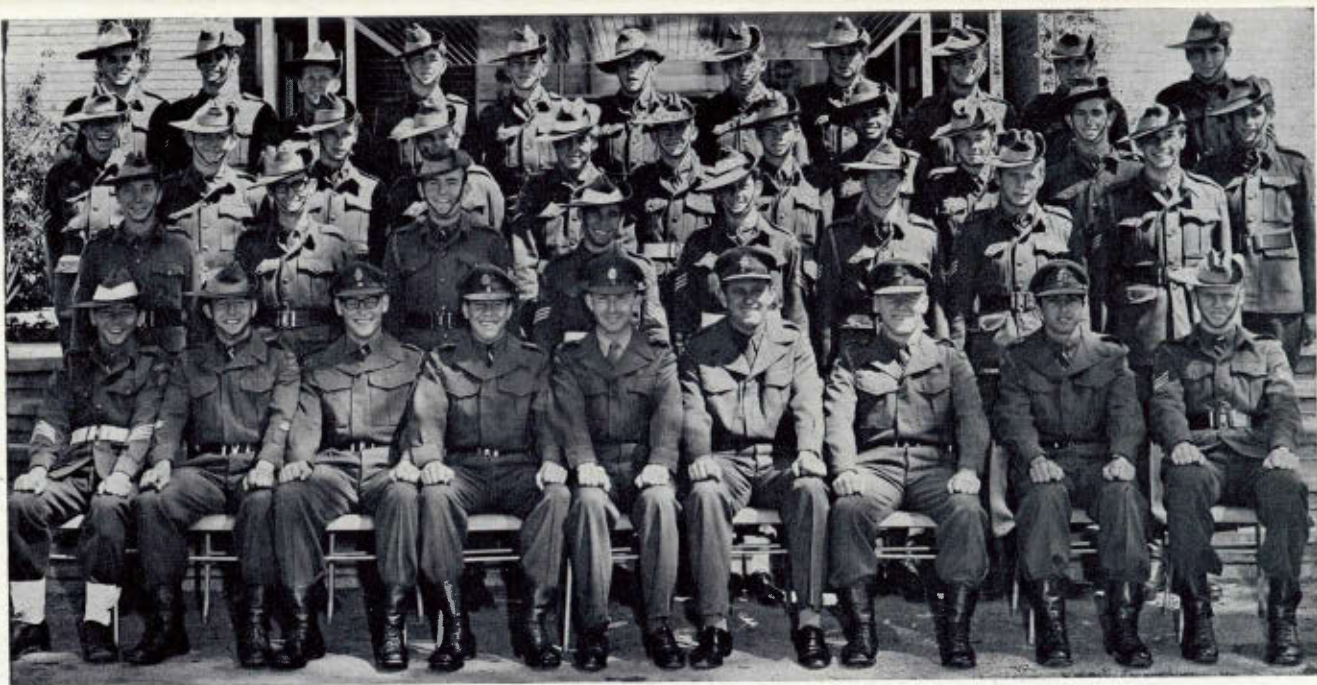

On the two Wednesdays prior to the Passing-Out Parade, both the Army and Naval Cadet Units practised their drill under WO2 Peterson.

Right from the outset the parade went like clockwork. It was a credit to every member of the Cadet Units when the Honorary Colonel of Cadets in Australia, Brig. H. C. Norman, attended the Parade. He was afterwards most complimentary in his remarks about both Cadet Units.

The Inspecting Officer, Captain Vickridge, R.A.N.R., also summed up the entire morning's effort when he commented on the parade's being one of the best he had ever seen, not excluding the performances of some regular forces. His praise was justified when this year's Tobruk-Trophy winner, Cpl. Shanti, marched up to accept his trophy.

When the troops had marched off, the Band under Band-Major P. Lummis, gave a brilliant display of precision formation drill. They provided a fitting finale to what must surely have been the best Passing-Out Parade ever held in the history of Hale School.

I would, on behalf of the company, like to express my thanks to Capt. Wheeler, Lieut. Macmillan and Lieut. Stones for their work in Cadets in the school, and also to WO2 Peterson for his inspiring help both on and off the parade ground.

Shooting

"And taking formal position . . ."

CAPTAIN OF SHOOTING: R. H. BROMFIELD

At the beginning of Third Term a squad of the best shots in the Army Cadet Unit was selected to train for the Challenge Cup shoot. Most of this training was done at the Schools' Mini-Range, using Morris tube rifles. The practice and a certain amount of coaching helped the standard to rise somewhat, and the team to shoot was picked only the day before the actual competition from scores attained in a practice shoot at Swanbourne. The team was Sgt. S. E. Dead, L/Cpl. P. Candy, Cdts. M. R. Fulwood, P. Dudarec and K. Lloyd with reserves Cpl. R. H. Bromfield and Cdt. L. Wheatly.

The organisation of the competition was the same as last year in that all shooting was done over 300 yards. The targets consisted of different types of silhouette.

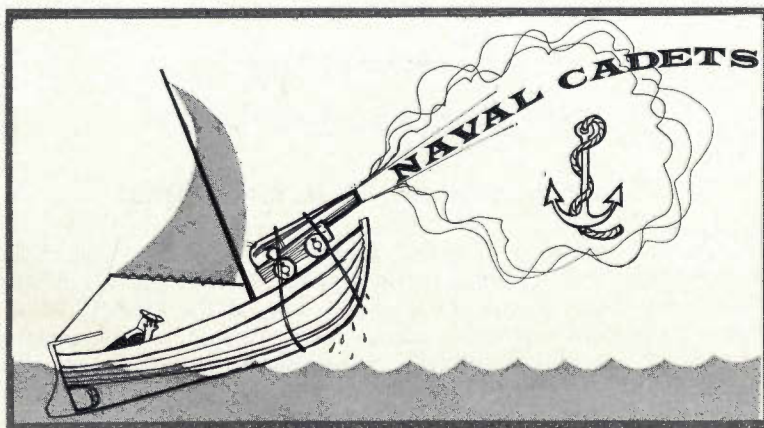

A cross-wind of intermittent strength made accurate shooting difficult and the standard of shooting was not very high. Hale was shooting in the "A" division this year and was placed eleventh out of thirteen schools.

The team, to be congratulated on their efforts, must acknowledge the help of various members of staff who gave up time to supervise and train the squad. With a large Cadet Unit, a Shooting Club and our own Range it is hoped that we will soon be turning in some good scores and that the Challenge Cup is soon in Hale's keeping.

FIRST TERM

T. S. Cygnet began the year with a complement of 46, a drop from last year, even though 28 new entries were recruited. As a result of the Indoctrination Course held at Garden Island during the annual camp of 1964, Petty Officers P. B. Skinner and N. Wylie were appointed Sub-Lieutenants.

After examinations in the early part of the term, promotions were made and the unit consisted of the following officers and higher rates:

Lieutenant W. B. McEwan, A.S.C.C.—Commanding Officer.
Sub-Lieutenant P. B. Skinner—Executive Officer and Boats Officer.

Sub-Lieutenant N. Wylie—Training Officer.

Chief Petty Officer H. W. Dixon—Master-at-Arms.

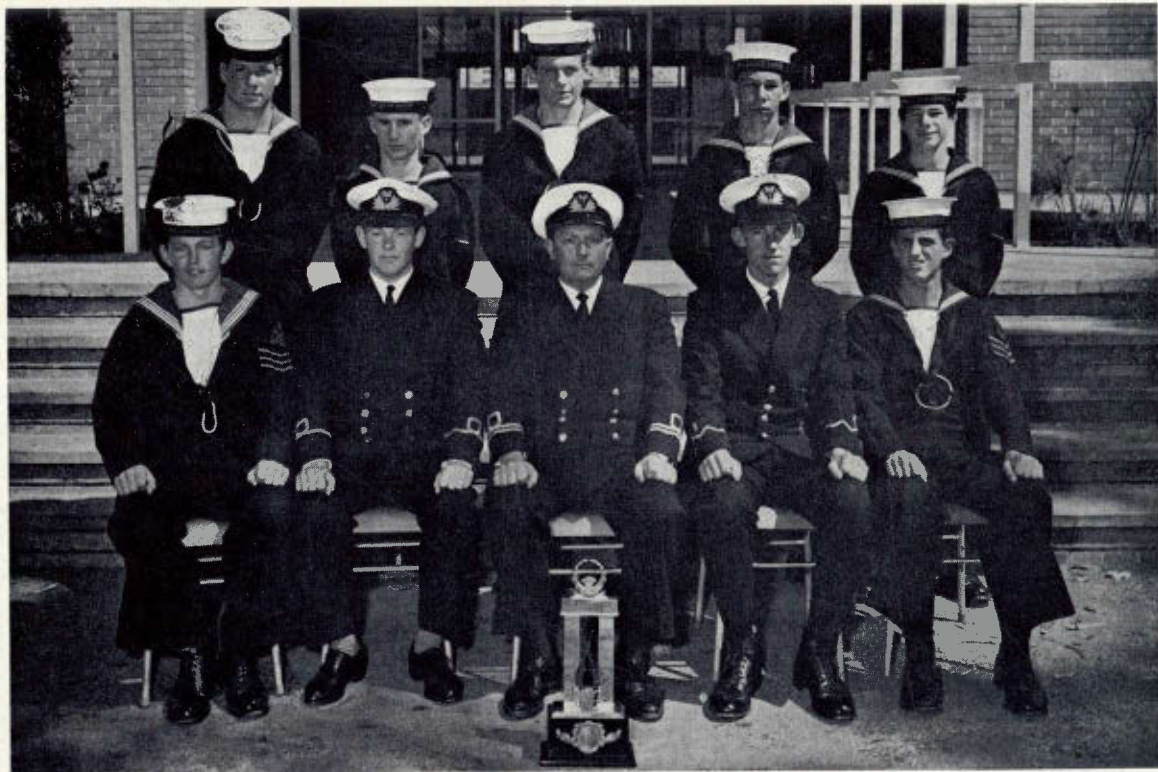

Petty Officer G. B. Gray—Senior P/O.

Petty Officer N. Barton—Divisional P/O.

Leading Seaman K. Roberts—Stores.

Other Leading Seamen were:

G. Jones, G. Parsons, L. Craig, R. Leonhardt, G. van Hazel
and B. Manning.

NAVY CADET CORPS — OFFICERS AND N.C.O.s

BACK ROW (l to r)—P/O G. Jones, L/S G. R. Parsons, P/O K. Roberts, L/S B. Manning, P/O R. Leonhardt.
 FRONT ROW (l to r)—P/O H. W. Dixon, Sub-Lieut. G. B. Gray, Lieut. W. B. McEwan (Commanding Officer), Sub-Lieut. Wylie, P/O N. G. Barton.

ABSENT—P/O B. Craig. P/O G. van Hazel.

On the 21st February the Colours Ceremony and Presentation of Trophies was held at H.M.A.S. Leeuwin. The Unit received the trophy for the Most Improved Unit and the Seaman-ship Trophy. The State Colours went to T. S. Creswell who won by the narrow margin of 1 point from T. S. Cygnet.

First term activities consisted of rifle drill, a rifle shoot on the mini-range, parade ground training, lectures on Fire Fighting, and many other aspects of the running of ships given by Lieut. McEwan whose years in the R.A.N. proved very valuable and a great asset to the unit.

Towards the end of first term, the whaler and the 14ft. dinghy were slipped and given a major overhaul which lasted well into second term. Each Saturday and Sunday afternoon a number of cadets and their fathers would work on the boats at Cygnet Hall under the guidance of Lieut. McEwan. Here our thanks must go to Mr. K. Roberts, president of the Parents and Friends' Committee, who spent many hours working at Cygnet Hall and organising the Parents and Friends' Committee into being one of the most efficient and enthusiastic T. S. Cygnet has ever had.

SECOND TERM

During second term Sub-Lieutenant P. B. Skinner left school and G. Gray was promoted to Acting Sub-Lieut (till his commission was finalised) and took over the positions vacated by Sub-Lieut. Skinner. Under the guidance of L/S Cangemi, R.A.N., the parade ground training and the guard training reached a high standard of efficiency. The signals section, though small, quickly mastered morse code and semaphore alphabet.

On the 14th July the cadets visited *H.M.S. Bulwark* and on Friday the 16th, six cadets joined *H.M.S. Plymouth*, one of her escorts, for passage to Geraldton. This proved a very valuable experience for the six cadets.

During July the annual inspection of boats, parade ground drill, stores, books and equipment was carried out by Commander J. Yule, R.A.N., who commented very favourably on all aspects of the running of T. S. Cygnet.

CAMP

The annual camp this year was held at H.M.A.S. Leeuwin from Sunday, 15th to Saturday, 21st of August, but unfortunately only 30 cadets could be accommodated and so some cadets

missed out on valuable training. Parade ground training, fire fighting, whaler sailing and pulling were the aspects mainly concentrated on and lectures and films were shown on all subjects. Due to the heavy rain and bad conditions, an all-day sailing excursion up the river had to be abandoned but training in the workboats was carried out.

During the camp a group of cadets from T. S. Cygnet and T. S. Cunningham acted as a guard of honour for the Governor and Commodore W. Marks at the opening of "The Sound of Music."

As a result of the camp, Leading Seamen Roberts, Jones, Leonhardt, Craig and van Hazel were promoted to Cadet Petty Officers.

THIRD TERM

Early in the term the result of the annual inspection was learnt; T. S. Cygnet won the State Colours for the first time, narrowly beating T. S. Creswell. As well as the State Colours T. S. Cygnet also won the trophy for the Most Improved Unit and the trophy for Parade Ground Training. This is a great credit to the cadets, the Parents and Friends' Committee and the officers who put a lot of work into the Unit to bring it to such a high standard of efficiency.

The combined cadet parade, the Marching Out Parade, was held under fine conditions with Captain Vickridge, R.A.N.R., the reviewing officer. Both the army and navy cadets acquitted themselves very well and the parade marked the end of a very successful year for both corps. The Vickridge Trophy was presented to P/O K. Roberts.

At the time of going to press the colours had not been presented but they are scheduled to be presented by Captain Purvis on November 11. This parade and presentation of the colours terminates several years of hard work in bringing the unit up to be the best in the State.

Library Notes

MASTER-IN-CHARGE: Mr. R. D. McMATH

LIBRARIAN: Mrs. M. HUMPHREYS

LIBRARY PREFECT: V. W. WRIGHT

LIBRARY COMMITTEE: P. M. NUTCHEY, T. J. JEFFREY,
M. CHARLTON, G. J. CAMPBELL, D. V. LAWSON

The Library this year has run smoothly because of Mr. McMath's unflagging interest and Mrs. Humphrey's ready assistance, for both which many boys are indebted.

Throughout the year the Library has been very busy with crowds of eager boys during morning and lunch breaks, thirsting either for knowledge or for a period of relaxation. Weekly borrowings vary between 250 and 300 books. Boys have been allowed to borrow books during the holidays and 300 were taken out during the August break. During this period the Library was open in the mornings, and boys availed themselves of this opportunity to study quietly or change their books.

Over 1,000 books have been added to the library this year, widening the scope of the school curriculum, and catering for hobbies and general interests. Among new additions are the attractive and useful series—Life Nature Library, Life Science Library, Life World Library and the New Illustrated Library of Science and Invention, also a beautiful production of The History of Christianity.

Mr. Brian Simpson continues to supply us with the "Illustrated London News", which is very popular. He and other Old Boys have also helped to swell the book stock.

The magazine section is the most popular part of the library, with "Life", "Surfabout", "World Sports", "Animals", "National Geographic" and farming magazines vying for first place in the popularity ratings of the 50 odd magazines to which we subscribe.

The only section of the library now sub-standard is the Foreign Languages section, but it is hoped to rectify this in the coming year.

A new system of Term Loans for Leaving students has been instituted by Mr. McMath, which has enabled senior boys to take supplementary text books for one term without the necessity of presenting them weekly for re-stamping. We have been able to do this as the library has multiple copies of a number of supplementary text books, and the boys have taken full advantage of this concession.

By and large the boys have been prompt in returning their library books and the atmosphere in the library has been busy and purposeful. Although small in size and often over-crowded, the library appears to be fulfilling a very useful service in the school and is a source of profit and pleasure to both students and staff.

Chapel Notes

This year has been the last of the old era. Next year Loton House will greatly increase the number of boarders and the erection of the Chapel will follow.

Our Chapel services have developed a happy familiar atmosphere, with the boys clearly feeling quite "at home" and taking a very active part. The singing has become a joy to hear and the three groups—Wilson, Faulkner and the Junior Boarding House—seem to merge into one united body in the fellowship of worship.

Murray Webster and Peter Ackland were the chapel prefects and handled their duties well.

Mr. R. McMath's being in residence at the School solved the problem of a pianist for Evensong. We are very grateful to him and to the boys who played when he was unavailable—John Craig, Brian Manning, and Michael and Timothy Davis.

The guest preachers proved most stimulating and we would like to thank our Headmaster and the Reverends K. Hall, B. Eccleston, M. Seymour, A. Grimshaw, L. Eyres, W. Riley, A. de Q. Robin, Canon A. Pierce and Bishop Riley. A missionary film was shown by the Reverend J. Eley, and Mr. A. Booth of the British and Foreign Bible Society showed a film on the work of his Society.

Bishop Macdonald conducted the Confirmation Service this year. History was made when three day-boys and one girl were

presented at Hale School. In all twenty-six candidates were presented—C. Armstrong, M. Armstrong, G. Bott, J. Blackman, C. Blundell, C. Cowan, L. Craig, B. Dempster, B. Fitzgerald, P. Growden, B. Hoar, Christine Hoar, R. Leaver, T. Muir, R. Norris, J. Pither, G. Rose, R. Salmon, M. Shipway, P. Summers, J. Thompson, P. Tozer, G. Van Hazel, P. Wainwright, D. Wright, and M. Young.

Attendance at Communion proved to be on the same level as last year, averaging about 32 per service.

Chapel collections were not good, totalling just over £42. From this, £10/7/1 was sent to the Archbishop from the confirmation, £5/5/- was sent to the British and Foreign Bible Society, £5/5/- to the Provincial Missionary Council and £10/10/- to the Chapel Building Fund.

It has been good to see the staff and their families providing such a fine example to the boys. We would like to thank them for joining with us in worship and especially to thank Mrs. Prince who provides flowers for our altar every Sunday.

Just what ultimate effect our chapel worship has on those who take part in it only God knows. We can only do our best and pray that God may use it to his glory and to the benefit of the School and its members. The ready co-operation and interest of so many gives us hope that despite the inconveniences and "coldness" of the Hall, Holy Communion and Evensong at Hale will be a lifelong inspiration to many.

Charities Contributions

Funds raised this year were again somewhat less than last year.

The total for the year was £244.

This money is to be distributed as follows: Red Cross, £30; Save the Children's Fund, £50; Silver Chain, £10; "Daily News" Orphans' Appeal, £10; Poppy Day, £10; Provincial Mission Council, £40; Slow Learners', £10; Spastic Association, £10; Blind Association, £10; Deaf and Dumb Society, £10; Parkerville Homes, £5; St. John Ambulance, £5; University Camp for Underprivileged Children, £5; Asthma Foundation, £5; Total, £244.

"Never mind what actual worth"

Chess Club

There was a general slackening of interest in the Chess Club this year among the senior forms, perhaps because meetings took place only on Thursdays. Nevertheless, this year, a team consisting of L. Prosser, S. Saunders, G. Campbell, R. Hartley and P. Finlay was entered in the W.A. Chess Association's Junior League Tournament and was unlucky to finish fourth out of eleven by 1 point. The tournament was played between March and July.

Results were:

- Hale d Scotch College, 4-0.
- Hale d North Suburban C.C., 3-1.
- Hale d Applecross High, 4-0.
- Hale d Christ Church (2), 3-1.
- Hale drew with Modern School, 2-2.
- Mt. Lawley d Hale, $2\frac{1}{2}$ - $1\frac{1}{2}$.
- Hale d Christ Church (1), $2\frac{1}{2}$ - $1\frac{1}{2}$.
- Hale d Guildford, $2\frac{1}{2}$ - $1\frac{1}{2}$.
- Wesley d Hale, $2\frac{1}{2}$ - $1\frac{1}{2}$.

Hale School had three representatives in the State Junior Chess Championships this year: S. Saunders, C. Naylor and L. N. Prosser, who was fourth in his division.

A new full size chess set was added to the equipment this year and it is hoped that there will be more interest in the club next year.

Music Society

In 1965 the Music Society missed the stimulation of a major project such as an opera, and the weekly activities were restricted to appreciation of recorded music and reading of books on music.

We have noted with pleasure the recent formation of a very promising school orchestra which plays at Monday assembly, and also the further development of the school's cadet band. The Society has encouraged members to participate in these two groups, and many have joined throughout the year.

The Music Society took an active interest in the performances by the Guild of Young Artists in the Hale Memorial Hall in September-October. The standard of both the operas and the concert was particularly high, and we feel that such activities do much to promote the development of music at Hale.

Another Gilbert and Sullivan opera is planned for 1966, and we hope that once again the school will be right behind the venture.

Debating Society

The Debating Society was taken over by Mr. Macmillan this year and the society soon settled down to having a debate each week. The small number of members allowed each person to take part in a debate at least each fortnight. Members also took turns at adjudicating the debate.

The first Inter-School debate was against M.L.C. in first term. The third year debate resulted in a win for Hale debating the subject, "That our grand-children should be pitied". The senior debate was won by M.L.C. by one point. A delicious supper followed, which was appreciated by the large number of boys present. Early in second term, a debate was held against St. Hilda's at Hale. The junior debate was won by St. Hilda's but the senior debate on the topic of the Ord River Scheme resulted in a draw, but not until after some clever contriving by the adjudicator. The supper was not up to the standard of

the M.L.C. debate. The final debate of the year was perhaps the most lively, although it resulted in a defeat for Hale in both debates. The visiting Perth College teams ensured a large turn up of boys.

The large increase of members in the club during third term and the promising attendances at the Inter-School debates auger well for next year.

Dramatic Society

Initially it was decided to perform the play "Photo-Finish" during second term in 1965, but copyright difficulties and a professional production of this play in Perth meant this project had to be abandoned.

Instead Warren Chetham-Strode's play about life in an English Public School, "The Guinea Pig", was performed twice, with such success that a third performance was demanded and given.

The cast of twelve players gave very good performances indeed. The major "men's" parts were played by H. Dixon, C. I. Prince, D. Herd and N. H. Smith and the three "women" J. Viska, J. B. Massey and B. Goodridge were remarkably feminine, in spite of some difficulty in finding female shoes to fit John Massey.

This year saw the start of an Independent School's Drama Festival, when Aquinas College and Guildford Grammar School joined our own society in staging a programme of three one-act plays in September.

For this festival we chose a modern play of the "absurd" type called "The Form" by N. F. Simpson, and this was very well done by John Massey (this time as a man), David Herd, Kim Parker and Brett Goodridge (female again).

A great deal of very good work backstage in these productions was done by K. Prince, B. Loveland, P. B. Harris, B. Manning, D. Bedbrook, C. M. Smith, B. R. Sanderson, E. J. Young and R. J. Williamson. Finally, we would like to thank Mr. Loftus for designing and painting the settings for "The Guinea Pig", and Mr. E. R. Prince, our Master-in-Charge, for his most valuable and expert guidance.

Scenes from
"The Guinea Pig"

"They yelling mix tag, hide-and-seek, hopscotch"

After completion of the final exams., Grades 5, 6 and 7 relaxed at the Apex Camp, Point Peron, for the last three days of the school year 1964. A variety of activities: swimming, fishing, volley ball, cricket and table tennis, kept the boys occupied during the day. In the evening most boys were so exhausted that they were asleep well before lights out. All voted it a most successful camp despite some doubts which were cast on the Masters' abilities as cooks. It is hoped to hold a similar camp at the end of this school year.

In November last year, an afternoon tea was held at the Junior School to welcome mothers of new boys. The large attendance of mothers enjoyed a delightful spread and later inspected displays of work in each classroom.

Grades 1, 2 and 3 commenced school in February in the new room completed during the holidays. Under the guidance of Mrs. Campbell they quickly settled in and have made a good contribution to the tone of the Junior School. Several excursions have been arranged for them to visit local factories as part of their education. To help their physical development, climbing bars have recently been erected in the playground.

In August, Mr. Bourne, of the Main Roads Department was invited to talk to the boys of all grades on the development of the North-West. With the aid of coloured slides, he presented a most informative lecture which was of great value to both boys and staff.

At the end of second term the Junior School was greatly disappointed to learn that Mr. Lovelady was leaving to go into private business. His work with the Junior School Orchestra has

been particularly valuable; however, his excellent groundwork has enabled the orchestra to carry on quite successfully.

The ladies who serve in the tuckshop gave a farewell morning tea to Mrs. Lovelady in appreciation of the work which she had done.

Mr. and Mrs. Haskett arrived for the commencement of third term to take charge of the Junior Boarding House. Mr. Haskett has taken Mr. Lovelady's place teaching Grade 6, and Mrs. Haskett is taking remedial reading groups and art part time.

The work of the ladies who have given their assistance in the tuckshop and library is greatly appreciated. From the tuckshop funds a 35mm. projector has been purchased; this is a valuable teaching aid used by all grades.

The library is being added to continually and caters for boys of all reading ages. The books are kept in excellent condition, thanks to the help of Mrs. Mill, Mrs. Strickland and the librarians from Grade 7—Stott, Morrison and Craig.

ALE LANGWITCH

Outsiders or new boys and staff frequently find difficulty in understanding the boys of Hale. It is essential to master the basic vocabulary below if one is to communicate intelligibly with the natives.

CONNIVE MISTAKEN: the boys would like to see Mr. Aitken.

CMAW NAIL: general barracking noise.

CNAI GOAT OILIT: the boy wishes to be excused.

FORK NOUSE: a boarding House.

FORDEE DAZE: a popular hymn.

GEDDIZ LEGS: a Rugby barracking noise.

GIDDA MOO VON: hurry up.

GIDDON SYE DIAL: Hockey and Rugby advice.

GISSA LENDER: borrowing term.

UNCERTAINTY

Can morning light be there and not be here?
 Nay! This is but a fantasy of truth
 Which can not burn in minds not meant for work.
 Can yet there be a freedom in this life?
 Can yet there be a hope to linger on?

Is not the morn a thing of beauteous might
 Which may or may not speed the trace of time?
 Who are the stars? The violence of youth
 Has much to learn of splendour and of truth.
 And yet . . . and yet there is and there is not.

And we are here, but here is beauteous morn
 And yet we see it not to dim the stars
 Which stream across the Firmament of Faith.
 Can yet we see the moon in splendour bright
 Who beckons us to bay the searing night?

I know not why I live. The beauteous morn
 Is nought but truth to burn us and our days
 And why, oh why do moons shine to the day
 And not the stars who bury neath the spray
 Of sun and moon in all their great decay.

—R. Hartley (5A).

SONNET

A song came echoing over the purple lake.
 The nightingale sat in his nest above
 The waters and from out the darkening brake
 Arose the mournful warblings of a dove.
 I sat beneath a tree beside the shore
 And listened to the song that men had heard
 For years, no, for centuries before
 I ever heard the glory of that bird.
 Now when I think again of that dear night
 When I was young, I see myself once more
 Beneath the beauty of those heavens bright
 Beside that lone and solitary shore
 And there I sit enthralled as insects mourn
 And all the world waits sadly for the dawn.

—R. Hartley (5A).

DOUBT

To me Thou art a thing above;
A being misunderstood by me.
Why dost Thou not give me some love
And make Thyself so I can see?

Dost Thou expect from me belief
If I can't see that Thou art there?
Perhaps to me will come some grief
Before I am set on the holy stair.

O God! I doubt Thy very existence!
I cannot see how Thou canst be.
Admittedly, I offer resistance—
Please show Thyself clearly unto me.

—H.P.C. (5A).

ONE NIGHT

The night is dark and stormy,
The swimming pool light is dim.
Oops! Splash! Bang!
The lifesaver's fallen in.

—Anon (L5).

THE FOREST

Down along the mountain track,
With a heavy pack on my back.
Some water dropped, as I hopped.
Not a sound to be heard,
The stillness was wakened by a bird.
A frog croaked,
I heard a roar,
As I saw a tiger's paw.
I stayed still as I saw a snake,
Sleeping by a lake.
As I got down to a small town,
I saw a lion prowl.
Not a person to be seen,
At the place I had been.
Soon I got back to settled parts,
And how I enjoyed a good scrub!

THE MAN FROM BONDI BEACH

(—with apologies to A. B. Paterson)

There was movement at the surf club, for the word has got
around

That the shark that ate Pat Holmes had got away
And had joined the wild Grey Nurses — the reward was a
thousand pound,

So all the lads had gathered for the fray.
All the tried and noted surfies from the beaches near and far
Had gathered at the surf club overnight,
For the surfies love hard riding where the wild Grey Nurses are,
And the surf board snuffs the battle with delight.

There was "Eaks" who made his pile when Brighton won the
quarter,

The old man with his hair bleached white as snow,
But none could stay beside him when he'd got the smell of water,
He had gone wherever board and man could go.
And Clancy of the Undertow came down to lend a hand;
No tougher surfie ever rode a wave,
For a Rocker never triumphed when Clancy took a stand—
He had put near seven Rockers in the grave.

And one was there a stripling, on a small and flimsy board;
'Twas something like a surf board undersized,
With a touch of tiny kick board, three parts body board at least,
And such as are by Sydney surfies prized.
He was bronzed and blonde and wiry, just the sort that won't
say die,

There was courage in his quick, impatient speech,
And he bore the badge of gameness in his bright and fiery eye,
And in the way he slouched around the beach.

But still so slight and weedy, one would doubt his power to stay,
So the old man said, "That board will never do
For a long and tiring shark hunt, Son, you'd better stop away.
These waves are far too rough for such as you."
So he waited, sad and wistful—only Clancy stood his friend.
"I think we oughta let 'im come," he said,
"F'r'll betcha he'll be with us wher'e's wanted at the end,
'Cos both 'is board an' 'e are Sinny bred.

"He 'ails from Bondi Beach, down by Maroubra's side,
Where the looms are twice as steep and twice as rough;
Where the surfies go like lightning thro' the pipe lines every ride.
The bloke that holds 'is own is good enough.
An' the Sinny Sider Surfies on the white caps make their home,
Where the combers run those quiet headlan's 'tween.

I've seen full many surfies since I first commenced to roam,
But no where yet such surfies have I seen.

They found the 'nurses by the Continental Shelf,
They raced away towards the Nor' Nor' West,
And the old man shouted wildly, "Lads, it's each one for 'imself.
But you Joes there, you take the right, the rest
You take the left with me. For Pat's sake, go with all your
might—

Ride boldly lads and never fear their teeth
For never yet was rider who could keep the mob in sight,
If once they gain the shelter of that reef."

Clancy pushed his board right past them, he was riding at the
break,

Where the leader of the pack should take his place.
He hovered on the wall there, and he made the wild sharks quake
With his shouting as he met them face to face.
Then they faltered for a moment and he seemed about to crash
Down on them; but their well loved reefs stood full in view,
So they charged beneath his surf board with a sharp and sudden
flash,

And off among the jagged rocks they flew.

When they reached where the waves were breaking even Clancy
flicked right out—

It well might make the boldest cut their ride—
And the old man muttered fiercely, and added with a shout,
"You'll never ride 'em on the other side!"
But the Man from Bondi Beach let his surf board have its head,
He swung his body round and gave a cheer,
Then he raced across the face like a madman on a sled,
While the others crouched and watched in very fear.

Through sea weed and the coral in the rough and broken surf,
Through a pipeline at a racing pace he went,
And he never moved an eyelid till he landed dry and safe
At the bottom of that terrible descent.
Then they lost him for a moment, where two giant rollers met
In the reefs, but a final glimpse reveals
On a dim and distant comber, the wild sharks racing yet
With the man from Bondi Beach right on their keels.

And he chased them single handed 'till the seas were laced with
foam,

He followed like a lamprey in their track
Till they halted cowed and beaten; then he turned their fins
for home,

And alone and unassisted brought them back.
But his hardy Bondi surf board, it wallowed in the troughs,

There were dings from nose to fin from every rock.
But his pluck was still undaunted, and now they'd never scoff
At him again—he'd given all a shock.

And down by Bondi Beach, where the board clad rollers raise
Their foaming, rugged battlements on high, ,
Where the sand is white as ice cream, and transistors fairly blaze
At noonday 'neath the hot and humid sky;
And where around the car parks the litter swirls and plays
In the breezes, and the bitumen is wide,
The Man from Bondi Beach is a household word today,
And the surfies tell the story of his ride.

WHY

Why must there be war?
 Is it for the greed of one
 Who wants all the world at his feet;
 Or is it for one's nation?
 Why are nations not united?
 For war brings disaster
 To whoever looks for it,
 And those that look for it find it.

People are killed for they are forced to fight;
 They fight for one who has greed.
 They do not fight for their nation,
 But for one man; a dictator,
 Whose powers are endless.
 Why was this man ever born?
 He is a curse to all races,
 And one day he will destroy the world,
 And the war will never come to an end.

AS A MARTYR EFFECT

Once morphia I was interviewing an interesting character, that night, I dismember, a Mr. G. E. Tripp; he fold me this in lightning stormy.

"Seventy years ago, some dirty ears before the Gate Wall, long before I had thoughts of marion and settling down, I was dissolved in the following experience which I will delate to you.

My best fiend Gorgon Glory was throwing up a birthdaft partly and he had inviled all the yids he new, Lloyd knomes where they all came frog. One or tomb a dolts were there, but they only stood aback and watched us all enjoy each other. As ewes you wool Gorgon was beheading, so was his sister Moley.

Anyways about this time Gorgon's mother was ringing out his belly and nicedream, and azue orl gnome geraldton can't stand by and watch a lady carry things; moldly I lepered to my foot, but unfortu-neatly as I did so I knocked off Gorgon's motly. Now she was a good naturally worman and deigned only to cuff me over the ear for the foul deed.

Howevens by this time the hole mob were bluttering and generally larding at me. Degenerated I rozup from Gorgon's scunge bitten floor, and strangled myself to my fool, then, three feets, and muddled some diffuse at Gorgon's motley, till her eye

went all wet and slimey. In fact she was so undone with my process that she sword at me several times and told me 'Go Hulme you miserable little wart.'

I kicked her one and ran all the way, wrying as I ran.

Rightaways I sold my farther, whom was all up in Elms over the hole thing, and retorted, all irrigated, to screaging missuse at Gorgon, some of which deflected on his parents' caricatures. But he soon went back to sleep and merely gurgled in avoidance."

"Very interblessing Mr. Tript," I said, "but what is the morning of the storm?" I asked. He termed around and lowered his insured British voice, and said,

"Wheel as a martyr effect I never Raleigh found out!"

ESSENTIALS OF CHEMICALS

Conc. sulphuric acid, neat,
Makes a mess of a wooden seat.

Hydrogen sulphide gas, I think,
Makes a really very fine stink.

Mercury, a liquid metal,
Is expensive—even a little.

Nitric acid gives a shine
To an old and dirty coin.

Nitrogen tri-iodide is the proper name
For touch-powder, which is the same.

Hydrogen peroxide is a good bleach
For hairy boys who live on the beach.

WHITE HORSES

Horses galloping across the sea,
Rearing and tossing up at me.

I like those white horses
Travelling on different courses,
Finally to land

On the clean white sand.

And there I stand,

Watching them land

And every day I watch those horses,
Travelling on different courses.

PRESIDENT'S REPORT

Gentlemen,

I hereunder present the Annual Report of the Old Haleians' Association for 1965.

The meetings have been well attended and the Sub Committees that were formed, have carried out their part in an able manner.

Finance:

These days when he presents a financial statement it is possible to catch a faint trace of a smile on our Treasurer's face. Like all financial men he keeps a tight rein on expenditure and this is reflected in the substantial increase in our accumulated funds.

As usual, subscriptions are slow in reaching us and this creates extra work and mailing for the Secretary. The best solution is to become a Life Member and allow us to invest these funds.

Membership:

This year the transfer to Life Membership has continued reasonably satisfactory with 24. In addition 8 new Life Members have joined together with 19 new Annual Subscription Members.

Social:

The Committee headed by R. B. Gregson have organized the Annual functions, with their usual skill, and managed to come through without any great losses. The Head of the River Launch was again poorly patronised and it makes us feel that possibly it is not required. This will be decided by next year's committee.

This year the younger members of the committee organised a cabaret on Head of River Night and although it was an enjoyable function the same story is told of poor attendance.

A dinner dance was run early in the year and all those who were present agreed that it was one of the best functions we have ever held. We had hoped for 150 to 200 but only 80 attended. We have decided to form a women's committee to get behind this function next year and I feel that if you don't book early you won't secure a guernsey at this excellent function.

The Public Schools' Association ball unfortunately failed to attract the usual full house, but here again for those who attended, it was a great night. Next year we are hosts for this Ball and I ask Old Boys to rally around and let us make a success of the occasion.

The Golf Day held at Cottesloe Golf Club, followed by the buffet, gave a lot of entertainment to those who joined in. Remember, if you can't play golf, join in the fun afterwards and listen to the extraordinary stories relating to the game made famous by the Scots and infamous by us players.

For the Annual dinner we decided upon a new venue at the Regency room in Cottesloe and the attendance was fairly good and the dinner and service left nothing to be desired. I trust that next year the word will have got around and we can expect still larger numbers.

Thanks to Newton Roberts the country dinner held in Bunbury was a mighty success and I must congratulate Newton, who claimed to be a man of few words, yet was able to entertain us for some considerable time. To Frank Craig and his wife we owe thanks for providing us with an excellent Sunday morning's barbecue and so winding up an enjoyable weekend.

Cygnets Hall:

Of all the Committee functions I suppose this is the most difficult and great credit is due to R. Newman and his Committee. The problems of vandalism, breakages, repairs and maintenance are ever present and must receive immediate attention. Good cleaning staff are difficult to obtain and are constantly changing, yet despite all of these problems they manage to keep ahead. Please remember that Old Boys are responsible for Cygnets Hall and so avail yourselves of its facilities whenever possible.

"The Cygnets"

Once more thanks to the School for making it possible for us to send copies to Old Boys on a reasonable basis and I am sure that its receipt is much appreciated.

"The Old Haleian".

John Deykin and his Committee have once more put their best efforts into sending out 4 issues of the publication. The Committee are always anxious to receive news of Old Boys' movements and activities and would appreciate any news of this nature.

Building Fund Appeal:

Although this was not directed in any way to Old Boys, who have already responded so generously toward the Memorial Fund, it was found there were some instances where Old Boys were also parents of past or present sons and so received approaches to subscribe to the new appeal. This appeal was primarily directed to parents but I must thank all those Old Boys who have been so generous in subscribing. Thanks must also go to Mr. W. Byrne as president and Mr. Roger Bryce as chairman, and the large committee of hard-working volunteers who did so much to make a success of the Appeal.

The Old Haleians' functions in order that Old Boys may keep in contact with the School and other Old Boys. It is our desire to build up the funds of the Association so that we may offer financial assistance to the School in the way of Scholarships and in any way the committee feel the most good will be done. The committee are working at present on ways and means of increasing our funds through endowments, increased enrolment of Old Boys and any other ways we can think of to finally achieve this goal.

To conclude, I thank all members of the committee for their present support and the willing manner in which they have

carried out their duties, to the past Presidents and members of the Board who have attended our meetings and so helped to make this such a strong Association. I have been grateful for the opportunity to serve my term as president and look forward to continued association with the committee.

E. V. BLACKMAN,

President.

AUDITOR'S REPORT

I have examined the balance sheet of The Old Haleians' Association (Inc.) as at December 31, 1964, and the related statements of income and expenditure for the year then ended. My examination included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and statements of income and expenditure are properly drawn up so as to give a true and fair view of the state of affairs of your Association as at December 31, 1964, and the results of its operations for the year then ended.

Dated at Perth this 25th day of February, 1965.

COLLIN NEWBERY,

Chartered Accountant,

Honorary Auditor.
